Notes:

- The Ministry of Corporate Affairs ("**MCA**") has, vide its circular dated May 5, 2022, read together with circulars dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, December 8, 2021 and December 14, 2021 (collectively referred to as "**MCA Circulars**"), permitted convening the Annual General Meeting ("**AGM**" / "**Meeting**") through Video Conferencing ("**VC**") or Other Audio Visual Means ("**OAVM**"), without physical presence of the members at a common venue. In accordance with the MCA Circulars and applicable provisions of the Companies Act, 2013 ("**the Act**") read with Rules made thereunder and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Listing Regulations**"), the AGM of the Company is being held through VC. The deemed venue for the AGM shall be the Registered Office of the Company.
- Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC pursuant to the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto.
- Since the AGM will be held through VC, the route map of the venue of the Meeting is not annexed hereto.
- In terms of the provisions of Section 152 of the Act, A. Siddharth, Director of the Company, retires by rotation at the Meeting. The Nomination and Remuneration Committee and the Board of Directors of the Company commend his re-appointment.

5. A. Siddharth is interested in the Ordinary Resolution set out at Item No. 3 of the Notice with regard to his re-appointment. The relatives of A. Siddharth may be deemed to be interested in the resolution set out at Item No. 3 of the Notice, to the extent of their shareholding interest, if any, in the Company. Save and except the above, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Business set out under Item Nos. 1 to 4 of the Notice.
6. Additional Information for Item Nos. 3 and 4 of the Notice, is annexed hereto.

DESPATCH OF ANNUAL REPORT THROUGH ELECTRONIC MODE:

7. **In compliance with the MCA Circulars and SEBI Circular dated May 13, 2022, Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose e-mail address is registered with the Company/Share Transfer Agent / Depository Participants / Depositories. 12. Members of the Company under the category of 'Institutional Investors' are encouraged to attend and vote at the AGM.

PROCEDURE FOR 'REMOTE E-VOTING' AND E-VOTING AT THE AGM ('INSTA POLL'):

13. A. E-VOTING FACILITY:

Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Act, read with the Companies (Management and Administration) Rules, 2014, as amended, and Regulation 44 of the Listing Regulations read with circular of SEBI on e-voting Facility provided by Listed Entities, dated December 9, 2020, the Company is providing to its Members facility to exercise their right to vote on resolutions proposed to be passed at AGM by electronic means ("**e-voting**"). Members may cast their votes remotely, using an electronic voting system on the dates mentioned herein below ("**remote e-voting**").

Further, the facility for voting through electronic voting system will also be made available at the Meeting ("**Insta Poll**") and Members attending the Meeting who have not cast their vote(s) by remote e-voting will be able to vote at the Meeting through Insta Poll.

The Company has engaged the services of KFinTech as the agency to provide e-voting facility.

The manner of voting, including voting remotely by (i) individual shareholders holding shares of the Company in demat mode, (ii) shareholders other than individuals holding shares of the Company in demat mode, (iii) shareholders holding shares of the Company in physical mode, and (iv) Members who have not registered their e-mail address is explained in the instructions given under C. and D. hereinbelow.

The remote e-voting facility will be available during the following voting period:

Commencement of remote e-voting	9.00 a.m. (IST) on Friday, September 23, 2022
End of remote e-voting	5.00 p.m. (IST) on Tuesday, September 27, 2022

The remote e-voting will not be allowed beyond the aforesaid date and time and the remote e-voting module shall be forthwith disabled by KFinTech upon expiry of the aforesaid period.

Voting rights of a Member / Beneficial Owner (in case of electronic shareholding) shall be in proportion to his/her/ its shareholding in the paid-up equity share capital of the Company as on the cut-off date, i.e., Wednesday, September 21, 2022 ("Cut-off Date").

The Board of Directors of the Company has appointed Anil Lohia, a Practising Chartered Accountant (Membership No. 31626), of Dayal and Lohia, Chartered Accountants or failing him Khushit Jain, a Practising Chartered Accountant (Membership No. 608082), of Dayal and Lohia, Chartered Accountants, as Scrutiniser to scrutinise the remote e-voting and Insta Poll process in a fair and transparent manner and they have communicated their willingness to be appointed and will be available for the said purpose.

B. INFORMATION AND INSTRUCTIONS RELATING TO E-VOTING:

- i. **The Members who have cast their vote(s) by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote(s) again at the Meeting.**
- ii. **Once the vote on a resolution is cast by a Member, whether partially or otherwise, the Member shall not be allowed to change it subsequently or cast the vote again.**
- iii. A Member can opt for only single mode of voting, that is, through remote e-voting or voting at the Meeting (Insta Poll). If a Member casts vote(s) by both modes, then voting done through remote e-voting shall prevail and vote(s) cast at the Meeting shall be treated as "INVALID".
- iv. **A person, whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off Date only shall be entitled to avail the facility of remote e-voting or for participation at the AGM and voting through Insta Poll. A person who is not a member as on the Cut-off Date, should treat the Notice for information purpose only.**
- v. The Company has opted to provide the same electronic voting system at the Meeting, as used during remote e-voting, and the said facility shall be operational till all the resolutions proposed in the Notice are considered and voted upon at the Meeting and may be used for voting only by the Members holding shares as on the Cut-off Date who are attending the Meeting and who have not already cast their vote(s) through remote e-voting.

C. REMOTE E-VOTING:

Corporate Governance Report

This report is prepared in accordance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') and the report contains the details of Corporate Governance systems and processes at Reliance Industrial Infrastructure Limited ('RIIL' or 'the Company'):

1. Statement on Company's philosophy on Code of Governance

At RIIL, Corporate Governance is all about maintaining a valuable relationship and trust with all stakeholders. We consider stakeholders as partners in our success and remain committed to maximising stakeholders' value, be it employees, suppliers, customers, local communities, investors and shareholders or Government & Regulatory Authorities. This approach to value creation emanates from RIIL's belief that sound governance system, based on relationship and trust is integral to creating enduring value for all. We have a defined policy framework for ethical conduct of businesses. We believe that any business conduct can be ethical only when it rests on the six core values viz. Customer Value, Ownership Mindset, Respect, Integrity, One Team and Excellence.

The Company is committed to achieve and maintain the highest standards of Corporate Governance. Over the years, governance processes and systems have been strengthened within the Company and corporate governance has been an integral part of the way business is done. Stakeholders' interests are taken into account before making any business decision. RIIL has the distinction of consistently rewarding its shareholders for over three eventful decades from Initial Public Offer (IPO).

The Company is of the view that good governance goes beyond good working results and financial propriety. The objective of the Company is not only to achieve excellence in Corporate Governance by conforming to prevalent mandatory guidelines on Corporate Governance but also to improve on these aspects on an ongoing basis with a continuous attempt to innovate in adoption of best business practices. The Company believes, Corporate Governance is not just a destination, but a journey to constantly improve sustainable value creation. It is an upward moving target that we collectively strive towards achieving.

The Company not only adheres to the prescribed corporate governance practices as per the Listing Regulations but has also undertaken several initiatives towards maintaining the highest standards of Governance and these include:

(a) Appropriate Governance Structure with defined roles and responsibilities, Policies and Practices

The Company has put in place an internal governance structure with defined roles and responsibilities of every constituent of the system. The Company's shareholders appoint the Board of Directors, which in turn governs the Company. The Board has established five Committees to discharge its responsibilities in an effective manner.

The Chairman is responsible for fostering and promoting the integrity of the Board while nurturing a culture where the Board works harmoniously for the long-term benefit of the Company and all its stakeholders. The Chairman of the Board provides overall direction and guidance to the Board. In the operations and functioning of the Company, the Chairman is assisted by the Executive Director and a core group of senior level executives.

The functions of the Executive Director are under the overall supervision and authority of the Board of Directors of the Company. The Chairman of the Board guides the Board for effective governance in the Company. The Chairman takes a lead role in managing the Board and facilitating effective communication amongst Directors. The Chairman actively works with the Nomination and Remuneration Committee to plan the Board and committees' composition, induction of directors to the Board, plan for directors' succession and provide constructive feedback and advice on performance evaluation to directors. The Company Secretary assists the Chairman in management of the Board's administrative activities such as meetings, schedules, agendas, communications and documentations.

b) Independent Board with defined role and responsibilities

The Board of the Company comprises 6 directors, out of which 3 are independent directors. The Board's actions and decisions are aligned with the Company's best interests. The Company has defined guidelines and an established framework for the meetings of the Board and Committees which seek to systematize the decision-making process at the meetings of the Board and Board Committees in an informed and efficient manner. The Board critically evaluates the strategic direction of the Company, management policies and their effectiveness. The agenda for the Board, *inter-alia*, includes a review of annual operating plans, capital allocation and budgets, compliance of laws, rules, regulations and Corporate Social Responsibility activities. The Board also reviews related party transactions, possible risks and risk mitigation measures and financial reports.

(c) Ethics / Governance Policies

The Company strives to conduct business and strengthen relationship in a manner that is dignified, distinctive and responsible.

- Trade Payables Turnover Ratio increased to 3.16 in FY 2021-22 as against 1.99 in the previous year due to increase in other expenses; and
- Return on Net worth is reduced to 2.50% in FY 2021-22 as against 2.58% in the previous year due to lower profit.

The Company continues to maintain its conservative financial profile and funds its requirements largely through internal cash generation.

Industry Structure, Developments, Opportunities and Outlook

Infrastructure sector is an essential driver for the Indian economy. The sector is responsible for driving India's overall development and enjoys substantial focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development.

In October 2021, the Union Cabinet of India approved the PM GatiShakti National Master Plan including implementation, monitoring and support mechanism for providing multi-modal connectivity. As a part of the GatiShakti National Master Plan, the government is planning to launch geospatial digital platform to facilitate planning and monitoring of projects ranging from telecom networks, gas pipelines to road and railways.

As per research reports, the Indian construction industry recorded growth of 17.1% in 2021, which was supported by relaxation of restrictions and improving construction activity in the road and highways sector. Between 2023 and 2026, the construction industry is expected to register an average annual growth of 6.2%, supported by investment under the 'Pradhan Mantri Gati Shakti Master Plan'. The industry's output will also be supported by investment of ₹ 111

trillion (\$1.5 trillion) under the National Infrastructure Pipeline (NIP), between the fiscal year FY 2020 and FY 2025 (April 2019 to March 2025).

In December 2021, the Ministry of Road Transport and Highways of India (MoRTH) announced investment worth ₹ 7 trillion (\$92.4 billion) for infrastructure projects to be spent over the next 2-3 years. The industry's growth will also be supported by the government's plan to significantly increase the stock of affordable housing units for low and middle income cohorts, under the 'Housing for All' program by 2022.

Challenges, Risks and Concerns

Key risks of infrastructure sector primarily include increasing cost of inputs, complexities of structures and shortage of skilled labour. Even though the Government has undertaken several key reforms to ease challenges faced by this sector, changing regulatory environment, sustainability and delays in project completion leading to cost and time overruns further amplify difficulties faced by this sector.

The Company prioritizes adhering to budgeted costs while ensuring timely completion of projects thus successfully achieving stipulated targets. The Company has always deployed state-of-the-art technology, latest machineries and equipment with highly trained experts and professionals in its product transportation and construction machinery hiring business.

Although the Company over the years has been primarily serving a single largest customer with no expansion plans on the anvil, it has always been proactive in mitigating business risks with appropriate risk management framework and conservative financial profile backed by prudent business practices. The Company is well positioned to manage the risks with its strong financials and robust past track record.

Human Resource Development

The Company has a team of able and experienced professionals. The Company believes that the quality of its employees is the key in the long run. The Company continues to have cordial relations with its employees. The Company provides personal development opportunities and all round exposure to its employees.

Internal Controls

The Company has robust internal control systems and procedures commensurate with its nature of business which meets the following objectives:

- providing assurance regarding the effectiveness and efficiency of operations;
- efficient use and safeguarding of resources;
- compliance with policies, procedures and applicable laws and regulations; and
- transactions being accurately recorded and promptly reported.

Board's Report

The Company continues to have periodical internal audits conducted of all its functions and activities to ensure that systems and processes are followed across all areas.

The Audit Committee of the Board of Directors of the Company regularly reviews the adequacy of internal control systems through such audits. The Internal Auditor reports directly to the Audit Committee.

The Company also has a robust budgetary control system to monitor expenditure against approved budgets on an ongoing basis.

Internal Financial Controls

Internal Financial Controls are an integral part of the risk management framework and process that address financial and financial reporting risks. The key internal financial controls have been documented, automated wherever possible and embedded in the business process. The Company has in place adequate internal financial controls with reference to Financial Statement.

Assurance on the effectiveness of internal financial controls is obtained through management reviews and self-assessment, continuous control monitoring by functional experts as well as testing of the internal financial control systems by the Statutory Auditors and Internal Auditors during the course of their audits.

The Company believes that these systems provide reasonable assurance that the Company's internal financial controls are adequate and are operating effectively as intended.

Risk Management

The Company has in place a Risk Management Policy which provides for a robust risk management framework to identify and assess risks such as safety, health and environment, operational, strategic, financial, security, property, regulatory, reputational and other risks and put in place an adequate risk management infrastructure capable of addressing these risks. The Risk Management Committee has been constituted to identify, monitor and report on the potential risks associated with the Company's business and periodically keeps the Board of Directors apprised of such risks and the measures taken by the Company to mitigate such risks.

Given below are significant potential risks of the Company and measures in place to mitigate them:

Operational Risk: Disruptions in operating the Company's pipelines and equipment may arise due to natural calamities, equipment failures or other unexpected or unforeseen interruptions. The Company consistently works towards monitoring the health of the pipelines through internal checks and external audit assurance and maintaining or improving operational efficiencies.

Safety, Health and Environment Risks: The Company's activities of transporting petroleum products through its pipelines are inherently hazardous. Any accident, explosion, leakages or acts of terrorism may cause property damage or bodily injury and adversely impact surrounding communities and environment which may result in litigations and disruption of operations. The Company has

structured inspections of its operating facilities for identifying and mapping operational hazards, investigating root cause analysis and to eliminate any such occurrence by developing mitigation plans.

Further, there is a comprehensive insurance plan in place to cover the above risks.

Consolidated Financial Statement

In accordance with the provisions of the Companies Act, 2013 ("the Act"), Listing Regulations read with Ind AS 110 - Consolidated Financial Statements and Ind AS 28 - Investments in Associates and Joint Ventures, the audited Consolidated Financial Statement forms part of the Annual Report.

Subsidiary, Joint Venture and Associate Company

The Company did not have any subsidiary or joint venture during the financial year under review. The Company has one associate company, Reliance Europe Limited.

A statement providing details of performance, over all contribution and salient features of the financial statement of the associate company as per Section 129(3) of the Act, is provided as **Annexure A** to the consolidated Financial Statement and therefore not repeated in this Report to avoid duplication.

The audited Financial Statement including the consolidated Financial Statement of the Company and all other documents required to be attached thereto forms part of this annual report and is also available on the Company's website and can be accessed at: <http://www.riil.in/pdf/Annual-Report-2021-22.pdf>

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

The particulars relating to conservation of energy, technology absorption, foreign exchange earnings and outgo, as required to be disclosed under the Act are as under:

A. Conservation of Energy

As an infrastructural facilities and support services provider, the operations of the Company require minimal energy consumption.

(i) Steps taken to conserve energy

- a) Upgradation of anode beds for reducing power requirement of Cathodic Protection system by 30% (current consumption reduced from 250 Amp to 100 Amp). New technology Transformer Rectifier units replaced in Cathodic Protection stations and achieved the reduction in consumption by 20% (total 100 Amps to 80 Amps).

- b) Installation of LED lights to reduce power consumption. Conventional lighting was replaced with LED lighting and energy saved upto 55%.
- c) The SCADA system of pipeline is being upgraded, hence due to the advancement in the technology the power consumption of the system will be low and the system will be more sensitive.

(ii) Steps taken for utilising alternate sources of energy and Capital investment on energy conservation equipments

The energy requirements are mainly for the Company’s pipeline operations which are within the purview of its customer. The Company has not made any capital investment on energy conservation equipment.

B. Technology absorption

(i) Major efforts made towards technology absorption:

- a) Installation of online corrosion monitoring system on pipelines for health checking.
Forward pipeline corrosion monitoring system commissioned and for return pipeline system will be commissioned.
- b) Installation and commissioning of SIM card-based system for Pipeline Data & Voice as alternate mode of communication which is an alternative to the Optical Fibre Cable based communication is established.
- c) Installation and commissioning of CCTV based remote vigilance systems for CP station and some valve station of pipelines. This system supplements the vigilance system of CP stations.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

The selection of alternate quality of pipes for projects, seamless pipes to ERW (Electric resistance welded). This saved about 20% cost of project for materials. ERW Pipelines are being used in re-routing projects.

(iii) Information regarding imported technology (Imported during the last three years):

The Company has not imported any technology during the last three years.

(iv) Expenditure incurred on research and development:

Installation of Flame and Gas detection system at CP installations and integration with existing Supervisory Control and Data Acquisition (SCADA) systems so that in case of eventuality it can detect the fire from Control Room.

Section E: Principle-wise Performance

PRINCIPLE 1 – ETHICS, TRANSPARENCY AND ACCOUNTABILITY BUSINESSES SHOULD CONDUCT AND GOVERN THEMSELVES WITH ETHICS, TRANSPARENCY AND ACCOUNTABILITY

1. Coverage of Policy relating to Ethics, Bribery and Corruption (e.g. joint ventures, suppliers, contractors and NGOs, among others)

Code of Conduct:

The Company upholds the highest standards of integrity and ethical behaviour, which reaffirms its belief that ethical performance is a source of its competitive strength. The Company has framed a Code of Business Conduct and Ethics, which defines the behaviour expected from all the employees and stakeholders and practices along with the policies and systems for effective implementation.

The Company's Code of Conduct ensures that all its employees, suppliers and vendors are required to respect human rights of not only each other, but also of the communities in which they operate. The Company has developed a set of policies, codes, and guidelines to govern its directors, senior executives, officers, employees (whether permanent, fixed term or temporary) and other stakeholders, including suppliers and business partners associated with it.

The Company has adequate control measures in place to address the issues relating to ethics, bribery and corruption in the context of appropriate policy.

Vigil Mechanism and Whistle-blower Policy

Employees and other stakeholders are required to report actual or suspected violations of applicable laws and regulations and the Code of Conduct. The Company has established a robust mechanism through a Vigil Mechanism and Whistle-blower Policy for reporting and handling of such violations – termed as 'Reportable Matters'. Under this policy, the employees are encouraged to report any such violations without fear of retaliation. For easy access, the Vigil Mechanism and Whistle-blower Policy is hosted on the website of the Company. An Ethics and Compliance Task Force (ECTF) comprising a member of the Board as a Chairman and senior executives as members has been established to oversee and monitor implementation of ethical business practices within the Company. All ECTF complaints and incidents are reviewed and reported to the Audit Committee on a quarterly basis. The whistle-blower can make a protected disclosure, without being afraid of any reprisal, through an e-mail, telephone or through a letter either to the ECTF or directly to Chairman of the Audit Committee.

Anti-Bribery and Anti-Corruption Policy

Being a responsible organisation, the Company has proactively taken measures in combating bribery and corruption. As an additional pillar to support existing governance mechanism, a robust Anti-Bribery Management System (ABMS) has been established. ABMS is a systematic framework of policy and processes set up in support of existing Governance mechanism with an aim to help prevent, detect and respond to bribery risks. The Company has in place a mandatory e-learning course which aims to equip its employees with the required understanding and knowledge to effectively prevent, identify, and respond to bribery risks. The Company believes that it can contribute to create a stronger, bribery-resistant business ecosystem. Towards this end, "Satarkata", an e-learning module, has also been developed for the Company's vendors.

This will help vendors understand ABMS better and also create the right levels of awareness about the Company's expectations of ethical conduct of business

2. Stakeholder complaints received in the past financial year and percentage of complaints satisfactorily resolved by the management

The Company received 4 investor complaints from its shareholder during FY 2021-22, which were promptly resolved. No complaint was outstanding as on March 31, 2022. Save and except the above, no complaint was received from any other stakeholders.

PRINCIPLE 2 – PRODUCT LIFE CYCLE SUSTAINABILITY

BUSINESSES SHOULD PROVIDE GOODS AND SERVICES THAT ARE SAFE AND CONTRIBUTE TO SUSTAINABILITY THROUGHOUT THEIR LIFE CYCLE

1. List up to 3 products or services whose design has incorporated social or environmental concerns, risks and/or opportunities

The following are the services whose design have incorporated social and environmental concerns:

a) Product transportation through pipelines having Supervisory Control and Data Acquisition (SCADA) and Leak Detection System (LDS)

SCADA installed on pipeline monitors the operation parameter with real time data, as well as ensures that all safety interlocks for pumps and valves as well as of pipelines operation are active all the time. In case of emergency, pipeline operating pumps will be stopped from remote locations and affected pipeline section will be isolated, to ensure minimum product loss thus enhancing the safety in pipeline operation and minimizing damage to environment.

LDS provides the comfort of online monitoring of any leak from pipeline as well as identifying the leak locations on real time basis. This will help to handle the emergency in shortest possible response.

b) Regular security surveillance to ensure safe operation and environment protection

Regular Security Surveillance with foot patrolling on pipeline route by Security and Surveillance team, ensures that no third party activities are carried out on pipeline right of use, which can result in pipeline damage. Guard Tracking system is installed to monitor the movement of guards on pipeline through GPS tracking, this ensures the fool proof surveillance of pipeline.

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

a) Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?

b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

As an infrastructural facilities and support services provider, the operations of the Company require minimal energy consumption. Continuous efforts are being made to reduce the consumption of energy viz. use of low energy consuming LED lights being encouraged at workplace, upgradation of anode beds for reducing power requirement of Cathodic Protection system, conversion of Gas Operated Sectionalizing valves to motor operated by installing smart actuators for better reliability, installation of online corrosion monitoring system on pipelines etc. New technology Transformer Rectifier units replaced in Cathodic Protection stations to achieve the reduction in energy consumption by 20%.

3. Procedures in place for sustainable sourcing (including transportation)

The Company is in the business of providing infrastructural facilities and support services and as such does not source any materials from outside for carrying out its business activities.

4. Steps taken to procure goods and services from local and small producers, including communities and capability building initiatives, undertaken for local and small vendors

The Company is in the business of providing infrastructural facilities and support services which includes product transportation, hiring of construction equipment and other support services. The Company strives to establish effective business relationship with local industry. The Company has deployed local vendors and contractors for maintenance of pipeline infrastructure, commutation, house-keeping and horticulture contracts.

5. Mechanism to recycle products and waste

The Company is in the business of providing infrastructural facilities and support services which does not generate any significant waste products.

PRINCIPLE 3 – EMPLOYEES WELL-BEING

BUSINESSES SHOULD PROMOTE THE WELL-BEING OF ALL EMPLOYEES

1. Total number of employees

Total number of employees on the rolls of the Company is 66 as on March 31, 2022.

2. Total number of employees hired on temporary/ contractual / casual basis

Considering nature of work, the Company hires employees / labourers on temporary / contractual / casual basis from time to time. As on March 31, 2022, there were 6 contractual employees.

Business Responsibility Report

3. Number of permanent women employees

Total number of permanent women employees is nil as on March 31, 2022.

4. Number of permanent employees with disabilities

Total number of permanent employees with disabilities is 1 as on March 31, 2022.

5. Employee association recognized by management

The Company respects the right of employees to free association and union representation. During the year under review, there was no employee association and union representation in the Company.

6. Percentage of permanent employees that are members of recognized employee association

Not applicable

7. Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year

No case of child labour, forced labour, involuntary labour, sexual harassment and/or discriminatory employment was reported during the FY 2021-22. The Company has formed Internal Complaints Committee (ICC) for various work places to address complaints pertaining to sexual harassment in accordance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013.

8. Percentage of permanent employees that were given safety and skill up-gradation training in the previous year

Safety is of paramount importance to the Company. The Company considers employee training and development as an essential element of people strategy. The Company's contractual employees receive mandatory safety training before entering the premises and also get on-the-job training through the contractor.

The employees receive training through classroom as well as web-based training (WBT) programmes..

The Training and Development Program undertaken by the Company during FY 2021-22 were as under:

- Safety Training: 08 hours/ Employee
- Skill upgradation: 08 hours (WBT)/ Employee
- Others: 4 hours (WBT)/ Employee
- Competency Assurance system completed for asset facing employees: 25 people
- Safety culture change training: 08 hours/ Employee
- Fire training: 4 hours / Employee
- COVID-19 appropriate behaviors and safety guidelines: 04 hours / Employee

100% of Permanent employees at various work locations were given safety and skill up-gradation training including WBT.

PRINCIPLE 4 – STAKEHOLDER ENGAGEMENT

BUSINESSES SHOULD RESPECT THE INTERESTS OF, AND BE RESPONSIVE TOWARDS ALL STAKEHOLDERS, ESPECIALLY THOSE WHO ARE DISADVANTAGED, VULNERABLE AND MARGINALISED

1. Internal and external stakeholders mapping

The Company has mapped its internal and external stakeholders. The key categories and their medium of engagement is as under:

Stakeholder	Medium of Engagement
Government and Regulatory/ Administrative Authorities	Industry Representation, filings, Forums, Associations
Directors	Meetings, Performance Evaluation, Familiarisation Programmes, Telephonic Interactions and Correspondence
Employees	Meetings, Employees Training and Development Program, Mailers, Employee satisfaction survey
Customers	Customer Meet, Customer Survey, Personal / Telephonic Interactions, Web Portals
Local community	Visits and Camps, Surveys, Field work and training, Digital services / Virtual engagement
Investors and Shareholders	Annual General Meeting and Annual Report and correspondence
Suppliers	Site Visit and Personal / Telephonic Interactions
NGOs	Site Visit, Meetings and Telephonic Discussions and correspondence

The Company believes that stakeholder engagement process is necessary for achieving its sustainability goal. Stakeholder engagement helps in better understanding of the perspectives on key issues and builds a strong relationship with them. The Company seeks timely feedback and response through formal and informal channels of communication to ensure that the stakeholder information remains updated.

2. Identification of the disadvantaged, vulnerable and marginalised stakeholders

The Company is committed towards improving the lives of marginalised and vulnerable communities for a stronger and inclusive India. Communities are a part of the stakeholder engagement process and project design. The Company has identified the disadvantaged, marginalized and vulnerable stakeholders, through the team which engages with the like-minded government and non-government stakeholders,

including universities, research institutions, hospitals, government departments and banks, among others to understand the hardships faced by them and their urgent needs.

3. Special initiatives taken by the Company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof

The Company engages with the disadvantaged, vulnerable and marginal communities as part of its CSR initiatives. It works towards inclusive development to address societal issues and engage with disadvantaged, vulnerable and marginalised stakeholders. The Company, through Reliance Foundation, has undertaken initiatives for promoting healthcare including preventive healthcare for the disadvantaged, vulnerable and marginalised stakeholders. For specific details, please refer to the Report on Corporate Social Responsibility activities for the FY 2021-22 annexed to the Board's Report.

PRINCIPLE 5 – HUMAN RIGHTS

BUSINESSES SHOULD RESPECT AND PROTECT HUMAN RIGHTS

1. Coverage of the Company's Policy on Human Rights to the Company and its extension to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others

The Company seeks to conduct business in a manner that respects the human rights and dignity of people. The Company's code of conduct demonstrates its commitment towards the preservation of human rights across the value chain. The Company believes that a sustainable organisation rests on ethics and respect for human rights. The Company promotes awareness of the importance of respecting human rights within its value chain and discourages instances of abuse. The Company has established a vigil mechanism and whistle blower policy for employees and directors to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct. The vigil mechanism and whistle blower policy is supervised by an 'Ethics & Compliance Task Force' comprising a member of the Board and senior executives as members. The Company has formed Internal Complaints Committees for various work places to address complaints pertaining to sexual harassment in accordance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013.

2. Stakeholder complaints received in the past financial year and percentage of complaint satisfactorily resolved by the management

There were no complaints reported from stakeholders for breach of Human Rights during FY 2021-22.

PRINCIPLE 6 – ENVIRONMENT

BUSINESSES SHOULD RESPECT, PROTECT AND MAKE EFFORTS TO RESTORE THE ENVIRONMENT

1. Coverage of the policy related to Principle 6 to the Company and its extension to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others

The Company believes in safeguarding the environment while executing its operations. To this effect, it takes every effort towards environmental conservation. The Company's Health, Safety and Environment Policy aims that protection of the environment is of paramount importance. The Company ensures to do business with minimal environmental impact that aims at the rational use of natural resources and reduced waste and emissions.

The Company also adheres to the Environment Policy of Reliance Industries Limited, a major stakeholder, which addresses issues related to Group companies, Joint ventures, suppliers, contractors and customers.

2. The Company's strategies/initiatives to address global environmental issues, such as climate change, global warming and more

The Company adheres to all legal requirements and norms of energy conservation and other environmental conservation standards stipulated by the Government of India. The Company has implemented prescribed parameters pertaining to safety, environment and sustainability arising out of review of its pipeline performance carried out during preceding financial years and the same was found satisfactory.

3. Identification and assessment of potential Environmental Risk

Regular assessment of the environmental risks and mitigation strategies are undertaken by the Company. The Company has systems in place that ensure continuous monitoring of potential environmental risks involved in its operations.

Environmental audits are carried out regularly, which helped in identifying potential risks and necessary corrective actions are taken to mitigate the same. Periodic audits were conducted as part of these management systems which helped the Company to identify potential risks at its locations.

4. Company's initiatives towards clean development mechanism

Keeping in view its nature of operations, the Company has not identified any project towards Clean Development Mechanism.

5. The Company's initiatives on – clean technology, energy efficiency and renewable energy, among others

The Company uses clean technology in an efficient manner for its business operations. Please refer Energy Conservation, Technology Absorption section of the Board's Report included in this Annual Report for further details.

6. Reporting on the emissions/waste generated by the Company as per the permissible limits given by CPCB/SPCB

Business Responsibility Report

There is no manufacturing process involved in Company's operational activities. Transportation of petroleum products and raw water through underground pipelines does not generate any hazardous waste or emission. However, procedures are in place to mitigate the accidental release of the products and communication of all such incidences to the governing authorities. Efficient control equipment and robust procedures help the Company to meet the applicable environmental standards continuously. Half-yearly compliance reports are being submitted to local governing authorities and Ministry of Environment, Forest and Climate Change.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year

No show cause / legal notices were received from CPCB/SPCB during FY 2021-22.

PRINCIPLE 7 – POLICY ADVOCACY

BUSINESSES, WHEN ENGAGED IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A RESPONSIBLE MANNER

1. Representation in any trade and chamber/association

The Company is a member of Jawaharlal Nehru Port Trust (JNPT) Liquid Chemical Berth Users Association, which is formed for the purpose of providing a platform to coordinate and represent the users with various authorities like JNPT and Tariff Advisory of Major Port.

2. Advocacy / Lobbying through above Associations for the advancement or improvement of public good

The Company has been active in the above named Association and advocates on various issues which affects the industry and consumers.

PRINCIPLE 8 – INCLUSIVE GROWTH

BUSINESSES SHOULD SUPPORT INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT

1. Specified programmes / initiatives / projects by the Company in pursuit of the policy related to Principle 8

The Company's Corporate Social Responsibility (CSR) Policy is framed pursuant to Section 135 of the Companies Act, 2013. The Company's CSR objective is to promote a comprehensive and integrated development through social and economic transformation. The Company has, inter-alia, identified following areas in which it may engage for its CSR activities:

- Addressing identified needs of the underprivileged through initiatives directed towards promoting health, including preventive health care;
- Environmental sustainability and ecological balance;

- Any other activity falling within the scope of Schedule VII to the Companies Act, 2013.

During FY 2021-22, the Company's initiatives were focused towards promoting health care including preventive health care, through Reliance Foundation, the Implementing Agency.

2. Modes through which programmes/ projects undertaken (through in-house team/ own foundation/ external NGO/ Government Structures/ any other organisation)

The Company has been carrying on its CSR programs / activities through Reliance Foundation since past eight years. In this connection, the contributions made by the Company to Reliance Foundation have been utilized for promoting health care including preventive health care. The Company's initiative has good coverage, both in terms of scale as well as impact. The focus is on enhancing outreach to the society's marginalised and underprivileged sections.

For specific details, please refer to the Report on Corporate Social Responsibility activities annexed to the Board's Report.

3. Impact assessment of initiative

There is an internal process to periodically monitor and evaluate the impact of CSR programs of the Company. The internal monitoring process deals with each specific program as and when the program is identified.

The outcome of such monitoring and evaluation processes are used for making informed decisions. The progress on the Company's CSR initiatives is periodically reviewed by the CSR Committee of the Board of Directors and the Company's Board of Directors. The Company continuously endeavours to enhance its existing systems and processes to assess the impact (social / economic and developmental) through its various initiatives.

4. Company's direct contribution to community development projects

During FY 2021-22, the Company has spent ₹ 30.00 lakh on community development initiatives i.e. Promoting Health Care including preventive health care.

5. Steps undertaken to ensure that community development initiatives are successfully adopted by the Community

Engagement with the community helps in identifying needs of the stakeholders and leads to greater sense of ownership among the people, ensuring sustained outcomes. Their capacities are built through multiple training programmes to make them self-sufficient and capable of managing the programme even in the absence of a third party. The Company continues to support initiatives to provide medical care needs necessary for the community. Multiple interactions are held with communities through meetings, meetings with local administration and officials from the line departments to

understand the primary necessities. The Company encourages regular feedback from the beneficiaries to continuously improve facilities and specialised services in locations where there is a demand.

PRINCIPLE 9 – CUSTOMER VALUE

BUSINESSES SHOULD ENGAGE WITH, AND PROVIDE VALUE TO THEIR CUSTOMERS AND CONSUMERS IN A RESPONSIBLE MANNER

1. Percentage of customer complaints/consumer cases pending as on the end of financial year

The Company's main customers are Reliance Industries Limited and its group companies. The Company proactively interacts with its customers to understand their requirements and concerns and find ways and means to address their concerns, requirements and improve their satisfaction level.

During FY 2021-22, no complaint was received from any of the customers.

2. Product information and product labelling

The Company is into the business of providing infrastructural facilities and support services viz. transportation of petroleum products and raw water through its underground pipelines, hiring of construction equipment and other support services and as such does not require to display any such information.

The petroleum transportation pipelines are marked with all the details of contact address and telephone number. This supports in passing the information in case of any problem to the pipeline.

3. Case filed by any stakeholder against the Company regarding Unfair Trade Practices, irresponsible advertising and/or Anti-Competitive behaviour during the last five years and pending as on end of the financial year

No such case has been filed against the Company.

4. Consumer survey / consumer satisfaction trends carried out by the Company

As mentioned hereinabove, Reliance Industries Limited and its group companies are the main customers of the Company. Customer satisfaction is significant for the Company as it ensures the Company's overall reputation in the geographies it operates in.

To understand its customers better, the Company follows several modes of engagement. Such modes include customer audits, customer surveys, direct feedback taken by visiting managers/plant personnel and site visits organised for customers. These modes help the Company to understand customer requirements, satisfaction levels and customer behaviour. The Company also conducts one-to-one meetings with its customers to enable efficient communication and resolve specific needs/concerns.

**STANDALONE FINANCIAL STATEMENT
FOR THE YEAR ENDED MARCH 31, 2022**

Independent Auditor’s Report

Independent Auditor’s Report

To The Members of Reliance Industrial Infrastructure Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Reliance Industrial Infrastructure Limited (“the Company”), which comprise the Standalone Balance Sheet as at March 31, 2022, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Cash Flow Statement and the Standalone Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (together referred to as “standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profits, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors’ responsibilities for the audit of the standalone financial statements section of our

report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key Audit Matter	How our audit addressed the key audit matter
Revenue Recognition – Refer Note 18 of the standalone financial statements	
<p>Revenue from contracts with customers is recognised when services are rendered to the customer at an amount that reflects the consideration entitled in exchange for those services which will be due upon satisfaction of performance obligations. The Company focuses on revenue as a key performance measure which could create an incentive for revenue to be recognized before the services are rendered or non-satisfaction of performance obligations or consideration is not measurable.</p> <p>Revenue recognition was determined to be a key audit matter and a significant risk of material misstatement due to the aforesaid risk related to the recognition of revenue.</p>	<p>Our audit procedures, considering the significant risk of material misstatement related to revenue recognition, included amongst other;</p> <ul style="list-style-type: none"> • assessing the application of company’s accounting policies over revenue recognition and comparing the accounting policies over revenue recognition with applicable accounting standards; • testing the revenue recognized including testing of company’s controls on revenue recognition; • Our testing included tracing the information of revenue recognized to agreements and receipts; • assessing the revenue recognized with substantive analytical procedures, and • assessing the company’s disclosures on revenue recognition. <p>Based on above procedures, we conclude that recognition of the revenue for the year is appropriate.</p>

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report, but does not include the consolidated financial statements, standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account and returns.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

“Annexure A” to the Independent Auditor’s Report

Annexure “A” To the Independent Auditors’ Report

(Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report of even date to the members of Reliance Industrial Infrastructure Limited for the year ended March 31, 2022)

- i. In respect of its Property Plant and Equipment:
 - (a) (A) Based on the records examined by us and information and explanation given to us the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) Based on the records examined by us and information and explanation given to us the Company has maintained proper records showing full particulars of Intangible Assets.
 - (b) The Property, Plant and Equipment were physically verified by the management in a phased periodical manner, which in our opinion is reasonable having regard to the size of the Company and nature of its assets. No material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us, we report that, the title deeds, comprising all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements, are held in the name of the Company as at the balance sheet date.
 - (d) Based on the records examined by us and information and explanation given to us by the Company, the Company during the year has not revalued its Property Plant and Equipment (including rights of use assets) or intangible assets, hence, the requirements of the said clause i(d) of paragraph 3 of the Order is not applicable to the Company.
 - (e) According to the information and explanation given to us and records examined by us no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) According to the information and explanation given to us and records examined by us, the management of the Company has conducted physical verification of its inventories and in our opinion the coverage and procedure of such verification by the management is appropriate. As explained to us and on the basis of records examined by us, the value of discrepancies noticed on physical verification by the management did not exceed 10% or more in aggregate of each class of inventory.
 - (b) Based on the records examined by us and information and explanation given to us, the Company has not availed any facility from banks on the basis of security of current assets and accordingly the clause (ii)(b) of paragraph 3 of the Order is not applicable to the Company.
- iii. (a) On the basis of examination of records of the Company and information and explanation given to us, during the year the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. The Company has made Investments during the year.
 - (b) In our opinion and according to the information and explanation given to us, the investments made during the year are not prejudicial to the interest of the Company.
 - (c) Based on the records examined by us and information and explanation given to us, the Company has not given any loans secured or unsecured, to any companies, firms, limited liability partnerships or other parties hence the reporting requirement of clause iii(c), (d), (e), (f) of paragraph 3 of the Order is not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not directly or indirectly advanced loan to the persons covered under Section 185 of the Act or given guarantees or securities in connection with the loan taken by such persons and has complied with the provisions of section 186 of the Act, in respect of investments, loans, guarantee or security given, as applicable.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits within the meaning of provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended. According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under subsection (1) of Section 148 of the Act applicable in respect of certain activities undertaken by the Company and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. Based on the examination of records and according to the information and explanations given to us, in respect of statutory dues:

- a) The Company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Duty of Customs, Cess and any other statutory dues applicable to it to the appropriate authorities. No undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2022 for a period of more than six months from the date they became payable.
- b) Details of statutory dues as referred to in clause vii (a) above, which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of the Statute	Nature of Dues	Forum where dispute is pending	Period to which the amount relates	Amount (Rs. in Lakh)
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeals)	A.Y 2013-2014	54.91
Income Tax Act, 1961	Income Tax	Commissioner of Income Tax (Appeals)	A.Y 2014-2015	534.04

- viii. According to information and explanation given to us and examination of records of the Company, there are no transactions surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. Based on the examination of records of the Company and information and explanation given to us, the Company has not availed any loans from any lender and accordingly, the requirement of clause (ix) of paragraph 3 of the Order is not applicable to the Company.
- x. (a) In our opinion and according to the information and explanations given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and hence reporting under clause x(a) of paragraph 3 of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanation given to us, the Company during the year has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause x(b) of paragraph 3 of the Order is not applicable to the Company.
- xi. (a) Based on the audit procedures performed by us and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.

- (b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date, for the period under audit.
- xv. According to the information and explanations given to us, during the year, the Company has not entered into any non-cash transactions with its directors or directors of its associate company or persons connected with them, and hence provisions of Section 192 of the Act, are not applicable.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) On the basis of examination of records and according to the information and explanation given to us by the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities hence the reporting requirements under clause xvi(b) of paragraph 3 of the Order is not applicable.
- (c) In our opinion and according to the information and explanation given to us, the Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India.
- (d) As represented by the management, the Group does not have any Core Investment Company as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence the reporting under clause (xvi)(d) of paragraph 3 of the Order is not applicable.
- xvii. Based on the examination of records, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.

“Annexure A” to the Independent Auditor’s Report

- xviii. There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) Based on the examination of records of the Company and according to the information and explanation given to us by the Company, in respect of other than ongoing projects, there were no unspent amount that were required to be transferred to a Fund specified in Schedule VII in compliance with second proviso to sub-section 5 of section 135 of the Act.
- (b) Based on the examination of records of the Company, and according to the information and explanations given to us, in respect of ongoing projects there were no unspent amount that were required to be transferred to special account in compliance with provision of sub section 6 of section 135 of the Act.

“Annexure B” to the Independent Auditor’s Report

Annexure “B” To the Independent Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on other legal and regulatory requirements’ section of our report of even date to the members of Reliance Industrial Infrastructure Limited for the year ended March 31, 2022)

Report on the internal financial controls over financial reporting with reference to standalone financial statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting with reference to standalone financial statements of Reliance Industrial Infrastructure Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these standalone financial statements.

Meaning of internal financial controls over financial reporting with reference to these standalone financial statements

A company’s internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections

of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the Company

considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

A. Corporate Information

Reliance Industrial Infrastructure Limited ("the Company") is a listed entity incorporated in India, having its registered office at NKM International House, 5th Floor, 178 Backbay Reclamation, Behind LIC Yogakshema Building, Babubhai Chinai Road, Mumbai - 400 020, India.

The Company is mainly engaged in "Infrastructure and Support Services Activities" catering to Indian Customers.

B. Significant Accounting Policies

B.1 Basis of Preparation and Presentation

The Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- (i) Certain financial assets and liabilities.
- (ii) Defined benefit plans - plan assets.

The Financial Statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time.

The Company's Financial Statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest Lakh (₹ 00,000) except when otherwise indicated.

B.2 Summary of Significant Accounting Policies

(a) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when -

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Depreciation on Property, Plant and Equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 except that:

- (i) the cost of Leasehold Land is amortised over the period of lease.
- (ii) cost of Pipeline Corridor Structure is amortised over the residual life of the asset.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(c) Leases

The Company, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

(d) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible Assets Under Development.

Gains or losses arising from derecognition of an Intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible Assets comprising of Software are amortised over the period of 5 to 10 years.

(e) Cash and Cash Equivalent

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

(f) Inventories

Items of Inventories are measured at lower of cost or net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of Inventories is determined on weighted average basis.

(g) Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(h) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(i) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

(j) Tax Expenses

The tax expense for the period comprises of Current Tax and Deferred Income Tax. Tax is recognised in the Statement of Profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax Authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that the taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(k) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In case of an asset, expense or income where a non-monetary advance is paid/received, the date of transaction is the date on which the advance was initially recognised. If there were multiple payments or receipts in advance, multiple dates of transactions are determined for each payment or receipt of advance consideration.

(l) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company is generally the principal as it typically controls the goods or services before transferring them to the customer.

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

Revenue is measured at the amount of consideration which the company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognized when it becomes unconditional. Generally, the credit period varies between 0-30 days from the delivery of goods or services as the case may be.

Contract Balances :

Trade Receivables

A receivable represents the Company's right to an amount of consideration that is unconditional.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Interest income

Interest Income from a Financial Asset is recognised using effective interest rate method.

Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

(m) Financial Instruments

(i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

C. Investment in Associates

The Company has accounted for its investments in associates at cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However dividend on such Equity Investment are recognised in the Statement of Profit and Loss when the Company has rights to received is established.

E. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

- (1) The 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (2) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For Trade Receivables, the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derecognition of Financial Instruments

The company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial Liability (or a part of a financial liability) is derecognised from the company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(n) Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

C. Critical Accounting Judgments and Key Sources of Estimation Uncertainty

The preparation of the Company's Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

a) Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

b) Recoverability of Trade Receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of Financial and Non-Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

In case of non-financial assets the company estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Recognition of Deferred Tax Assets and liabilities

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

f) Fair Value Measurement

For estimates relating to fair value of financial instruments refer note 27 of financial statements.

g) Global Health Pandemic on Covid 19

The Continuance of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue during the period were impacted due to COVID-19. The Company has taken into account the possible impact of COVID-19 in preparation of financial statements, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these financial statements and current indicators of future economic conditions.

D. Standards Issued but not Effective

On March 23, 2022, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2022. This notification has resulted into amendments in the following existing accounting standards which are applicable to company from April 1, 2022.

- i. Ind AS 101 – First time adoption of Ind AS
- ii. Ind AS 109 – Financial Instrument
- iii. Ind AS 16 – Property, Plant and Equipment
- iv. Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

Application of above standards are not expected to have any significant impact on the company's financial statements.

Rate of Escalation in Salary (per annum)	6.00%	6.00%
Rate of Employee Turnover	2.00%	2.00%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotions, past experience and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The Expected Rate of Return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on Plan assets and the Company's policy for Plan Assets Management.

VII. The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2021-22.

VIII. Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

(₹ in Lakh)

Particulars	As at 31st March, 2022		As at 31st March, 2021

Notes to the Standalone Financial Statement for the year ended 31st March, 2022

These plans typically expose the Group to actuarial risks such as: Investment Risk, Interest Risk, Longevity Risk and Salary Risk.

Investment risk : The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk : A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs based on unobservable market data.

Valuation Methodology

All financial Instruments are initially recognised and subsequently re-measured at fair value as described below:

- The fair value of investments in quoted Equity Shares, Bonds and Mutual Funds is measured at quoted price or NAV.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

B. Financial Risk management

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, derivative financial instruments, deposits from financial institutions and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counterparties.

**CONSOLIDATED FINANCIAL STATEMENT
FOR THE YEAR ENDED MARCH 31, 2022**

Independent Auditor’s Report

Independent Auditor’s Report

To The Members of Reliance Industrial Infrastructure Limited Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Reliance Industrial Infrastructure Limited (“the Parent Company”) and its associate which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (together referred to as “consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such associate company was audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Parent Company and its associates as at March 31, 2022, of its consolidated profits and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Parent Company and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors’ responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key Audit Matter	How our audit addressed the key audit matter
Revenue Recognition – Refer Note 18 of the consolidated financial statements	
Revenue from contracts with customers is recognised when services are rendered to the customer at an amount that reflects the consideration entitled in exchange for those services which will be due upon satisfaction of performance obligations.	Our audit procedures, considering the significant risk of material misstatement related to revenue recognition, included amongst other; <ul style="list-style-type: none"> • assessing the application of Parent company’s accounting policies over revenue recognition and comparing the accounting policies over revenue recognition with applicable accounting standards; • testing the revenue recognized including testing of company’s controls on revenue recognition; • Our testing included tracing the information of revenue recognised to agreements and receipts; • assessing the revenue recognized with substantive analytical procedures, and • assessing the Parent company’s disclosures on revenue recognition.
The Parent Company focuses on revenue as a key performance measure which could create an incentive for revenue to be recognized before the services are rendered or non-satisfaction of performance obligations or consideration is not measurable.	
Revenue recognition was determined to be a key audit matter and a significant risk of material misstatement due to the aforesaid risk related to the recognition of revenue.	Based on above procedures, we conclude that recognition of the revenue for the year is appropriate.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Parent Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements, standalone financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Parent Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Parent Company and its associate company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Board of Directors of the companies to the extent incorporated in India are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the consolidated financial statements are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Parent Company and its associate company is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Parent Company and its associate company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Parent Company and its associate company to cease to continue as a going concern.

Independent Auditor's Report

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities of the Parent Company and its associate company to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Parent Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated financial statements include the Parent Company's share of net profit (including other comprehensive income) of Rs.79.47 Lakhs for the year ended March 31, 2022, in respect of one associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the associate company, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid associate company is based solely on the audit reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements of associate company as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
 - a) We / the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Parent Company as on March 31, 2022 taken on record by the Board of Directors of the Parent Company none of the directors of the Parent Company is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting with reference to consolidated financial statements of the Parent Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - g) With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act, in our opinion and according to the information and explanations given to us, the remuneration paid during the current year by the Parent Company to its directors is in accordance with the provisions of Section 197 read with schedule V of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the associate company, as noted in the 'Other Matters' paragraph:
- i. The Parent Company and its associate company did not have any pending litigations which would impact on its financial position as at March 31, 2022.
 - ii. The Parent Company and its associate company did not have any long-term contracts including derivative contracts for which they were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company except Rs.1.47 Lakh, which are held in abeyance due to pending legal cases.
 - iv.(a) The management of the Parent Company has represented to us that, to the best of the knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management of the Parent Company has represented to us that, to the best of the knowledge and belief no funds have been received by the Parent Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on our audit procedures that have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The Parent Company has declared and paid dividend during the year which is in compliance with the provision of section 123 of the Act.
 - vi. In our opinion and information and explanation given to us, the Company has investments in an associate company which is a foreign entity to which the provisions of Companies (Auditors Report) Order 2020 is not applicable. Hence, the reporting requirement under clause (xxi) of the said Order is not applicable.

“Annexure A” to the Independent Auditor’s Report

Annexure “A” To the Independent Auditors’ Report on the consolidated financial statements of Reliance Industrial Infrastructure Limited for the year ended March 31, 2022

Report on the internal financial controls over financial reporting with reference to consolidated financial statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting with reference to consolidated financial statements of Reliance Industrial Infrastructure Limited (“the Parent Company”) as of March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Parent Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s responsibility

Our responsibility is to express an opinion on the Parent Company’s internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating

the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Parent Company’s internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of internal financial controls over financial reporting with reference to these consolidated financial statements

A Parent Company’s internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Parent Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over

financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements is based solely on our report on the consolidated financial statements of the Company for the

year ended March 31, 2022, since it did not have any subsidiary companies, associate companies or jointly controlled companies which are incorporated in India as on that date.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

A. Corporate Information

The Consolidated Financial Statements comprise Financial Statements of Reliance Industrial Infrastructure Limited ("The Company") and its associate (collectively referred to as "the Group") for the year ended March 31, 2022.

The Group is mainly engaged in "Infrastructure and Support Services Activities".

B. Significant Accounting Policies

B.1 Basis of Preparation and Presentation

The Consolidated Financial Statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- (i) Certain financial assets and liabilities.
- (ii) Defined benefit plans - plan assets.

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013, (as amended from time to time) and Presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS Compliant Schedule III) as amended from time to time.

The Group's Consolidated Financial Statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest lakh (₹ 00,000) except when otherwise indicated.

B.2 Principles of Consolidation

The Consolidated Financial Statements have been prepared on the following basis:

- (a) Investment in Associate Companies has been accounted under the equity method as per Indian Accounting Standard (Ind AS 28) - "Accounting for Investments in Associates and Joint Ventures".
- (b) The Group accounts for its share of post acquisition changes in net assets of associates, after eliminating unrealised profits and losses resulting from transactions between the Group and its associates.
- (c) The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- (d) Investments other than in associate have been accounted as per relevant Indian Accounting Standard.

B.3 Summary of Significant Accounting Policies

(a) Current and Non-Current Classification

The Group presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

An asset is treated as Current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(b) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, Plant and Equipment which are significant to the total cost of that item of Property, Plant and Equipment and having different useful life are accounted separately.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

Depreciation on Property, Plant and Equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 except that:

- (i) the cost of Leasehold Land is amortised over the period of lease.
- (ii) cost of Pipeline Corridor Structure is amortised over the residual life of the asset.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

(c) Leases

The Group, as a lessee, recognizes a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate.

For short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the lease term.

(d) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

Other Indirect expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Intangible Assets Under Development.

Gains or losses arising from derecognition of an Intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible Assets comprising of Software are amortised over the period of 5 to 10 years.

(e) Cash and Cash Equivalent

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Inventories

Items of Inventories are measured at lower of cost or net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of Inventories is determined on weighted average basis.

(g) Impairment of Non-Financial Assets - Property Plant and Equipment and Intangible Assets

The Group assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(h) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

(i) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

Defined Benefit Plans

The Group pays gratuity to the employees whoever has completed five years of service at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of Defined Benefit Plans in respect of post-employment are charged to the Other Comprehensive Income.

(j) Tax Expenses

The tax expense for the period comprises of Current Tax and Deferred Income Tax. Tax is recognised in the Statement of Profit and loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax Authorities, based on tax rates and laws that are enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that the taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(k) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss are also recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In case of an asset, expense or income where a non-monetary advance is paid/received, the date of transaction is the date on which the advance was initially recognised. If there were multiple payments or receipts in advance, multiple dates of transactions are determined for each payment or receipt of advance consideration.

(l) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Group is generally the principal as it typically controls the goods or services before transferring them to the customer.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

Revenue is measured at the amount of consideration which the Group expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognized when it becomes unconditional. Generally, the credit period varies between 0-30 days from the delivery of goods or services as the case may be.

Contract Balances :

Trade Receivables

A receivable represents the Group's right to an amount of consideration that is unconditional.

Contract Liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

Interest income

Interest Income from a Financial Asset is recognised using effective interest rate method.

Dividend Income

Dividend Income is recognised when the Group's right to receive the amount has been established.

(m) Financial Instruments

(i) Financial Assets

A. Initial Recognition and Measurement

All Financial Assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at Fair Value Through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

B. Subsequent measurement

a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets are reclassified subsequent to their recognition, if the Group changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

C. Investment in Associates

The Group has accounted for its investments in associates at cost.

D. Other Equity Investments:

All other equity investments are measured at fair value, with value changes recognised in the Consolidated Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'. However dividend on such Equity Investment are recognised in the Consolidated Statement of Profit and Loss when the Group has rights to received is established.

E. Impairment of Financial Assets

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- (1) The 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- (2) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables, the Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Group uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(ii) Financial Liabilities

A. Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Consolidated Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derecognition of Financial Instruments

The Group derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial Liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Group has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(n) Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

C. Critical Accounting Judgments and Key Sources of Estimation Uncertainty

The preparation of the Group's Consolidated Financial Statements requires management to make judgement, estimates and assumptions that affect the reported amount of revenue, expenses, assets and liabilities and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in next financial years.

a) Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

Property, Plant and Equipment / Intangible Assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of Trade Receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of Financial and Non-Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

In case of non-financial assets the Group estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Recognition of Deferred Tax Assets and liabilities

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Group uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

f) Fair Value Measurement

For estimates relating to fair value of financial instruments refer note 27 of financial statements.

g) Global Health Pandemic on Covid 19

The Continuance of corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Group's operations and revenue during the period were impacted due to COVID-19. The Group has taken into account the possible impact of COVID-19 in preparation of financial statements, including its assessment of recoverable value of its assets based on internal and external information upto the date of approval of these financial statements and current indicators of future economic conditions.

D Standards Issued but not Effective

On March 23, 2022, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2022. This notification has resulted into amendments in the following existing accounting standards which are applicable to Group from April 1, 2022.

- i. Ind AS 101 – First time adoption of Ind AS
- ii. Ind AS 109 – Financial Instrument
- iii. Ind AS 16 – Property, Plant and Equipment
- iv. Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets

Application of above standards are not expected to have any significant impact on the Group's financial statements.

Rate of Escalation in Salary (per annum)	6.00%	6.00%
Rate of Employee Turnover	2.00%	2.00%

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotions, past experience and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The Expected Rate of Return on Plan Assets is determined considering several applicable factors, mainly the composition of Plan assets held, assessed risks, historical results of return on Plan assets and the Company's policy for Plan Assets Management.

VII. The expected contributions for Defined Benefit Plan for the next financial year will be in line with FY 2021-22.

VIII. Sensitivity Analysis

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

<u>Particulars</u>	<u>(₹ in Lakh)</u>			
	<u>As at 31st March, 2022</u>		<u>As at 31st March, 2021</u>	
	<u>Decrease</u>	<u>Increase</u>	<u>Decrease</u>	<u>Increase</u>

Delta Effect of (-/+) 25% Change in Rate of Employee Turnover	(0.61)	0.59	(0.10)	0.11

Notes to the Consolidated Financial Statement for the year ended 31st March, 2022

These plans typically expose the Group to actuarial risks such as: Investment Risk, Interest Risk, Longevity Risk and Salary Risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan debt investments.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

The financial instruments are categorized into three levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs based on unobservable market data.

Valuation Methodology

All financial Instruments are initially recognised and subsequently re-measured at fair value as described below:

- The fair value of investments in quoted Equity Shares, Bonds and Mutual Funds is measured at quoted price or NAV.
- All foreign currency denominated assets and liabilities are translated using exchange rate at reporting date.

B. Financial Risk management**Liquidity Risk**

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, derivative financial instruments, deposits from financial institutions and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counterparties.
