The ED had earlier said an amount of ₹64 crore, out of the loan amount of Rs 300 crore sanctioned by a committee headed by Chanda Kochhar to Videocon International Electronics Limited...

The agency had alleged that the net revenue of ₹10.65 crore was generated by NRL from these tainted funds.

The ED, early this year, also attached assets - including a Mumbai flat where the couple lived, land, and plant and machinery of a wind farm project based in Tamil Nadu and Maharashtra -- valued at ₹78 crore in possession of Chanda Kochhar, Deepak Kochhar and the companies owned and controlled by him.

It had said Chanda Kochhar and her family "acquired" the Mumbai apartment, owned by one of the Videocon Group companies, by way of "acquiring that company through her family trust at a nominal price and by creating book entries."

The couple has been questioned by the central probe agency multiple times in the past at its offices in Mumbai and Delhi.

The CBI, in its FIR, had named Chanda Kochhar, Deepak Kochhar, Dhoot and his companies -- Videocon International Electronics Ltd (VIEL) and Videocon Industries Limited (VIL).

It also named Supreme Energy, a company founded by Dhoot, and Nupower Renewables, a company controlled by Deepak Kochhar, in its FIR.

The CBI slapped sections of the Indian Penal Code related to criminal conspiracy, cheating and provisions of the Prevention of Corruption Act on all the accused.

The CBI alleged that Dhoot had invested in Deepak Kochhar's company Nupower through his firm Supreme Energy, a quid pro quo to loans cleared by ICICI Bank after Chanda Kochhar took over as the CEO of the bank on May 1, 2009.

The ownership of Nupower and Supreme Energy changed hands through a complex web of shared transactions between Deepak Kochhar and Dhoot, the CBI had alleged.

During its preliminary enquiry, the CBI found that six loans worth Rs 1,875 crore were sanctioned to the Videocon Group and companies associated with it between June, 2009 and October, 2011 in alleged violation of laid-down policies of ICICI Bank.

Kamath report: RBI paves way for loan recasts

HOWEVER, WHEREVER THERE is equity infusion, the ratio may be suitably phased in over the period. All other key ratios shall have to be maintained as per the resolution plan by March 31, 2022 and on an ongoing basis thereafter, RBI said.

The committee sets 180 days to implement the plan and makes an inter-creditor agreement (ICA) mandatory. The tenure of a loan may be extended by a maximum of two years, with or without a moratorium, the panel has said. The resolution process shall be treated as invoked once lenders representing 75% by value and 60% by number agree to invoke the same.

The central bank said the resolution plans "shall take into account the pre-Covid-19 operating and financial performance of the borrower and impact of Covid-19 on its operating and financial performance" to assess cash flows for FY21/FY22 and subsequent years, suggesting some degree of flexibility.

"In these financial projections, the threshold TOI/adjusted TNW and debt/Ebitda ratios should be met by FY23. The other three threshold ratios should be met for each year of the projections starting from FY22," the report said, adding that the base case financial projections need to be prepared as part of the plan.

The sector-specific parameters may be considered as guidance for preparation of resolution plan. Also, lenders may adopt a graded approach classifying the impact on borrowers as mild, moderate and severe. "Considering the large volume and the fact that only standard assets are eligible under the proposed scheme, a segmented approach of bucketing these accounts under mild, moderate and severe stress, may ensure quick turnaround," the report said. Severe stress cases would require comprehensive restructuring. Exceptions to thresholds were made for five sectors -- auto manufacturing, aviation, real estate, roads and trading -- wholesale. Any default by the borrower with any of the signatories to the ICA during the monitoring period shall trigger a review period of 30 days.

If the borrower is in default with any of the signatories to

the ICA at the end of the review period, the asset classification of the borrower with all lending institutions, including those who did not sign the ICA, shall be downgraded to non-performing asset (NPA) from the date of implementation of the plan or the date from which the borrower had been classified as NPA before implementation of the plan, whichever is earlier.

SBI prices AT-1 bonds at record low cost

UNPRECEDENTED STIMULUS STEPS from the government have reduced average borrowing costs in the local credit market to the cheapest in more than a decade.

The measures have also given investors confidence that the country's lenders will be able to beef up capital ratios in anticipation of more soured loans as the coronavirus batters businesses and leaves millions jobless. Lenders still face serious challenges.

They were already saddled with the world's worst bad debt pile, and the pandemic is threatening to worsen creditworthiness at many borrowers. That environment makes the risks of AT1s more real. Government authorities moved in March to seize beleaguered Yes Bank and announced an unprecedented move to permanently write down its AT1 securities.

While State Bank of India has AAA credit scores from local credit companies, its AT1 offering is rated AA+ and can be called back by the lender after five years or any year thereafter. The issuance is solely being managed by SBI Capital Markets, the person said, asking not to be identified as the details are private.

Banks sanction ₹1.61L-cr loans to MSMEs under credit scheme

PRESS TRUST OF INDIA New Delhi, September 7

However, disbursements against this stood at ₹1,13,713 lakh crore till September 3.

The scheme is the biggest fiscal component of the ₹20-lakh crore Atmanirbhar Bharat Abhiyan package announced by finance minister Nirmala Sitharaman in May to mitigate the distress caused by lockdown by providing credit to different sectors, especially micro, small and medium enterprises (MSMEs).

The latest numbers on the ECLGS, as released by the finance ministry, comprise disbursements by all 12 public sector banks (PSBs), 24 private sector banks (PSBs), 24 private financial companies (NBFCs).

"As of 3 Sept 2020, the total amount sanctioned under the 100% Emergency Credit Line Guarantee Scheme by PSBs and private banks stands at ₹1,61,017.68 crore, of which ₹1,13,713.5 crore has already been disbursed," the finance ministers said in a tweet.

The loan amounts sanctioned by PSBs increased to ₹78,067.21 crore, of which ₹62,025.79 crore has been disbursed as of September 3, she said. Private sector banks have sanctioned ₹82,950 crore of loans and disbursed

₹51,687 crore. "Compared to 24 Aug 2020, there is an increase of ₹5,022.06 crore in the cumulative amount of loans sanctioned & an increase of Rs 7,786.16 crore in the cumulative amount of loans disbursed by both PSBs and private sector banks combined as on 03 Sept 2020," Sitharaman said.

SBI has sanctioned 24,388 crore of loans and disbursed Rs 18,971 crore. It is followed by Punjab National Bank, which has sanctioned Rs 10,511 crore. However, its disbursements stood at Rs 8,264 crore as of September 3.

On May 20, the Cabinet approved additional funding of up to Rs 3 lakh crore as concessional rate of 9.25% through ECLGS for the MSME sector.
