108-FOOT BRONZE STATUE OF KEMPE GOWDA UNVEILED

# Modi Hails K'taka Double-engine Govt for State's Progress

Our Political Bureau

Bengaluru: Prime Minister Narendra Modi said on Friday that speed, aspiration and scale are the strengths of India, taking potshots at the previous Congress led UPA regime, which, he said, used to consider speed as luxury and scale as risk.

"We changed this mindset absolutely," he said, addressing a public gathering in Bengaluru.

"Karnataka's double-engine government is focusing equally on both physical as well as social infrastructure," he said, alluding to the same political party being in power both at the Centre and in the state, working with the same sense of purpose.

Karnataka, the only state in southern India where the BJP is in power, is headed for assembly election in five months amid a tough challenge mounted by the opposition Congress. In Bengaluru, Modi unveiled a 108-foot bronze statue of Kempe Gowda, the builder of Bengaluru, and offered floral tributes to saint Kanakadasa and sage-poet Maharshi Valmiki. All three events politically significant for the BJP. The politically influential Vokkaligas, Kurubas and Valmikis (Scheduled Tribes) communities claim the three iconic personalities as their own and celebrate their legacy.

"The India before 2014 was something altogether different than the present prosperous and technically advanced India," Modi said, referring to the BJP's ascent to power at the Centre eight years ago.

"India is heralding a new chapter of India development under PM Modi Shiksha National Mission Plan."

In Karnataka, he said, the government has sanctioned about 300,000 pucca houses for the poor and given water connectivity to about three million rural households.

Modi showered praise on Bengaluru and its technology professionals, who he said, turned Make in India, the Smart Growth and the IPI a big success. "India is known all over the world for its startups and Bengaluru plays a vital role in getting India established as a startup hub," he said.

Last year, Modi said, Karnataka was a pioneer in attracting foreign direct investments (FDI). Investments were not limited to just the information technology (IT) sector but covered sectors from biotechnology to defence manufacturing. "In the past three years, when the world was affected by Covid-19, Karnataka managed to attract \$ 4.8 lakh crore of investment. It remained the top FDI destination last year," he said.

Earlier, the PM also inaugurated a second state-of-the-art terminal at the Fairfax Group-controlled Kempegowda International and flagged off Varadhi Bharat Express and Bharat Gaurav Kashi Darshan Train at the railway station in Bengaluru.
