NOTES :

- 1 The Company / Group operates in only one region and no separate risk is associated hence there is no reportable geographical
- 2 Segment wise reporting as required in IND AS 108 is not applicable as the Company / Group has only one segment.
- 3 The provision for leave encashment and gratuity has been provided on the basis of the best estimate of the management of the Company / Group and actuarial valuation will be done at the end of the year.
- 4 a) Auditors have expressed modified opinion on Company's treatment on payment of Rs. 185.00 Lakhs towards release of collateral securities, as 'Other Financial Assets'. This being not in accordance with generally accepted accounting principles. Net Profit for the year, Current Assets and Surplus at the year end are higher by Rs. 185.00 Lakhs. In this regard, the management has treated the payment as 'Other Financial Assets' in the interim period pending the release of collateral securities by all the security holders and same shall be adjusted in due course after the collateral securities are release by all the security holders.
- b) Auditors have expressed significant doubt on the Company and its wholly owned subsidiary's ability to continue as a "going concern". The management is hopeful that the Company and its Wholly Owned Subsidiary would be able to continue operations in the foreseeable future in the normal course of business and hence, the Standalone and Consolidated accounts have been prepared on a going concern basis.
- 5 In view of COVID 19 pandemic and Russia - Ukraine conflict, the management, based on available sources of information, has evaluated the financials and concluded that there is no significant impact of the same on the financial results for the quarter ended June 30, 2022. The Company / Group will continue to closely monitor the developments.
- 6 During the quarter, the Company has reversed provision for Interest of Rs.11.50 Lakhs made in the past, due to which Finance Cost in Standalone as well as Consolidated results is negative.
- 7 In view of the Company / Group not expecting any taxable profits in near future, no deferred tax asset, if any, is recognised.
- 8 Figures of the previous quarter/period/year have been regrouped / rearranged wherever necessary to make them comparable.
- 9 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors in its meeting held on August 12, 2022 in terms of Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations.
- 10 The Statutory Auditors have carried out "Limited Review" of the above financial results.
