Independent Auditor's Review Report to The Board of Directors of Rolta India Ltd.

We have reviewed the accompanying statement of unaudited consolidated financial results of Rolta India Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") for the quarter ended June 30, 2018, together with the relevant notes thereon ("the Statement") being submitted by the Holding Company, pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular dated July 5, 2016. This Statement is the responsibility of the Holding Company's management and has been approved by its Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and, thus, provides less assurance than an audit. We have not performed and audit and accordingly, we do not express an audit opinion.

In respect of a contract awarded, in principle, to the Company, as mentioned in Note No.6 for which the detailed commercial terms and other conditions are yet to be finalised, the Company has recognised unbilled revenue to the extent of Rs. 365.94 crores for the quarter and cumulatively Rs.2,458.72 crores upto June 30, 2018. Pending the finalisation of the detailed commercial terms and conditions of the said contract, we are unable to ascertain whether the basis on which the unbilled revenue has been recognised is appropriate, as also the consequential impact thereof on the interim financial statements of the Company for the quarter ended and as on June 30, 2018.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the para above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 read with SEBI Circular dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to the following

In respect of an international subsidiary, wherein the 'Senior Notes 2013' (Bond) amounting to USD 126.65 million, issued by it in the year 2013, which was due for repayment on May 16, 2018, and which continues to be outstanding, the Company has not made any further provision for interest for the period from May 17, 2018 to June 30, 2018, on the grounds that the Bond indenture is not specific on payment of interest on the outstanding loan amount beyond the date of its maturity. Our opinion is not modified in respect of the said matter.

We did not review the interim financial statements of four subsidiary companies whose interim financial statements reflect total revenue of Rs. 14.38 crores for the quarter ended June 30, 2018. These interim financial statements have been consolidated solely on the basis of certification by the Management of the Holding Company.

We did not review the interim financial statements of three subsidiary companies included in the Statement, whose interim financial results reflect total revenue of Rs. 61.67 crores for the quarter ended June 30, 2018. These interim financial statements have been reviewed by another auditor, whose reports have been furnished to us. Our conclusion on the Unaudited Consolidated Financial Results, in so far it relates to the amount and disclosures included in respect of these subsidiary companies, is based solely on the reports of the other auditor.

Our opinion is not modified in respect of both the above matters.

Independent Auditor's Review Report to The Board of Directors of Rolta India Ltd.

We have reviewed the unaudited standalone financial results of Rolta India Limited (the "Company") for the quarter ended June 30, 2018, which are included in the 'Statement of Unaudited Financial Results for the quarter ended June 30, 2018, together with the relevant notes thereon (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015') read with SEBI circular dated July 5, 2016. The Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus, provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

In respect of a contract awarded, in principle, to the Company, as mentioned in Note No.6, for which the detailed commercial terms and other conditions are yet to be finalised, the Company has recognised unbilled revenue to the extent of Rs. 365.94 crores for the quarter and cumulatively Rs.2,458.72 crores upto June 30, 2018. Pending the finalisation of the detailed commercial terms and conditions of the said contract, we are unable to ascertain whether the basis on which the unbilled revenue has been recognised is appropriate, as also the consequential impact thereof on the interim standalone financial statements of the Company for the quarter ended and as on June 30, 2018.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the para above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with Ind AS and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015, read with SEBI Circular dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to the following

The Company has upto March 31, 2018, made a provision for interest of Rs 272 crores on the 'Senior Notes 2013' and 'Senior Notes 2014', issued by its two international subsidiaries, consequent upon the said subsidiaries committing default in payment of interest on the aforesaid 'Senior Notes', in respect of which the Company is a parent guarantor. The said provision was made based on the Management's perception of the liability that would devolve upon it, in the light of the ongoing negotiations with the Bond holders. The Company has not made any further provisions for the same in the books of account for the quarter ended June 30, 2018, as the Management is of the opinion that the existing provision is adequate and no further provision is required. Our opinion is not modified in respect of the said matter.
