Independent Auditor's Report on Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended.

**Review Report to
The Board of Directors
Narayani Steels Limited**

We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **Narayani Steels Limited** ("the Company"), for the quarter ended December 31st, 2020 ("the Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended (the "Listing Regulations 2015").

This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("IND AS 34"), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the **Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity"**, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquire of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Emphasis of Matter

We draw attention to the following matters –

1. As stated in Note 4 to the unaudited standalone financial results which explain the uncertainties and the management's assessment of the financial impact due to the COVID-19 pandemic situation and consequential restrictions, for which a definitive assessment of the impact in the subsequent period is highly dependent upon future developments. The pandemic has caused significant impact on the performance of the Company.
2. As stated in Note 5 to the unaudited standalone financial results, the Bankers have classified its advance to Company as NPA and are not charging interest or have reversed the interest earlier charged. In order to account all probable liabilities management in its best judgement has provided interest on such borrowings.

Restructure proposal submitted by the Company is under active consideration by the Bank.

3. As stated in Note 9 to the unaudited standalone financial results, the Company has been able to obtain account confirmations in respect of some of Trade Receivables as at December 31st, 2020. In the absence of confirmation, for other portion provision to be made for adverse variation in the carrying amounts of Trade Receivables is provided in the Books under expected Credit Risk amounting to Rs.13.28 Crores. The management, however, is confident that on confirmation/ reconciliation, there will not be any material impact on the State of Affairs as stated in the said Note.
4. As stated in Note 12 to the unaudited standalone financial results, the Contingent liabilities amounting to Rs.45.25 Crores is disclosed on account of Collaterals given on behalf of Associates of the Company.

Our opinion is not modified in respect of these above matters.

Basis of Qualified Conclusion:

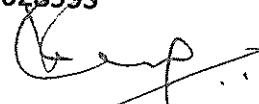

We draw attention to Note 10 to the unaudited consolidated financial results that there has been no realisation from Sundry Debtors during past 18 months. Therefore we express that there is no reasonable certainty of realisation as to its timing and collection of Sundry Debtors of Rs. 16,636.93Lakhs as on 31.12.2020. The Non-Realisation of Sundry Debtors has resulted in Bank loans becoming NPA in the Banks. The interest burden is mounting at a faster rate. The annual interest accrued on Bank outstanding continue to be the reason for the Financial Loss and denting the net worth of the Company. We are unable to quantify the amount of doubtful debtors and the sufficiency or otherwise of Provision made therefore in the given circumstances.

Qualified Conclusion:

Based on our review, with the exception of the matter described in the preceeding paragraph, nothing has come to our attention that causes us to believe that the Statement read with notes thereon, prepared in accordance with aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The company adopted Ind AS from 1st April 2018, accordingly these financial results along with the comparatives have been prepared in accordance with the recognition and measurement principles stated therein, prescribed under section 133 of The Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India.
2. The above Unaudited Standalone Financial Results for the quarter ended December 31st, 2020 were reviewed by the Audit Committee and approved at the meeting of the Board of Directors of the Company held on 13th February, 2021. The statutory auditors have carried out limited review on the above unaudited standalone financial results for the quarter ended December, 2020 and have expressed an modified opinion on the aforesaid results.
3. The Company has adopted Ind AS 116 "Leases" which is mandatory for the reporting periods beginning on or after 1st April, 2019 and applied the standard to all lease contracts existing on the date of initial application i.e., 1st April, 2019. The Company has used the modified retrospective approach for transitioning to Ind AS 116 with right-to-use asset measured as if Ind AS 116 has been applied since the commencement date of the contract. Accordingly, the Comparatives for the earlier periods have not been restated.
4. COVID-19 Pandemic has substantially impacted. Consequently, Company's manufacturing plants and offices had to be closed down for a considerable period of time upto the Quarter ended 31st December, 2020. As a result of the lockdown, the likely revenue from the month of October-December, 2020 has also been impacted. Consequently, the results of this quarter are not comparable with the results of the preceding quarter or corresponding quarter in the previous financial year. Continued lockdowns are likely to impact the Company operationally including on supply chain matters. Company is hopeful of full-fledged operations in its two plants from April, 2021.

Management believes that it has taken into account all the possible impacts of known events arising from COVID-19 pandemic and the resultant lockdowns in the preparation of the financial statements including but not limited to its assessment of groups liquidity and going concern, recoverable values of its property, plant and equipment, intangible assets and the realizable values of other assets. However, given the effect of this lockdown on the overall economic activity and in particular on the Iron and Steel related items Industry, the impact assessment of COVID-19 on the above mentioned financial statement captions is subject to significant estimation uncertainties given its nature and duration and accordingly, the actual impacts in future may be different from those estimated as at the date of approval of these financial statements.

The Company will continue to monitor any material changes to future economic conditions and consequential impact on its financial results. The Company is hopeful of reviving the present situation to a normalcy within a period of 24 Months.

5. The Company has, during the year, faced various disruptions due to stoppage of supply of materials by its largest Vendor i.e., RINL, fall in demand and prices of steel, volatility in iron & steel industry and stress over Channel finance and other borrowing accounts. One of major lender bank, Union Bank of India has issued notice dated 24th August 2020 u/s 13(2) of the SARFAESI Act of 2002 and sought to realize the entire outstanding amounts alleged to be Rs. 174.17 crores owing to them by the Company. There are 5 Channel Finance Lenders who are unsecured creditors whose liability after adjustment of Margin available with them is approx. Rs.34 crores in the Company Books before providing the provision for interest. The balance in the Books after providing interest is Rs. 37 crores. One of the 5 Lenders, namely Andhra Bank, got merged with Union Bank. The default can be attributed to non-realization of Debtors, substantial decrease in volume of business and sales on account of major disruption of supply.

The Bank has stopped all the recovery proceedings consequential upon the submission of Action plan at the SGM office dt. 04.01.2021. Given the liquidity strain, the company has offered the bank that it would be in a position to attract some liquidity by sale of certain collaterals given to the bank as security. By liquidation of the same, the company would be able to redeem part of the debt. Apart from above, following are the brief of the proposal:

- The Company will deposit every month Rs.1.50 Crs to Rs.2.00 Crs from January 2021 onwards through collection from its customers. (This will yield around Rs 22.00 crores by March, 2022).
- The Company is always loyal to its bank and has requested Union bank to conduct fresh valuation of its collateral securities and requested to grant approval for disposal of 11 properties within the time lines with assured realization of Rs. 78.05 Crs or fresh value of the property or 120% of the existing value whichever is higher (This will yield around Rs. 78.05 crores by March 2022).
- The Company once again confirm that its own production activities will commence from April 2021 onwards where in its turnovers routing will start through Union Bank's Current Account only with a cutback of 5%. (This will yield around Rs. 7.00 crores by March 2022).

Also requested Union Bank to grant approval for development of residential property located at Jamshedpur in order to liquidate the liability at the earliest.

Despite the fact of COVID-19 and provision made for unsecured creditors in the restructure proposal, the ICICI Bank proceeded with NCLT, next hearing is scheduled on 24.02.2021.

6. The Bank facilities have been classified as Non- Performing Assets by various Banks and they are not charging interest or have reversed the interest earlier charged. However, in order to account all probable liabilities, the management in its best judgment has provided provision for interest on such borrowings.
7. In the absence of statements, Book balances in respect of some of the Banks have been considered for the purpose of preparation of these financials.

The Company

has agreed for transfer in order to improvise the early recovery of the dues from the major Trade Debtor. In other cases where, the Company did not receive the Letter of Confirmations from the parties, the management is following up with the parties for the letters of confirmations and in any case the management is hopeful that there would not be significant variation on account of non-receipt of such letters of confirmations. Total		16,636.93

11. The Union Bank has appointed an Agency for Specialized Monitoring (ASM) for conducting the Audit on behalf of the Lending Institution. The functions are more akin to the functions of Internal Audit. In order to avoid duplication in functions of Internal Audit, the Company has not appointed any other firm for Internal Audit. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33 (8) of the SEBI Listing Regulations, to the extent applicable.

Basis for Qualified Conclusion:

We draw attention to Note 10 to the unaudited consolidated financial results that there has been no realisation from Sundry Debtors during past 18 months. Therefore we express that there is no reasonable certainty of realisation as to its timing and collection of Sundry Debtors of Rs. 16,636.93 Lakhs as on 31.12.2020. The annual interest accrued on Bank outstanding continue to be the reason for the Financial Loss and denting the net worth of the Company. We are unable to quantify the amount of doubtful debtors and the sufficiency or otherwise of Provision made therefore in the given circumstances.

Qualified Conclusion:

Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the Statement read with notes thereon, prepared in accordance with aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Consolidated unaudited financial results also includes the Company's share of net loss after tax (and total comprehensive income) of Rs. 5. The Company has, during the year, faced various disruptions due to stoppage of supply of materials by its largest Vendor i.e., RINL, fall in demand and prices of steel, recession in iron & steel industry and stress over Channel finance and other borrowing accounts. One of major lender bank, Union Bank of India has issued notice dated 24th August 2020 u/s 13(2) of the SARFAESI Act of 2002 and sought to realize the entire outstanding amounts alleged to be Rs. 174.17 crores owing to them by the Company. There are 5 Channel Finance Lenders who are unsecured creditors whose liability after adjustment of Margin available with them is approx. Rs.34 crores in the Company Books before providing the provision for interest. The balance in the Books after providing interest is Rs. 37 crores. One of the 5 Lenders, namely Andhra Bank, got merged with Union Bank. The default can be attributed to non-realization of Debtors, substantial decrease in volume of business and sales on account of major disruption of supply.

The Bank has stopped all the recovery proceedings consequential upon the submission of Action plan at the SGM office dt. 04.01.2021. Given the liquidity strain, the company has offered the bank that it would be in a position to attract some liquidity by sale of certain collaterals given to the bank as security. - Also requested Union Bank to grant approval for development of residential property located at Jamshedpur in order to liquidate the liability at the earliest.

Despite the fact of COVID-19 and provision made for unsecured creditors in the restructure proposal, the ICICI Bank proceeded with NCLT, next hearing is scheduled on 24.02.2021.

6. The Bank facilities have been classified as Non- Performing Assets by various Banks and they are not charging interest or have reversed the interest earlier charged. However, in order to account all probable liabilities, the management in its best judgment has provided provision for interest on such borrowings.

The associate of the company has suffered substantial losses in the previous financial year as well as in the quarter ended 31st December 2020 and has resulted in complete erosion of the net worth of the associate. In fact 100% Impairment was provided in the Books of NSL as on 31.03.2020. The Company, however, has prepared the accounts of the associate on a "going concern" basis as the management is hopeful that the disruption in the operations of the

associate is mainly on account of paucity of finance and they are exploring options to raise additional finance to revive the operations.

15. Previous period/ year figures have been re-grouped/ rearranged, wherever necessary.
