Greetings From Mitsu Chem!

We are Mitsu Chem Plast Limited, started in the year 1990, as a humble beginning in a small facility with limited production capacity in Tarapur, Maharashtra. We have transformed at an enormous pace, and today Mitsu is fulfilling the country's growing demand for a wide range of plastic products by positioning ourselves as the leading manufacturer in blow moulding, injection moulding and also customized moulding products, catering to specific customer needs.

We are starting off with quarterly newsletters to update all members of Mitsu family about the latest updates, news, and achievements of our company. Our aim is to keep you informed and engaged, and to foster a sense of community and pride in being part of Mitsu Chem. We hope you enjoy reading this newsletter and welcome any feedback or suggestions for future issues.

- NEW ADDITION IN CAPS AND CLOSURES -

We have made two new additions in caps and closures product line:

1. GL 45 caps are in high density, threaded cap which is extensively used in Argo and Chemical industries. It can be used both on HDPE and glass bottles.
2. TSV 40 caps feature a spout or nozzle that allows for controlled dispensing of the contents, making them ideal for lubricant industry for packaging lubricants such as engine oils, gear oils, and transmission fluids.

GL 45 Caps

TSV 40 Caps

Mitsu Foundation, in collaboration with the Bhojay Sarvodaya Trust Hospital, successfully organized the "**Gynaecological Surgical Camp 2023**" on March 17th-19th, 2023, with remarkable participation by women.

Mitsu is proud to be a part of **Global Kachchh Initiative**, a people's movement initiated by KRIDA (Krishi Research Innovation and Development Association) and GVT (Global Vikas Trust) to find a long-term, sustainable solution to Kachchh's woes.

Our team recently undertook a **Grain Distribution** drive to provide a month-long supply of groceries to underprivileged families. This initiative was aimed at addressing the immediate needs of families who are struggling to make ends meet.

Mitsu is glad to play a minor role in **Jash Modi's** dream to represent India in table tennis and win gold in Olympics. At a very young age Jash has won several competitions at state, national and even International level tournaments. We are looking forward to watch him break records and Make India proud!

- Seminar on Financial Freedom on Women's Day -

We recognize the importance of **financial empowerment for women** hence we organized a seminar on International Women's Day to provide our female employees with the necessary knowledge and skills to achieve financial freedom.

- Women Health Awareness Sessions for Female Employees -

The session is part of our continuing series aimed at improving menstrual health among our female team at Mitsu offices and factories.

Salient Points:

- **Ensuring menstrual health awareness reaches every female member at Mitsu.**
- **The focus areas are Menstrual Problems, Food Habits & Lifestyle, Menopause etc.**

- SAFETY WEEK 2023 -

"DO CHECKOUT OUR CORPORATE VIDEO IF YOU HAVEN'T ALREADY"

The video is a culmination of the inspiration, the spirit, the values and the people that have made Mitsu Chem Plast Limited what it is and much, much more.
