PRESS RELEASE

Mahindra Restructures its Farm Equipment business in Turkey

- Erkunt Traktor to acquire Hisarlar's Agricultural Machinery business and build on its turnaround, evolving into a full range Farm Equipment OEM
- MOICML to divest its stake in the non-core Metal Fabrication business of Hisarlar

Mumbai, July 7, 2021:

Mahindra and Mahindra Ltd, today announced that its subsidiary Erkunt Traktor Sanayi A.S. (Erkunt), will acquire the Agriculture Machinery business from Hisarlar Makina Sanayi ve Ticaret Anonim Şirketi (Hisarlar), also a subsidiary of the company. In a reverse deal, Mahindra Overseas Investment Company (Mauritius) Limited (MOICML), a wholly owned subsidiary of the Company, and Erkunt have agreed to sell their entire stake of 94.3% in Hisarlar, for an aggregate consideration of Turkish Lira 6.6 million (equivalent to approx. INR 5.6 crores).

As part of the restructuring its subsidiaries in Turkey, Mahindra Group will exit Hisarlar's Metal Fabrication business. While, Erkunt will acquire the Agricultural Machinery business of Hisarlar, including select related assets, Intellectual Property and Brand use rights. Mahindra Group, through Erkunt will continue to stay invested in the core business of Agricultural Machinery products ranging from soil tillage to post harvest segments. In addition, Erkunt will acquire select cabin manufacturing assets of Hisarlar.

Commenting on the transaction, **Hemant Sikka, President, Farm Equipment Sector, M&M Ltd.** said, *"Through this transaction, we have retained the core business of Agricultural Machinery and all the IP built over the years. This makes Erkunt Traktor a full range Farm equipment OEM, ensuring that our dealers in Turkey and customers in Europe and other international markets continue to be serviced. It is in line with our capital allocation and in perfect harmony with our purpose of 'Transform Farming, Enrich Lives'.*

Mahindra continues to establish itself as a global tractor maker with a full line of farm machinery business through acquisitions and new manufacturing units, underpinned by the requisite brand and sales infrastructure as well as a leveraging its global network for product development.
