## Motherson Sumi Systems Ltd's rating outlook revised to Stable from Negative by Moody's

Noida, Uttar Pradesh – 13th Apr 2021 – Moody's Investors Service ("Moody's") today, has revised the company's rating outlook to '**Stable**' from 'Negative' while affirming the Ba1 corporate family rating to Motherson Sumi Systems.

The improved outlook with the affirmed rating reflects the sustainability of earnings and de-leveraging witnessed in the last two quarters despite growth challenges due to the global pandemic. The company's 3CX10 strategy has helped diversify revenue and customer dependence making the underlying business more resilient. In addition, the turnaround witnessed in the company's loss making green-field facilities have also contributed to the improvement in earnings in recent quarters.

The proposed re-organisation of the group, will incrementally boost cash flows and strengthen the quality of earnings further and thus outweigh the minor increase in leverage.
