#### **NOTES:**

1. Pursuant to Section 105 of the Companies Act, 2013 and the Rules made thereunder a Shareholder Entitled to attend and vote at the Forty-Second Annual General Meeting is entitled to appoint a Proxy to attend and vote in the Meeting instead of him/her and the proxy need not be a Shareholder of the Company. A person can act as a proxy on behalf of maximum of 50 shareholders and holding in aggregate not more than 10% of the total share capital of the Company carrying voting results. A shareholder holding more than 10% of the total share capital of the Company carrying voting results may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder. Proxies submitted on behalf of Limited Companies, Societies, etc., must be supported by an appropriate resolution / authority, as applicable.
2. Every shareholder entitled to vote at a meeting of the Company, or on any resolution to be moved thereat, shall be entitled during the period beginning twenty-four hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, to inspect the proxies lodged, at any time during the business hours of the Company, provided not less than three days' notice in writing of the intention to inspect is given to the Company.
3. A proxy form is enclosed herewith. In case a shareholder wants to appoint a proxy, a duly completed and stamped proxy form must reach the Registered Office of the Company not later than 48 hours before the time of the aforesaid meeting.
4. Corporate shareholders / Institutional Investors intending to send their authorized representatives to attend the meeting are requested to send a duly certified copy of the Board Resolution authorizing the representatives to attend and vote at the Forty-Second Annual General Meeting. Pursuant to the Provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
5. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at [www.bseindia.com](http://www.bseindia.com) and Company website i.e. [www.munoth.com](http://www.munoth.com) respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
6. Shareholders who have not registered their email addresses so far are requested to register their email address in respect of their electronic holding with the Depository through their concerned Depository Participants and shareholders are further requested to register their email addresses with the Share Transfer and Registrar Agent of Company i.e. Purva Sharegistry (India) Private Limited, No 09, Shiv Shakti Industrial Estate , GF , JR Boricha Marg, Opp Kasturba Hospital , Lower Parel, Mumbai, Maharashtra – 400 011.
7. Shareholders / Proxies attending the meeting are requested to bring the duly completed attendance slip (which has been enclosed herewith) to the Thirty Eighth Annual General Meeting.

8. All documents referred to in the Notice are open for inspection at the Registered Office of the Company during office hours. Shareholders are also informed that voting shall be by both the means i.e. polling paper and E-voting. Shareholders who could not vote through remote E-Voting can exercise their voting rights at the Forty-Second Annual General Meeting.
9. The Company will make arrangements of polling papers in this regard at the Meeting's Venue. The shareholders attending the meeting who have not cast their vote by remote E-Voting shall be able to exercise their right to vote at the meeting.
10. However, the shareholders who have cast their vote by remote E-Voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again. In case the shareholders have cast their vote, through E-Voting and Polling Papers, then voting through E-voting shall prevail and voting done by Polling Papers shall be treated as invalid.
11. The Board of Directors of the Company has appointed Mr. Gaurav Bachani, Proprietor of M/s. Gaurav Bachani & Associates, Ahmedabad as the Scrutinizer, for conducting the E- Voting and Poll paper voting process for the Forty-Second Annual General Meeting in a fair and transparent manner.
12. The Resolution will be taken as passed effectively on the date of announcement of the result by the Chairman of the Company, if the result of the E-voting & Paper Poll Votes indicates that the requisite majority of the Shareholders had assented to the Resolution.
13. The scrutinizer will submit his consolidated report to the chairman, or any other person authorised him, after completion of scrutiny of the vote cast and results of the voting will be announced by chairman or any other person authorised by him. The Scrutinizer's decision on the validity of votes cast will be final.
14. Unsigned or incomplete and improperly or incorrectly ticked Voting Poll Papers shall be rejected.
15. The route map showing directions to reach the venue of the Thirty Eighth Annual General Meeting is annexed.

**16. DISPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE:**

In compliance with the MCA Circulars and SEBI Circular No SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12<sup>th</sup> May, 2020, Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/ Depositories. Members may note that the Notice and Annual Report 2023-24 will be available on website of the Stock Exchange, i.e., BSE Limited at [www.bseindia.com](http://www.bseindia.com), Company Website i.e. [www.munoth.com](http://www.munoth.com) and on the website of NSDL at <https://www.evoting.nsdl.com/>. **Annual Report will not be sent in physical form.**

17. Members of the Company holding shares, either in physical form or in Dematerialized form, as on 30<sup>th</sup> August, 2024 will receive Annual Report for the financial year 2023-24 through electronic mode only.
18. The Register of Members and Share Transfer Books will remain closed from 23<sup>rd</sup> September, 2024 to 30<sup>th</sup> September, 2024 (both days inclusive) for the purpose of Annual General Meeting (AGM).
19. Members holding shares in the dematerialized mode are requested to intimate all changes with respect to their bank details, ECS mandate, nomination, power of attorney, change of address, change in name, etc., to their Depository Participant (DP). These changes will be automatically

reflected in the Company's records, which will help the Company to provide efficient and better service to the Members. Members holding shares in physical form are requested to intimate the changes to the Registrar & Share Transfer Agents of the Company (RTA) at its following address: Purva Sharegistry (India) Private Limited, No 09, Shiv Shakti Industrial Estate, GF, JR Boricha Marg, Opp Kasturba Hospital, Lower Parel, Mumbai, Maharashtra - 400 011. **27. Statement on Annual Evaluation of Board's Performance:**

The Board evaluated the effectiveness of its functioning, that of the Committees and of individual Directors, pursuant to the provisions of the Act and SEBI Listing Regulations. The Board sought the feedback of Directors on various parameters including:

- Degree of fulfillment of key responsibilities towards stakeholders (by way of monitoring corporate governance practices, participation in the long-term strategic planning, etc.);
- Structure, composition, and role clarity of the Board and Committees;
- Extent of co-ordination and cohesiveness between the Board and its Committees;
- Effectiveness of the deliberations and process management;
- Board / Committee culture and dynamics; and
- Quality of relationship between Board Members and the Management.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the

Securities and Exchange Board of India on January 5, 2017.

The Chairman of the Board had one-on-one meetings with each Independent Director and the Chairman of the Nomination and Remuneration Committee had one-on-one meetings with each Executive and Non-Executive, Non-Independent Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/ Committee processes.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole, and the Chairman of the Company was evaluated, taking into account the views of Executive Directors and Non-Executive Directors.

The Nomination and Remuneration Committee reviewed the performance of the individual directors and the Board as a whole.

In the Board meeting that followed the meeting of the independent directors and the meeting of Nomination and Remuneration Committee, the performance of the Board, its committees, and individual directors was discussed.

The evaluation process endorsed the Board Members' confidence in the ethical standards of the Company, the resilience of the Board and the Management in navigating the Company during challenging times, cohesiveness amongst the Board Members, constructive relationship between the Board and the Management, and the openness of the Management in sharing strategic information to enable Board Members to discharge their responsibilities and fiduciary duties.

The Board carried out an annual performance evaluation of its own performance and that of its committees and individual directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee.

The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors. The exercise of performance evaluation was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, contribution at the meetings and otherwise, independent judgment, governance issues etc.

**Management Discussion and Analysis Report**

**A. Overview of the Indian Economy:**

India's capital management sector, a crucial component of the country's financial system, has seen significant evolution and growth. It encompasses asset management, investment banking, wealth management, and financial advisory services, which collectively play a vital role in mobilizing and allocating capital across the economy. The sector includes a diverse range of activities, from mutual funds and pension schemes to private equity, venture capital, and investment banking services like mergers and acquisitions. The growth of these areas reflects a maturing financial ecosystem that supports both individual investors and businesses.

Recent trends in the sector highlight a rapid digital transformation, driven by fintech innovations and the rise of robo-advisors that offer automated, low-cost investment solutions. Regulatory reforms by the Securities and Exchange Board of India (SEBI) have enhanced transparency and investor protection, while the increasing popularity of alternative investments such as real estate, infrastructure, and commodities demonstrates a shift towards more diversified portfolios. Financial inclusion efforts have also expanded access to capital management services, bringing more individuals into the investment fold through digital platforms.

However, the sector faces several challenges, including market volatility driven by global and domestic uncertainties, evolving regulatory landscapes, and cybersecurity threats. Navigating these issues requires constant adaptation and innovation. Despite these hurdles, the Indian capital management sector is positioned for continued growth, bolstered by technological advancements and a dynamic regulatory environment that supports both traditional and emerging financial services.

**B. Overview of Capital Markets:**

The Indian capital market is a vibrant and integral component of the country's financial system, encompassing various segments such as the equity market, debt market, derivatives market, and commodity market. Major stock exchanges like the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE) facilitate the trading of stocks and other securities, while platforms like the Multi Commodity Exchange (MCX) handle commodity futures. The market also includes mutual funds, which pool investments from individual investors into diversified portfolios, and private equity and venture capital that provide funding to startups and growing companies. Technological advancements and regulatory reforms by bodies like SEBI (Securities and Exchange Board of India) have enhanced market efficiency, transparency, and accessibility, fostering a more inclusive investment environment.

Despite its growth and modernization, the Indian capital market faces challenges such as market volatility, regulatory compliance, and cybersecurity risks. Economic fluctuations and geopolitical events can impact market stability, while frequent regulatory changes require continuous adaptation by market participants. Additionally, as digital trading becomes more prevalent, ensuring robust cybersecurity measures to protect investor data is crucial. Looking ahead, the

market is poised for further expansion, driven by increased financial inclusion, technological innovation, and ongoing efforts to strengthen regulatory frameworks and market infrastructure.

### **C. Outlook:**

A broker is an individual or firm that acts as an intermediary between an investor and a securities exchange. In India, with existing Bombay and National Stock Exchanges, the leading online security brokers are Zerodha, Upstox, Angel Broking, SAS Online, Indian Infoline, Trade Smart Online, Flyers Securities, and Trade Plus Online. Brokers charge different prices for ETF and option trades, and depending on different services, they secure a margin for themselves and help retail investors access company shares.

### **D. Indian Stockbroking Industry:**

The brokerage industry in India is transitioning to a fee-based model, from the earlier transaction-based one. With this shift, brokers are now offering new services, including investment and wealth management advisory.

There is also an increased focus on fund-based activities, such as margin funding. This is helping broker firms generate sustainable earnings. They are also expanding the range of products and services to strengthen client relationships.

The India Security Brokerage Market size is estimated at USD 3.94 billion in 2024, and is expected to reach USD 5.75 billion by 2029, growing at a CAGR of 7.89% during the forecast period (2024-2029).

A robust economy generally leads to increased investor participation in the securities markets. Regulations set by the Securities and Exchange Board of India (SEBI) govern the operations of brokerage firms, including licensing requirements, compliance standards, and investor protection measures. Changes in regulations can affect brokerage business models and profitability. Advancements in technology, such as online trading platforms, algorithmic trading, and mobile trading apps, have transformed the brokerage industry in India. Brokerage firms invest in technology infrastructure to offer innovative services and improve client experience. Competition among brokerage firms drives innovation, pricing strategies, and service offerings. Brokerage firms differentiate themselves based on factors such as brokerage rates, research capabilities, trading platforms, and customer service. Efforts to educate investors about the securities markets and financial products influence investor behaviour and participation levels. Brokerage firms often play a role in investor education through seminars, workshops, and online resources. India's integration with global financial markets and participation in international investment activities influence the operations of brokerage firms. Cross-border investment opportunities, regulatory harmonization, and global market trends impact the strategies of Indian brokerage firms.

Overall, the security brokerage market in India is dynamic and influenced by a combination of economic, regulatory, technological, competitive, demographic, and global factors. Adapting to market dynamics and meeting client needs are key challenges and opportunities for brokerage firms operating in India. Source: <https://www.mordorintelligence.com/industry-reports/security-brokerage-market>

Technological advances have also supported increasing participation in equity markets. Fintech companies are increasingly playing a significant role in the growth of the capital markets, backed by increased usage of smartphones and low cost high speed internet connection. Retail investors, especially millennial and Gen-Z, who are increasingly getting drawn to intuitive and extremely powerful mobile trading apps. New-age brokers, who offer seamlessness and convenience, are fast acquiring a growing base of young, new-to-market clients.

The broking industry, on the whole, is transitioning from a volume-based to a order-based revenue model that offers services such as investment advisory and wealth management. The role of the broker has evolved from being facilitators of trading to one providing a holistic platform that not just provides the new age investors with an opportunity to invest in stocks, but offers other products helping them create wealth over their lifetimes.

## **E. Opportunities and Threats**

### **OPPORTUNITIES:**

## **INDEPENDENT AUDITORS' REPORT**

**TO THE MEMBERS OF  
MUNOTH CAPITAL MARKET LIMITED**

### ***Report on the Audit of Financial Statements***

#### **Opinion**

We have audited the Financial Statements of **MUNOTH CAPITAL MARKET LIMITED** (hereinafter referred to as "the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (collectively referred to as 'Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the Financial Statements give the information required by the Companies Act, 2013 (hereinafter referred to as "the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2024, and its Loss, other comprehensive loss, the changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Information**

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, Cash Flows and Changes in Equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### ***Report on Other Legal and Regulatory Requirements***

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" - a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that :
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b) In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this report are in agreement with the books of account;
  - d) In our opinion the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e) On the basis of written representations received from the directors as on March 31, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) Since the Company is a Private Limited Company, reporting under Section 197(16) of the Act, as amended is not applicable.
  - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure-B.
  - h) With respect to the other matters to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report that:

- i) The Company does not have any pending litigations which would impact its financial position other than those mentioned in notes to accounts;
- ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There were no amounts which were required to be transferred to the Investors Education and Protection Fund by the Company;
- iv) (a) As per the information and explanation given to us by the management, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) As per the information and explanation given to us by the management, no funds have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) On the basis of above representations, nothing has come to our notice that has caused us to believe that the above representations contained any material mis-statement.
- v) The Company has not declared or paid any dividend during the year.
- vi) Based on our examination, which included test checks, and other generally accepted audit procedures performed by us, we report that the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility however the same has not operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements of record retention is not applicable for the financial year ended March 31, 2024.

  - (b) As per the information and explanation given to us by the management, the Company has not availed any working capital facility from any banks or financial institutions on the basis of security of current assets and hence provisions of Clause 3(ii)(b) of the Order are not applicable to the Company.
- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to any company, firm, Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of Clause 3 (iii) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanation given to us, the Company has not granted any loans or provided any guarantee or security to the parties covered under Section 185 of the Act. Further, the Company has complied

- with provisions of Section 186 in respect of grant of loans and making investments as applicable.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed thereunder to the extent notified.
  - vi. According to the information and explanations given to us, the Company does not require maintaining cost records as prescribed by the Central Government under sub-section (1) of Section 148 of the Act.
  - vii.
    - a) According to the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income-tax, GST, duty of customs or cess and other statutory dues applicable to it. No undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, GST, duty of customs or cess and other statutory dues were outstanding, as at 31-03-2024, for a period of more than six months from the date they became payable.
    - (b) According to the records of the Company and information and explanations given to us no dues of income tax, GST, duty of customs or cess that have not been deposited on account of any disputes.
  - viii. According to the information and explanations given to us, there are no transactions that are not recorded in the books of accounts and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
  - ix.
    - (a) Based on our audit procedures and according to the information and Explanations given to us by the management, we are of the opinion that the Company has not defaulted in repayment of dues to financial institutions and bank;
    - (b) According to the information and explanations given to us, the company has not been declared willful defaulter by any bank or financial institution or government or any government authority;
    - (c) According to the information and explanations given to us, the Company has not availed any term loan facility and hence provisions of Clause 3(ix)(c) of the aforesaid Order are not applicable to the Company;
    - (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the company;
    - (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
    - (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies,
  - x.
    - (a) Based on our audit procedures and according to the information and explanations given to us by the management, the Company has not raised any money by way of initial public offer or further public offer (including

debt instruments) and hence provisions of Clause 3(x)(a) of the Order are not applicable to the Company;

- (b) In our opinion and according to the information and explanation given to us, the company has utilized fund raised by way of preferential allotment of shares (share issued at premium) for the purpose for which they were raised.
- xi. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company noticed or reported during the year, nor have we been informed of any such case by the management. Clause 3(xi)(a) to (c) of the Order is, therefore, not applicable to the Company for the year under audit.
- xii. The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to the Company and hence provisions of Clause 3(xii) (a) to (c) of the Order are not applicable to the Company.
- xiii. The Company has not entered into the transaction with the related parties in compliance with the provisions of the Section 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS)18, Related Party Disclosures specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

## **ANNEXURE-B TO INDEPENDENT AUDITOR'S REPORT**

The Annexure referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' our report to the members of **MUNOTH CAPITAL MARKET LIMITED**, ('the Company') for the year ended on March 31, 2024.

### ***Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Act***

We have audited internal financial controls over financial reporting of **MUNOTH CAPITAL MARKET LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the Financial Statements of the Company for the year then ended on that date.

#### ***Management's Responsibility for the Internal Financial Controls***

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities includes design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to Company's policies, the safeguarding of the assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### ***Meaning of Internal Financial Controls over Financial Reporting***

A Company's internal financial control over financial reporting is a process designed to provide a reasonable assurance regarding the reliability of financial reporting and preparation of Financial Statements for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that the transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

### ***Inherent Limitations of Internal Financial Controls over Financial Reporting***

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### ***Opinion***

In our opinion, the Company has, in all material aspects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The management has assessed that the fair value of Trade receivables, cash & cash equivalent, current loan and advances, other non-current and current asset, borrowings and trade payables approximate their carrying amounts largely due to the short term maturities of these instruments.

#### **Fair Value Hierarchy**

The different levels have been defined below:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices)

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

Although, all Financial Asset and Financial Liabilities were valued at amortised cost and therefore there are no asset which are valued at Level III hierarchy.

**Notes to the Ind AS Financial Statements for the Year Ended 31st March, 2024**

Corporate information

Munoth Capital Market Limited (the Company) is domiciled in India and is incorporated under the provisions of the Companies Act, 2013 applicable in India. The registered office of the Company is located at Shanti Niwas, Opp. Shappath-V, Near Karnavati Club, S.G. Road, Ahmedabad, Gujarat-380058, India.

Basis of Preparation of Financial Statements

These financial statements of the Company have been prepared in accordance with Ind AS prescribed under section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015, the companies (Indian Accounting Standards) Amendment Rules, 2016 and the Companies (Indian Accounting Standards) Amendment Rules, 2017.

The IndAS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, which have been measured at fair value as described below:

Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- 1) In the principal market for the asset or liability, or
- 2) In the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Fair value for measurement and /or disclosure purpose in these financial statements is determined on such basis, except for share based payment transactions that are within the scope of IndAS 102, leasing transactions that are within the scope of IndAS 17, and measurements that have some similarities to fairvalue, such as net realisable value in IndAS 2 or value in use in IndAS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

For other fair value related disclosures refer note no 28.

## **1. Significant Accounting Policies**

### **(i) Property, Plant and Equipment**

The initial cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, attributable borrowing cost and any other directly attributable costs of bringing an asset to working condition and location for its intended use. It also includes the present value of the expected cost for the decommissioning and removing of an asset and restoring the site after its use, if the recognition criteria for a provision are met.

Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are normally charged to the statements of profit and loss in the period in which the costs are incurred. Major inspection and overhaul expenditure is capitalized if the recognition criteria are met.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net within other income/other expenses in statement of profit and loss.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss, when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**(ii) Capital work in progress**

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of property, plant and equipment. Costs associated with the commissioning of an asset are capitalised when the asset is available for use but incapable of operating at normal levels until the period of commissioning has been completed. Revenue generated from production during the trial period is credited to capital work in progress.

**(iii) Revenue Recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Brokerage income is recognized as per contracted rates at the execution of transactions on behalf of the customers on the trade date and is inclusive of service tax.

Transaction of dealing in shares & securities are booked in the accounts based on contract notes issued by the brokers and the account statements received. Transactions of derivatives are recognized under respective heads of accounts as and when the settlement takes place in accordance with the terms of respective contracts.

Income from arbitrage in securities comprises profit/loss on sale of securities held as stock-in-trade.

All incomes and expenditure are accounted for on accrual basis unless otherwise stated.

Interest income is recognized on accrual basis, while dividend on shares and securities is recognized when the right to receive the dividend is established

**(iv) Taxation**

**Current Tax**

A provision for current income tax is made on the taxable income using the applicable tax rates and tax laws.

**Deferred Tax**

Deferred tax arising on account of timing differences and which are capable of reversal in one or more subsequent periods is recognized using the tax rates and tax laws that have been enacted or substantively enacted. Deferred tax assets are not recognized unless there is a virtual certainty with respect to the reversal of the same in future.

**(v) Impairment of Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not

generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and is written down to its recoverable amount. Impairment losses are recognised in the statement of profit and loss.

**(vi) Provisions and Contingencies**

The company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that probably will not require an outflow of resources or where a reliable estimate of the obligation cannot be made.

**(vii) Employee Benefits**

The company has not provided for Gratuity and Leave encashment benefits till 31.03.2023. The retirement benefits will be debited as and when paid.

**(viii) Foreign Currency Transactions**

- a) Transactions in Foreign Currency are accounted at the exchange rate prevailing on the date of Transactions. Exchange fluctuations between the transaction date and the settlement date in respect of Revenue Transactions are recognized in Profit & Loss Account.
- b) All export proceeds not realised at the yearend are restated at the rate prevailing at the year end. The exchange difference arising there from has been recognised as income / expenses in the Current Year's Profit & Loss A/c along with underlying transaction.
- c) The premium or discount arising at the inception of forward exchange contract is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognised as income or as expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

**(ix) Segment information**

Operating Segment Reporting as defined in IndAS108 is not applicable as the company is primarily engaged only in Broking services in capital market.

**(x) Borrowing Costs**

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue.

**(xi) Earnings Per Share(EPS)**

Basic and diluted EPS is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.
