# ED ATTACHES FUNDS WORTH ₹1.77-CR OF JOURNALIST AYYUB

**NEW DELHI:** The Enforcement Directorate (ED) has attached funds worth ₹1.77 crore from bank accounts of journalist Rama Ayyub alleging that donations raised by her for relief work through an online crowdfunding platform were laundered and used for personal expenses, officials familiar with the matter said on Thursday.

A probe against Ayyub was launched in September last year based on an FIR by the Ghaziabad police, in which the complainant, Vikas Sanjivrayan, had accused her of illegally acquiring public money.

Officials said that Ayyub prepared fake bills to claim expenses on relief work and also created a fixed deposit of ₹50 lakh from the funds.

At the time of registration of case, Ayyub claimed the allegations against her were malicious and baseless. She didn't respond to HT's query on Thursday.

According to an agency official familiar with the matter, the ED probe has revealed Ayyub raised a total ₹2.69 crore on the crowdfunding platform. HTc

पाकिस्तान के तेज गेंदबाज मोहम्मद अब्बास को उनकी फिटनेस और रवेए को लेकर शिकायत के बाद ऑस्ट्रेलिया के खिलाफ घरेलू टैस्ट श्रृंखला के लिए रिजर्व की सूची में रखा गया है। सूत्र के अनुसार राष्ट्रीय टीम के फिजियो विलाफ डीकन ने पाकिस्तान क्रिकेट बोर्ड के अध्यक्ष रमीज राजा से अब्बास के रवेए की शिकायत की है। सूत्र ने कहा, 'डीकन ने रमीज से कहा कि वह अभ्यास को लेकर अब्बास के रवेए से खुश नहीं हैं।' उन्होंने कहा, 'बोर्ड ने अब्बास से बात की है और उसने अपनी रूपांतर में सुधार लाकर फिटनेस को पूरा समय देने का वादा किया है।'

# ऑस्ट्रेलिया में मेरे फैसलों का श्रेय किसी और ने लिया : रहाणे

नई दिल्ली, 10 फरवरी (एजेंसी)।

भारतीय टीम के 2020-21 ऑस्ट्रेलिया दौरे पर एडिलेड टैस्ट में शर्मनाक हार का सामना करने के बाद श्रृंखला में ऐतिहासिक जीत दर्ज करने के नायक रहे कार्यवाहक कप्तान अजिंक्य रहाणे ने कहा कि उस दौरान उनके लिए गए फैसलों का 'श्रेय किसी और ने ले लिया'। एडिलेड टैस्ट की दूसरी पारी में भारतीय टीम महज 36 रन पर आलआउट हो गई थी। इसके बाद नियमित कप्तान चिराट कोहली पहले से तय कार्यक्रम के मुताबिक भारत लौट आए थे। जिससे रहाणे को ऐसे समय में टीम की बागडोर संभालनी पड़ी जब परिस्थितियां सबसे कठिन थी।

टीम ने हालांकि एडिलेड की निराशा को पीछे छोड़ते हुए शानदार जज्बा दिखाया और रहाणे की शतकीय पारी से मेलबर्न में टैस्ट मैच जीत कर वापसी की। उन्होंने कहा, 'मेरे लिए यह जरूरी था कि हम श्रृंखला में जीत दर्ज करें। वह ऐतिहासिक श्रृंखला थी और हमारे लिए काफी खास थी।' उस समय चोटिल खिलाड़ियों से परेशान भारतीय टीम का ड्रेसिंग रूम अस्पताल के किसी वार्ड की तरह लग रहा था।

# Skywalk To Metro Stns To Free Up Ajmeri Gate Side

## Work Complete, Link Between NDLS And Metro Set To Open

TIMES NEWS NETWORK

**New Delhi:** Very soon, a dedicated skywalk will connect New Delhi Railway Station not only with the Yellow Line Metro station, but also the Airport Express Line station, parking area, and the bus and auto bays.

The work on the skywalk, constructed by Delhi Metro Rail Corporation (DMRC) in collaboration with Northern Railway, is almost over and will be thrown open for the public soon, said Anuj Dayal, executive director of corporate communications at DMRC.

"This skywalk is an extension of the foot overbridge inside the railway station and connects its Ajmeri Gate side with the New Delhi stations of Yellow Line and Airport Line, including the multi-level parking side across Bhavbhuti Marg through multiple entry-exit points,"

**CONNECTING PEOPLE:** This skywalk is an extension of the foot overbridge inside the railway station

Dayal said.

The work was inspected by DMRC managing director Mangu Singh on Thursday. Dayal said that apart from providing seamless connectivity, the skywalk will also help in streamlining the traffic flow on the Ajmeri Gate side. The skywalk has been provided with six escalators

along with facilities such as CCTV surveillance cameras, toilets and ticket counter and signage. Dayal said the skywalk had an integrated escalator and stairs reminiscent of Jantar Mantar.

Dayal said the construction was a major engineering challenge, including the disruptions posed by Covid-19.

The structure had to be built above a functional underground Metro station just 3 metres below with major traffic movement on Bhavbhuti Marg. "Also, the bridge had to be connected to two pre-existing building structures at the far ends, ensuring minimum inconvenience to people," he added.

# Food safety dept to audit dairy, meat biz across capital

Atul Mathur  
@timesgroup.com

**New Delhi:** In a first, the food safety department of Delhi government has decided to carry out an audit of the premises of all high-risk food businesses across the capital by engaging a third-party audit agencies.

Though the food safety department carries out inspections and test samples regularly and intensifies the drive during the festivals, this is the first time such a pan-Delhi audit has been ordered.

The exercise will be completed by March 31 and include the inspection of every business dealing in milk and milk products, meat products, slaughterhouses, sweetshops, nutraceuticals, and other such products, including their manufacturing units. The audit of these establishments will be

done by outside agencies empanelled by India's Food Safety and Standards Authority, said an official.

According to officials, over 40 such empanelled agencies have the workforce and expertise required to carry out such audits.

"If any deficiency found, the establishments will be notified and given time for making amends. In the second round of visits, the audit team will verify that all the laid down food safety norms and guidelines are followed. If found lacking in observing these measures, a penalty will be imposed on the establishment concerned," said an official.

The visit of audit teams would be a surprise with "no prior information being shared with the businesses," said an official.

The audit exercise will start within this week, added the official.

# SI arrested for bribery, another cop for kidnap

TIMES NEWS NETWORK

**New Delhi:** With CBI arresting a sub-inspector of Delhi Police on bribery charges and a constable held in a kidnapping and extortion case, departmental action has been initiated against the duo and they are likely to be dismissed from service.

In the first case, three people, including constable Sumner Meena posted with a reserve battalion, were arrested from Chandni Mahal in central district for kidnapping a businessman and extorting him. Police are also probing a smuggling racket allegedly being run by the victim and the accused. Raids are being conducted to nab more people involved in the crime.

The probe was started after police received a complaint regarding the abduction. It emerged that the victim had smuggled imported cigarettes from the Middle-East and was supposed to sell the

consignment to a group led by the accused constable. However, the importer sold the consignment to someone else at a higher margin. It was alleged that the victim did this despite having taken an advance.

Outraged with this, the cop and his two associates, Mohammad Sadiq and Mohammed Hashim, abducted the importer and offered to release him if he paid them money. The family alerted police after which the accused were arrested.

In the second case, CBI nabbed a traffic police sub-inspector for allegedly demanding and accepting a bribe of Rs 22,000 from a person. The accused cop, Jagmal Deshwal, was posted in Mundka traffic circle.

"A case was registered against the zonal officer of Mundka zone. The complainant alleged that the accused had demanded a bribe of Rs 24,000, to facilitate his vehicles to ply on the road. He was caught red-handed," said a CBI spokesperson.

# 'No one was living in sixth-floor apartment where cave-in started'

Continued from P1

Chief minister Manohar Lal Khattar tweeted, "Administrative officials, along with SDRF and NDRF teams, are busy in the rescue & relief work after the unfortunate collapse of the apartment roof at the Paradiso Housing Complex in Gurugram. I am personally monitoring the situation and I pray for everyone's safety."

According to residents, no one was living in the sixth-floor apartment — 18-storey Tower 4, D block — where the cave-in originated and the family in the fifth-floor flat right below was away. The flats in the line of the cave-in on the fourth and the third floors are unoccupied. A bureaucrat, according to residents, lives in the first floor flat with his wife. Both of them were trapped under rubble as all the concrete structures fell in a heap on the first floor. The collapse did not continue into the ground floor.

DCP (west) Deepak Saharan said the rescue operation is in progress. It is too early to say anything. We are trying to rescue the people who are

trapped inside," he said.

Yatharth was with his mother and grandmother in the second floor flat when the roof came crashing down. He said his mother was still trapped. "There was a loud thud. For a moment, I thought the elevator had collapsed. My grandmother pulled me into the balcony in the nick of time, else I too would have come under the debris," a dis-

traught Yatharth said.

A witness said a woman who was trapped on the first floor was evacuated by residents by fashioning a rope from a bedsheet through the balcony.

Three ambulances were sent by the health department to the society around 7pm when they got information about the cave-in. According to health department officials, among those trapped under the debris is a 50-year-old man who was given first aid and IV drip.

Residents said repair work was on in the sixth-floor flat. The society has 530 flats and nearly 420 families have been staying there for the past four years. The project was launched in 2011 and possession of flats started in 2017.

Residents said in July last year, a ceiling collapsed in the H block of the society. No one was injured that time. Residents claimed to have made complaints to the town and country planning department, which has directed a structural audit. DTCP director DTCP KM Pandurang said a detailed inquiry has been ordered and action will be taken as per the report.

AFTER GLOBAL PHASEOUT OF LIBOR

# Hero FinCorp 1st Indian Co to Secure New Benchmark Loan

Co raises \$350 million at 168 basis points above secured overnight financing rate

Mohit.Bhalla@timesgroup.com

New Delhi: Hero FinCorp has become the first Indian company to raise a secured overnight financing rate (SOFR)-linked syndicated loan, said people aware of the matter.

The non-bank finance company, promoted by Hero MotoCorp, raised \$350 million (about Rs 2,631 crore) at 168 basis points above SOFR, a new international benchmark that has come into existence to replace the London Interbank Offered Rate or LIBOR from January 1.

The Reserve Bank of India had instructed banks, through a circular issued on July 8 last year, to stop writing contracts in the LIBOR from December 31, in line with the global phaseout of that benchmark rate.

The SOFR rate was 0.05% on Thursday. Axis Bank and HSBC are underwriters to the loan, said the people cited earlier. Hero FinCorp and Axis Bank did not respond to ET's queries till press time. HSBC declined to comment.

Hero FinCorp is expected to use the funds for on-lending purposes.

A syndicated loan differs from a regular loan because it is under-

## Move to SOFR

**Financial Conduct Authority (UK) announced phaseout of LIBOR rate last year**

**LIBOR's utility as a benchmark rate came under scrutiny after rigging allegations**

**US Federal Reserve has set Secured Overnight Financing Rate (SOFR) as new benchmark**

written by a few banks and then marketed to other banks which bid for portions of the loan. The Hero FinCorp loan has been marketed to 200 international banks. Such loans are believed to provide greater validation of a borrower's credentials in the global banking system.

Though Indian companies have raised overseas loans linked to SOFR since the beginning of the year, Hero FinCorp is the first to raise a syndicated loan marked to the new rate. Loans of this nature could become more popular among a

wide range of borrowers, according to market participants.

The UK's Financial Conduct Authority declared on March 5 last year that LIBOR would not be considered a representative rate from December 31.

Hero FinCorp, which started off as an arm of Hero Honda to finance its dealers three decades ago, has evolved into an independent non-bank finance company. The company has a loan book of about Rs 20,000 crore, which is split equally between retail and corporate

loan segments.

It had a capital adequacy ratio of 19%, well above the prescribed regulatory limits, for the financial year ended March 2021.

Hero FinCorp reported a consolidated revenue of Rs 4,333 crore for 2020-21. It had a net profit of about Rs 50 crore. The company's housing finance arm, which is a 100% subsidiary, posted losses.

Hero MotoCorp and members of its promoter family, the Delhi-based Munjals, continue to be the dominant shareholder with 70-75% stake in Hero FinCorp. The company's other investors are Chryscapital, Apis Partners and Credit Suisse as well as dealers of Hero MotoCorp.

The company recently closed an equity funding of about Rs 2,000 crore with participation from private equity fund Apollo Global Management. Hero MotoCorp and the family members together contributed about Rs 1,100 crore to that amount. ET had first reported about the fundraising on January 25.

# Hero MotoCorp Standalone Net Profit Falls 37% in Q3

Our Bureau

New Delhi: The country's largest two-wheeler maker Hero MotoCorp reported a 36.7% fall in standalone net profit to ₹86.1 crore for the third quarter ended December 31, 2021 on back of lower sales and rise in commodity prices.

The company had registered net profit of ₹1,084.5 crore in the corresponding period of last fiscal. Revenues from operations stood at

₹7,883.3 crore for the period under consideration — a decline of 19% compared with ₹9,775.8 crore in the year-ago period.

Motilal Oswal Financial Services had expected net profit to dip 35% to ₹702 crore. Revenues from operations were expected to contract 21% to ₹7,745 crore due to the decline in volumes. Sales of two-wheelers last quarter fell 30% to 12.9 lakh.

Niranjan Gupta, chief financial officer (CFO), Hero MotoCorp, said, "The current fiscal has seen the

domestic two-wheeler industry impacted by twin challenge of softer demand due to pandemic and margin squeeze due to sharp commodity cost inflation. Our continued focus on savings programs combined with judicious price increases have helped cushion the impact on customers as well as margins."

Commodity cost pressures are expected to ease, as supply imbalances get corrected gradually, some

part of which is evident in the softening of precious metal and steel prices. Hero MotoCorp will continue to accelerate its savings program, premiumise within the brands, and take price increases where necessary, the company said.

"With rapid easing of the third wave, and full re-opening of all the sectors in coming weeks, including the hospitality sector, we expect a much broader economic recovery and increase in consumer confidence", informed Gupta.

# 'Tariff Hikes to Help Airtel Beat Rivals on Revenue Share'

Kalyan.Parbat@timesgroup.com

Kolkata: Bharti Airtel is likely to outperform its nearest rivals, Reliance Jio Infocomm and Vodafone Idea (Vi) on revenue market share (RMS) gains in the coming quarters, helped by a combination of successive tariff hikes and SIM consolidation, said analysts.

The Sunil Mittal-led telco's India mobile revenues increased about 6% sequentially in the quarter to December 2021, compared to the 3.3% growth reported by both Jio and Vi.

Analysts expect this trend to continue, with Bharti Airtel's managing director Gopal Vittal saying on Wednesday that the telco won't hesitate to take the lead in pushing through another round of tariff hikes in 2022 to further boost average revenue per user (ARPU) to ₹200.

ICICI Securities said "Airtel has

## Gaining Momentum

Airtel's Q3FY22 India mobile revenues grew 5.9% QoQ to ₹16,100 cr

Meanwhile, Jio and Vi saw a 3.3% on quarter revenue increase each in Q3

This implies Airtel's RMS wins continue and it is likely to outperform rivals in next two qtrs, say analysts

consistently improved its (revenue) market share" since the tariff hikes taken in December 2019 and every tariff hike subsequently has allowed it to speed up its gains from SIM consolidation.

"Airtel's Q3FY22 India mobile revenues grew 5.9% QoQ to ₹16,100 crore compared to Jio and Vi's 3.3% on-quarter revenue growth each, which implies its market share wins conti-

ue, and it looks likely that Bharti can keep outperforming in the next two quarters as it benefits from SIM consolidation," the brokerage said in a note seen by ET.

SIM consolidation results in a sharp drop in the number of mobile SIM cards in the market. This normally happens when consumers make fresh choices about their preferred telco brands — based on quality of

services — after a round of steep price hikes. Following the sharp price hikes by the big telcos last November, Bharti Airtel appears to have an edge, in that it lost 0.6 million users in the December quarter compared to heavier customer losses of 8.5 million and 5.8 million for Jio and Vi respectively.

Chief executive Vittal has said that Bharti Airtel is at a new lifetime high in terms of RMS at nearly 36.9%, validating its strategy of winning with quality customers. The telco's RMS, though, is a shade below that of Jio, which reported an RMS of 40.2% in the second quarter of the financial year. Vi's RMS is at a modest 18.6%.

# Airtel Eyeing 20 Million New Users for its Paid OTT

Danish.Khan@timesinternet.com

New Delhi: Bharti Airtel is eyeing 20 million new users for its paid OTT content offering, Xtream Premium, and said it will have substantial play in the space, Adarsh Nair, CEO of Airtel Digital said.

He added Airtel is betting big on growth from regional markets for its paid OTT offerings, especially from the non-English speaking population, and will target video content that resonates well with that target audience.

Airtel expects a revenue upside from partnerships as well as from distribution. But major OTT apps Netflix, Disney Hotstar and Amazon Prime will continue to be in standalone partnerships, which will be separate monetisation streams for the telco. "As much as 50% of the global mobile traffic is video... that's a substantial change in last five years. Video has literally become the language of the internet and India is no different. Consumption has gone up," Nair said.

Media Partners Asia estimates India's OTT subscriptions market will grow to \$2 billion from \$500 million now by 2025. This will be led by 3x growth in subscriptions to around 165 million, up from 45-70 million currently.

"A large proportion of new subscriptions will come from new users from tier 2/3 markets. Paid video subscriptions will grow six times to 90 million over the next five years. The growth for us and the industry will come from the far corners," said the Airtel Digital CEO.

# SpiceJet Offers Around ₹300 Cr More to Maran as Final Settlement

Samanwaya.Rautray@timesgroup.com

New Delhi: SpiceJet on Thursday offered in the Supreme Court to pay ₹270 crore in cash and another ₹22 crore by way of a full and final settle-

ment to its former promoter Kalanithi Maran. SpiceJet said has already paid ₹308 crore in cash out of ₹600 crore due to Maran. It had also given bank guarantees of ₹270 crore. A three-judge bench led by Chief Justice of India N V Ramana asked Maran to consider the offer and get back to it by Monday.

# Private Jets, Copters Join Poll Campaigns as Covid Curbs Ease

MihirMishra@timesgroup.com

New Delhi: Demand for business jets and helicopters from political parties to ferry their leaders to various election campaign sites is on the rise with the Election Commission easing restrictions in five poll-bound states.

Cost of these flying birds range between ₹1,25,000 and ₹4 lakh per hour depending on the equipment, people from this business told ET.

"BJP, as always, has hired the most number of airplanes followed by Congress and Samajwadi Party," one of them said. Other parties, including Mayawati's BSP, have not hired many aircraft this time, industry insiders said.

While many of these airplanes were blocked two months before the election campaign was to begin, they could not be used due to Covid-19 restrictions. "This has led to a situation where rates are not high this time," a private jet and helicopter operator said. "Normally, they are more than the asking rate due to high demand but rates are under control this time."

Fixed-wing airplanes are mainly used by national leaders to reach key cities in election-bound states from New Delhi or elsewhere while helicopters are mainly used for last-mile connectivity, industry officials said. Hence, regional parties mainly hire helicopters.

"Since the BJP has the largest number of leaders flying out from Delhi, they hire the largest number of planes," a source said.

**Flying in Style**  
Rates are for per hour of flight

**HELICOPTER:**  
Augusta Westland Grand, Bell 429: ₹2,50,000- ₹2,75,000

**AIRPLANES:**  
Falcon 2000s: ₹3,75,000- ₹4,00,000  
Cessna Citation Excel, Beechcraft Hawker & Beechcraft 850 XP: ₹2,75,000  
Beechcraft 250-300: ₹1,25,000- ₹1,75,000

Another person said some senior BJP leaders, like defence minister Rajnath Singh and home minister Amit Shah, fly on aircraft from companies of their preference.

"The reasons for preferences could be many, but mainly it's the service that the company provides and the comfort level that a certain leader has with that private jet operator," the person said.

The pickup in demand comes after the Election Commission on Sunday further relaxed Covid-induced restrictions on physical campaigns in the election-bound states of Uttar Pradesh, Punjab, Uttarakhand, Manipur and Goa. Under the new norms, up to 50% capacity of indoor halls and up to 30% capacity of open grounds will be allowed to attend these meetings.

Business jet operators said the aircraft would clock lower hours than earlier years due to the ban on campaigning. "It would be lower than

previous years due to restrictions," said Rajan Mehra, CEO of Club One Air, a business jet operator. "The demand may not cross the high of earlier years even if its operations pick up now."

Some others are more hopeful. "The demand was expected to be much more but... it will pick up from here," said Santosh Sharma, founder of BookMyJet, an online portal to book business jets.

The planes are expected to be used the most in Uttar Pradesh where elections are being conducted in seven phases ending on March 7. Campaigning in 58 UP constituencies that go to polls in the first phase on February 10 ended on Tuesday. Elections in Punjab, Goa and Uttarakhand will be held on February 14 along with the second phase in Uttar Pradesh, while voting in Manipur will take place on February 27 and March 3.

### THE MOMENTUM

New Delhi: Beverage makers Coca-Cola and PepsiCo noted India as a key developing growth market in their global December quarter earnings, as businesses reopened and vaccinations accelerated. Coca-Cola also said its Thums Up cola became a billion-dollar brand by annual sales in 2021.

PepsiCo said beverage unit volume grew 20% in the quarter, primarily reflecting double-digit growth in India and Pakistan. "Our success depends in part on our ability to grow our business in developing and emerging markets, including Mexico, Russia, the Middle East, China, South Africa, Brazil and India," the maker of Pepsi cola and Lays chips said. The company noted that unit volume of convenient foods grew in the quarter riding on double-digit growth in India and Pakistan and high-single-digit growth in the Middle East.

Coca-Cola reported unit case volume growth of 11% for the quarter for its Asia Pacific unit, resulting in low single-digit increase compared to 2019. The maker of Coke and Sprite sparkling drinks noted in its earnings

statement that growth was driven by China, India and the Philippines. The company said global unit case volume grew 9% for the quarter and 8% for the full year.

Coca-Cola chairman James Quincey said in a post earnings call that Thums Up has become a billion-dollar brand in 2021, led by "focused marketing and execution plans." He added that India saw sequential increase in market share and nearly 30% growth in transactions for the quarter.

"While the environment remains dynamic, we will build on the momentum from 2021 to drive topline growth and maximise returns," Quincey said in the earnings statement.

## Sentiment Recovery Continues: Trent

Mumbai: Trent Limited said consumer sentiment continued to recover on the back of the maturing vaccination drive, further relaxation of pandemic related restrictions and the festive season after posting a 86% increase in revenues during Q3. The retailer which owns West-side and Zudio, posted sales of ₹1,348 crore during Q3 while net profit rose 67% to ₹133 crore. Covid infection rates were low during the October-December quarter and there were virtually no government restrictions, leading to a surge in store foot-falls.—Our Bureau

## Sale of Lutyens Bungalow Under HC Lens

New Delhi: The Delhi High Court has issued a notice on the sale of a 3,731-square-foot bungalow at Lutyens Delhi's Prithvi Raj Road, after the managing director of property developer Vipul Ltd challenged the sale claiming that he had already made advance payment for the property.

Bhai Manjit Singh and his son, Vikramjit Singh, sold the bungalow for ₹250 crore in December 2021. Punit Beriwal, the Vipul MD, moved the high court after Bhai Manjit Singh's lawyer issued a public notice of sale. Beriwal claimed that the property cannot be sold to anyone else since he had made an advance payment.
