Sub: APSEZL - Operational performance update

Dear Sir,

We would like to inform about operational performance of Adani Ports and Special Economic Zone Limited ("APSEZ") as under:

APSEZ achieves highest monthly cargo volume ever.

December 2020: -
APSEZ handled cargo volume of 27.2 MMT (includes cargo volume of 3.5 MMT of Krishnapatnam Port acquired in October 2020). The growth excluding KPCL was 14% on month on month basis and 28% on year on year basis.

Mundra port: -
In December, 2020, Mundra port handled highest ever cargo volume of 15.24 MMT registering a cargo volume growth of 44% on year on year basis. It also achieved highest container throughput of 586952 TEU's and continues to be the largest container port in the country.

For 9MFY21, Mundra port handled cargo volume of 104 MMT, which was equivalent to the cargo volume it handled in 9MFY20 thus recovering the entire cargo volume decline of 30% in Q1FY21 due to covid.

Kindly take the same on your record.

Thanking you,
Yours faithfully,
For Adani Ports and Special Economic Zone Limited
