## Airtel 5G Plus now live in seven cities of Jammu & Kashmir

*Airtel is the only operator to launch 5G services in the valley*

**Samba, Kathua, Udhampur, Akhnoor, Kupwara, Lakhanpur & Khour gets ultrafast Airtel 5G Plus services in addition to Jammu and Srinagar cities**

- Promises to offer massive speeds, best voice experience, will work on all 5G smart phones and be kinder to the environment
- No SIM change needed; existing Airtel 4G SIM is 5G enabled
- Existing data plans will work on 5G until roll-out is complete

**Jammu, January 27, 2023:** Bharti Airtel (“Airtel”), India’s leading telecommunications services provider today announced the launch of its cutting edge 5G services in **Samba, Kathua, Udhampur, Akhnoor, Kupwara, Lakhanpur & Khour**. Airtel’s 5G services are already live in the cities of Jammu and Kashmir.

**Airtel 5G Plus services** will be available to customers in a phased manner as the company continues to construct its network and complete the roll out. Customers with 5G enabled devices will enjoy high speed Airtel 5G Plus network at no extra cost until the roll out is more widespread. Airtel 5G Plus is currently operational in the following places in these cities.

Samba	Kathua	Udhampur	Akhnoor	Kupwara
Mandi Sangwali	Kalibari	Dhar Road	Ambaran	Panzgam
Industrial area	Ward no 2	Rehambal	Balle Bagh	Sulkoot
Railway station	District hospital Kathua	Chinar	Daskal	Kupwara market
Kaili Mandi	Durga nagar Kathua	Shakti Nagar	Akhnoor main chowk	Anderhama
Samba market	Govindsar	Lambi Gali	Bardhal Kallan	Tregam
	Shivnagar	Ekta Vihar		
	Rajbagh	Chopra Shop		
	Amrit vihar	Gole market		
		Chabutra Bazar		
		Sailain Talab		

The company will augment its network in due course of time, making its services available across many other locations in these cities.

Commenting on the launch, **Adarsh Verma, COO, Bharti Airtel, Jammu, Kashmir & Ladakh** said, “Connectivity to our customers in the Valley is in line with our commitment to bridge the digital divide and connect communities who need it the most. I am thrilled to announce the launch of **Airtel 5G Plus** in Samba, Kathua, Udhampur, Akhnoor, Kupwara, Lakhanpur & Khour. Customers in these cities can now experience ultrafast network and enjoy speeds upto 20-30 times faster than the current 4G speeds. We are in the process of lighting up the entire Union territory which will allow customers to enjoy superfast access to High-definition video streaming, gaming, multiple chatting, instant uploading of photos and more.”

**Airtel 5G Plus** will bolster the entire portfolio of services that Airtel offers. In addition, it will allow superfast access to High Definition video streaming, gaming, multiple chatting, instant uploading of photos and more. With this launch, India will get a fillip to economic growth as **Airtel 5G Plus** revolutionizes education, healthcare, manufacturing, agriculture, mobility and logistics.

In the last one year, Airtel has demonstrated the power of 5G with a host of powerful use cases that will change the way customers lead their lives and do business. From India's first live 5G network in Hyderabad to India's first private 5G network at the BOSCH facility in Bengaluru to partnering with Mahindra & Mahindra to make its Chakan manufacturing facility, India's first 5G enabled auto manufacturing unit, Airtel has been at the forefront of 5G innovation.

**About Bharti Airtel Limited**
