^Section from the offer document related to GCP:

"Our Company proposes to deploy the balance Net Proceeds, aggregating to ₹ 581.46 million, towards general corporate purposes, subject to such amount not exceeding 25% of the Gross Proceeds, in compliance with the SEBI ICDR Regulations. The general corporate purposes for which our Company proposes to utilize Net Proceeds include, without limitation, meeting ongoing general corporate purposes or contingencies, strengthening marketing capabilities and brand building exercises, enhancing our technology related infrastructure, strategic initiatives and acquisition and/or funding any shortfall in any of the abovementioned objects. The quantum of utilization of funds towards each of the above purposes will be determined by our Board, based on the amount actually available under this head and the business requirements of our Company, from time to time.

In addition to the above, our Company may utilize the Net Proceeds towards other purposes considered expedient and as approved periodically by our Board, subject to compliance with necessary provisions of the Companies Act. Our Company's management shall have flexibility in utilizing surplus amounts, if any. Our management will have the discretion to revise our business plan from time to time and consequently our funding requirement and deployment of funds may change. This may also include rescheduling the proposed utilization of Net Proceeds. Our management, in accordance with the policies of our Board, will have flexibility in utilizing the proceeds earmarked for general corporate purposes".
