These forward-looking statements represent only the Company's current intentions, beliefs or expectations, and any forward-looking statement speaks only as of the date on which it was made. The Company assumes no obligation to revise or update any forward-looking statements.

Note: All numbers have been rounded to the nearest digit for convenience of representation.

Agenda

- 1 Overview
- 2 Growth Strategy
- 3 Financial Performance

“FY23 was a remarkable year with several corporate milestones for Onward Technologies. As it continues to address the robust demand for software services, the team has once again demonstrated its commitment to profitable growth. On year-on-year basis, North America grew at 70% while Europe and India closed the year with 33% and 30% growth respectively. Additionally, our focus on verticals and strategic clients, all supported by a network of offshore capability centers has contributed meaningfully to both the top line and the bottom line.”

Managing Director
Mr. Jigar Mehta
