We have also obtained necessary explanations and information, which we believed were relevant to the present pricing exercise, from the management of JOL. It may be mentioned that JOL has been provided opportunity to review the draft report (excluding our valuation analysis and recommendation) for the current job as part of our standard practice to make sure that factual inaccuracies/ omissions are avoided in our report.

Valuation Approaches & Methodologies

The application of any particular method of valuation depends on the purpose for which the valuation is done. Although, different prices may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. In the present exercise, the price of frequently traded shares has been determined as per the Calculation Methodology prescribed in Regulation 164(1) given under Chapter V of SEBI (ICDR) Regulations, which provides for 'Pricing of frequently traded shares if the equity shares of issuer have been listed in a recognized stock exchange for a period ≥ 26 weeks as on the relevant date'.

CHAPTER V – PREFERENTIAL ISSUE

Regulation 164(1)

164 (1) If the equity shares of the issuer have been listed on a recognized stock exchange for a period of twenty-six weeks or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

- a) the average of the weekly high and low of the volume weighted average price of the related equity shares quoted on the recognised stock exchange during the twenty-six weeks preceding the relevant date; or*
- b) the average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the two weeks preceding the relevant date.*

Disclaimers and Limitations

1. Our valuation exercise does not include:
 - a. any due diligence or audit or verification of the accuracy and completeness of documents and information made available to us
 - b. updating of the reports after submittal to the client
 - c. provision of technical, commercial, legal, tax and regulatory due diligence services
2. Our valuation exercise merely included a review and analysis of the available information, including analysis of the nature of business and a study of the economic status and prospects of the business at that point in time.
3. While the information contained herein is believed to be accurate, no representation or warranty, expressed or implied, is or will be made and no responsibility or liability will be accepted by the valuer as to, or in relation to the accuracy or adequacy of information. The opinions and recommendations in this report are provided in good faith.
4. Internally prepared financial statements including management accounts, and other pertinent information were provided by the client's management and are accepted without further verification as correctly reflecting the results of operations, financial and business conditions.
5. We reserve our right to alter our conclusions should any information that we are not aware of at the time of preparing this report comes to light that has a material impact on the conclusions herein.
6. The findings, observations, inferences, opinions and conclusions etc. of this exercise are being presented hereunder in the form of a Report.
7. This document has been prepared for the purposes stated herein and should not be relied upon for any other purpose. Our client is the only authorized user of this report and is restricted for the purpose indicated in the engagement letter. This restriction does not preclude the client from providing a copy of the report to third-party advisors whose review would be consistent with the intended use and the Regulations. We do not take any responsibility for the unauthorized use of this report.
8. The analysis of this report is based on my Professional Judgment, as the case may be, where the information has not been furnished by the company.
9. We owe responsibility to only to the company who has appointed me under the terms of the engagement letter. I will not be liable for any losses, claims, damages or liabilities arising out of the actions taken, omissions or advice given by any other person. In no event shall I be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the client or companies, their directors, employees or agents.
10. In the course of the valuation, we were provided with both written and verbal information. We have however, evaluated the information provided to us by the company through broad inquiry, analysis and review but have not carried out a due diligence or audit of the

- information provided for the purpose of this engagement. Our conclusions are based on the assumptions/ forecasts/ other information given by the RP.
11. The actual market price achieved may be higher or lower than our estimate of value depending upon the circumstances of the transaction (for example the competitive bidding environment), the nature of the business (for example the purchaser's perception of potential synergies). The knowledge, negotiating ability and motivation of the buyers and sellers and the applicability of a discount or premium for control will also affect actual market price achieved. Accordingly, our valuation conclusion will not necessarily be the price at which any agreement proceeds. The final transaction price is something on which the parties themselves have to agree. We also emphasize that our opinion is not the only factor that should be considered by the parties in agreeing the transaction price.
 12. In no events shall the valuer be held responsible or liable for special, direct or consequential damages, as the assignment has been completed with best efforts, available knowledge & in good intentions following professional ethics.
 13. The company and its management/representatives warranted to us that the information they supplied was complete, accurate and true and correct to the best of their knowledge. We have relied upon the representations of the owners/clients, their management and other third parties concerning the financial data, real estate investments and any other investments in tangible assets except as specifically stated to the contrary in the report. We shall not be liable for any loss, damages, cost or expenses arising from fraudulent acts, misrepresentations, or willful default on part of the companies, their directors, employee or agents.
 14. a) The report assumes that the company/business/asset complies fully with relevant laws and regulations applicable in its area of operations and usage unless otherwise stated, and that the companies/business/assets will be managed in a competent and responsible manner. Further, as specifically stated to the contrary, this report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigations and other contingent liabilities that are not recorded/reflected in the balance sheet/fixed assets register provided to us.

b) The report assumes that the company complies fully with all the conditions specified under Chapter V of the SEBI (ICDR) Regulations, 2018 with respect to the proposed preferential issue of equity shares.
 15. An analysis of such nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular as in effect on, and the information made available to us as of, the date hereof. Events occurring after the date hereof may affect this report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.
 16. The valuation report is tempered by the exercise of judicious discretion by the RV, taking into account the relevant factors. There will always be several factors, e.g. management capability, present and prospective competition, yield on comparable securities, market sentiment, etc. which may not be apparent from the face of the Balance Sheet but could strongly influence the value.

17. We are independent of the company and have no current or expected interest in the Company or its assets. The fee paid for our services in no way influenced the results of our analysis.
18. While our work has involved an analysis of financial information and accounting records, our engagement does not include an audit in accordance with generally accepted auditing standards of the client existing business records. Accordingly, we express no audit opinion or any other form of assurance on this information.
19. We do not provide assurance on the achievability of the results forecast by the management as events and circumstances do not occur as expected; differences between actual and expected results may be material. We express no opinion as to how closely the actual results will correspond to those projected/forecast as the achievement of the forecast results is dependent on actions, plans and assumptions of management.
20. The user to which this valuation is addressed should read the basis upon which the valuation has been done and be aware of the potential for later variations in value due to factors that are unforeseen at the valuation date. Due to possible changes in market forces and circumstances, this valuation report can only be regarded as relevant as at the valuation date.
