# Non-filing of ITR: Madras HC says it's for taxpayer to prove innocence

'Ruling will dispel notion that one can escape prosecution if taxes are paid'

SHISHIR SINHA

New Delhi, October 29  
Paying income tax but not filing income tax return will cost you dearly as the Madras High Court has held that the burden lies on the assessee to show that he had no wilful intention not to file the return.

Accordingly, the Court has ruled continuation of prosecution in this matter. Experts advise that every tax payer must take full responsibility in filing returns.

A single judge bench of the Court, comprising Justice CV Karthikeyan highlighted ruling by the Supreme Court (Sasi Enterprises vs Assistant Commissioner of Income Tax), where it was clearly stated that filing the return within the stipulated and mandatory period is a duty cast on any person who has to declare the income.

The bench noted that the petitioner had laid the blame on his previous employer stating

Tax payers must take full responsibility for filing returns, say experts

that there has been a mismatch in the income earned as given in form 16 and as uploaded in form 26AS. It had also been stated that this was not brought to the knowledge of the petitioner since he had left employment. It was also stated that even though the show cause notices were received, he was under the bona fide impression that since tax had been paid, no further action is required from his end.

The bench held that if the taxpayer is liable to file his return then he should file it within the stipulated timeline u/s 139(1). Further, he cannot lay the blame on his previous employer by stating that all taxes have been duly paid and assume that his erstwhile employer would have filed the re-

turn. Further, this cannot be treated as a bona fide mistake and it cannot be presumed that he has no intention of committing any offence.

"The burden lies on the assessee to show that he had no wilful intention not to file the return. Any explanation to discharge such burden can be tested only during the course of the trial," the bench said. Further it mentioned that it cannot presume that the petitioner is innocent of any of the offences complained.

### Compliance important

"It is for the petitioner to establish such innocence," the bench said while issuing a direction to the Additional Chief Metropolitan Magistrate for commence-

ment of trial and complete by January 22 next year.

Om Rajpurohit, Director (Corporate & International Tax) with AMRG said this will have a broad influence on the society because many taxpayers are not serious about submitting returns and believe that if taxes are paid, they would be able to avoid prosecution. So, "even if taxes are paid, it is advisable to comply with tax provisions and file the return of income by the due date as prescribed by u/s 139 (1) of the Income Tax Act in order to prevent prosecution," he said.

Shailesh Kumar, Partner, Nangia & Co LLP said that courts are no more benevolent for ignorance of law. If required as per law, filing of return is mandatory and no taxpayer can argue that his responsibility to file the return of income was delegated and call it a bona fide mistake. "It is the duty of every person who has to declare the income and make sure his ITR is duly filed as per law. Also, the tax authorities have an authority to presume that assessee has a culpable mental state and it is for the assessee to prove his innocence," he said.

## Former SC Judge Ashok Bhushan named as NCLAT Chairperson

OUR BUREAU

New Delhi, October 29

The Centre has appointed retired Supreme Court judge Ashok Bhushan as the Chairperson of the National Company Law Appellate Tribunal (NCLAT). He has been given a term of four years or until he attains the age of 70 years, whichever is the earliest. The post of NCLAT Chairperson has been vacant since March 2020.

Justice Bhushan has been associated with several landmark judgments, including Ram Mandir, Covid Management and registration of migrant workers.

### NCLT head

Meanwhile, the Centre has approved the appointment of Justice Ramalingam Sudhakar as the President of National Company Law Tribunal (NCLT) for five years or till he attains the age of 67 years, whichever is the earliest.

Sudhakar was former Chief Justice of Manipur High Court. It may be recalled that NCLT has been functioning under an Acting President for some time (in the absence of a Permanent President).

## PM likely to push TRIPS waiver for Covid-19 vaccines at G20 Summit

Will participate in sessions on global economy, health, climate change and sustainable development

Narendra Modi

OUR BUREAU

New Delhi, October 29

Prime Minister Narendra Modi, who will represent India at the G20 Summit on October 30-31, is likely to initiate a discussion on India and South Africa's long-pending proposal for an intellectual property rights waiver for Covid-19 vaccines and medical supplies in the light of extensive vaccination being recognised as a global public good by G20 countries.

"As G20 countries will be discussing global recovery from the pandemic and it has already been recognised by members that vaccination is a global public good, India is likely to make a renewed push for its proposal for a temporary waiver of TRIPS norms for vaccines and medications," a source tracking the matter said. India has advocated for

technology transfer and diversification of supply chains and production hubs to ensure affordable and equitable access to Covid-19 disease control tools. Foreign Secretary Harsh Vardhan Shringla said at a media briefing on Thursday. "I'm happy to share that the G20 has recognised extensive vaccination as a global public good... And I think that is where a discussion in the G20 will be relevant," he said.

On October 2, 2020, India and South Africa had submitted the first proposal at the WTO, suggesting a waiver for all WTO members on the implementation of certain provisions of the Trade-Related Aspects of Intellectual Property Rights (TRIPS) Agreement for Covid-19 related vaccines and medical

products. While the proposal has been co-sponsored by more than 62 countries, some developed nations are not yet willing to suspend IPRs, despite the fact that it would only be for a limited period.

### Waiver issue

The PM is likely to raise the issue of TRIPS waiver at the session on 'Global Economy, Global Health' scheduled on October 30. The two other sessions on 'Climate Change and Environment' and 'Sustainable Development' will be on October 31.

Modi will be calling on Pope Francis at the Vatican, and will be meeting several other world leaders bilaterally and also at roundtable interactions.

After the G20 meet, the PM will go to Glasgow where he will deliver the national statement at the World Leaders' Summit on November 1. Modi will participate in leader's level events organised with the COP26 presidency around the themes of climate change, mitigation, adaptation and building resilience, clean technology, innovation and deployment.

## JioPhone Next to be available from Diwali at ₹6,499

OUR BUREAU

Mumbai, October 29

JioPhone Next, the made-for-India smartphone jointly designed by Reliance Jio and Google, will be available in stores from Diwali. Adding to the festive cheer in the country. The phone can be acquired with an up-front payment of ₹1,999 and the rest paid via EMI over 18/24 months. The phone will be available for ₹6,499 without the EMI scheme.

JioPhone Next will be available across the country at Reliance Retail's extensive network of JioMart Digital retail locations.

The phone will be powered with an indigenous IOS developed in collaboration between Jio and Google,

"Pragati OS". "Pragati OS is an optimised version of Android made for the JioPhone Next."

Mukesh D Ambani, Chairman & Managing Director, Reliance Industries, said, "I have always been a firm believer in the power of the Digital Revolution to enrich, enable and empower the lives of 1.35 billion Indians. We have done it in the past with connectivity. Now we are enabling it again with a smartphone device."

Sundar Pichai, CEO, Google and Alphabet, said, "The JioPhone Next is an affordable smartphone designed for India, inspired by the belief that everyone in India should benefit from the opportunities the internet creates."

## Vodafone, Airtel choose to defer payments for spectrum, AGR dues

OUR BUREAU

Mumbai, October 29

Vodafone Idea and Bharti Airtel have both exercised their options to defer payments for spectrum and AGR dues. Meanwhile, Reliance Jio has decided not to avail of the moratoriums offered by the government as part of a package to provide financial relief to the telecom sector.

Vodafone Idea's board on Friday said that it has approved the option to defer payments for adjusted gross revenue dues by a period of 4 years on immediate effect.

Earlier, VIL had also exercised the option to defer spectrum dues by 4 years. With these deferrals, analysts expect the company to get a cash flow release of around ₹90,000 crore, with ₹30,000 crore from deferring AGR dues and

₹60,000 crore from the deferment of spectrum dues.

4-year moratorium Bharti Airtel on Monday said it will also opt for the four-year payments moratorium — on AGR and spectrum dues — being offered by the government as part of a relief package for the telecom sector.

Reliance Jio Infocomm on the other hand will not be taking either moratorium. Earlier this week, the telco paid off its 2016 spectrum dues, amounting to ₹10,792 crore. The company still has dues remaining for spectrum bought in 2010 and 2013.

DoT has also offered to convert the dues into equity after the moratorium ends in four years. Telecom operators have to confirm whether they will utilise this option within 90 days.

## FinMin ratifies 8.5% interest on EPFO deposits

OUR BUREAU

New Delhi, October 29

The Union Finance Ministry has approved the proposal by the Board of Trustees of the Employees Provident Fund Organisation (EPFO) to provide 8.5 per cent rate of interest for the deposits for 2020-21. A Labour Ministry official confirmed that the Finance Ministry has ratified the proposal on Friday.

The Board of trustees had decided continue a lower interest rate of 8.5 per cent in March this year. It lowered the rate to 8.5 per cent in 2019-20 from 8.65 per cent in 2018-19. This was the lowest rate since 2012-13.

The EPFO had provided an interest rate of 8.65 per cent in 2016-17 and 8.55 per cent in 2017-18. In 2015-16, the rate was 8.8 per cent and 8.75 per cent in 2013-14. The rate of interest was 8.25 per cent in 2011-12.

## RBI Central Board reviews bank grievance redress system

OUR BUREAU

Mumbai, October 29

The Central Board of the Reserve Bank of India on Friday took stock of a nationwide survey among bank customers regarding banks' grievance redress system and the functioning of ombudsman schemes.

To improve the efficacy of the internal grievance redress mechanism of banks and to provide better customer service, a comprehensive framework has been put in place comprising certain measures, according to RBI.

The measures include enhanced disclosures on customer complaints by the banks and the Reserve Bank, recovering the cost of complaints' redress from banks when maintainable complaints are higher than their peer-group averages. Intensive review of grievance redress

mechanism, and supervisory/regulatory actions against banks that fail to improve their redress mechanism in a time bound manner.

### Integrated ombudsman

The Banking Ombudsman Scheme (BOS), launched in 1995, has served as a flagship alternate grievance redress mechanism for the redress of customer complaints against banks received by the Reserve Bank.

Subsequently, the ombudsman scheme for NBFCs and the ombudsman scheme for digital transactions were launched in 2018 and 2019, respectively.

An in-house committee, set up to review the ombudsman framework and suggest measures to improve its efficacy, recommended convergence of the three ombudsman schemes into an integrated

"Reserve Bank of India Ombudsman Scheme", expanding the ambit of this scheme to all regulated entities presently not covered under the existing schemes to provide a single window for grievance redress.

### Centralised processing

The committee also recommended setting up of a centralised receipt and processing centre for receipt and initial processing of complaints under the 'One Nation - One Jurisdiction' approach, reducing the turnaround time (TAT) for the redress of complaints, and introducing delegation by appointing a deputy ombudsman.

The Board, in its meeting, reviewed the current domestic and global economic situation and challenges. It deliberated on possible measures for addressing the emerging challenges.

## Variable DA revised for Central sphere workers

Will benefit 1.5 crore people in the segment

OUR BUREAU

New Delhi, October 29

The Union Labour Ministry has revised the variable dearness allowance (VDA) for the Central sphere workers on Friday. According to the Ministry, it will benefit 1.5 crore workers in the segment as their minimum wages will increase. The revised wages will be applicable from October 1.

The VDA is revised on the basis of average Consumer Price Index for industrial workers (CPI-IW).

The average CPI-IW between January to June was used for undertaking the latest VDA revision,

the Ministry said in a statement. Union Labour Minister Bhupender Yadav said workers engaged in construction, sweeping and cleaning, loading and unloading, watch and ward, mines and agriculture will get the benefit of the change.

In the construction sector, the revised wages for unskilled workers in A class cities will be ₹654, and for B and C class cities it will be ₹546 and ₹437, respectively. For skilled workers and unskilled supervisors, the wages will be ₹724, ₹617 and ₹512 for A, B and C class cities. For sweeping and cleaning the revised wages will be ₹654, ₹546 and ₹437.

Chief Labour Commissioner DPS Negi said VDA in central sphere is revised twice in a year.
