On August 20, 2020, the Company announced the initial acquisition (along with its wholly owned subsidiary) of 54% shareholding in GMM International S.à.r.l which was completed on February 16, 2021. In its initial announcement, the Company had announced its intention of acquiring the entire shareholding in GMM International S.à.r.l. Further to such initial announcement and given the performance of GMM International S.à.r.l. the Company is proposing to acquire the Acquisition Shares (*defined below*) and consolidate 100% of the global business in the Company.

In terms of Section 188 of the Companies Act, 2013 and the rules notified thereunder and Regulation 2(1)(zb) and Regulation 23(4) of SEBI LODR Regulations all ‘material’ related party transactions require the prior approval of shareholders of the company through an ordinary resolution. A transaction with a related party is deemed material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds the lower of: (a) 10% of the annual turnover

of the Company, calculated as per its audited balance sheet of the preceding financial year; or (b) INR 1000,00,00,000 (Indian Rupees One Thousand Crores).

The acquisition by the Company of 46% shareholding in GMM International S.à.r.l (“**Acquisition Shares**”) from Millars Concrete Technologies Private Limited, a related party, and Pfaudler International S.à.r.l, a related party is a ‘material’ related party transaction as it exceeds the aforementioned thresholds and is not a transaction in the ordinary course of business of the Company and therefore, requires the approval of the shareholders through an ordinary resolution.

Further, in terms of Regulation 23(4) of the LODR Regulations, none of the entities falling within the definition of related parties under the LODR Regulations can vote to approve the relevant transactions irrespective of whether such entities are a party to the particular transaction or not. Accordingly, for this resolution, related parties of the Company (as defined under Regulation 2(1)(zb) of the LODR Regulations) shall not vote to approve the resolution at Item No. 4.

Furthermore, Section 188 of the Companies Act, 2013 and the applicable rules framed thereunder provide that any related party transaction of the nature described in Section 188, such as the transactions set out under Section 188(1)(a), i.e. the sale, purchase or supply of any goods or materials, which is not in the ordinary course or on arms-length terms, will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts exceeds the threshold prescribed under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 i.e. 10% of the annual turnover of the Company, calculated as per its audited balance sheet of the preceding financial year. Though the said transactions between the Company, Pfaudler International S.à.r.l and the Millars Concrete Technologies Private Limited are proposed to be entered into on arm’s length basis, such transactions are not in the ordinary course of business of the Company and exceed 10% of the annual turnover of the Company, calculated as per its audited balance sheet of the preceding financial year as specified under the said rules. Therefore, the Company is seeking the approval of its members for the purposes of the Companies Act, 2013 and the relevant rules framed thereunder.

The audit committee and the board of directors of the Company is of the opinion that the aforesaid Item No. 4 is in the best interest of the Company and its members and hence, recommends the resolution in Item No. 4 for the approval of the members.

As per the terms of the Facilities Agreements read with the pledge over shares agreement (“**Pledge Agreement**”) dated February 15, 2021 made, among others, Pfaudler International S.à r.l. and the Company (as pledgors) and Wilmington Trust SP Services (Frankfurt) GmbH as the (security agent and pledgee) in relating to the shares in GMM International S.à r.l., the Company, Millars Concrete Technologies Private Limited, Pfaudler International S.à r.l and Mavag AG have pledged each of their shareholding in GMM International S.à r.l. in favour of the Wilmington Trust SP Services (Frankfurt) GmbH, as security against the loan and to secure the obligations of GMM International S.à r.l.

As per the provisions of Section 180(1)(a) of the Companies Act, 2013 a company can sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the company or where the company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings only with the approval of the shareholders by way of a special resolution. The term “undertaking” is defined to mean an undertaking in which the investment of the company exceeds 20% of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates 20% of the total income of the company during the previous financial year. Further, the term “substantially the whole of the undertaking” in any financial year is defined to mean 20% or more of the value of the undertaking as per the audited balance sheet of the preceding financial year.

Accordingly, the Company is seeking the approval of its members even for purposes of Regulation 24(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
