Wednesday, March 24, 2021**

Dear Sir/Madam,

In terms of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that a major fire accident took place at Company's warehouse located at Unit No. 1-5, Building No. A4, Mahavir Logiplex, Aamne Village, Near Sawad Naka, Bhiwandi, Thane – 421 302, on Wednesday, March 24, 2021 at around 03.45a.m., the reason being a fire in the adjoining warehouse which had later spread to the Company's Warehouse.

We further wish to inform that there was no loss or injury to human life. However, the fire was so widespread that it has not been completely controlled at the time of submitting this intimation. This has resulted in major damage of finished goods and raw materials stored in the Warehouse, thereby disrupting the entire operations of the Warehouse.

We would like to clarify that the Company has adequate insurance coverage and have already informed the Insurance Company about the incident. The Company is in process of ascertaining the actual loss caused due to the fire.

The Company is taking adequate steps to ensure refunctioning of the warehouse at the earliest and to make sure that the operations at other departments/locations are not disrupted. Any further development related to this incident will be intimated to all the Stakeholders.

This is for your information and records.

Thanking you,  
Yours sincerely,

For Orbit Exports Limited
