MP is No. 2...

Surat was the sole winner among smart cities in 2019 but Indore shared the top slot with it in 2020 contest.

Indore won best award in seven different categories to reach the first position. Another important city of MP, Bhopal, managed to win one award. However, it had to share it with Chennai.

Jabalpur, Sagar and Gwalior also managed to secure award in different categories. Total five cities of the state figured into the list of awards.

The Smart City Mission has completed six years. Chief Minister Shivraj Singh Chouhan and urban development and housing minister Bhupendra Singh congratulated the state team and people of the winning cities for their contribution.

9 new cases...

As many as 160 patients are under treatment in various hospitals of the city. Total 151264 patients have been discharged so far including 39 discharged on Friday.

Triple murder...

Pagaliya owned seven-bigha agriculture land near hill and lived through donation received at the temple.

On Friday morning, villagers saw their blood-soaked bodies at the hut. During preliminary investigation, it has been revealed that the three were murdered by crushing their heads with stones. Prima facie, it appears to be a family dispute, the police said.

Gang selling ...

Apart from it Devendra and his teammates also prepared fake documents of cars and sold it to the other persons.

The police team caught the main accused Devendra Thakur, a resident of Dharnaka, Shyam Suner, resident of Kumthi Hasalpur, Deepak Raghuvanshi, resident of Dhar district and Ritesh Verma, resident of Mandpur.

Addressing the media additional SP Puneet Gehlot said, "We have received 47 complaints and all complainants stating that their four wheelers have been sold by Devendra Thakur to other persons by preparing fake documents of the vehicles."

He further added that, "In the primary investigation the accused have confirmed their crime. They have been indulging in this crime for the past two years. They have taken cars on rent from Indore, Dhar, Sehore, Khargone, Dewas and other districts and after a few months they prepare the fake documents of the car and sell them to the other persons. The police team has seized 44 four wheeler vehicles worth Rs 5 crore from them so far."

Case has been registered against the culprits under Section 420, 406, 467, 468, 471 and 31 of the Indian Penal Code.

Prasad, Tharoor...

Prasad lashed out at Twitter, and in a series of posts on rival social media platform Koo said it was apparent that his statements calling out the "high handedness and arbitrary actions" of Twitter, had ruffled feathers.

"Friends! Something highly peculiar happened today. Twitter denied access to my account for almost an hour on the alleged ground that there was a violation of the Digital Millennium Copyright Act of the USA and subsequently they allowed me to access the account," Prasad wrote. He also tweeted on the issue.

In a statement, Twitter spokesperson, said, "We can confirm that the Honourable Minister's account access was temporarily restricted due to a DMCA notice only and the referenced Tweet has been withheld. Per our copyright policy, we respond to valid copyright complaints sent to us by a copyright owner or their authorised representatives".

But IT Ministry sources claimed that it was obvious that Twitter was not comfortable with the minister's posts, criticising the platform for non-compliance with the IT Rules and hence it threatened the IT Minister by denying access to his account for about an hour for alleged violation of copyright law of the US.

Jangid reneges...

Controversies have surrounded Jangid after he has been transferred from Barwani. Besides sending his controversial posts to the IAS Association's Whatsapp group, he conveyed the call records of the principal secretary (personnel) Deepti Gaur Mukherjee to his friends.

The General Administration Department sent him a notice for his action and sought an explanation from him. He has already sent a reply to the notice.

Administrative action is yet to be taken against Jangid after his reply to the notice.

He has kicked up another controversy by announcing to hold a press conference without the IAS Association's permission. Jangid also sought security saying that he had received threatening calls.

The Bhopal police are probing into the matter. He has, however, failed to produce any evidence about the threatening calls that he had received on a particular signal.

The police also sought his phone for inquiry, but he refused to give that.

TWEETER HANDLE IS ACTIVE: Lokesh Jangid is still working on his twitter handle through which he says that he is the follower of Jaiprakash Narayan and George Fernandes. He is also posting the poems of former prime minister Atal Behari Vajpayee. Jangid's messages indicate that he is ready to lock horns with the government.

Hemant Karkare...

According to Pragma, the Congress's ideology should be destroyed.

The Congress has tried to implement its anti-national ideology in the country, but because the Prime Minister and the Home Minister supported her, nothing happened, she said.

She told media persons that as far as delimitation of Kashmir was concerned whatever would happen under the leadership of the Prime Minister would be good for the country. The Congress could not handle the Kashmir issue, she said. Congress leader Indira Gandhi put the country under Emergency on June 25, 1975.

Reacting to Digvijaya Singh's remark on Article 370, Pragma said that it was shameful and he should tender an apology to the nation.

Pragma made the statement at a function held in Sehore town hall to honour those who were imprisoned under MISA during the Emergency. Each of them was given a shawl and a coconut. Besides them, the family members of those MISA prisoners, who are no more, were also honoured at the function.

BJP's district president Ravi Malviya, legislator Suresh Rai and others also addressed the function.

Like other South Indian states, Karna too will reject nat'l parties in 2023 polls: Kumaraswamy

CHANNAPATNA: JD (S) leader H D Kumaraswamy on Friday said that like other South Indian states, Karnataka too will reject the national parties during the 2023 assembly polls and choose a regional party, as people don't want the administration here to be run by high commands sitting in Delhi.

The former Chief Minister has written to Governor Vajubhai Vala and Assembly Speaker Vishweshwar Hegde Kageri, urging them

to convene a special assembly session to discuss the COVID situation, allegations of corruption in the government, interference of others in administration and setbacks on issues relating to Kannada and Karnataka.

"Across the country people are enamoured of regional parties. Especially in South India, the Congress and BJP have been rejected in all states, except Karnataka," Kumaraswamy told reporters here.

SP, Cong allies of Islamic terrorists, Mehbooba must go to Pakistan: UP minister

BALLIA

An UP minister has accused the Congress and Samajwadi Party of being "allies of Islamic terrorists", and said madrassas are helping in the religious conversion of the poor with people involved in it getting money directly in their accounts from Muslim countries. The allegations were made by Uttar Pradesh Minister of State for Parliamentary Affairs, Anand Swaroop Shukla, while talking to reporters on Thursday late night. The minister also attacked PDP chief Mehbooba Mufti saying "her heart is in Pakistan" and asked her to go to Pakistan.

"Facts have come to light that help of madrassas and voluntary organizations is being taken for the conversion and the people involved in the religious conversion

of the poor and the deaf-mute children are getting money from Muslim countries in their personal accounts," Shukla said while talking to reporters at his residence here. "The conversion by inducing fear, greed and delusion is completely illegal and unconstitutional. The Yogi government and the ATS is taking and will take strict action against this," Shukla said, referring to the recent arrest of two men allegedly involved in running a campaign to convert the poor and deaf-mute children to Islam.

The Anti-Terrorist Squad of the Uttar Pradesh police had early this week arrested two men from Delhi's Jamia Nagar, allegedly running an outfit involved in converting deaf students and other poor people to Islam in Uttar Pradesh with funding from Pakistan's ISI.

India, China agree to resolve LAC border row through talks

NEW DELHI

India and China on Friday agreed to maintain dialogue and communication to reach a mutually acceptable solution for complete disengagement in all friction points along the Line of Actual Control in eastern Ladakh to enable progress in the overall bilateral ties.

The two countries agreed to this as they held another round of diplomatic talks to resolve the prolonged border standoff in eastern

Ladakh that erupted in early May last year.

The Ministry of External Affairs (MEA) said the two sides agreed to hold the 12th round of military talks at an early date to achieve the objective of complete disengagement from all the friction points along the LAC in the western sector in accordance with the existing bilateral pacts and protocols.

The diplomatic talks took place under the framework of the Working Mechanism for Consultation and Coordination on India-China Border Affairs (WMCC).

The MEA said the two sides had a frank exchange of views on the situation along the LAC in eastern Ladakh. "Both sides agreed on the need to find an early resolution to the remaining issues along the LAC in eastern Ladakh keeping in view of the agreement reached between the two Foreign Ministers in September 2020," it said.
