- **20% Y-o-Y rise in toll collection, despite softened economic activities on account of Diwali Holidays in the month**

Mumbai, December 07, 2023: India's leading and the largest integrated multi-national transport infrastructure developer in highways sector, IRB Infrastructure Developers Limited and the IRB Infrastructure Trust (Private InvIT), has collectively recorded toll collection of Rs. 4,370Mn in the month of November 2023, as against the toll collection of Rs. 3,660mn in the corresponding month of 2022; thus, registering continued robust Y-o-Y growth of ~20%.

Commenting on the occasion, Shri Amitabh Murarka, Dy CEO of the Company said, ***“We have witnessed a continued rise in toll collection, despite Diwali holidays, which briefly slowed down momentum of economic activities across the Nation for almost a week’s time. Overall, it’s promising to see the persistent growth momentum gained in first eight months of FY24. The second half of the year is always better from Toll Collection perspective; accordingly, we expect the growth momentum to continue, especially with Gujarat BOT commencing tolling soon.”***
