Dear Sirs,

Menon Bearings Ltd. has received permission from the District Administration and accordingly resumed operations from 5th May, 2020.

Indian OEM's are picking up. Meanwhile, the company is making every effort to complete and execute export orders pending from March, April and for current month May, 2020.

Traditionally the exports of the company are to the tune of 30 % to 35% of the sales and Menon Bearings Ltd. is a major and single source for customers in USA, Japan etc.

Operations of the company are highly automated and skilled. As a policy, Menon Bearings Ltd. employs only local talent, both workers and staff and hence there is no issue of shortage in workforce.

Our Indian OEM customers have indicated to us to be ready to ramp up to original capacities soon. Meanwhile, the company's focus is to execute export orders in hand and acquire new customers in exports.
