by SCL for seeking government budgetary resources for SCL to make payment of balance outstanding dues to the company.

9. The Company (DCIL) carried out maintenance dredging with JNPT in the financial year 2019-20. During the year, DCIL executed part of dredging area on its own and some of the areas were dredged by subcontractor named M/s. International Seaport Dredging Pvt Ltd (herein after called as ISDPL). DCIL received payments from JNPT as per the rates mentioned in the agreement. However, DCIL released payments to ISDPL as per the agreement between DCIL Vs. ISDPL. As there is difference in between JNPT rates to DCIL and DCIL rates to ISDPL, JNPT started recovering these amounts from subsequent invoices raised by the Company. As on 31-12-2022 an amount of Rs.31.39 has been recovered by JNPT Company views this amount as disputed trade receivables, but considered good.
10. DCI placed the order in October 2005 for Cutter Suction Dredger (CSD) on Mazagon Dock Limited (MDL) at a cost of Rs. 269.58 Crs and final landed cost of CSD was Rs. 273.74 Crs. MDL delivered the vessel in March 2010 (Dredge XVIII) with poor construction, inordinate delay in supply of Dredger, failure to conduct successful trials as envisaged in the contract resulted in poor performance of the Dredger after delivery. In view of above, DCI encased the Performance Bank Guarantee of Rs.27.32 Crs on 01/11/2013 submitted by the contractor. In Feb 2014 MDL has referred the matter to Permanent Machinery of Arbitration (PMA) claiming that Encashment of BG by DCI is bad and illegal, and for refund of Rs.30.35 Crs (BG amount along with interest and other charges). Finally, the joint Secretary & Arbitrator of PMA has published the Award on 12-06-2018 in favor of MDL for an amount of Rs.15.00 Crs. However, DCI challenged the award before AMRDC and the matter is still pending there till date. Further, MDL has filed an application before NCLT to initiate the Corporate Insolvency Resolution proceedings against the DCI for recovery of Rs.25.50 Cr by suppressing the fact DCI has filed an appeal against the award of PMA. This case is posted for hearing before NCLT, Delhi on 21/12/2022. Now the matter has been referred to Conciliation & Settlement Committee under MoPSW.
11. Confirmations/Reconciliation of outstanding balance of trade payables, other payables and advances to suppliers are subject to confirmation/reconciliation and the same is under process.
12. The financial results for the quarter and Nine Months ended 31st December, 2022 have been reviewed by the Auditors as required under Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

Limited Review Report – Standalone Financial Results

To

The Board of Directors of Dredging Corporation of India Limited

1. We have reviewed the accompanying statements of unaudited standalone financial results (the "Statements") of Dredging Corporation of India Limited (the "Company") for the quarter and nine months ended December 31, 2022, submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Regulation") and SEBI Circulars as amended (the "Circular").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been compiled from the related financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) (as amended), prescribed under Section 133 of the Companies Act, 2013 read together with relevant applicable rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a conclusion on the Statements based on our review of such standalone financial statements.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' specified under Section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. As stated in Note no. 7 to the accompanying financial results an Arbitral Award for disputed payables, was passed in favour of M/s Mercator Limited (Formerly Mercator Lines Limited) (MLL). As the company's challenge of Award was dismissed in multiple legal forums, MLL had filed an Execution petition before the High Court of Delhi seeking enforcement of Arbitral Award in the year 2019. The management of the company had approached the High Court seeking time for settlement of decretal dues with MLL (Represented by the Resolution Professional) but had failed to arrive at a settlement within the period permitted by the High Court. Consequently, the Court had on 17th November 2022, required the company to deposit an amount of ₹ 5 Crores as *bona fides* and resubmit a better proposal along with financial and other documents asked by the court before 15th February 2023.

The amount disputed is to the tune of ₹ 45.70 Crores totaling to an amount of approximately ₹ 66.97

Crores including interest and other related costs. However, the management of the company has concluded that no provision against the same, was required at this stage and treated the same as contingent liability.

- As stated in Note no. 8 to the accompanying financial results the trade receivables include a sum of Rs. 65.84 Crores due from M/s. Sethusamudram Corporation Ltd. (SCL), towards works executed during financial years 2005-06 to 2008-09 as has been recommended by a committee chaired by Additional Secretary and Financial Advisor (AS&FA committee) Government of India. The committee stated that a note seeking approval of the cabinet needs to be moved by SCL for seeking government budgetary resources for SCL to make payment of balance outstanding dues to the company.

Prolonged delay in realization of the said amount and the absence of any document on record evidencing the relevant budgetary resource allocation by the Government of India, casts significant doubt on realisability thereof. However, the management has concluded that no provision against the same, was required at this stage as the same is treated as receivable considered good though unsecured.

- The Board Board of Directors in its meeting dated 08th August 2022, had resolved to dispose of/sale DCI Dredge-XVIII on 'as is where is basis' through MSTC, citing issues of performance and commercially not viable for further operation. Currently, the dredger and the dry dock expenditure is being reflected under Property Plant and Equipment (PPE) for a sum of ₹ 135.11 Crores and depreciation had also been charged on the same for the period up to 31st December 2022. As per Para 6 of Ind AS 105 on Non-current Assets Held for Sale and Discontinued Operations, the dredger should be derecognized from PPE and classified as Asset held for sale/disposal. Further, as per Para 15 the same shall be measured at lower of it's carrying amount and fair value less costs to sell.

In respect of the disposal of DR-XVIII, the company had received a valuation report in a sealed cover and did not open the sealed cover as per the procedure in vogue. The management has concluded that since the report is in a sealed cover, the company is not aware of the market value of DR-XVIII and accordingly will act at a later stage.

Qualified Conclusion

- Based on our review conducted and procedures performed as stated in paragraph 3 above, with the exception of the possible effects of matters described in the paragraphs 4, 5 & 6 above, nothing has come to our attention that causes us to believe that the accompanying unaudited financial results prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

MLL filed Execution petition before the High Court of Delhi seeking execution/ enforcement of Arbitral Awards. DCI has contested the Award under section 48 of the Arbitration and conciliation Act 1996, while praying for rejecting the execution petition of MLL on the ground that the Award is contrary to the public policy of India and also on the ground that arbitral procedure was not in accordance with the agreement of parties, particularly LMAA Rules. Accordingly, the said Arbitral Award is to the tune of Rs. 66.97 Cr (Including Interest) has been considered by the Company as Contingent Liability. The committee stated that a note seeking approval of the cabinet needs to be moved by SCL for seeking government budgetary resources for SCL to make payment of balance outstanding dues to the company.</p> <p>Prolonged delay in realization of the said amount and the absence of any document on record evidencing the relevant budgetary resource allocation by the Government of India, casts significant doubt on realisability thereof.
