### Form No. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED March 31, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,  
The Members,  
**Shekhawati Poly-Yarn Limited**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Shekhawati Poly-Yarn Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Shekhawati Poly-Yarn Limited books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter. :

I have examined the books, papers, minute books, forms and returns filed and other records maintained by “the Company” for the financial year ended on March 31, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

As per information and explanation given to me and documents provided for inspection, the Company has maintained minutes book, statutory registers as required by the Act. The Company has filed various E-Forms during the year as a part of Compliance with the Act.

- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

As per information provided the Company has complied with the stated rules.

- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

As the shares of the Company are listed on BSE and NSE as per compliance requirement the shares of the Company are in demat form except 3,324 shares as on date.

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

As per information and explanation provided the Company is involved in export and in respect of which FEMA Compliances are done.

The Company has obtained Licences under EPCG for purchase of capital goods. Under the EPCG the Company needs to fulfil certain export obligations, failing which it is liable for payment of custom duty. Obligation at the end of current financial year is ₹ 261.76 Lakhs (P.Y. ₹ 1160.98 Lakhs) to be exported / adjusted within 6 to 8 years from the date of respective license.

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

(a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; are complied.

(b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

The said regulations are Complied with as the insider trading notice is issued to the persons possessing price sensitive information before every Board or Members meeting and in case of any Corporate Action or announcements made to Stock Exchanges as the case may be.

(c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; are Complied

## MANAGEMENT DISCUSSION AND ANALYSIS

### INTRODUCTION

Management Discussion and Analysis mainly comprises of the statements which inter alia involve predictions and projections based on perceptions and may, therefore, attract certain risks and uncertainties. It is the sum total of the Company's expectations, beliefs, estimates and projections which may be forward looking within the meaning of applicable securities, laws and regulations. The actual result could differ materially from those expressed herein specifically or impliedly.

The important factors that could make a difference to the Company's operations include availability and cost of raw material, cyclical demand and pricing in the Company's principal markets, changes in government regulations, tax regimes, economics developments within India and countries in which the Company conducts business, India's Free Trade Agreements with other countries, prevailing exchange rate of INR against other currencies, availability of skilled and unskilled workforce and other incidental factors. The shareholders are cautioned to use this in conjunction with the Company's financial statements.

### OVERALL REVIEW:

India is the world's second largest producer of textiles after China. Indian textile industry currently estimated to be US \$108 billion and expected to reach US \$209 billion in the year 2021. The industry is the second largest employment generator after agriculture by employing 45 million people directly and 60 million people indirectly. The Indian textile industry presently contributes around 14 percent to industrial production, and 4 percent to GDP, 17 percent to the country's exports, and 21 percent employment. Indian textile industry currently possesses a share of 4.7% in world market of textiles.

During the year under review the performance of the company slightly improved. However, further improvement was affected due to lower capacity utilization on account of limited resources available with company and slowdown in the textile industry.

### A. INDUSTRIAL STRUCTURE AND DEVELOPMENT:

The textile industry has witnessed steady growth in the recent past with the friendly policies announced by the Government. The industry has undergone drastic changes over the decades, particularly after the introduction of Technology Up-gradation Funds (TUFs) scheme by the Government of India and majority of the textile companies have modernized /renovated their plants in order to provide quality products and meet the global standards.

The Indian government has come up with a number of export promotion policies for the textiles sector which encourage the textile industries to export. The Government has also allowed 100 % Foreign Direct Investment (FDI) in the Indian textiles sector under the automatic route as per FEMA Act.

Your Company work hard to meet the competition as well as to enable to maintain long standing business relationship.

### B. OPPORTUNITY AND THREATS:

The economy is expected to improve its performance during the current fiscal and the textiles industry is also likely to register good growth. The Indian textile industry has its own limitations such as accesses to

latest technology and failures to meet global standards in the highly competitive export market. The changing government policies at the state and central government levels are also posing major challenges to the textile industry.

**OUTLOOK:**

The growth of Indian E-Commerce companies provides opportunities for the Indian textile industry in the domestic as well as international market. We expect the textile segments to turn favorably and based on the various factors like macro economy condition, the Company is hopeful of improved financial performance in the coming year and hope to provide good results in the forth coming years. Total export of the Company for the year 2018-19 was Rs. 569.54 Lacs.

**C. RISK AND CONCERNS:**

Risk taking is intrinsic to business growth. All business organization face risks either from internal operations or from external environment. The base of any business is a healthy appetite for risk. This is why one of the greatest and most important challenges for an organization is to define the optimal risk level for its business to ensure that its activities produce risk adjusted returns.

The risks for the Company is high cost of major input, viz. POY and intense competition in domestic and export markets due to large scale over capacity.

**D. INTERNAL CONTROL SYSTEM:**

The Board has adopted system of internal control to ensuring the orderly and efficient conduct of its business, including adherence to the Company's Policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures. The management reviews the control systems and procedures periodically to upgrade them. Presently the internal control systems are commensurate to the size and operations of the company.

**E. FINANCIAL & OPERATIONAL PERFORMANCE:**

During the year under review the performance of the company slightly improved. However, further improvement was affected due to lower capacity utilization on account of limited resources available with company and slowdown in the textile industry. Company has incurred loss after tax of ₹ 926.41 lacs as against a loss after tax of ₹ 1405.92 lacs in the previous year 2017-18. The turnover of the company was ₹ 14739.28 lacs as against ₹ 14608.25 lacs in the previous year 2017-18.

**F. HUMAN RESOURCE MANAGEMENT AND INDUSTRIAL RELATIONS:**

The Company continued to enjoy harmonious and cordial relations amongst its entire employee. The key to the success of the Company lies in its people whose skills, expertise, and talent help the Company to achieve and sustain its market position. It is the people's commitment, technical know-how, innovative ability and performance driven mindset that enable to react swiftly and creatively to the evolving customer and market needs.

Human resources continue to be an invaluable and intangible asset and key success factor for the Company to grow and sustain its market position in a highly competitive and challenging environment. Your Company firmly

believes that people are the pivotal force behind the growth and excellence in business operations. Focus on developing leadership skills and building talent for the future and the process of improving organizational and human capability through competency mapping of managerial positions in all areas of the Company's operations, continued as a major initiative. The Company is committed to provide the right environment to its employees to work and to inculcate a sense of ownership and pride.

**G. CAUTIONARY STATEMENT:**

Statements in this Report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Investors are cautioned that this discussion contains statements that involve risks and uncertainties. Words like anticipate, believe, estimate, intend, will, expect and other similar expressions are intended to identify such forward looking statements. The Company assumes no responsibility to amend, modify or revise any forward looking statements, on the basis of subsequent developments, information or events.

## REPORT ON CORPORATE GOVERNANCE

### Corporate Governance:

Corporate Governance pertains to system, by which companies are directed and controlled, keeping in mind long-term interest of stakeholders. Corporate Governance is an internal system encompassing policies, processes and people, which serve the needs of shareholders and other stakeholders, by directing and controlling management activities with good business savvy, objectivity, accountability and integrity. Corporate Governance is a journey for improving sustainable value creation. Sound Corporate Governance is reliant on external market place commitment and legislation, plus a healthy board culture which safeguards policies and processes. The positive effect of Corporate Governance on different stakeholders ultimately is a strengthened economy, and hence good Corporate Governance is a tool for Socio-Economic Development.

Corporate Governance is the application of best management practice, compliance of laws, rules and regulations to achieve the objective of the Company & maximize shareholders value. Key elements of good Corporate Governance principles include honesty, trust and integrity, openness, performance orientation, responsibility and accountability, mutual respect, and commitment to the organization. Corporate Governance encompasses commitment to values and to ethical business conduct to maximize shareholder values on a sustainable basis, while ensuring fairness to all stakeholders including customers, employees, investors, vendors, Government and society at large. Corporate Governance is the system by which companies are directed and managed. It influences how the objectives of the Company are set and achieved, how risk is monitored and assessed and how performance is optimized. Sound Corporate Governance is therefore critical to enhance and retain investors' trust.

The essence of Corporate Governance is a framework of effective accountability to all stakeholders. In its widest sense, Corporate Governance is almost akin to a trusteeship. It is about creating an outperforming organization, which leads to increasing customer satisfaction and shareholder value.

### Corporate Governance at Shekhawati Poly-Yarn Limited:

The Companies philosophy on Corporate Governance is to achieve the highest level of transparency, accountability and integrity, honesty, ethical behavior. Your Company is committed to meet the aspiration of all of its shareholders, lenders, employees and other stakeholders. It is always ensured that the practice being followed by the Company is in alignment with its philosophy towards Corporate Governance. Your Company believes that for a Company to be successful it must maintain global standards of Corporate conduct towards its stakeholders. The Company believes that it is rewarding to be better managed and governed and to identify its activities with national interest.

It is not merely compliance and simply a matter of creating checks and balances; it is an ongoing measure of superior delivery of Company's objectives with a view to translate opportunities into reality. It involves leveraging its resources and aligning its activities to national need, shareholders benefit and employee growth, thereby delighting all its stakeholders, while minimizing the risks. Corporate Governance means being responsive for aspirations of all our shareholders, employees, and all other stake holders and also fulfilling the expectations of the society.

In our opinion and to the best of our information and according to the explanations given to us, except the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31<sup>st</sup> March, 2019, the loss and other comprehensive income, the changes in equity and its cash flow for the year ended on that date.

### **Basis for Qualified Opinion**

*The company has not provided for Interest Expenses amounting to Rs 2273.15 lakhs (P.Y. ₹ 2,256.99 lakhs) (derived on simple interest basis) which should have been provided as per the principle of prudence on the borrowings which have been classified as "Non-performing assets" (NPA) by the banks as referred in Note 41 of accompanying notes to financial statement. The company has also not provided penal interest and other bank charges, as the same are not ascertainable. Had these Interest Expenses been debited to the Statement of Profit and Loss Account, loss for the year ended and debit balance of Other Equity would have been higher by ₹ 2,273.15 lakhs and ₹ 6,903.87 lakhs.*

### **Key Audit Matters**

We have determined that there are no key audit matters to be communicated in our report.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's management Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board's Report, annexure to board report, report on corporate governance and Business Responsibility report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management and Those Charged with Governance for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in sub-section 5 of Section 134 of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with IndAS and accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions

that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
  5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Emphasis of Matters**

During the year, the company has suffered heavy losses, its net worth has been completely eroded. These conditions, along with other matters set forth in Note 42 in the accompanying financials statements, indicate the existence of an uncertainty on the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated in the aforesaid Note. Our opinion is not modified in respect of these matter.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by section 143(3) of the Act, we further report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - b) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of accounts as required by law have been kept by the Company so as far as it appears from our examination of those books.

- c) The Balance Sheet, Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d) Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph above, in our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder.
- e) The matters described under the Basis for Qualified Opinion paragraph and the Emphasis of Matters paragraph above, in our opinion, may have a negative effect on the functioning of the Company.
- f) On the basis of written representations received from the directors as on March 31, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of subsection 2 of Section 164 of the Act;
- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed pending litigation in its financial statements (refer note no – 36).
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - iii. The company is not required to transfer any amounts as required by the law to Investor Education and Protection Fund.
- j) With respect to the matter to be included in the Auditors' Report under section 197(16): In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

**Annexure “B” to the Independent Auditor’s Report of even date on the financial statements of Shekhawati Poly- Yarn Limited for the year ended 31<sup>st</sup> March 2019.****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Shekhawati Poly- Yarn Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that We comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable

detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Qualified Opinion**

According to the information and explanation given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at 31<sup>st</sup> March, 2019:

The documentation in respect of specific policies and procedures and the IT Controls pertaining to internal financial controls over financial reporting are not adequate and needs to be further strengthened.

A "material weakness" is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effect of the material weakness described above on the achievement of the objectives of the control Criteria, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing and audit tests applied in our audit of the financial statements of the Company and these material weaknesses above does not affect our opinion on the financial statements of the Company.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

### Note 1 : Corporate Information

Shekhawati Poly-Yarn Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India (BSE & NSE). The Company is principally engaged in the manufacturing of Texturising Yarn, Twisting Yarn and Knitted Fabrics. The Company caters to both domestic and international markets.

The IndAS financial statements (the financial statements) of the Company for the year ended 31 March 2019 were authorised for issue in accordance with resolution of the Board of Directors on May 30, 2019.

### Note 2 : Significant Accounting Policies:

- i These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financial statements

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

### ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

#### Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

### **Deferred tax assets**

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

### **Defined benefit plans**

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

### **iii Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

On transition to Ind AS, the Company has opted to continue with the carrying values measured under the previous GAAP as at 1 April 2016 of its Property, Plant and Equipment and use that carrying value as the deemed cost.

### **iv Depreciation/ Amortisation**

Depreciation/ amortisation is provided :

#### **Tangible Assets:**

- No depreciation is charged on Freehold Land.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

- Leasehold Land is amortised over the remaining period of lease.
- Depreciation on other tangible assets is provided on straight line basis considering the useful lives prescribed in Schedule II to the Act on a pro-rata basis.”

### **Intangible Assets:**

- Accounting Software is amortised on Straight Line Method over a period of ten years.
- Right to receive power is amortised on Straight Line Method over a period of ten years.

The useful lives have been determined based on technical evaluation carried out by the management’s expert, in order to reflect the actual usage of the assets. The asset’s useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount.”

## **v Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **a) Financial Assets**

#### **Initial Recognition**

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### **Subsequent Measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

#### **Financial Assets at Amortised Cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate (“EIR”) method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

#### **Financial Assets Measured at Fair Value**

Financial assets are measured at fair value through Other comprehensive income (‘OCI’) if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

### **Impairment of Financial Assets**

In accordance with Ind AS 109, the Company applies the expected credit loss (“ECL”) model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the Statement of Profit and Loss.

### **De-recognition of Financial Assets**

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

### b) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

#### Financial Liabilities

##### 1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables.

##### 2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

###### Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

###### Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss."

##### 3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **c) Offsetting Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

### **vi Employee Benefits**

#### **a Defined Contribution Plan**

Contributions to defined contribution schemes such as provident fund, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

#### **b Defined Benefit Plan**

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

#### **c Short-term Benefits**

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

#### **d Termination benefits**

Termination benefits are recognised as an expense as and when incurred.

### **vii Cash and Cash Equivalents**

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand , which are subject to an insignificant risk of changes in value.

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

### **viii Borrowing Costs**

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

### **ix Government Grant**

The Company recognizes government grants only when there is reasonable assurance that the conditions attached to them shall be complied with, and the grants will be received.

Government grants relating to the purchase of property, plant and equipment are treated as deferred income and are recognized in net profit in the statement of profit and loss on a systematic and rational basis over the useful life of the asset.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments.

### **x Foreign Exchange Translation and Accounting of Foreign Exchange Transaction**

#### **a Initial Recognition**

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### **b Conversion**

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

#### **c Treatment of Exchange Difference**

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

### **xi Revenue Recognition**

- a Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the Statement of Profit and Loss.
- c Revenue in respect of export sales is recognised on shipment of products.
- d Dividend income is recognized when the company's right to receive dividend is established.
- f Rental Income is recognized on accrual basis as per the terms of agreement.
- g Revenue from conversion charges is recognised on completion of particular Job work.
- h Export incentives are recognised in the Statement of Profit and Loss when the right to receive establishes as per the terms of the Scheme in respect of export made.
- i The Interest subsidy accrued under Technology Upgradation Fund (TUF) Scheme are recognised on accrual basis and reduced from the cost of funds available on loan. The recognition of TUF subsidy amount has been made on the basis of entitlement under the scheme.
- j Purchases are stated inclusive of custom duty, clearing & forwarding charges and net of discounts, returns, VAT and rate differences.
- k Sales are inclusive of excise duty and are stated net of discounts, returns and rebates.

### **xii Income Tax**

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

#### **a Current Income Tax**

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

#### **b Deferred Income Tax**

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

### xiii Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

### xiv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

## **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019**

### **xv Trade payables**

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

### **xvi Earnings Per Share**

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

### **xvii Provisions, Contingent Liabilities and Contingent Assets**

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

### **xviii Cash Flows**

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

## SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER EXPLANATORY INFORMATION FOR THE YEAR ENDED 31 MARCH 2019

### xix Recent accounting pronouncements

#### a) Ind AS 116

On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. The Company is currently evaluating the impact on account of implementation of Ind AS 116 which might have impact on key profit & loss and balance sheet ratio i.e. Earnings before interest, tax, depreciation and amortisation (EBITDA), Asset coverage, debt equity, interest coverage, etc.

#### b) Appendix C, Uncertainty over Income Tax Treatment to Ind AS 12, Income Taxes:

The Appendix clarifies how to apply the recognition and measurement principles while recognizing current tax, deferred tax, taxable profits (losses), tax bases, unused tax losses, unused tax credits and tax rates when there is uncertainty over tax treatments under Ind AS 12. As per the Appendix, the Company needs to assess whether it is probable that a tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings. The Appendix will be applied retrospectively with the cumulative effect of its initial application on the opening balance sheet as on 1st April 2019. The impact of the Appendix on the Financial Statements, as assessed by the Company, is expected to be not material.

#### c) Amendment to Ind AS 12, Income Taxes:

The amendment clarifies that an entity shall recognize income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The Company will apply these amendments for annual reporting periods beginning on or after 1st April 2019. The impact on the Financial Statements is being evaluated.

**Note 39 :** During the F.Y. 2015-16, the company had also defaulted in payment of its dues towards various banking facilities and accordingly State Bank of India, Union Bank of India and Axis Bank had declared accounts of the company as Non-performing assets (NPA). Further during the F.Y. 2016-17, Allahabad bank and Dena bank has also declared the company accounts as NPA. Hence all term loans has been classified as current financial liabilities in financial statements.

Further Union Bank of India and State Bank of India had issued notice u/s 13/2 of chapter III of Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 ("SARFAESI Act, 2002") for enforcement of security interest action dated 2nd July, 2018 and 17th December, 2018 respectively. The Company has filed suitable reply in respect of all the notices issued by the bank.

The company was informed wide letter dated 16th January, 2019 by Dena Bank that, the bank has assigned debt to ARC. However on account of non-finalisation of repayment terms and conditions, the entire loan amount has been shown as current maturity of long term borrowings.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

**Note 40 :** The balances of State Bank of India, Union Bank of India, Allahabad Bank, Axis Bank and Dena Bank are subject to confirmation / reconciliation by the lenders, as these lenders have treated the loans accounts as non performing assets account.

**Note 41 :** During financial year 2015-16, the bank accounts of the company had been classified as “Non-performing asset” (NPA) by State Bank of India, Union Bank of India and Axis Bank and further as on 31.03.2017 Allahabad bank and Dena Bank has also declared the company accounts as NPA. As on 31.03.2018, in respect of above loans disclosed under the head “Long term Borrowings” & “Short-term Borrowings” the total principal outstanding is ₹ 19,036.72 Lakhs (P.Y. ₹19,126.63 Lakhs) and Interest Outstanding is ₹1,132.21 Lakhs (P.Y. ₹1,132.21 Lakhs). Also, during the year the company has not provided for interest of ₹ 2,273.15 lakhs (P.Y. ₹ 2,256.99 lakhs) calculated on simple interest basis on said loans as per the details available with the company.

**Note 42 :** During the year and earlier years, the company has suffered heavy losses and its net worth has been substantially eroded. Also, the account of the company has been classified as “Non-performing assets” (NPA) by its banks. However, the the company is in the process of discussion with its lenders and is hopeful that the suitable resolution plan will be considered by its lenders. Further the management also holds view that the Company will be able revive its normal business operations soon and realize its assets and discharge its liabilities in the normal course of business. In view of the above, the financial statements have been prepared on a going concern basis and no adjustments relating to recoverability and classification of the recorded assets & liabilities have been made.

**Note 43 :** As per the holding on operation sanctioned by the banks in earlier years , the lead bank has been paid/ adjusted ₹ 77.14 Lakhs (P.Y. ₹ 55.00 Lakhs) in respect of loans outstanding and subject to pending settlement with the banks, the same has been adjusted by the company against long term borrowings, which the banks may have adjusted in a different manner .

**Note 44 :** The company has incurred losses during the current and previous periods therefore in view of present uncertainty regarding generation of sufficient future taxable income, net deferred tax asset at the year end including related credit for the year have not been recognized in these accounts on the prudent basis.

### **Note 45 : Segment Reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (“CODM”) of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director of the Company. The Company operates only in one Business Segment i.e. “Textile Business”, hence does not have any reportable Segments as per Ind AS 108 “Operating Segments”.

### **Note 46 : Prior Period Items**

Under Ind AS 8 “Accounting Policies, Changes in Accounting Estimates and Errors” material prior period error shall be corrected by retrospective restatement. In previous FY 2017-18, Rs 53.67 lacs. was received on account of VAT refund, which was erroneously accounted as other income instead of reducing it from other non-current assets. Also, an credit note from supplier was erroneously accounted as debit note of Rs 7.30 lacs in FY 2017-18. Now, both the errors has been corrected in financial statements of 2017-18 by restating the required figures with corresponding effect on taxes and other affected line items of those financial statements.

### Note 47 : Financial instruments – Fair values and risk management

“The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

- Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.”

### B. Fair Value Hierarchy.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

#### Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

#### Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Exposure in the company is mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

#### Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2019 and March 31, 2018 are as below:

(USD in Lakhs)

Particulars	As at March 31, 2019	As at March 31, 2018
<b>Financial assets</b>		
Trade receivables	-	-
Other Financial Assets - Current	-	7.00
<b>Net exposure for assets</b>	-	<b>7.00</b>
<b>Financial liabilities</b>		
Other Financial Liabilities - Current	-	-
<b>Net exposure for liabilities</b>	-	-
<b>Net exposure (Assets - Liabilities)</b>	-	<b>7.00</b>

#### Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

### Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

(₹ In Lakhs)

Particulars	As at March 31, 2019	As at March 31, 2018
Borrowing bearing variable interest rate	19,155.90	19,235.43
<b>Total of Variable Rate Financial Liabilities</b>	<b>19,155.90</b>	<b>19,235.43</b>

### Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

### Financial Risk Management

#### Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the company's operational and financial performance.

#### Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

#### (a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant increase in credit risk on other financial instruments of the same counterparty
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is a no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade and other receivables based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.
