PSJ Court frames charges against ex-TN Minister Senthilbalaji in PMLA case

Chennai, Aug 8 (UNI) : A Principal Sessions Court on Thursday framed charges against former Tamil Nadu Minister V.Senthilbalaji, who was arrested by the Enforcement Directorate (ED) in the cash-for-jobs scam last year. Mr Senthilbalaji was escorted from Puzhal prison and produced before the Principal Sessions Judge Ms S.Alli, who framed charges against him.

When the Judge read out the charges, Mr Senthilbalaji pleaded not guilty and rejected all the charges against him.

Mr Senthilbalaji also told the Judge that he was ready for cross-examination. After framing of charges, the Court adjourned the case to August 16 for further proceedings.

After his petition to discharge him from the case was dismissed by the PSJ Court, the charges against him should have been framed on July 22, but the ex-Minister was indisposed

and was admitted to a hospital. He also filed yet another petition seeking to defer framing of charges citing legal grounds.

However, the PSJ court had dismissed his pleas and during one of the hearings directed the ED to produce him before the court for framing of charges yesterday.

After taking another plea filed by him seeking to defer framing of charges as he has filed a petition in the Madras High Court challenging the PSJ court order dismissing his discharge plea, Ms Alli yesterday directed the prosecution to produce him today either by video-conferencing or in person for framing of charges.

Following this, he was produced before the court amid tight security today evening and the charges were framed against him.

It may be noted that ever since his arrest more than a year back, his judicial remand has been extended on more than 50 occasions

by the PSJ Court.

Mr Senthilbalaji was arrested on June 14 last year, after day long ED raids at his residence and at his Ministerial Chamber in the State Secretariat, in connection with the cash-for-jobs scam during his tenure as the Transport Minister during the previous AIADMK regime. Later, he quit the party and joined the DMK and made Minister after the party came to power in the May 2021 Assembly polls.

After his arrest, the former Electricity Minister, continued to be retained in the State Cabinet as a Minister without portfolio. However, the Madras High Court, while hearing his bail plea on January 31, expressed reservations over his continuance in the State Cabinet.

Mr Justice N. Anand Venkatesh questioned the propriety behind his continuance as a Minister without portfolio despite having been imprisoned in a money laundering case

registered by the ED.

Noting that law was equal to all, the Judge had wondered as to how a person could be allowed to continue in the Cabinet even after incarceration for so long when even the last grade employee of the State is deemed to have been suspended from service if he/she remains incarcerated for more than 48 hours in a criminal case.

"When such is the severity shown in the case of a government employee, here you have a person who is continuing to be a Minister without portfolio when he is inside the prison. What type of a message are you giving to the public?" the judge had asked.

However, Mr Senthilbalaji, the ruling DMK's Karur strongman, eventually tendered his resignation from the State Cabinet on February 13 and sent the letter to Chief Minister M K Stalin, on whose recommendations, it was accepted by Tamil Nadu Governor R.N.Ravi.

Saddened by passing away of Comrade Buddhadeb : Stalin

Chennai, Aug 8 (UNI) : Tamil Nadu Chief Minister and DMK President M K Stalin condoled the death of former West Bengal Chief Minister and a stalwart of Left movement Buddhadeb Bhattacharjee in Kolkata on Thursday.

Mr Stalin said he was saddened by the passing away of Comrade Buddhadeb and his steadfast dedication and service to both the state and the nation will be eternally remembered.

In a statement here, he said "Deeply saddened by the passing away of Comrade Buddhadeb Bhattacharjee, a stalwart of the Left movement and former Chief Minister of West Bengal."

"His steadfast dedication and service to both the state and the nation will be eternally remembered", he said.

"A resolute Marxist, he devoted his life to fostering an egalitarian society, championing the cause of the marginalized, and advocating for social justice", Mr Stalin said, adding, his achievements and his literary contributions have left a lasting legacy.

"His leadership and commitment to the people will continue to inspire future generations", he added.

"My heartfelt condolences to his family, friends, and comrades, Comrade!," Mr Stalin said.

Madras HC refuses to quash ED proceedings against Minister in DA case

Chennai, Aug 8 (UNI) : The Madras High Court has refused to quash the proceedings initiated by the Enforcement Directorate (ED) against Tamil Nadu Fisheries and Animal Husbandry Minister Anitha R. Radhakrishnan under the Prevention of Money Laundering Act (PMLA), 2002 in connection with the Disproportionate Assets (DA) case.

A Division Bench of Justices S.M. Subramaniam and V. Sivagnanam dismissed a writ petition filed by him in 2022 seeking to quash the Enforcement Case Information Report (ECIR) registered against him in 2020 on the basis of a 2001-2006 DA case filed by the DVAC in 2006.

The Bench also directed the Minister to cooperate with the investigating agency to complete the probe in the money laundering case and allow it to file a final report before the special court.

Mr Radhakrishnan was charged with offences during the 2001-2006 AIADMK regime.

He was subsequently expelled from the party for alleged anti-party activities on July 30, 2009 and resigned as MLA of Trichendur Assembly constituency when the AIADMK was in Opposition (2006-2011).

Later, he joined the DMK in 2009, contested from the same seat in the bye-election and got elected. Since then he was with the DMK and won subsequent elections in 2011, 2016 and 2021 from Trichendur constituency and was made Minister in the current DMK regime.

The allegation against the Minister is that while serving as an MLA of Tiruchendur Assembly Constituency and subsequently as a Minister for Housing and Urban Development (during the AIADMK regime) from 2002-2006, he had acquired assets disproportionate to his known sources of income to the tune of Rs.2,68,24,7555 in his name, his wife's name, two brothers and three sons.

Based on this, the ED filed the ECIR which was sought to be quashed in the present case.

Radhakrishnan contended that the ECIR was filed on the premise that the offences were scheduled offences. He submitted that the ED had registered the ECIR for offences under Sections 3 and 4 of the PMLA, which came into force only on July 11, 2005 and at that time also Section 13 was not part of the scheduled offences under the Act.

It was submitted that the duration of the predicate offence was the Check period of May 14, 2001 to March 31, 2006. Hence, he contended that the provisions of the Act were invoked against him retrospectively.

Radhakrishnan further argued that the PMLA, being a penal statute could not operate retrospectively and the same would be violative of Article 20(1) of the Constitution, which states that no person shall be convicted of any offence except for violation of a law in force at the time of the commission of the act charged as an offence.

Adopt resolutions in Gram Sabha meet on Aug 15 seeking freedom from liquor

Chennai, Aug 8 (UNI) : Pattali Makkal Katchi (PMK) President and Rajya Sabha MP Dr Anbumani Ramadoss on Thursday appealed to his party cadres and the general public to adopt resolutions in Gram Sabha meetings seeking freedom from liquor on August 15, Independence Day. In a statement here, he said on the occasion of India's Independence Day, the Tamil Nadu Government has announced that Gram Sabha meetings will be held on that day at 11.00 am.

Gram sabha meetings are the medium through which innocent people express their demands and thoughts to the government, he said.

Dr Anbumani, who is also a former Union

Minister, said everyone should take advantage of that opportunity and adopt resolutions demanding implementation of total prohibition in the State.

"Although we have been freed from the Colonial rule, we have not yet been freed from the demon of alcohol. The day when people are freed from alcohol is the day of true liberation", he said.

"Therefore, I request the PMK cadres and the general public to participate in the Gram Sabha meeting to be held on August 15 and pass a resolution insisting on the closure of liquor (state-owned TASMAC) shops in their areas and implementation of total prohibition across the state", he added.

This is better way to finish, my decision stays: Sreejesh rules out reconsidering retirement

Paris, Aug 8 (UNI) : After ending his career on a high note in his illustrious career at the Paris Olympics guiding India to its second consecutive bronze medal, Indian custodian P R Sreejesh said "This is the better way to finish".

The iconic Indian goalkeeper Sreejesh ruled out any possibility of reversing his decision to retire from international hockey after inspiring the team to a second successive bronze medal in the Olympic Games in Paris.

With Sreejesh playing in his last match, India beat Spain 2-1 in the third-place play-off to win back-to-back bronze medals at the showpiece.

The last time, the Indian hockey team pulled off consecutive Olympic podium finishes was way back in 1972 at Munich Olympics. A case of history repeating itself when India last defeated Aussies and won the bronze.

It unfolded today at the Paris, as Sreejesh controlled the bar with stupendous saves. History was recreated when India after so many years defeated Aussies for the first time since 1972 and re-scripting the same Bronze medal finish. "I think this is the better way to finish an Olympic Games, with a medal. We are not going home empty-handed, that's a great thing," Sreejesh said on 'Jio Cinema'.

"I respect the sentiments of people (who may have

wanted him to continue). But some decisions are hard, but taking a decision at right time makes the situation more beautiful," Sreejesh said after the match "So, my decision stays," he asserted, when asked if he may reconsider.

The 36-year-old from Kerala, whose illustrious career spanned 18 years, had announced before the Olympics that he would call it quits at the end of India's campaign.

However, he was entrusted with a new job of coaching the Junior India team, even as his rfamily members in Kerala celebrated India's triumph in Paris.

"The team did a wonderful job and made this game so beautiful," said Sreejesh who bowd out as the best goalkeeper that India has ever produced.

He was also a part in the bronze-winning team in Tokyo where the country won a medal after 41 years.

"Tokyo has a special place in my heart. That (bronze) gave us back the confidence that we can win medals (in Olympics)." The 'Great Wall of Indian Hockey' played more than 300 matches for India.

In Paris, he was in excellent form and made several crucial saves for the country during regulation time as well as during penalty. A fitting farewell he gave to India. Let's salute the legend.

In the clean and jerk, she managed 111kg on her second attempt but fell short on her final lift of 114kg. Despite the disappointment, Mirabai Chanu's journey at the Paris Olympics has been nothing short of inspiring.

ECoR initiates safety fencing project in Bhubaneswar-Palasa Railway Section

(Standard Post Bureau)
Bhubaneswar, Aug 8 : In a significant move to enhance railway safety and increase train speeds, East Coast Railway (ECoR) has initiated the safety fencing project in the Bhubaneswar-Palasa Railway Section.

ECoR sources said the work has commenced on two small patches near Bhubaneswar and Palasa Railway Stations over Khurda Road Division along with Berhampur-Golanthara Rail Section.

Till now, about 7 Kms stretch of safety fencing work has already been completed.

Double W Metal Beam Crash Barriers have been installed about 3.9 Kms, i.e. 2400 meters near Palasa area and 1500 meters in Berhampur-Golanthara Railway Section.

Apart from this, 1600 meters Fixed Knot Fencing Barriers have been installed near Bhubaneswar area.

This location has been identified for fencing as the bank height is almost rail level and cattle are frequently crossing the track. This safety fencing will not only ensure safe train operations but also restrict unauthorized trespassing, cattle grazing near the railway tracks, and movements of wild animals near the rail line.

To ensure effective fencing and avoid any disruptions, the Ministry has decided to construct boundary walls closer to the tracks. The current plan involves erecting fencing at the boundary of Railway Land, with the actual distance to be determined by the zonal railway authorities based on site conditions, maintenance requirements, multi-tracking works, the level of trespassing, and the overall effectiveness of the proposed fencing.

The initiative also aims to seal the entry to tracks

at level crossings, ROBs (flyovers), RUBS (underpasses), bridges, and other critical locations requiring access control.

ECoR sources said this measure will not only restrict cattle grazing near the railway line but also provide smooth traffic movement and prevent the loss of livestock and wildlife.

The Ministry of Railways recently sanctioned Rs.275.01 crore for the provision of safety fencing along tracks in the Bhadrak-Palasa and Khurda Road-Puri Railway Sections of the Khurda Road Division under East Coast Railway. This project aims to facilitate the safe operation of trains at speeds up to 130 kmph and beyond, sources said adding that the safety fencing project marks a significant step towards achieving these goals, ensuring a safer and more efficient railway network for the nation.
