- The above results were reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on September 2, 2020. The Statutory Auditors have carried out a limited review of these financial results for the quarter ended June 30, 2020 and have issued an unmodified report on these results.
- This statement has been prepared in accordance with Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable.
- Due to outbreak of COVID-19 globally and in India, the Group's management has made initial assessment of likely adverse impact on business and financial risks on account of COVID-19, and believes that the impact is likely to be short term in nature. The Group's operations and revenue during the current quarter were impacted due to COVID-19. The Group has taken into account the possible impact of COVID-19 in preparation of the unaudited consolidated financial results, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these unaudited consolidated financial results and current indicators of future economic conditions. The Group's management has evaluated the prospects of the Group's products and its demand in this period and believes that these products will see demand as usual and is in a position to cater all the needs of the customers.
- The consolidated figures for the quarter ended March 31, 2020 are the balancing figure between the audited figures in respect of the full financial year upto March 31, 2020 and the unaudited year-to-date figures upto December 31, 2019 being the date of the end of the third quarter of the financial year which were subjected to limited review.

The Holding Company has paid the entire consideration amount and also started commercial production at its plant.

As per the Resolution Plan, the Holding Company, after approval from the NCLT, shall acquire 100% of the shareholding of the company and recast / reorganise the balance sheet through a process of writing off/writing back of the values of the assets and liabilities so that the balance sheet correctly represents the state of affairs of the company. As the Holding Company is yet to receive the financial statements of MBPPL for the financial year 2019-20 from the Resolution Professional (RP) and recast of balance sheet is pending, the Company MBPPL has not been considered as subsidiary for the purpose of consolidation for the quarter ended June 30, 2020.
