Independent Auditor's Report

To the Members of Educomp Solutions Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Adverse Opinion

We have audited the accompanying Standalone Ind AS Financial Statements of **Educomp Solutions Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Standalone Ind AS Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters discussed in the Basis for Adverse Opinion section of our report, the aforesaid Standalone Ind AS Financial Statements do not give the information required by the Companies Act, 2013 ("the Act") in the manner so required and also do not give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, of the state of affairs of the Company as at March 31, 2023, its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Adverse Opinion

1. As mentioned in Note 3.1 to the Standalone Ind AS Financial Statements, the Management did not conduct physical verification of Property, plant and equipment during the year ended March 31, 2023. In absence of the same, we are unable to comment over existence, valuation, and the extent of the adjustment, if any, required in respect of these assets as at March 31, 2023 and the resultant possible impact of the same on the loss for the year ended on that date and on the equity as on that date.
2. As regards trade receivable amounting Rs. 1,186.28 million (net of accumulated loss allowance of Rs. 14,680.44 million) as on March 31, 2023, the management is of the view that the same are good and fully recoverable in due course and hence no further loss allowance is required. In absence of appropriate audit evidences including balance confirmations, correspondences from parties and details of subsequent realization post March 31, 2023, we are unable to comment on the recoverability of the outstanding trade receivables of Rs. 1,186.28 million and the possible impact of the same on the loss for the year ended March 31, 2023, and on the equity as on that date.
3. As mentioned in Note 12.4 to the Standalone Ind AS Financial Statements, the Company has not accrued interest on borrowing post May 30, 2017, being Corporate Insolvency Resolution Process ("CIRP") commencement date. The amount of such interest not accrued is estimated to be Rs.4,017.70 million for the reporting financial year and Rs.19,005.18 million till March 31, 2023. This has resulted in understatement of financial liabilities by Rs.19,005.18 million as at March 31, 2023; understatement of loss for the year by Rs. 4,017.70 million and overstatement of equity by Rs.19,005.18 million as on that date.

4. As disclosed in Note 14 to the Standalone Ind AS Financial Statements, the advance from customers includes amount received from non-corporate entities of Rs. 80.47 million which is deemed to be deposit u/s 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposit) Rules 2014 and thereby in violation of section 73 to 76 of the Companies Act, 2013. The impact of the non-compliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
5. As mentioned in Note 24.2 to the Standalone Ind AS Financial Statements, the Company follows Expected Credit Loss (ECL) model for measuring impairment loss allowance of its trade receivables. The ECL allowance or loss rate is computed based on a provision matrix which takes into account historical credit loss experience. However, for the computed loss rate as mentioned in Note 24.2 to the Standalone Ind AS Financial Statements, we have not been provided with any underlying workings of such loss rate computed by the Company.

Further, the Company has not taken effect of aforesaid loss rate in computation of impairment loss allowance, if any on trade receivables over and above the existing provision in the books of account. In absence of relevant workings and other details, we are unable to comment on the appropriateness of the loss rate and the possible impact of not considering the effect of the loss rate in impairment loss allowance on the trade receivables balance as at March 31, 2023 and the loss for the year ended on that date and on the equity as on that date.

6. We have neither got the direct confirmations nor provided with the statements for borrowings from banks and financial institutions amounting to Rs.11,970.00 million (net) as at March 31, 2023. Further, in case of bank borrowings amounting to Rs.6,189.16 million wherein we have received the confirmations or bank statements, the amount recorded in the Standalone Ind AS Financial Statements is short by Rs.2,186.46 million (net) in comparison to amounts reported in the confirmations or bank statements. In the absence of reconciliations and other alternative audit evidence, we are unable to determine any possible impact thereof on the loss for the year ended 31st March 2023 and on balance of borrowings and equity as at March 31, 2023
7. Balance in borrowings other than bank borrowings mentioned in paragraph 6 above, amounting to Rs. 8,040.64 million as at March 31, 2023 are subject to confirmation. Borrowings other than bank borrowings amounting to Rs. 30 million wherein we have received the balance confirmation, the amount recorded in the Ind AS Financial Statements is short by Rs. 4.05 million. In the absence of any alternative audit evidence, we are unable to comment on any possible impact thereof on the loss for the year ended 31st March 2023 and on balance of borrowings and equity as at March 31, 2023.
8. As disclosed in Note 28 to the Standalone Ind AS Financial Statements, financial guarantees aggregating Rs. 13,346.06 million were issued to banks on behalf of its erstwhile subsidiaries. As per Ind AS 109 "Financial Instruments", the said financial guarantees are required to be initially measured at fair value and subsequently measured at the higher of (i) the amount of loss allowance in accordance with Expected Credit Loss ("ECL") method and (ii) amount initially recognized less cumulative amount of income recognized in income statement. However, no measurement of financial guarantees at fair value and estimation of loss allowances in accordance with ECL method were performed during the year. In absence of such measurement, we are unable to comment on the resultant impact thereof on the loss for the year ended March 31, 2023 and corresponding liability and equity as on that date.

9. The Company has not determined the provision for penal interest for defaults on borrowings as per the contractual terms of the underlying agreements. In absence of such assessment, we are unable to comment on the possible impact thereof on the loss for the year ended March 31, 2023 and on the balance of borrowings and equity as on that date.
10. As disclosed in Note 6.5 to the Standalone Ind AS Financial Statements, the balance with banks in current account amounting to Rs. 7.45 million is not verifiable as the same is not reflected in the bank statement. As per the bank statement available, the bank has already debited this amount in October, 2017 i.e. during the CIRP period where moratorium under the Insolvency and Bankruptcy Code, 2016 was in force prohibiting such actions. The company has not recorded this transaction in its books of accounts and therefore, the cash and bank balance as on March 31, 2023 is overstated by said amount along with overstatement of equity for the equivalent amount on that date.
11. We have neither got the direct confirmation nor provided with the bank statements for balance with banks in current accounts, term deposit and margin money with aggregate amount of Rs. 0.23 million. In the absence of any alternative evidence, we are unable to comment on any possible impact thereof on the loss for the year ended March 31, 2023 and on the balance with banks as at March 31, 2023 and on equity as on that date.
12. As mentioned in Note 4(ii) to the Standalone Ind AS Financial Statements, the Company has fully amortized its intangible assets (knowledge based content) as per its accounting policy but the same continues to generate revenue for the company. In absence of re-assessment of the useful life of the intangible assets, we are unable to comment on the resultant impact of amortization on the loss for the year ended on March 31, 2023, carrying value of intangible assets and on the equity as on that date.
13. The Company's investment in its subsidiary companies viz. Educomp Learning Private Limited, Educomp School Management Limited, and Educomp Professional Education Limited aggregating to Rs. 701.73 million (net of provision for impairment of Rs. 2,581.30 million) has not been evaluated for any further impairment since financial year 2020-21. These subsidiary companies have not furnished their audited financial statements nor latest valuation reports of these companies have been made available. The latest audited financial statements of subsidiary companies are available for the financial year 2018-19. In absence of appropriate audit evidence, we are unable to comment upon appropriateness of carrying amount of investments and possible impact of the same on the loss for the year ended March 31, 2023 and equity as on that date.
14. As explained in Note 36 to the Standalone Ind AS Financial Statements regarding managerial remuneration paid to one of the whole time directors of the Company during the quarter ended June 30, 2015 and during the year ended March 31, 2015 in non-compliance with the requirements of Section 197 and Section 198 read with Schedule V to the Companies Act, 2013, and paid during the year ended March 31, 2014 in non-compliance with the requirements of Section 198, Section 269 and Section 309 read with Schedule XIII to the Companies Act, 1956, for which the Central Government's approval is yet to be obtained.
15. As disclosed in Note 38 to the Standalone Ind AS Financial Statements, as per the Insolvency & Bankruptcy Code and Regulations issued there under, the RP has received, verified, and admitted the claims submitted by the creditors (Operational and Financial), employees and workmen of the Company aggregating to Rs. 30,437.72 million as on May 30, 2017. These claims have been taken into cognizance by Committee of the Creditors (CoC) in its 12th meeting held on February 17, 2018, while approving the Resolution Plan of the Company. The

details of such claims have been disclosed in the said note. As represented by the Management/RP, a reconciliation of the admitted claims vis-à-vis liabilities outstanding as at March 31, 2023 as per books of accounts has not been prepared and any impact thereof has not been considered in the preparation of these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2023.

In absence of the above, we are unable to comment upon appropriateness of carrying value of such liabilities as at March 31, 2023 and any possible impact of the same on the loss for the year ended on that date and equity as at that date.

16. As disclosed in Note 39 to the Standalone Ind AS Financial Statements, the Company is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). As further explained to us, certain information has been requested by them from the Company and the investigations are currently underway and the Company is yet to get any orders or directions in this respect from the said Authorities till the date of signing this report. In absence of pending final outcome of the investigations, we are unable to comment on the consequential impact of these matters on these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2023.
17. As disclosed in Note 40 to the Standalone Ind AS Financial Statements, the Company did not have any internal audit conducted during the year as required under section 138 of the Act. The impact of the non-compliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
18. As disclosed in Note 41 to the Standalone Ind AS Financial Statements, these Standalone Ind AS Financial Statements are not authenticated by the Company Secretary of the Company which is not in compliance applicable provisions of the Act. Also, the impact of these non-compliances on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
19. As disclosed in Note 42 to the Standalone Ind AS Financial Statements, these Standalone Ind AS Financial Statements are not approved by the Chief Financial Officer of the Company which is not in compliance with section 134 (1) of the Act. The impact of this noncompliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
20. As disclosed in Note 43 to the Standalone Ind AS Financial Statements, the Company has not been in compliance with various other provisions of the Companies Act 2013, SEBI LODR Regulations, 2015, Foreign Exchange Management Act, 1999 and Goods and Services Tax Act, 2017. The financial or other impact of these non-compliances on these Standalone Ind AS Financial Statements is presently not ascertainable.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion on the Standalone Ind AS Financial Statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 2A(c) to the Standalone Ind AS Financial Statements, which indicates that the Company has incurred substantial losses during the year, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, and has negative working capital. Further, currently the Company is under the CIRP. These conditions indicate that a material uncertainty exists that may cast significant doubt about the Company's ability to continue as a going concern. However, these Standalone Ind AS Financial Statements have been prepared on a going concern basis as the management is of the view that the Company has been able to discharge its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Company would have sufficient fund balance to continue as going concern as stated in the said note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Adverse Opinion section and Material Uncertainty Related to Going Concern section, we have determined that there are no other key audit matters to communicate in our report.

Emphasis of Matter

We draw attention to the following matters in the notes to the Standalone Ind AS Financial Statements:

- (a) Note 2A(a) to the Standalone Ind AS Financial Statements, wherein it is stated that CIRP has been initiated in case of the Company vide an order of the principal bench of the NCLT dated May 30, 2017 under the provisions of the Insolvency Code. Pursuant to the order, the management of the affairs of the Company and powers of board of directors of the Company are now vested with the Resolution Professional (RP), who is appointed by the CoC. Accordingly, these Standalone Ind AS Financial Statements have been prepared and approved by the RP.
- (b) Note 28 and note 1(c) to the Standalone Ind AS Financial Statements, considering the moratorium period, status of Contingent liabilities disclosed has been updated till the date of admission of insolvency application of the Company under the Insolvency & Bankruptcy Code, 2016 i.e., May 30, 2017. Further, claims aggregating Rs. 1,659.20 million have been admitted by the RP against guarantees issued on behalf of erstwhile subsidiaries companies but the same have not been recorded in the books of accounts and continues to be shown under contingent liabilities.
- (c) Note 12.2 & 33 on Trade Payable due to MSME where the company has not made further provision of interest for the period after commencement of CIRP i.e. May 30, 2017 on unpaid dues of the MSMEs pertaining to the pre-CIRP period as these dues would be settled in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016.

- (d) Note 6.1.3A to the Standalone Ind AS Financial Statements wherein it is stated that Edu Smart Services Private Limited was undergoing liquidation proceedings under the Insolvency and Bankruptcy Code, 2016. As on 31st March, 2023, the following balances are appearing in the name of Edu Smart Services Private Limited (ESSPL).

Particulars	Amount (in millions)
Investment in Preference Shares	515.90
Trade Receivable	9784.55
Receivable against Corporate Guarantee	258.19

* The Company has fully provided for the above balances.

The Hon'ble NCLT, New Delhi vide its Order dated 25.04.2023 has approved a Revival Plan for ESSPL. Under the Revival Plan the Company has been allotted 0.01% Non-Cumulative, Redeemable, Non-Convertible Preference shares of ESSPL as stated below.

No. of Shares	Face Value of Share	Amount (in millions)	Remarks
10,000	Rs. 100	1.00	Allotted in lieu of Investment
9,77,17,495	Rs. 100	9,771.75	Allotted in lieu of Trade Receivable

There is no provision in the Revival Plan for settlement of Receivables against Corporate Guarantee.

Any adjustment required in the books pursuant to Approved Revival Plan would be made in the Financial Year 2023-24.

Our opinion is not modified in respect of these matters.

Other Information

In view of ongoing CIRP, the Resolution Professional (RP) is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, Report on Corporate Governance and Annexures to Board's Report, but does not include the Standalone Ind AS Financial Statements, Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Board's Report, Report on Corporate Governance and Annexures to Board's Report are not made available to us as at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Resolution Professional of the Company appointed by the Committee of Creditors ("CoC") pursuant to the order passed by the Hon'ble National Company Law Tribunal ("NCLT"), with whom the management of the affairs of the Company and the powers of the Board of Directors of the Company are now vested after the commencement of CIRP w.e.f. May 30, 2017 under the provisions of Insolvency and Bankruptcy Code, 2016 ("Insolvency Code"), is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Further, as per Section 134 of the Act, the Standalone Ind AS Financial Statements of a company is required to be authenticated by the Chairperson of the Board of Directors, where authorized by the Board or at least two Directors, of which one shall be the Managing Director or the CEO (being a Director), the CFO and the Company Secretary where they are appointed. In view of the pendency of CIRP, as per the Insolvency Code, and pursuant to the order passed by the Hon'ble NCLT, the powers of the Board of the Directors are now vested with the RP. Accordingly, these Standalone Ind AS Financial Statements are approved by the RP [refer note 2A(a) of the Standalone Ind AS Financial Statements and paragraph (a) under Emphasis of Matter].

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Ind AS Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for

one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Company's Directors/management/RP (refer note 2A(a) of the Standalone Ind AS Financial Statements and paragraph "(a)" under Emphasis of Matter paragraph).
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(2) As required by section 143(3) of the Act, we report that:

- a. We have sought and except for the matters described in the Basis for Adverse Opinion section of our report, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. Except for the possible effects of the matters described in the Basis for Adverse Opinion section of our report, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
- d. Except for the possible effects of the matters described in the Basis for Adverse Opinion section of our report, in our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder;
- e. The matters described under the Basis for Adverse Opinion and Material Uncertainty Related to Going Concern section of our report, in our opinion, may have an adverse effect on the functioning of the Company;
- f. We have not received written representation from the directors of the company as on March 31, 2023. In the absence of written representation received, we are unable to comment whether the director is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act.
- g. The qualification/reservation/adverse remarks relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Adverse Opinion section of our report.
- h. With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2". Our report expresses a Disclaimer of Opinion on the Company's internal financial controls with reference to Standalone Ind AS Financial Statements for the reasons stated therein;
- i. In accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year and accordingly the provisions of section 197 of the Act are not applicable.
Also refer our comment in paragraph 14 of the "Independent Auditors Report - Basis of adverse opinion" regarding managerial remuneration paid to one of the whole-time director of the Company during the quarter ended June 30, 2015, year ended March 31, 2015 and year ended March 31, 2014 for which Central Government's approval is yet to be obtained by the Company.
- j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Except for the matters described in the Basis for Adverse Opinion paragraph above, the Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements - Refer Note 28 to the Standalone Ind AS Financial Statements. Also refer paragraph "(b)" under Emphasis of Matter paragraph on Contingent Liabilities;
 - ii. Except for the possible effects of matters described under Basis of Adverse Opinion paragraph, the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts and derivative contracts if any;
 - iii. The company has not transferred an amount of Rs. 0.31 million on account of unpaid dividend pertaining to FY 2011-12 (declared on 30th May, 2012) which was required to be transferred to Investor Education and Protection Fund by 05th July, 2019;

- iv. (a) The management has represented that to the best of its knowledge and belief as disclosed in Note 54(A), no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other source or kind of funds) by the company to or in any other persons or entities, including foreign entities ('intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that to the best of its knowledge and belief as disclosed in Note 54(B), no funds have been received by the company from any persons or entities including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under clause (a) and (b) contain any material mis-statement.
- v. The Company has not declared or paid any dividend during the year. Accordingly, the provision of section 123 of the Act is not applicable to the company.
- vi. ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Educomp Solutions Limited on the Standalone Ind AS Financial Statements for the year ended March 31, 2023]

- (i)
- a. (A)The Company has not maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B)The Company has not maintained proper records showing full particulars of intangible assets.
 - b. During the year, the Property, Plant and Equipment of the Company have not been physically verified by the management and hence, we cannot comment on material discrepancies existing, if any.
 - c. According to the information and explanation given by the management the title deeds of the immovable properties, included in property, plant and equipment, have been given as security against borrowings from banks and the original title deeds are kept with the trustee appointed by the banks. On the basis of copy of title deeds of these immovable properties, we report that title deeds of the immovable properties, included in property, plant and equipment, are held in the name of the Company.
 - d. The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year ended March 31, 2023.
 - e. We have been informed that there are no proceedings initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii)
- a. The inventory has been physically verified by the management during the year. In our opinion, the coverage and procedures of such verification by the management is appropriate. As informed, no discrepancies of 10% or more in aggregate for each class of inventory were noticed on physical verification carried out during the year.
 - b. The Company was in the earlier years sanctioned working capital limits in excess of five crore rupees on the basis of security of current assets. According to the information and explanation given to us, the Banks have classified such accounts as Non-Performing Assets on account of continuous defaults committed by the company and further the Company has not filed any quarterly returns or statements with the Banks and hence reporting under clause 3(ii)b of the Order is not applicable.
- (iii)
- During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, reporting under clause 3(iii)a to 3(iii)f of the Order is not applicable.
- (iv)
- According to the information and explanation given to us and on the basis of our examination of the records of the Company, no loan granted, investment made or any guarantee or security given during the year falling under the provisions of section 185 & 186 of the Companies Act, 2013. However, based on audit reports of earlier years the Company has not complied with the provisions of section 185 and 186 of the Act in respect of the following:

Nature of non-compliance	Name of Company/party	Amount granted during the year	Balance as at March 31, 2023
Interest free Loan given*	Edu Smart Services Private Limited (ESSPL)	Nil	Rs. 258.19 million

*Being amount recoverable from ESSPL on invocation of guarantee.

- (v) In our opinion, the Company has accepted deposits through advance from customers which are outstanding for more than 365 days without appropriating such advance with provision of services and thereby in violation of section 73 to 76 of the Act and the rules framed there under. However, we have been informed that these advances pertain to the pre CIRP period and cannot be repaid by the resolution professional and would be settled in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016 and regulations issued there under. We have been further informed that no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this matter.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act and rules there under. We have broadly reviewed such records and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it though there have been slight delays in few cases.

No undisputed statutory dues in respect of goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it were outstanding, at the year end, for a period of more than six months from the date they became payable except the following: -

Name of the statute	Nature of the dues	Amount	Period to which the amount relates	Due Date	Date of Payment

- (viii) We have been informed that the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of accounts, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) a. The Company has defaulted in repayment of loans or borrowings to financial institutions, banks, and dues to debenture holders as per details set out in Appendix "A" attached herewith. The amounts of defaults stated in the Appendix are as per contractual terms.
- b. According to the information and explanation given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful defaulter by any bank or financial institution or other lender.
- c. The Company has not taken any term loan during the year and the term loans outstanding at the beginning of the year were not pending for utilization and hence, reporting under clause 3(ix)c of the Order is not applicable.
- d. According to the information and explanation given to us and on the basis of our audit procedures, the Company has not raised any funds on short term basis during the current or previous financial year and hence reporting under clause 3(ix)d of the Order is not applicable.
- e. During the year, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. The Company has not raised loans during the year on pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence the requirement to report on clause (ix) f of the Order is not applicable to the Company.
- (x) a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments). Hence, the requirement to report on clause on 3x(a) of the Order is not applicable to the Company.
- b. The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, optionally convertible) during the year and hence, the requirement to report on clause on 3x(b) of the Order is not applicable to the Company.
- (xi) a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year. However, we have been informed that the Company is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). As further explained to us, certain information has been requested by them from the Company and the investigations are currently underway and the Company is yet to get any orders or directions in this respect from the said Authorities till the date of signing this report.
- b. No report under sub section (12) of section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government during the year up to the date of report.

c. The Company has not set up any whistle blower mechanism as required under SEBI (LODR) Regulations 2015. However, as represented to us by the management, no whistle blower complaints have been received by the Company during the year.

(xii) In our opinion, the Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Accordingly, the requirement to report on clause 3(xii)a to 3(xii)c of the Order is not applicable to the Company.

(xiii) The transactions with the related parties during the year were not approved by the Audit Committee as required under section 177 of the Act as the Company did not have an audit committee since suspension of board of directors after initiation of CIRP on May 30, 2017.

In our opinion and based on the information and explanations provided to us by the Management, the details of related party transactions have been disclosed in the Standalone Ind AS Financial Statements etc., as required by the applicable accounting standards.

(xiv) As mentioned in Paragraph 17 of the Independent Auditors Report – Basis of Adverse Opinion, the Company did not have any internal audit system during the year. Accordingly, requirement to report on clause 3(xiv)a and 3(xiv)b of the Order is not applicable.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him during the year.

(xvi) a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Therefore, the requirement to report on clause (xvi) a is not applicable to the Company.

b. According to the information and explanation given to us the Company has not conducted any Non-Banking Financial or Housing Finance activities.

c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)c of the Order is not applicable to the Company.

d. According to the information and explanation given to us there are no Core Investment Companies within the group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016. Hence, the requirement to report on clause 3(xvi)d of the Order is not applicable.

(xvii) The Company has incurred cash loss during the year amounting to Rs. 48.86 million and in the immediately preceding financial year for Rs.58.02 million.

(xviii) There has been no resignation of statutory auditors during the year and accordingly requirement to report on clause 3(xviii) of the Order is not applicable to the Company.

(xix) On the basis of financial ratios disclosed in Note 34 to the financial statements, ageing and expected date of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and as stated in the clause 3(ix)a above and in paragraph on 'Material Uncertainty Related to Going Concern' of our report, in our opinion material uncertainty exists on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. However, the Company, being under Corporate Insolvency Resolution Process, will discharge its liabilities in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016.

(xx) According to the information and explanation given to us, the Company does not attract provisions of section 135 of the Companies Act. Accordingly, requirement to report under clause (xx)a& (xx)b of the Order is not applicable to the Company.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **Educomp Solutions Limited** on the standalone Ind AS financial statements for the year ended March 31, 2023]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We were engaged to audit the internal financial controls with reference to financial statements of **Educomp Solutions Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial controls with reference to financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls with reference to financial statements and whether such internal financial controls were operating effectively as at March 31, 2023.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the Company, and the disclaimer does not affect our opinion on the standalone Ind AS financial statements of the Company.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

1. Background

- (a) Educomp Solutions Limited (the Company) was founded in September, 1994. The Company is engaged in providing end-to-end solutions in the education technology domain through licensing of digital content, solutions for bridging the digital divide (a government initiative to enhance computer literacy), professional development and retail & consulting initiatives. The Company's business can be categorized into four strategic business units namely School Learning Solutions (comprising of Smart Class & Edureach (ICT) business), K-12 Schools (comprising preschools & high schools), Higher Learning Solutions (comprising of vocational, higher education and professional development) and Online, Supplemental & Global business (comprising of internet based educational services and coaching) spreading education ecosystem. The Company is listed on the BSE and the NSE Stock Exchanges.
- (b) On May 30, 2017, the Company's application for Corporate Insolvency Resolution Process ("CIRP") under the provisions of Insolvency & Bankruptcy Code, 2016 ("IBC"), has been approved by the Hon'ble National Company Law Tribunal ("NCLT"), and accordingly CIRP proceedings have been initiated (for details refer note 2(a)). As per the provisions of the IBC, under CIRP, the RP is required to manage the operations of the Company as a going concern and accordingly, a resolution plan needs to be presented to and approved by the Committee of Creditors ("CoC") by a requisite majority (as per applicable provisions of the IBC at that time), and thereafter submission of the duly approved Resolution Plan to the Hon'ble NCLT for its approval.

Pursuant to initiation of CIRP, Ebix Singapore Pte. Ltd., submitted the resolution plan which was approved by the CoC consisting of all bankers of the Company on February 17, 2018 and accordingly the same was submitted with Hon'ble NCLT on March 07, 2018.

Subsequently, Ebix has filed an application under Section 60(5) of IBC seeking withdrawal of its Resolution Plan. After multiple hearings, the application seeking withdrawal of Ebix's resolution plan was listed before the Principal Bench, the Hon'ble NCLT for the pronouncement of order on January 02, 2020. Vide Order dated January 02, 2020 passed by the Hon'ble NCLT, the withdrawal application of Ebix was allowed to the extent of granting leave to Resolution Applicant to withdraw the Resolution Plan pending approval u/s 30(6) before the Hon'ble NCLT with cost of Rs. 1 lakh to be paid by the Resolution Applicant into the corpus of the Corporate Debtor. Further, the Hon'ble NCLT, vide the same order, also granted 90 days-time commencing from November 16, 2019 to the RP and CoC to seek/expedite the possibility of achieving resolution of the stressed assets of the Corporate Debtor within such time of 90 days. Thereafter, the Hon'ble NCLT vide its Order dated January 03, 2020, dismissed the approval application as infructuous as a consequence of its order dated January 02, 2020 which allowed the withdrawal of the Resolution Plan by Ebix.

Thereafter, after discussions and deliberation in the CoC meetings, an appeal under Section 61 of Insolvency and Bankruptcy Code, 2016 against the Order of the Hon'ble NCLT dated January 02, 2020 (allowing withdrawal of Resolution Plan) and Order dated January 03, 2020 was filed with the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by CoC's legal Counsel. Multiple hearings took place in the Hon'ble NCLAT in the said matter. Further, due to lockdowns imposed by government authorities in view of the prevailing situation due to Covid-19, the Courts remained suspended till the month of May, 2020. The appeal was heard by the Hon'ble NCLAT on June 15, 2020 wherein the arguments made by CoC Counsel were heard in part and thereafter, the matter was adjourned to June 22, 2020 wherein the remaining submissions were made by the respective parties. On July 29, 2020, the appeal filed by COC was listed before Hon'ble NCLAT for the pronouncement of order. The Hon'ble NCLAT has allowed the appeal and has set aside the Hon'ble NCLT order dated January 02, 2020 vide CA No. 1816(PB)/2019 in C.P.(IB)No. 101 (PB) 2017.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

Thereafter, Ebix challenged the NCLAT's final order and judgment dated July 29, 2020 before the Hon'ble Supreme Court of India by way of a civil appeal.

The question of law involved in Ebix's appeal is "Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC". Considering the issues similar to those involved in Ebix's Appeal have also been raised in the matters of Gujarat Urja Vikas Nigam Ltd vs. Amit Gupta and Ors. (Civil Appeal No. 9241 of 2020) and Kundan Care Products Limited vs. Amit Gupta (Civil Appeal No. 3560 of 2020), all the three matters have been kept together for hearing. The Gujarat Urja Vikas Nigam Ltd. matter was being heard first and arguments in the said matter (to be followed by the other two matters) which were part-heard as on February 03, 2021, February 04, 2021 and February 9, 2021. Subsequently, on February 10, 2021, the Hon'ble Court heard the Gujarat Urja Vikas Nigam Ltd. matter and wherein the order was pronounced on March 08, 2021 in the Gujarat Urja matter. Later, the Hon'ble Supreme Court vide order dated September 13, 2021, dismissed the civil appeal preferred by Ebix.

The CoC's Appeal bearing No. 587 of 2020 assailing NCLT's order dated January 3, 2020 (in IA 195 of 2018) was further listed for pronouncement of the judgment before the Hon'ble National Company Law Appellate Tribunal, Bench-III at New Delhi ("Bench") on November 12, 2021 allowing the CoC's appeal and setting aside the Impugned Order. The Hon'ble Bench also directed the Adjudicating Authority to restore CA No. 195(PB)/2018 and proceed in accordance with law.

The Miscellaneous Application has been filed on November 18, 2022 before Hon'ble Supreme Court seeking appropriate direction for expeditious disposal of Plan Approval Application and the matter is disposed on August 18, 2023 with a direction to NCLT to dispose of the application for approval of the Resolution plan as expeditiously as possible and in any event within a period of two months from the date of this order.

On November 29, 2021, an application for the restoration of Plan Approval Application has been filed by before the NCLT, Principal Bench at New Delhi. The Restoration Application has been registered as RA 39 of 2021 and after various hearings, on August 29, 2023 the matter is reserved for order.

(c) Moratorium period

The Hon'ble NCLT vide its letter dated May 30, 2017 has declared the moratorium period as per the provision of section 13 (1) (a) of the Insolvency and Bankruptcy Code, 2016 ("Insolvency Code") which is further extended to February 24, 2018. As the Resolution Plan is under consideration by Hon'ble NCLT therefore the moratorium period continue to be in effect till conclusion of the CIRP process.

As per section 14 of the IBC, declaration of moratorium period, prohibits the following activities:

(a) the institution of suits or continuation of pending suits or proceedings against the corporate debtor including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority; (b) transferring, encumbering, alienating or disposing of by the corporate debtor any of its assets or any legal right or beneficial interest therein; (c) any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002; (d) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the corporate debtor.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

2A. Basis for preparation

(a) Statement of compliance

The standalone Ind AS financial statements (“financial statements”) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (“the Act”) and other relevant provisions of the Act.

These financial statements for the year ended 31 March 2023 are the financial statements that are prepared in accordance with Ind AS.

A corporate insolvency resolution process (“CIRP”) has been initiated in case of the Company vide an Order of the Principal Bench of the National Company Law Tribunal (“NCLT”) dated May 30, 2017 under the provisions of the Insolvency Code. (for details refer note 1(b)). Pursuant to the Order, the management of the affairs of the Company and powers of board of directors of the Company are now vested with the Resolution Professional (“RP”), who is appointed by the Committee of Creditors (“CoC”). These standalone financial statements for the year ended March 31, 2023 have been prepared by the RP and his team. Accordingly, these standalone financial statements of the Company for the year ended March 31, 2023 have been approved by the RP on September 15, 2023.

(b) Historical cost convention

The financial statements have been prepared under the historical cost convention on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below.

- (c) The Company, has incurred substantial losses, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, has negative working capital and has applied under the IBC for CIRP. All these conditions has raised substantial doubt about the Company’s ability to continue as a going concern.

The management is of the view that the Company has been able to fund its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Company would have sufficient fund balance to continue as going concern. Further, the management is also confident to agree on a resolution plan/business revival plan for the Company during this ongoing CIRP process. Accordingly, the financial statements have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities that may be necessary if the entity is unable to continue as a going concern.

(d) Functional currency:

The financial statements are presented in Indian Rupees (INR), which is also the functional currency of the Company as functional currency is the currency of the primary economic environment in which the entity operates.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

(e) Rounding off

All the amounts have been rounded off to nearest millions or decimal thereof, unless otherwise indicated. The sign '0.00' in these financial statements indicates that the amounts involved are below INR ten thousand and the sign '-' indicates that amounts are nil.

(f) Current/Non-current classification of assets/liabilities

All assets and liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2B. Summary of significant accounting policies

a) Segment reporting

Identification of segments:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company's operating businesses are organized and managed separately in according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

The board of directors of the Company through RP assesses the financial performance and position of the Company, and makes strategic decisions. The RP been identified as being the chief operating decision maker.

Intersegment transfers:

The Company generally accounts for intersegment sales and transfers at cost.

Allocation of common cost

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment and include interest expense and income tax.

Segment accounting policy

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

b) Property, Plant and Equipment

Freehold land is carried at historical cost. Other property, plant and equipment are stated at cost of acquisition net of recoverable taxes (wherever applicable), less accumulated depreciation and

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use.

Where cost of a part of the asset is significant to the total cost of the asset and the useful life of the part is different from the remaining asset, then useful life of that part is determined separately and accounted as separate component.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Losses arising from the retirement of, and gain or losses arising from disposal of tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Statement of Profit and Loss.

c) Intangible assets

An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

Cost of an internally generated asset comprises of all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce and make the asset ready for its intended use.

Losses arising from the retirement of, and gain or losses arising from disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Statement of Profit and Loss.

Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss.

d) Capital work-in-progress

Capital work-in-progress represents expenditure incurred in respect of capital projects are carried at cost. Cost includes related acquisition expenses, development costs, borrowing costs (wherever applicable) and other direct expenditure.

e) Depreciation and amortization methods, estimated useful lives and residual value

Depreciation on all property, plant and equipment is charged to the statement of profit and loss on a straight line basis, except certain items of PPE which are depreciated using diminishing basis. The depreciation is charged upto 95% of the total cost of the asset over the useful life of assets as estimated by the management.

Pursuant to the notification of Schedule II of the Companies Act, 2013, by the Ministry of Corporate Affairs, effective 1 April 2014, the management has reassessed and revised, wherever necessary, the useful lives of the assets, so as to align them with the ones prescribed under schedule II of the Companies Act, 2013. Management reviews the method and estimations of residual values at each financial yearend.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

The useful lives estimated by the management are as follows:

Particulars	Useful life (years)
Building*	60
Furniture and fixtures	5-10
Office equipment	5
Vehicle	8
Computer equipment	3
Computer software	6

*The Management has assessed the estimate of useful life of the Electrical and External work 24 year and 15 year respectively.

Depreciation on addition to PPE is provided on pro-rata basis from the date the assets are ready to use. Depreciation on sale / deduction from assets is provided for upto the date of sale, deduction, discernment as the case may be.

Cost of leasehold improvements depreciation on a straight line basis over the period of lease or useful life of the underlying assets, whichever is shorter.

Amortization on the intangible assets is provided on pro-rata basis on straight-line method based on management's estimate of useful life, i.e. 3 years for software and 4 years for knowledge-based content. Licensed intangible assets are amortised over the period of license or expected useful life, whichever is shorter.

Depreciation and amortization methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

f) Revenue recognition

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. The Standard requires apportioning revenue earned from contracts to individual promises, or performance obligations, on a relative stand-alone selling price basis, using a five step model. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contract. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2018) and the comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18.

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the company and revenue can be reliably measured.

The Company derives its revenue from sale, supply and installation of educational products and rendering of educational services.

Revenue from sale of educational products including technology equipments are recognised as and when significant risk and rewards of the ownership of goods get transferred to the buyer.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties, if any.

Revenue under Build, Own, Operate and Transfer (“BOOT model”) contracts is recognized on upfront basis in the statement of profit and loss on the initiation of the contracts. These contracts are considered and evaluated as per Appendix “C” to IND AS 17. Also, refer note 2B.1 of the significant accounting policies.

Revenue from educational support services are recognised in the accounting period in which services are rendered.

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

g) Investment and other financial assets

g.1. Classification

The Company classifies its financial assets in the following measurement categories:

- i. those to be measured at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortized cost; and
- iii. Investment in equity of subsidiaries, joint ventures and associates are accounted and carried at cost less impairment in accordance with Ind AS 27.

The classification depends on the entity’s business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

g.2. Initial Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit and loss.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

g.3. Subsequent Measurement:

g.3.1 Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows with specified dates and where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective interest rate method. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through statement of profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

g.3.2 Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

Investments in subsidiaries/ joint ventures/ associates

Investments are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

g.4. Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 25 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

g.5. Derecognition of financial asset

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

h) Financial Liabilities

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

The fair value of the liability portion of optionally convertible bonds is determined using a market interest rate for equivalent non-convertible bonds. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently remeasured.

Borrowings, where there is an change in the terms of the agreements whether monetary, non-monetary or both shall be accounted for as an modification or an extinguishment of the original

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

financial liability and the recognition of a new liability. The difference between the carrying amount of a financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in the statement of profit and loss.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within the operating cycle of the business. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, if any.

Financial Guarantee Contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of impairment loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

i) Inventories

Inventories are valued at cost or net realisable value, whichever is lower. Cost of inventories comprises all cost of purchases inclusive of custom duty (except the refundable component) and other incidental expenses incurred in bringing such inventories to their present location and condition. In determining the cost, moving weighted average cost method is used. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. The comparison of cost and net realizable value is made on item by item basis.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

k) Income taxes

Income tax expense for the year comprises of current tax and deferred tax. Income tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized in 'Other comprehensive income' or directly in equity and Regulatory Assets, in which case the tax is recognized in 'Other comprehensive income' or directly in equity, respectively.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities arising on the temporary differences and to unused tax losses.

Current tax

Calculation of current tax is based on tax rates applicable for the respective years on the basis of tax law enacted or substantially enacted at the end of the reporting period. Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid/un-recovered at the reporting date. Current tax is payable on taxable profit, which differs from the profit or loss in the financial statements. Current tax is charged to statement of profit and loss. Provision for current tax is made after taking in to consideration benefits admissible under Income Tax Act, 1961.

Deferred taxes

Deferred income taxes are calculated, without discounting using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities and their tax bases using the tax laws that have been enacted or substantively enacted by the reporting date. However, deferred tax is not provided on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Tax losses available to be carried forward and other income tax credits available to the entity are assessed for recognition as deferred tax assets.

Deferred tax liabilities are always provided for in full. Deferred tax assets are recognised to the extent that it is probable that they will be able to be utilized against future taxable income. Deferred tax arising during the holiday period is not recognised to the extent that the management expects its reversal during holiday period.

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating income at each reporting date.

Deferred tax assets and liabilities are offset only when the entity has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Minimum Alternative Tax (MAT)

Minimum alternate tax credit entitlement paid in accordance with tax laws, which gives rise to future economic benefit in form of adjustment to future tax liability, is considered as an asset to the extent management estimates its recovery in future years.

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

1) Leases

Operating lease

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases.

Where the Company is lessee:

Lease rentals in respect of operating lease arrangements including assets taken on operating lease are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term.

Where the Company is lessor:

Lease income on an operating lease arrangement is recognized in the Statement of Profit and Loss on straight line basis over the lease term.

Finance lease

Where the Company is lessee

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the Statement of Profit and Loss. Lease management fees, legal charges and other initial direct costs of lease are capitalised.

A leased asset is depreciated on a straight-line basis over the useful life of the asset as determined by the management or the useful life envisaged in Schedule II to the Act, whichever is lower. However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term and the useful life envisaged in Schedule II to the Act.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Where the Company is the lessor:

Leases in which the Company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. After initial recognition, the Company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognised in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

m) Foreign exchange transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary item, which are measured in terms of historical cost denomination in a foreign currency, are reported using the exchange rate at the date of transaction. Except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

Monetary assets and liabilities outstanding as at Balance Sheet date are restated at the rate of exchange ruling at the reporting date.

Exchange difference

Exchange differences arising on the settlement of monetary items or on restatement of the Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous Financial Statements (other than those relating to fixed assets and other long term monetary assets) are recognised as income or as expenses in the year in which they arise.

n) Impairment of non-financial assets

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Indefinite-life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as a cash generating unit. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the company's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed if there has been a change in the estimates used to

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized. An impairment loss recognized for goodwill is not reversed in subsequent periods.

o) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

p) Share-based payment

The Company operates equity-settled share-based remuneration plans for its employees, where persons are rewarded using share-based payments, the fair values of services rendered by employees and others are determined indirectly by reference to the fair value of the equity instruments granted. This fair value is appraised using the Black Scholes model.

In the case of employees and others providing similar services, the fair value is measured at the grant date. In the case of franchisees, consultants and investors the fair value is determined as services are received, using average fair values during each year. The fair value excludes the impact of non-market vesting conditions.

If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest. Non-market vesting conditions are included in assumptions about the number of options that are expected to become exercisable.

Upon exercise of share options, the proceeds received up to the nominal value of the shares issued are allocated to share capital with any excess being recorded as additional paid-in capital.

q) Borrowing Cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

r) Contingent liabilities, contingent assets and provisions

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

Contingent Assets

Possible inflows of economic benefits to the entity that do not yet meet the recognition criteria of an asset are considered contingent assets.

Provisions

A provision is recognized when the Company has a present obligation or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

All repairs and maintenance cost of hardware sold under the contracts during the remaining contract period is borne by the Company on the basis of experience of actual cost incurred in servicing such hardware during the previous financial year. Provision are not recognised for future operating losses.

Provisions are discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain and the amount of recovery can be measured reliably. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

s) Equity and Reserves

Share capital represents the nominal value of shares that have been issued.

Proceeds received in addition to the nominal value of the shares issued during the year have been included in "additional paid-in capital".

t) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period, are adjusted for events of bonus issued to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares, if any.

u) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

v) Employee benefits

Short term employee benefits

Short term benefits comprise of employee costs such as salaries, bonuses, and accumulated absents are accrued in the year in which the associated services are rendered by employees of the Company and are measured at the amounts expected to be paid when the liabilities are settled.

The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long term employee benefits

The liabilities for accumulated absents are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields of Indian Government at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, pension, post-employment medical plans; and
- (b) defined contribution plans such as provident fund.

Pension and gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

Defined contribution plan

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The entity has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Contributions to Provident Fund, Labour Welfare Fund and Employee State Insurance are deposited with the appropriate authorities and charged to the Statement of Profit and Loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

w) Exceptional items

Items of income or expense from ordinary activities which are of such size, nature or incidence that, their disclosure is relevant to explain the performance of the enterprises for the period, are disclosed separately in the Statement of Profit and Loss.

x) Measurement of fair values

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The finance team regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the finance team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values used in preparing these financial statements is included in the respective notes.

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

y) Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

■ Estimated useful life of property, plant and equipment and intangible asset

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The Company reviews, at the end of each reporting date, the useful life of property, plant and equipment and intangible asset and changes, if any, are adjusted prospectively, if appropriate

■ Recoverable amount of property, plant and equipment

The recoverable amount of plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

■ Estimation of defined benefit obligation

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

■ Recognition of deferred tax assets for carried forward tax losses and current tax expenses

The Company review carrying amount of deferred tax assets and Liabilities at the end of each reporting period. The policy for the same has been explained under Note No 2(k).

■ Going concern

When preparing financial statements, management make an assessment of an entity's ability to continue as a going concern. Financial statements prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so. When management is aware, in making its assessment, of material

Educomp Solutions Limited

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2023

uncertainties related to events or conditions that may cast significant doubt upon the entity's ability to continue as a going concern, those uncertainties shall be disclosed.

■ Impairment of trade receivables

The Company review carrying amount of Trade receivable at the end of each reporting period and Provide for Expected Credit Loss. The policy for the same explained in the Note No.2 (g) (4).

■ Fair value measurement

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

5.1 Capital work-in-progress represent expenditure incurred in respect of capital projects and carried at cost.

5.2 The balance amount of CWIP as of March 31, 2022, pertains to the work performed on the basis of a contract with the Chhattisgarh government. The Company has completed the work on certain schools but progress payment has not been received as per the Contract. The Company has initiated arbitration proceedings against the Directorate of Public Instruction, Government of Chhattisgarh, Raipur by appointing an Arbitrator invoking arbitration clause of Agreement dated January 27, 2011. The claim filed by the Company before the Arbitrator was to recover the due amount along with the revocation of Bank Guarantee. After completion of Arbitration proceedings, the award was passed in favour of the Company vide order dated March 21, 2017.

In order to execute the award, the Company has filed an execution case under section 36 of the Arbitration Act before a commercial court. The Directorate of Public Instruction, Government of Chhattisgarh, Raipur appeared before the court and is contesting the case. The Hon'ble Judge of the commercial court has held the mandate of the arbitral tribunal as null and void ab-initio and all the proceedings held by the arbitral tribunal have been quashed and consequently the company has fully provided the balance amount of CWIP. The Management of the Company has filed appeal against verdict of the commercial court before Chhattisgarh High Court. On January 09, 2023 matter was directed to be listed after two weeks but the same has not been listed since then.

(d) Corporate debt restructuring scheme

The Company executed the Master Restructuring Agreement (MRA)/other definitive documents on March 26, 2014 with the majority of its lenders banks, consequent to approval from Corporate Debt Restructuring Empowered Group (CDR-EG) to re-structure Company's existing debt obligations, including interest, additional funding and other terms (hereafter referred to as "the CDR Scheme"). As a part of the CDR Scheme, the promoters were required to contribute funds in accordance with letter of approval. As a consequence, the Company has received a contribution from its promoter amounting to Rs. 614.65 million as at March 31, 2022 (As at March 31, 2021 Rs. 614.65 million). The same has been received as interest free unsecured loan. Refer above loan from others - unsecured (c).

The MRA has been signed by all the lender banks and the Company has complied with all necessary conditions precedent. From April 01, 2013 (the "cut-off date"), the interest on the restructured debts has been recomputed and provided at the effective interest rates as per the CDR scheme on the balances as appearing in the books of account pending confirmations from various lenders. Accordingly, the interest payable to these banks has been recalculated in accordance with the CDR scheme. Considering the MRA have been signed by all the lender banks, the Company had accounted for CDR scheme (reclassifications and interest calculations) in the books during the year ended March 31, 2016 and March 31, 2015 as follows:

- (i) The rate of interest was changed and reduced to 11% with effect from April 01, 2013. The interest due with effect from April 01, 2013 till March 31, 2016 at revised rates amounting to Rs. 919.62 million in March 31, 2016 and Rs. 886.60 million in April 01, 2015 was converted into Funded Interest Term Loan (FITL (a)).
- (ii) The moratorium period for principle amount after restructure shall be 30 months from the cut off date of April 01, 2013.
- (iii) The CDR scheme envisages monetization of certain assets of the Company and its subsidiaries.
- (iv) The revised charge in favour of lenders as per the terms of MRA, is pending registration.

Pursuant to approved CDR scheme and in terms of Master Restructuring Agreement, the Company had acquired trade receivable of Edu Smart Services Private Limited (ESSPL). To acquire these receivables the Company had been granted loan by the CDR lenders. These receivables accrue to Edu Smart Services Private Limited under Tripartite agreement between, the Company, ESSPL, and Schools/trust wherein in substance, the Company was key service provider. Towards settlement of rest of the consideration, the Company has adjusted its receivable from ESSPL. The Company took over these receivables to improve the recoverability and to provide uninterrupted services to these schools in future.

Pursuant to implementation of approved Corporate Debt Restructuring Scheme (CDR scheme), certain lenders have disbursed fresh corporate loans to the Company and corresponding trade receivables were bought from Edu Smart Services Private Limited (ESSPL) together with future business relating to this customers, as explained above. Due to this restructuring, the remaining receivables in ESSPL may not yield adequate surplus to discharge its liability towards the Company for trade receivables and redemption of redeemable non convertible preference shares. However, the approved CDR Scheme has mandated merger of ESSPL with the company and accordingly, the company has initiated the process and has taken the approval of Board of Directors in the board meeting held on January 13, 2015.

Pursuant to MRA, the Company had committed default in payment or repayment of installments of principal amounts of the Restructured Loans, Corporate loans and/or the Additional Rupee Loan or interest thereon or any combination thereof, accordingly CDR Lenders, Corporate loan lenders and/or the Additional Rupee Lenders, at their discretion, have the right to convert at their option the whole of the outstanding amount or part of the defaulted amount into fully paid-up equity shares of the Company, but the lenders have not exercised the rights as at balance sheet date.

- a) The carrying amounts of trade and other payables, working capital borrowings, current loans and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- b) The carrying amounts of trade receivables, loans, security deposits and investment in preference shares were calculated based on contractual cash flows, discounted using a current lending rate and the amortised values are considered to be the same as their fair values, as there is no change in the current and the previous year lending rates. These are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.
- c) The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- d) As all the financial instruments has been fair valued using amortised cost accounting considering the unobservable inputs as explained in the note b) and c) above therefore all the financial assets and financial liabilities would fall into level 3 in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk, own credit risk, contractual cash flows and lending rates.

Note 24 FINANCIAL RISK MANAGEMENT

Risk management objectives and policies

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in Note 24. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated by its board of directors through RP, and focuses on actively securing the Company's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to, are described below:

24.1 Market risk

Market risk is the risk that changes in market prices will have an effect on Company's income or value of the financial assets and liabilities. The Company is exposed to various types of market risks which result from its operating and investing activities. The most significant financial risks to which the Company is exposed are described below:

24.1(a) Foreign currency risk

The Company is exposed to exchange rate fluctuations as it undertakes transaction in various currencies. Various operating and investing activities during the year, in currencies other than functional currency of the Company, resulted in foreign currency financial assets and liabilities as on each reporting date.

As the company is currently undergoing CIRP process (refer note 1(a)), Accordingly, a moratorium has been declared under section 14 of the Code.

The following table presents non-derivative instruments which are exposed to currency risk and are unhedged as at March 31, 2023 and March 31, 2022 :

Particulars	Foreign currency	As at March 31, 2023		As at March 31, 2022	
		Foreign currency	Amount	Foreign currency	Amount
Trade payable	US\$	12.87	1,056.54	12.87	976.60
	Euro	0.01	0.89	0.01	0.84
Trade receivable	US\$	0.35	28.33	0.35	26.19
	Canadian \$ (CAD)	0.11	6.63	0.11	6.64
Loans payable	US\$	80.00	6,841.23	80.00	6,323.64
Interest accrued and due	US\$	14.94	1,215.17	14.94	1,126.60

To mitigate the Company's exposure to foreign exchange risk, cash flows in foreign currencies are monitored and net cash flows are managed in accordance with Company's risk management policies. Generally, the Company's risk management procedures distinguish short term foreign currency cash flows (due within 6 months) from longer term cash flows (due after 6 months). Where the amounts to be paid and received in a specific currency are expected to largely offset one another, no hedging activity is undertaken.

The following table gives the volatility in exchange rates for the respective reporting years for major currencies:

Currencies	Year ended	Year ended
	March 31, 2023	March 31, 2022
INR/USD	5%	5%
INR/EURO	9%	6%
INR/CAD	8%	7%

These percentages have been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis given in the table below is based on the Company's foreign currency financial instruments held at each reporting date.

Sensitivity analysis for entities with foreign currency balances in INR

The following tables illustrate the sensitivity of profit/loss and equity in regards to the Company's financial assets and financial liabilities and the movement of exchange rates of respective functional currencies' against INR, assuming 'all other things being equal'.

If the respective functional currencies had strengthened/weakened against the INR by the afore mentioned percentage of market volatility, then this would have had the following impact on profit/loss:

March 31, 2023	Profit and loss			Other Components of equity	
	Movement	Strengthening	Weakening	Strengthening	Weakening
USD Sensitivity	5%	112.17	(112.17)	342.06	(342.06)
EURO Sensitivity	9%	0.08	(0.08)	-	-
CAD Sensitivity	8%	0.53	(0.53)	-	-

March 31, 2022	Profit and loss			Other Components of equity	
	Movement	Strengthening	Weakening	Strengthening	Weakening
USD Sensitivity	5%	103.85	(103.85)	316.18	(316.18)
EURO Sensitivity	6%	0.05	(0.05)	-	-
CAD Sensitivity	7%	0.47	(0.47)	-	-

24.1(b) Price risk sensitivity

The Company does not have any financial asset or liability exposed to price risk as at reporting date.

24.1(c) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company's policy is to minimise interest rate cash flow risk exposure on long-term financing. At March 31, 2023, the Company is exposed to changes in market interest rates majorly through ECB borrowings and borrowings restructured under MRA (refer note 12.1).

As the company is currently undergoing CIRP process (refer note 1(a)), Accordingly, a moratorium has been declared under section 14 of the Code. The debt liabilities have been crystallised as on May 30, 2017. Accordingly, there is no interest rate risk on the debt liabilities till the completion of CIRP.

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

The following table provides a break-up of the Company's fixed and floating rate borrowings:

	As at March 31, 2023	As at March 31, 2022
Fixed-rate borrowings (Refer note below)	3,577.04	3,494.33
Floating rate borrowings (Refer note below)	23,029.18	22,594.31
Total borrowings	26,606.22	26,088.64

Note: The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date.

The following table illustrates the sensitivity of profit or loss and other components of equity to a reasonably possible change in interest rates of +/- 1% (March 31, 2022: +/- 1%). These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on a change in the LIBOR rate for each year, and the financial instruments held as at end of reporting year that are sensitive to changes in interest rates, all other variables held constant.

	Impact on profit and loss after tax			
	Year ended March 31, 2023		Year ended March 31, 2022

Loan amount	23,029.18		22,594.31	
Effect on profit and loss after tax	230.29	(230.29)	225.94	(225.94)

24.2 CREDIT RISK

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits etc. the Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at different reporting dates.

The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties only.

In respect of trade and other receivables, the Company follows simplified approach that does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. However, the Company records full credit loss on the receivables for which the Company had filed litigation.

Lifetime ECL is the expected credit loss resulting from all possible default events over the expected life of a financial instrument.

The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the Company estimates the following provision matrix at the reporting date.

	0-180 days	180-365 days	more than 360 days
Default rate	6%	9%	38%

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The credit risk for cash and cash equivalents and other financial instruments is considered negligible and no impairment has been recorded by the Company.

Reconciliation of loss allowance provision – Trade receivables

Loss allowance on 1 April 2021	14,657.76
Changes in loss allowance	26.35

Loss allowance on 31 March 2023	<u>14,680.44</u>

Significant estimates and judgements

Impairment of financial assets

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(All amount in Rs. million, unless otherwise stated)

24.3 Liquidity risk

Liquidity risk is the risk that the Company might not be able to meet its obligations. The Company manages its liquidity needs by monitoring scheduled debt servicing payments for long-term financial liabilities as well as forecast cash inflows and outflows due in day-to-day business. The data used for analysing these cash flows is consistent with that used in the contractual maturity analysis below. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Long-term liquidity needs for a 180-day and a 360-day lookout period are identified monthly. Net cash requirements are compared to available borrowing facilities in order to determine headroom or any shortfalls. This analysis shows that available borrowing facilities are expected to be sufficient over the lookout period.

As the company is currently undergoing CIRP (refer note 1(a)), the current liquidity risk management is therefore restricted to the management of current assets and liabilities and the day to day cash flows of the company.

As at end of reporting year, the Company's financial liabilities have contractual maturities* as summarised below :

	March 31, 2023				Total
	Upto 1 year	1 to 3 years	3 to 5 year	Above 5 years	
Borrowings	25,991.57	614.65	-	-	26,606.22
Trade payables	1,474.97	-	-	-	1,474.97
Other financial liabilities	4,398.73	-	-	-	4,398.73
Total	31,865.27	614.65	-	-	32,479.92

	March 31, 2022				Total
	Upto 1 year	1 to 3 years	3 to 5 year	Above 5 years	
Borrowings	25,473.99	-	614.65	-	26,088.64
Trade payables	1,395.55	-	-	-	1,395.55
Other financial liabilities	4,309.32	-	-	-	4,309.32
Total	31,178.86	-	614.65	-	31,793.51

*The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date.

Further Current maturities of long term loans have been reclassified from other financial liabilities to borrowings to reflect the maturity profile of borrowings in a better manner. Pursuant to delays in repayment of loan/interest payments and ongoing CIRP (refer note 1(a)), the future contractual interest payments has not been considered in above table.

The Company did not have access to any undrawn borrowing facilities at the end of the reporting period.

Note 25 Capital management**(a) Risk Management**

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern as well as provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

In determining its capital structure, Company considers the robustness of future cash flows and to maintain an optimal structure to reduce the cost of capital.

The Company monitors gearing ratio i.e. Net debt in proportion to its overall financing structure, i.e. equity and debt. Equity comprises of all the components of equity (i.e. share capital, additional paid in capital, retained earnings etc.). Net debt comprises of total borrowings less cash and cash equivalents of the Company. In order to maintain or adjust the capital structure, the Company may adjust the amount by issue of new shares or sell assets to reduce the debt. However, in view of certain adverse factors and liquidity problems faced by the Company, the net worth of the Company has been fully eroded and the Company is under going Corporate Insolvency Resolution Process (CIRP) and continues to operate as a going concern.

	As at March 31, 2023	As at March 31, 2022
Net debt	26,367.20	25,786.94
Equity	(30,270.30)	(29,467.95)
Net Debt to equity ratio	(0.87)	(0.88)

(i) Loan covenants

Under the terms of the master restructuring agreement, the Company is required to comply with the following financial covenants:

-- Without the prior approval of CDR Lenders/Monitoring Institutions the Company shall not issue any debentures, raise any loans, deposits from public, issue equity or preference capital, change its capital structure or charge on its assets including its cashflow or give any guarantees save and except Permitted indebtedness.

-- Without the prior approval of CDR Lenders/Monitoring Institutions the Company shall not recognise or register any transfer of shares in the borrowers' capital made or to be made by Promoter, their friends or associates except as may be specified by the CDR Lenders.

As during the FY 2022-23, no such new debt or equity instruments were issued and holding % of promoter Mr. Shantanu Prakash is same as at March 31, 2022 and March 31, 2023 i.e. 36.19%.

The promoter has given interest free loan to the Company for smooth functioning of its day to day operation which as per the terms of MRA will be payable only after the payment of CDR loans.

For details of defaults in payment of principal and interest, refer note 12.3

(b) Dividend

The Company has not proposed any dividend for the current and previous year due to losses.
