3i Infotech Recognized an ‘Aspirant’ in Everest Group’s Peak Matrix® Assessments on Next-Generation Quality Engineering Services

Mumbai, December 11, 2023 – [3i Infotech Limited](#) (BSE: [532628](#), NSE: [3IINFOLD](#)), a global Information Technology company, committed to accelerating business transformation, was recently recognized as an ‘Aspirant’ in the Next-Generation Quality Engineering Services by PEAK Matrix® Assessment 2023.

At 3i Infotech, the quality engineering team follows a First Time Right Approach to deliver its clientele with a high-quality application and product testing services. Over the years, the company has served 100+ customers through its state-of-the-art quality engineering services encompassing simple, reliable, scalable, and cost-effective test solutions.

Speaking on the recognition, **Thompson P. Gnanam, Managing Director, and Global Chief Executive officer, 3i Infotech said**, “We are delighted at the recognition as it comes at the back of the incredible work that our engineers have been delivering. Having been recognized as the ‘aspirants’ in the next generation quality engineering services, we now have a fresh sense of passion to reach the leaders panel while continuing our efforts in deploying the innovative and dedicated approach towards excellence”.

3i Infotech was recognized based on the market impact that it has created in the niche industry and the vision and capability to deliver services successfully. In this Peak Matrix® Assessments on the next-gen quality engineering services 2023. In the past, the company has also been recognized for its work in the assessments on Application Automation Services 2023 and Cloud Insurance Services 2023.
