Dear Sir,

Subject: Business Update

Scrip Code: 539216

The Company through their New whole sale Hub in Surat have identified and have developed a strategic tie-up with one of the India's leading Wholesale dealer in Banaras who are into garment and saree business for more than 3 decades selling their products across banaras and outside banaras around 200-250 Kms. Our company have placed company's trained staffs for marketing and selling company's own product at their stores. The Company's employees are directly involved in marketing and selling Company's products

The company are also strategizing of more such tie ups of similar model where the Company can expand the market and start the operation and selling from same day without any infrastructural investment /waiting period for marketing the Company's Products in their stores.

We hereby request you to take this on record and acknowledge us the same.

Thanking you,

Yours faithfully,
For Garment Mantra Lifestyle Limited
