1. We have reviewed the accompanying statement of unaudited consolidated financial results of **Prime Securities Limited** ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended **31 December 2021** and the consolidated year to date results for the period 01 April 2021 to 31 December 2021 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the SEBI LODR Regulations'), including relevant circulars issued by the SEBI from time to time.
2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI LODR Regulations, including relevant circulars issued by the SEBI from time to time. Accordingly, we do not express an audit opinion.

**Consolidated Notes:**

- 1 The above consolidated financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The consolidated financial results were reviewed by Audit Committee and approved by the Board of Directors at its Meeting held on January 28, 2022. The results for the quarter and nine months ended December 31, 2021 were subjected to limited review by the statutory auditors of the company.
- 2 The Consolidated financial results include the reviewed financial results of the wholly-owned subsidiaries - Prime Research & Advisory Limited and Prime Funds Management Limited.
- 3 Amid continued COVID-19 pandemic and gradual phase out of restrictions, economic activities have started returning to normal. Employees of the Group continue to work from home. The Company believes that it has taken into account all possible impact of known events arising out of COVID 19 pandemic in preparation of financial results. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company is continuously monitoring any material changes that may influence future economic conditions.
- 4 The Board of Directors have, at their meeting held on October 13, 2021, approved the issue of upto 45,50,000 equity shares of the Company to the specified investors, on a preferential basis at a price of Rs. 88.75 per equity share, subject to approval of the shareholders at their extraordinary general meeting scheduled to be held on November 10, 2021. The proceeds received by the company is temporarily parked in Fixed deposit with bank.
- 5 During the nine months ended December 31, 2021, the holding company has tracked and recovered certain listed shares which had formed a part of its investments. These had been misplaced and so written-off in earlier years. These shares have since been reinstated at the average cost they were carried at. The difference between the market value of such shares on the date of reinstatement and the average cost at which they have been reinstated and related expense, has been accounted for through exceptional item as the gain that has been accounted for does not pertain to this nine months ended December 31, 2021 alone. Subsequent changes in fair valuations have been shown under "Net Gain on fair value changes".
- 6 On December 17, 2021, the Group had intimated to the stock exchanges under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 about an interim order passed by the sole arbitrator, containing certain directions against the Group, in an arbitration between two parties, having no relationship to the Group and the subsequent stay order obtained by the Group against such order. The counterparties had appealed for vacation of the stay of such order in the meantime. However, subsequently, the sole arbitrator has passed an award in terms of the said arbitration and set aside all interim orders passed therein. Accordingly, appeal filed for the stay order has become infructuous. Since the Group is not the party to the arbitration, the award passed by the arbitration is not binding on the Group and currently the matter is pending with the Dehradun Jurisdictional Court, India. Based on external legal advice obtained by the management, the Group has good merit in these litigations.
- 7 The Company has identified two business segments (i) Financial Advisory & Intermediation services and (ii) Brokerage from financial product distribution business as per Ind-AS 108. However, the segment "Brokerage from distribution business of financial products" does not exceed the quantitative thresholds as prescribed by paragraph 13 of Ind-AS 108. Hence, the entity has not reported separate information for each operating segment.
- 8 The amounts reflected as "0" in the Financial Information are values with less than rupees one lakh.
- 9 Previous quarter / period ended figures have been regrouped / reclassified, wherever necessary, to confirm to the current quarter presentation.

## Standalone Notes:

- 1 The above standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The standalone financial results were reviewed by Audit Committee and approved by the Board of Directors at its Meeting held on January 28, 2022. The results for the quarter and nine months ended December 31, 2021 were subjected to limited review by the statutory auditors of the company.
- 2 Amid continued COVID-19 pandemic and gradual phase out of restrictions, economic activities have started returning to normal. Employees of the Company continue to work from home. The Company believes that it has taken into account all possible impact of known events arising out of COVID 19 pandemic in preparation of financial results. However the impact assessment of COVID 19 is a continuing process given its nature and duration. The Company is continuously monitoring any material changes that may influence future economic conditions.
- 3 Pursuant to receipt of order dated May 13, 2021, from the Honourable National Company Law Tribunal, Mumbai Bench (NCLT) approving the Scheme of amalgamation of its erstwhile subsidiaries, Primesec Investment Limited (PIL) and Prime Commodities Broking (India) Limited (PCBIL), (jointly referred as the Transferor Companies), with Prime Securities Limited (PSL), (the Transferee Company) as a result of which the Transferor Companies and Transferee Company have filed Form INC-28 with ROC, which has made the Scheme effective from April 1, 2020. Amalgamation of the Transferor Companies with the Transferee Company has been accounted in the books of the Transferee Company as per Pooling of Interests Method as set out in Appendix C of Ind-AS 103 (Business Combinations of entities under common control) read with the Companies (Indian Accounting Standards) Rules, 2015. The comparative financial information in the financial results in respect of year ended March 31, 2021 and quarter and nine months ended December 31, 2020, have been restated as if the business combination had occurred from the beginning of the preceding period in the financial statements i.e April 1, 2019.
- 4 The Board of Directors have, at their meeting held on October 13, 2021, approved the issue of upto 45,50,000 equity shares of the Company to the specified investors, on a preferential basis at a price of Rs. 88.75 per equity share, subject to approval of the shareholders at their extraordinary general meeting scheduled to be held on November 10, 2021. The proceeds received by the company is temporarily parked in Fixed deposit with bank.
- 5 During the nine month ended December 31, 2021, the Company has tracked and recovered certain listed shares which had formed a part of its investments. These had been misplaced and so written-off in earlier years. These shares have since been reinstated at the average cost they were carried at. The difference between the market value of such shares on the date of reinstatement and the average cost at which they have been reinstated and related expense, has been accounted for through exceptional item as the gain that has been accounted for does not pertain to this nine months ended December 31, 2021 alone. Subsequent changes in fair valuations have been shown under "Net Gain on fair value changes".
- 6 On December 17, 2021, the Company had intimated to the stock exchanges under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 about an interim order passed by the sole arbitrator, containing certain directions against the Company, in an arbitration between two parties, having no relationship to the Company and the subsequent stay order obtained by the Company against such order. The counterparties had appealed for vacation of the stay of such order in the meantime. However, subsequently, the sole arbitrator has passed an award in terms of the said arbitration and set aside all interim orders passed therein. Accordingly, appeal filed for the stay order has become infructuous. Since the Company is not the party to the arbitration, the award passed by the arbitration is not binding on the Company and currently the matter is pending with the Dehradun Jurisdictional Court, India. Based on external legal advice obtained by the management, the Company has good merit in these litigations.
- 7 The Company has only one segment i.e. Financial Advisory & Intermediation services. There are no separate reportable segments in terms of Ind AS 108.
- 8 The amounts reflected as "0" in the Financial Information are values with less than rupees one lakh.
- 9 Previous quarter / period ended figures have been regrouped / reclassified, wherever necessary, to confirm to the current quarter presentation.
