CHAIRMAN'S MESSAGE TO THE SHAREHOLDERS

Dear Shareholders,

It gives me a great pleasure to present you the Annual Report for the Financial Year 2019-20.

The Year 2019-20 was the 25th Year since the company commenced, and also a historic year for the company as Company come out with its first ever Initial Public Issue and its shares got listed on the BSE SME Platform of Bombay Stock Exchange (BSE) on 21st November 2019. The IPO of the company received a great response and got oversubscribed 5.44 times (Retail Individual: 7.05 times & Non Institutional: 3.82 times)

During the year 2019-20, the consolidated revenue and profit after tax of the company showed a year on year growth of 131% and 45% respectively. During the year company managed to cross the 1 Cr mark in the profit after tax (PAT) even after the unfavorable business conditions wiping off the profit margin due to rise in cost of raw materials.

Your company is endeavoring to maintain the quality standard of its products. And also diversifying itself into new markets. The company since its inception has been growing at a good pace and has established itself as a quality product company.

In the journey of 25 years, the company has upgraded itself from manual plant to semi – automatic plant. The company is planning to upgrade into fully automatic plant soon.

Amidst of the pandemic COVID 19, the business of the company has affected due to the nationwide lockdown, but we believe that the pandemic will get over soon and the market conditions will get normal.

During the year company has made some changes in its customer mix and is successfully gained new customers with higher margins. The company has generated 26% return on equity and has crossed the 10 Cr mark in Net worth and we are very hopeful for the future outcome of this customer mix.

Management Discussion & Analysis

- Increasing demand from pharmaceuticals products, home & personal care goods, and electronic goods industries will increase the reach of end users towards corrugated box manufacturers.
- Increasing the demand of safe and cushioned packaging of the product will augment the growth of India Corrugated box market.
- Rise in procurement of latest technology machines from Taiwan and other Asian countries by manufacturers in order to make production fast and accurate will also drive the future of India corrugated box industry

The growth in use of internet for shopping, stimulated by the growing use of smart phones as well as the increasing proportion of tech-savvy consumers, has a positive effect on corrugated demand, since it has direct influence on e-commerce market. Retail ready packaging is also increasing driven by the influence of supermarkets over the retail landscape and supported by their growing share of the retail market will also drive the corrugated box market in future.

80% of industrial packaging is done by carton boxes due to effective cushioning, light weight, easy to fabricate, easy for storing, easy for disposal, no strapping necessary, printing and advertising advantages, must in export market, recyclable etc.

India corrugated box industry is an inevitable part of manufacturing sector which rely heavily on corrugated packaging for finished goods transportation and handling. India corrugated box industry grew from at a CAGR of 23.3% in terms of revenue. Factors such as increasing demand from fresh food and beverages, home & personal care goods, electronic goods industries, logistics application, increasing consumer awareness towards sustainable packaging and growth of the e-commerce industry have propelled the growth of Indian corrugated boxes market.

Future Outlook:

Company is successfully running its semi-automatic plant and now company is planning the following in the near future:

- ❖ To be the debt free entity by the end of March 2021;
- ❖ Purchasing its raw material on cash basis and thereby earning the cost benefit;

- ❖ Company is also looking forward to expand its business by starting the fully automatic plant by the end of March 2021;
- ❖ Company will target more retails clients as well to increase its profit margin;
- ❖ Company is also planning to get into the business of trading business and thereby entering into a vertical merger.

- **Strengths:**

We believe that following are our strengths:

- Providing best quality products at reasonable rates in the market is key factor for our tremendous growth in past few years;
- Unique marketing strategies;
- More than 24 years of experience helps us in various area of our business;
- Expertise in Customer Relationship Management as a result our major clients are still working with us, with tremendous increase in order quantity, from last 24 years. Also, our good hold on CRM strategy helps us not only in retaining our clients but also in getting new client base;
- Low labour cost is one of the major reason why we are able to sell our products at a reasonable price;
- Customers from various different industries;

- **Opportunities:**

- Due to the COVID-19 situation the demand of pharmaceuticals products have been increased tremendously and as a result demand for corrugated boxes will also rise as majority of pharmaceuticals companies uses corrugated boxes as packaging material for their finish goods.
- Expansion in E-Commerce sector;
- After Plastic ban in India, companies using plastic as their packaging material are now looking for alternative packaging materials and corrugated boxes are one of the best alternatives for them.

- **Challenges:**

- Moisture barrier. However, to protect the boxes from moisture we are planning to apply lamination layer on the boxes which will help us to deal with the same.
- Corrugated boxes are viewed as old material. However, nowadays clients are giving more preference to strength of packaging over style.
- Fluctuation in Raw Material prices. However, to hedge the same we are planning to enter into an agreement with some of our suppliers to fix the price of our raw material for a particular period of time.
- Due to COVID-19 situation many companies are now facing financial issues and some are shutting their business as well. However, all our clients are now giving the orders as per their regular demand and also there is no delay in the payments.

Independent Auditor's Report

The Members of Anuroop Packaging Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Anuroop Packaging Limited, which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There were no key audit matters to be communicated in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order to the extent applicable.

ANNEXURE 'B' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the accompanying Standalone financial statements of **Anuroop Packaging Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, in conjunction with our audit of the Standalone financial statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal**Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes to financial statements for the period ended 31st March 2020

Note 1: Statement of Significant Accounting Policies

1.1. Basis of preparation of financial statement:

The financial statements have been prepared to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014.

The financial statements have been prepared under the historical cost convention on an accrual basis.

The accounting policies have been consistently applied by the Company as in the previous year unless otherwise stated under the provisions of the companies Act, 2013.

1.2. Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

1.3. Revenue recognition:

Income from Operation:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue from operations includes sales and sales tax or Goods and Service Tax.

Interest:

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.4. Fixed assets:

Tangible assets

Fixed assets acquired are stated at historical cost of acquisition less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing cost relating to acquisition of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is provided on straight line basis based on life assigned to each asset in accordance with Schedule II of the Act or as per life estimated by the Management, whichever is lower, as stated below.

The depreciation rates are derived as per useful life of asset estimated by management.

1.5. Depreciation and Amortization:

Depreciation is provided as per the useful life and rates corresponding to the same prescribed in schedule II of the Companies Act, 2013.

1.6. Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date. If there is any indication of impairment based on internal/ external factors an impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

1.7. Leases:

Company has taken corporate office on lease by paying heavy deposit for the term of 11 Months.

1.8. Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value computed category wise. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

1.9. Inventories:

Inventories of raw materials, work in progress, finished goods are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.10. Employee Benefits:

Short term employee benefits including compensated absences as at the balance sheet date are recognized as an expense as per the Company's schemes based on the expected obligation on an undiscounted basis.

Company is paying salary inclusive of other Benefits to all employees as per company Policy,

1.11. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period as given under AS-20 "Earning Per Share".

1.12. Taxation

Tax expense comprise of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

1.13. Provisions and contingent liabilities

Provisions are recognized when the company has a present obligation as a result of past event for which it is probable that an outflow of resources will be required and a reliable estimate can be made of the amount of obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates (without discounting to its present value).

As per the Information & Explanation provided by the Management and verification of books of account we have not found any present obligation as a result of past event for which provision for contingent liabilities is required.

1.14. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.15. Cash and cash equivalents:

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand and short-term investments.

Independent Auditor's Report

To
The Members of Anuroop Packaging Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Anuroop Packaging Limited, which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There were no key audit matters to be communicated in our report.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act,

we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - iii. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - iv. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - v. The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - vi. In our opinion, the aforesaid standalone financial statements comply with the Generally accepted accounting principles in India.
 - vii. On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - viii. As per Sec 143(3)(i) of the Companies Act, 2013 and as per Notification No. GSR 464 (E) as amended by Notification No. GSR (E), reporting on the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls are not applicable to company defined under sec 2(85) of the Companies Act, 2013 i.e., Small Company.
- c) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigation which impact on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

Note 1: Statement of Significant Accounting Policies**1.1. Basis of preparation of financial statement:**

The financial statements have been prepared to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014.

The financial statements have been prepared under the historical cost convention on an accrual basis.

The accounting policies have been consistently applied by the Company as in the previous year unless otherwise stated under the provisions of the companies Act, 2013.

1.2. Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

1.3. Revenue recognition:Income from Operation:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue from operations are net off Taxes. It does not include any indirect tax.

Interest:

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

1.4. Fixed assets:Tangible assets

Fixed assets acquired are stated at historical cost of acquisition less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing cost relating to acquisition of fixed assets which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

Depreciation is provided on straight line basis based on life assigned to each asset in accordance with Schedule II of the Act or as per life estimated by the Management, whichever is lower, as stated below.

The depreciation rates are derived as per useful life of asset estimated by management.

1.5. Depreciation and Amortization:

Depreciation is provided as per the useful life and rates corresponding to the same prescribed in schedule II of the Companies Act, 2013.

1.6. Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date. If there is any indication of impairment based on internal/ external factors an impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

1.7. Leases:

Company has taken corporate office on lease by paying heavy deposit for the term of 11 Months.

1.8. Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value computed category wise. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

1.9. Inventories:

Inventories of raw materials, work in progress, finished goods are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.10. Employee Benefits:

Short term employee benefits including compensated absences as at the balance sheet date are recognized as an expense as per the Company's schemes based on the expected obligation on an undiscounted basis.

Company is paying salary inclusive of other Benefits to all employees as per company Policy,

1.11. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period as given under AS-20 "Earning Per Share".

1.12. Taxation

Tax expense comprise of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

1.13. Provisions and contingent liabilities

Provisions are recognized when the company has a present obligation as a result of past event for which it is probable that an outflow of resources will be required and a reliable estimate can be made of the amount of obligation. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates (without discounting to its present value).

As per the Information & Explanation provided by the Management and verification of books of account we have not found any present obligation as a result of past event for which provision for contingent liabilities is required.

1.14. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

1.15. Cash and cash equivalents:

Cash and cash equivalents in the cash flow statement comprise cash at bank and in hand and short-term investments.
