Subject: Regarding providing certificate of physical securities...

Respected Sir,

I Subhash Gangaram Holkar Res.Hole Taluka-Pandharpur District-Solapur had purchased 500 shares of your company. The folio number of the said purchase is E0015949. As per your company's letter dated 25th May 2023, dematerialization of the said shares was requested. The DRF form was filled and sent to the broker (Upstox) for dematerialization of the said shares, but as there is no certificate of purchase of shares, they have not taken any action yet.

The certificate of purchase of the said shares is not available with me. At the time when I bought these shares, no certificate was given to me by the concerned person. Therefore, dematerialization of the above shares has become difficult. However, I request you that if the said certificate is available with your company, A copy should be given to me so that I can dematerialize the shares and take them to my d-mat account. We have already informed you about this in two letters but you have not given any response in this regard

However, it is a humble request that you reply to my letter immediately.
