MANAGING DIRECTOR'S MESSAGE

Mr. Joju Madathumpady Johnny
Managing Director

Dear Stakeholders,

I am pleased to present the 41st Annual Report of JMJ Fintech limited for the financial year 2023-24. This year has been a significant one for our company, as we continued to strengthen our position in the Non-Banking Financial Company (NBFC) sector, delivering consistent growth and value for all our stakeholders. Our commitment to providing reliable and efficient financial services through our conventional lending model has proven successful, and we are excited about the opportunities ahead as we explore new avenues for growth and modernization.

Overview of the Year

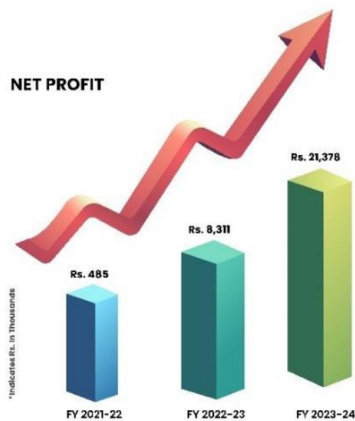

The Indian financial sector, in FY 2023-24, operated under the backdrop of global uncertainties, rising inflation, and regulatory shifts. Despite these challenges, JMJ Fintech limited maintained a stable and healthy growth trajectory, primarily due to our strong fundamentals, customer trust, and efficient execution of our business strategy.

Our core business of conventional lending, focusing on retail customers, has been a cornerstone of our success. Through a relationship-based approach and deep understanding of local markets, we have been able to cater to the financial needs of our customers, ensuring their growth and financial well-being.

Operational and Financial Highlights

I am happy to report that JMJ Fintech limited achieved another year of strong financial performance in FY 2023-24. Key highlights include:

Our **Total Income** for the year stood at **₹7.47 crore**, reflecting a healthy year-on-year growth of **195%**. This growth was driven by increased demand for retail loans.

Our **Net Profit After Tax** rose to **₹2.14 crores**, marking a **257%** increase from the previous year. This was achieved through disciplined cost management and maintaining a high-quality loan portfolio.

Asset Growth: Our **Loan Assets** saw an impressive growth of **186.37%**, reaching **₹25.42 crores**, reflecting the increasing demand for credit from our customer base.

NPA Management: Our diligent focus on credit quality and collections allowed us to maintain a low Gross Non-Performing Asset (GNPA) ratio of 3.51%, with our Net NPA ratio at a controlled 0.89%. This underscores our commitment to prudent lending practices and risk management.

Capital Adequacy: Our capital adequacy ratio remains robust at 84%, ensuring that we are well-positioned to support future growth while adhering to regulatory norms.

Strength and Stability:

Our traditional lending model continues to deliver results, with strong customer relationships and personalized service being the key differentiators. Through branches spread across urban, semi-urban, and rural markets, we have been able to offer a wide range of credit products.

Our conventional approach has allowed us to maintain a personal touch, which continues to be highly valued by our customers. As we move forward, our core lending operations will remain central to our growth strategy.

Technology and the Road Ahead

While our conventional lending practices have served us well, we recognize the importance of staying competitive and relevant in an increasingly digitized world. In line with this, we are actively planning the integration of advanced technology solutions into our operations. The introduction of modern technology will allow us to:

-Enhance Operational Efficiency: Automation of key processes, including loan origination, underwriting, and collections, to improve turnaround time and reduce operational costs.

-Improve Customer Experience: By introducing digital touchpoints such as online loan applications and customer service platforms, we will enhance convenience for our customers, especially in semi-urban and urban areas.

-Strengthen Risk Management: Leveraging data analytics and AI-driven tools to improve credit assessment, minimize risks, and refine our decision-making processes.

Our focus will be on a phased and careful implementation of these technologies, ensuring that they align with our core values and business objectives. We remain committed to adopting these innovations without compromising the personal relationships we have built with our customers over the years.

Risk Management and Governance

Maintaining a strong risk management framework remains one of our key priorities. This year, we strengthened our internal systems for credit evaluation, monitoring, and collections to minimize risk exposure and ensure long-term sustainability. Our commitment to governance, transparency, and ethical business practices remains unwavering as we move towards incorporating new technologies.

Outlook for FY 2024-25

Looking ahead, we remain optimistic about the future. With a growing demand for credit in urban, semi-urban & rural areas , we are well-positioned to capitalize on new opportunities. Our strategic priorities for FY 2024-25 include:

- Strengthening our conventional lending portfolio.
- Implementing the first phase of our technology adoption strategy to enhance operations and customer engagement.
- Expanding into new geographies and customer segments while maintaining a prudent risk approach.
- Continuing our efforts towards responsible lending and sustainability initiatives, in line with our long-term commitment to creating a positive impact on society.

In conclusion, I would like to extend my sincere gratitude to our shareholders for their continued trust and confidence in our company, our Board for their guidance, and our employees for their dedication and hard work. We remain committed to delivering sustainable growth and long-term value for all our stakeholders. Thanking You,

Warm Regards,

Comments of Secretarial Auditor (a): Pursuant to appointment of Mr. Velayudhanpillai Harikumar (DIN:

Reply of Management: The Board observed that the company had the required number of Independent Directors as mandated by various Acts, Rules, and Regulations prior to the appointment period of Mr. Velayudhanpillai Harikumar (DIN: 10450411) as an Additional Director (Independent). However, in its commitment to maintaining an impartial Board, he was appointed as an Additional Director (Independent). Recognizing this as an unintentional error, the Board has directed the responsible officials to take the necessary actions to prevent such occurrences in the future.

Comments of Secretarial Auditor (b) The vacancy in the office of Chief Financial Officer was filled by appointing Mr. Justin Thomas with effect from December 12, 2023. Further, the vacancy was filled beyond a period of three months, thus delay of nearly 5 months.

Reply of Management: The Board noted that the company has an appropriate succession plan in place. However, in this particular case, a delay occurred because the former Chief Financial Officer was unexpectedly terminated from service, necessitating the search for a suitable replacement. The Board acknowledged that the delay in filling the vacancy was due to the unavailability of an eligible candidate and was not intentional. The Board also instructed the concerned departments to ensure such situations are handled more efficiently in the future.

Comments of Secretarial Auditor (c) There was a delay of two days in disclosing the Related Party Transactions under Regulation 23 of SEBI LODR for the half year ended March 31, 2023 and one day delay for half year ended September 30, 2023.

Reply of Management: The Board has acknowledged the matter, which was unintentional and resulted from technical issues during the filing process and communication errors between departments. ANNEXURE-III

MANAGEMENT AND DISCUSSION ANALYSIS REPORT

Industry Structure and Developments:

The operating environment for non-banking financial companies (NBFCs) seems to be improving. With the economy on the mend, loan disbursements have picked up in most segments, funding costs are economic down and several banks are facing capital constraints, giving these lenders a foot in the door.

The NBFC segment has witnessed considerable growth in the last few years and is now being recognized complementary to the banking sector due to implementation of innovative marketing strategies, introduction of tailor-made products, customer-oriented services and attractive rates of return on deposits and simplified products etc.

NBFCs have been at the fore front of catering to the financial needs and creating livelihood sources of the so called non-bankable masses in the rural and semi-urban areas. Through strong linkage at the grass roots level, they have created a medium of reach and communication and are very effectively serving this segment. Thus, NBFCs have all the key characteristics to enable the government and regulator to achieve the mission of financial inclusion in the given time.

Improving Macro-Economic Fundamentals:

The cross-sectional distribution pattern of the industry is determined by the performance of the Company. The Macro-economic vulnerabilities at the domestic front have declined because of improvement in growth outlook, fall in inflation and recovery in industrial production data. With rising investor sentiment and business confidence, industry growth is likely to be fueled by lending in the future.

It has issued an ombudsman scheme for NBFCs, offering a grievance redressal mechanism for their customers.

Outlook:

NBFCs continue to be an integral part of the country's financial service ecosystem. The expected reforms and drive towards various core sectors will provide more opportunities to the NBFCs to create significant financial inclusion and employment opportunities across the country. In line with the government's vision to achieve inclusive growth, the next key step is to include the unbanked population in the formal financial system. This will empower them and result in a significant increase in the average per capita income. Government's policies, combined with the financial services industry's efforts to look for growth, will augment financial inclusion.

Independent Auditors' Report

To the Members of
M/s. JMJ Fintech Limited

Opinion

We have audited the financial statements of M/s. JMJ Fintech Limited (“the Company”), which comprise the Balance Sheet as at 31 March 2024, and the Statement of Profit and Loss, the Statement of Changes in Equity and Cash Flow Statement for the year ended on that date, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2024 and profit for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

- a) Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
- b) Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards will always detect a material misstatement when it exists.
- c) Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. And we also,
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by the **Companies (Auditor's Report) Order, 2020** ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the company with reference to the financial statements and the operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report.; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us;

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls

over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these financial statements.

Meaning Of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has an internal financial controls system with reference to Ind AS financial statements which are operating effectively, design whereof needs to be enhanced to make it comprehensive. Based on verification of process control matrices, made available to us for the financial year under report and thereafter, in our opinion considering the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note, appropriate documentation thereof needs to be strengthened to make the same commensurate with the size of the Company and nature of its business.

The regulatory disclosures as required by Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 issued by the RBI and additional disclosures required as per RBI Scale Based Regulations effective from financial year ending 31 March 2023. are prepared as per the Ind AS financial statements, pursuant to the RBI notification on Implementation of Indian Accounting Standards, dated March 13, 2020.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in us.

B. Presentation of financial statements

The Balance Sheet, the Statement of Changes in Equity and the Statement of Profit and Loss are presented in the format presented under Division III of Schedule III of the Act, as amended from time to time, for Non - Banking Financial Companies ('NBFCs') that are required to comply with Ind AS. The Statement of Cash Flows has been presented as per requirements of Ind AS 7 Statement of Cash Flows.

C. Basis of Preparation

The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial instruments and plan assets of defined plans, which are measured at fairvalues at the end of each reporting period as explained in the accounting policies below. All amounts disclosed in the financial statements and notes have been rounded off to nearest rupees in compliance with Schedule III of the Act, unless otherwise stated.

2.2 Use of Estimates

The preparation of financial statements in conformity with the Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) and disclosures as of the date of the financial statements and the reported amounts of revenues and expenses for the reporting period. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

2.3 Inflation

Assets and liabilities are recorded at historical cost to the company. These costs are not adjusted to reflect the changing value in the purchasing power of the company.

2.4 Property, Plant and Equipment

All items of Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation/ amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Goods and Services Tax to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefit associated with the item flows to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repair and maintenance are charged to Profit and Loss during the reporting period in which they are incurred.

2.5 Depreciation and Impairment of assets

The useful life estimates prescribed in Part C of Schedule II to the Companies Act, 2013 are adhered to and depreciation is calculated on such assets on the basis of useful life estimates.

Depreciation is charged over the estimated life of the fixed assets on written down value method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013. Items costing less than Rs.5,000/- are fully depreciated in the year of purchase. For assets purchased/ sold during the year, depreciation is provided on pro rata basis by the company.

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or the Cash Generating Unit ('CGU'). If such recoverable amount of the asset of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of the profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

Particulars	Useful life as prescribed by Schedule II of the Companies Act, 2013	Useful life estimated by Company
Office equipment	5 years	5 years
Computer	3 years	3 years
Electrical equipment	10 years	10 years

2.11 Segment Reporting

Ind AS 108 Operating Segments is not applicable to the company as there are no identifiable segments.

2.13 Government Grants

The Company has not received any grants from government during the year.

2.14 Cash and Cash equivalents

For the purpose of presentation in the cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown with current liabilities in the balance sheet.

2.15 Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. The Company applied the ExpectedCash Loss (ECL) model in accordance with Ind AS 109 for recognizing impairment loss on financialassets. The ECL allowance is based on the credit losses expected to arise from all possible default events over the expected life of the financial asset ('Lifetime ECL') unless there has been no significant increase in the credit risk since origination, in which case, the allowance is based on the 12-month ECL. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is calculated on a collective basis, consideringthe retail nature of the underlying portfolio of the financial assets

The impairment methodology applied depends on whether there has been a significant increase in credit risk. When determining whether the risk of default on a financial asset has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both qualitative and quantitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic conditions, forward looking information and scenario analysis.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources income that could generate sufficient flows to repay the amounts subject to the write-off. However, financialassets that are written-off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognized in profit or loss.

2.16 Taxation

Tax expenses are the aggregate of the current tax and deferred tax charged or credited in the Statement of profit and loss for the year.The Company opted for New Tax Regime (u/s:115BAA) with effect from FY:2022-23.The current charge for income tax is calculated in accordance with the relevant tax regulations applicable to the company.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting incomeand taxable Income for the period. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only if there is virtual certaintyof realization of such assets. Deferred tax assets are reviewed at each balance sheet date. Deferred TaxAsset and Liability are netted off and disclosed in the balance sheet under the Head "Deferred Tax Asset/ Liability".

2.17 Provisions and Contingencies

The Company recognizes provisions when there is present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure is made in the financial statements.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates. If it is no longer probable that the outflow of resources is not required to settle the obligation, the provision is reversed.

A disclosure of contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources.

When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognized in the financial statements.
