UP discoms eye speedy rollout of results-linked scheme

DEEPA JAINANI
Lucknow, March 25

WITH THE YOGI Adityanath 2.0 government having assumed office on Friday, the beleaguered distribution companies (discoms) in Uttar Pradesh are looking forward to the speedy roll-out for the Centre's new results-linked Revamped Distribution Sector Scheme (RDSS).

The outgoing government had approved the action plan and detailed project report

and shared it with the REC, which along with PFC, is the nodal lending agency for the ₹3.03-trillion scheme launched by the Union ministry of power in July last year.

UP's five state-run discoms are now expecting the Centre to sanction the projects once the biennial state legislative council elections, which are underway for 36 seats of UP's upper house, get over by mid-April.

According to the action plan, which has already been

approved by the monitoring committee, Uttar Pradesh Power Corporation, the umbrella body of the state's five discoms, aims to bring down the AT&C losses to 16.43% by

2024-25 against 29.04% losses in 2021-22. Similarly, the plan is to be on par with the gap between the average cost of supply (ACS) of power and the average revenue realised (ARR)

to zero by 2024-25 against the gap of 0.51 in 2021-22.

According to the revised proposal, the total cost of the project has been pegged at ₹58,604 crore, out of which smart meter-

ing would cost ₹22,116 crore, loss reduction would entail ₹19,856 crore and modernisation would cost ₹16,632 crore. The scheme's cost will be borne by the Centre and state govern-

ments in a 3:2 ratio.

The scheme's objective is to improve the operational efficiencies and financial health of all state-owned discoms by 2025-26 by providing them

financial assistance for modernisation and strengthening of the distribution infrastructure and improving the reliability and quality of supply of power to end consumers.

Central Warehousing Corporation a Schedule 'A' Mini Ratna PSU working under administrative control of Ministry of Consumer Affairs Food and Public Distribution is having Category I licence from Indian Railways to operate container trains on PAN India basis. Central Warehousing Corporation is authorized to run container trains to carry all goods and access to rail network where Indian Railways (IR) has right to operate trains. After transporting captive EXIM cargo for more than 10 years CWC is now entering into new segment of moving container trains for third parties to move their containerized cargo under the scheme Strategic Alliance for Rail Operations (SARO). This service is aimed towards ease of doing business and providing cost effective solutions in terms of Container Train Operations and allied services to interested parties. CWC invites all such business entities having their own rake arrangement and ready to utilize the Container Train Services of CWC for movement of cargo/stock on PAN India basis.
