Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website [www.spectraindustries.co.in](http://www.spectraindustries.co.in) and website of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com). The Notice and Annual Report 2021-22 is also disseminated on the website of NSDL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. <https://www.evotingindia.com>.
4. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, accordingly, requested to submit their PAN to the Depository Participants with whom they maintain their Demat accounts. Members holding shares in physical form should submit their PAN to the RTA.
5. SEBI, vide its Circular No. SEBI/LAD-NRO/ GN/2018/24 dated June 8, 2018, amended Regulation 40 of SEBI Listing Regulations pursuant to which after March 31, 2019 transfer of securities could not be processed unless the securities are held in the dematerialized form with a depository.  
  
Members holding shares in physical form are requested to dematerialize their holdings at the earliest as it will not be possible to transfer shares held in physical mode.
6. The Register of Members and the Share Transfer Books of the Company will be closed from Wednesday, September 21, 2022 to Tuesday, September 27, 2022 (both days inclusive).
7. Members are requested to notify immediately any change of address:
  - (i) to their Depository Participants (DPs) in respect of their electronic share accounts, and
  - (ii) to the Company's Registrar & Share Transfer Agents, Link Intime India Pvt. Ltd., C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai - 400 083. In respect of their physical share folios, if any, quoting their folio numbers.
8. Members are requested to bring their copy of the Annual Report to the meeting.
9. The Notice of the Annual General Meeting along with the Annual Report for 2021-22 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories, unless any Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode. Members may note that this Notice and the Annual Report 2021-22 will also be available on the Company's website viz. [www.spectraindustries.co.in](http://www.spectraindustries.co.in)
10. To support the 'Green Initiative' the Members who have not registered their e-mail addresses are requested to register the same with the Registrar and Transfer Agents/Depositories.
11. Members holding shares in physical form are requested to consider converting their holding to dematerialised form to eliminate all risks associated with physical shares. Members can contact the Registrar and Share Transfer Agents of the Company in this regard. Members holding shares in dematerialised mode are requested to register/update their email addresses with the relevant Depository Participants.
12. All documents referred to in the notice and the explanatory statement requiring the approval of the Members at the Meeting and other statutory registers shall be available for inspection by the Members at the registered office of the Company during office hours on all working days between 10.00 a.m. and 5.00 p.m. except Saturdays, Sundays and public holidays, up to the date of the Annual General Meeting.

**INDEPENDENT AUDITOR'S REPORT**

To  
The Members of Spectra Industries Limited

**Report on the audit of the financial statements**

**Opinion**

We have audited the accompanying financial statements of Spectra Industries Limited ("the Company"), which comprise the balance sheet as at March 31, 2022, and the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013 ('Act')** in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its Loss and cash flows for the year ended on March 31, 2022.

**Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Material Uncertainty Related to Going Concern**

The Company's net worth is negative and the borrowings from banks and financial institutions have been classified by the lenders as non-performing assets. We were informed that the Company has initiated a One Time Settlement (OTS) with the banks, however no concrete achievement has been made in this regard. During the 12 months period ended on Mar 31, 2022 business activities were closed

The above factors cast a significant uncertainty on the Company's ability to continue as a going concern. Pending the resolution of the above uncertainties, the Company has prepared the aforesaid statement on a going concern basis.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial

statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of key audit matters as per SA 701 -

1. The company has defaulted in payment of its loans and the credit facilities with Banks, amounting to Rs 29.33 crores which have been classified by Banks as NPA.

**Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider the other information is consistent with the standalone financial statements. We have nothing to report in this regard.

**Management's responsibility for the financial statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including

the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; taking judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern.

The board of directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on other legal and regulatory requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in

agreement with the books of account;

- (d) In our opinion, the aforesaid financial statements comply with the accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

- a. The Company does not have any pending litigations which would impact its financial position;
  - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

### **Annexure “B” to the Independent Auditor’s Report**

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Spectra Industries Limited of even date)

### **Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Spectra Industries Limited (“the Company”) as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management’s responsibility for internal financial controls**

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

### **Meaning of internal financial controls over financial reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## 1. SIGNIFICANT ACCOUNTING POLICIES

### (a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

These financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 and the relevant provisions of the Companies Act, 2013 ("the Act"), as applicable.

### (b) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

#### (i) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments) and

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

### (c) Property, Plant & Equipments:

The initial cost of PPE comprises its purchase price, including import duties and non-refundable purchase taxes, and any directly attributable costs of bringing an asset to working condition and location for its intended use, including relevant borrowing costs and any expected costs of decommissioning, less accumulated depreciation and accumulated impairment losses, if any. Expenditure incurred after the PPE have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 – Property, Plant and Equipment.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as on 1st April 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such PPE.

### (d) Depreciation on Fixed Assets :

Depreciation is provided pro-rata to the period of use on straight-line method based on the estimated useful lives of the assets. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

### (e) Inventories:

Inventories are valued at lower of cost and net realisable value.

### (f) Revenue Recognition :

Sales is recognized on the basis of dispatch date.

### (g) Retirement Benefit :

(h) Retirement benefits, Provident Fund / Pension scheme is accounted for on an accrual basis and charged to the Profit and Loss Account for the year.

### (i) Borrowing Costs :

Borrowing costs are accounted on an accrual basis and charged to Profit and Loss Account.

### (j) Financial Instruments:

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

#### Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

#### **Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

#### **Amortised Cost:**

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### **Fair Value through OCI:**

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### **Fair Value through Profit or Loss:**

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

#### **Classification and Subsequent Measurement: Financial liabilities**

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

#### **Financial Liabilities at FVTPL:**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL:

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

#### **Other Financial Liabilities:**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

#### **Impairment of financial assets:**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

(k) Total outstanding to small scale industries undertaking - NIL

(l) The Business activities were closed during the year.

III Other clauses of the order either nil or not applicable to the company.

IV Previous year's figures have been regrouped, rearranged wherever necessary to confirm to this year's classification.

**33(B) Fair Value measurements (Ind AS 113):**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company has established the following fair value hierarchy that categorises the values into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: This hierarchy uses quoted (unadjusted) prices in active markets for identical assets or liabilities. The fair value of all shares, mutual funds and bonds which are traded in the stock exchanges is valued using the closing price or dealer quotations as at the reporting date.

Level 2: The fair value of financial instruments that are not traded in an active market (For example deep discount bonds) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on company specific estimates. The mutual fund units are valued using the closing Net Asset Value. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Particulars	As at	As at

	Rupees	Rupees
<b>Financial Assets at fair value through profit or loss</b>		
Investments in Mutual Funds- Level 1	-	350
<b>Total</b>		-

The management assessed that cash and bank balances, trade receivables, trade payables, borrowings, cash credits and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

## NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> March, 2022

### 34 Financial Risk Management Objectives (Ind AS 107):

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's management risk policy is set by the Managing Board. The Company's activities expose it to a variety of financial risks: credit risk, liquidity and risk market risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The sources of risks which the Company is exposed to and their management is given below:

Risk	Exposure arising from	Measurement	Management
Market Risk Credit Risk	Trade and Other Receivables	Ageing Analysis, Credit Rating	Diversification of mutual fund investments, Credit limit and credit worthiness monitoring, Criteria based approval process
Liquidity Risk	Other Liabilities	Rolling Cash Flow Forecasts	Portfolio Diversification
Foreign Exchange Risk	Export Receivables foreign currencies	Cash Flow Forecasting Sensitivity Analysis	Forward foreign exchange contracts

#### Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans given.

#### Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

The Company's exposure to credit risk for trade receivables is as follows:

Particulars	31 <sup>st</sup> March, 2022	31 <sup>st</sup> March, 2021
Trade Receivables	91,86,098	1,61,51,833

#### Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

#### Foreign Exchange Risk

Foreign currency risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Export Receivables in foreign currencies.

When a derivative is entered into for the purpose of being a hedge, the Company negotiates the terms of those derivatives to match the terms of the hedged exposure.

**NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>ST</sup> March, 2022**

The Company evaluates exchange rate exposure arising from foreign currency transactions. It uses derivative instruments like foreign currency forwards to hedge exposure to foreign currency risk.

<b>Outstanding foreign currency exposure</b>	<b>As at 31<sup>st</sup> March, 2022</b>	<b>As at 31<sup>st</sup> March, 2021</b>
<b>Export Trade Receivables</b>		
- USD	Nil	Nil
- Euro	Nil	Nil
- Others	Nil	Nil

**Forward Exchange Contracts**

Derivatives for Hedging Export Receivables in Foreign Currencies Outstanding are as under:

<b>Purpose</b>	<b>Currency</b>	<b>As at 31<sup>st</sup> March, 2022</b>	<b>As at 31<sup>st</sup> March, 2021</b>
Export	USD	Nil	Nil
Export	Euro	Nil	Nil
Export	Others	Nil	Nil

**Market Risk**

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments, including investments and deposits, foreign currency receivables, payables and borrowings.

The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

**35 Capital Management (Ind AS 1):**

The Company's objectives when managing capital are to (a) maximise shareholder value and provide benefits to other stakeholders and (b) maintain an optimal capital structure to reduce the cost of capital.

For the purposes of the Company's capital management, capital includes issued capital, share premium and all other equity reserves attributable to the equity holders.
