RB- Railway Business

MEB – Merchant Export Business

Performance Highlight

Railway Electrification Segment

During the quarter ended 30th September 2023, Railway Business of the Company has been able to improve its performance because of the overall favourable macro environment of stable prices and good business conditions coupled with the efforts towards efficiency augmentation implemented by

the company . During the quarter ended 30th September 2023 the company has an order book position of Rs 153.80 cr.

Merchant Exports Business

As informed earlier the company is taking a cautious view about the volatility in international trade because of the geo political environment and accordingly has not taken any orders for export during the quarter under review.

Rice Bran Oil Extraction Project

Work on the Rice Bran Oil project is progressing satisfactorily and investments to the tune of Rs.27.59 crores have already been made till 30/09/2023. The management is hopeful of starting the commercial operations during the current financial year. Once fully commissioned the project will be capable of extracting oil from both Rice Bran and Mustard Oil Cake and would contribute significantly in the growth of the business.
