Dear Sirs

**Sub: Company Announcement as per listing requirements - Cerebra opens its new R&R (Refurbishment & Repair) unit with a capacity to produce 25000 laptops /desktops per month per shift.**

This is with reference to the captioned subject, we are pleased to inform that Cerebra Integrated Technologies Limited is opening a new unit completely dedicated to Refurbishment & Repair of IT products in Narasapura, Kolar District near Bangalore.

The facility is being opened by conducting a Pooja on the 12<sup>th</sup> June 2020 and the same will be dedicated as R&R centre (Refurbishment & Repair).

The unit will be able to produce about 25000 laptops/desktops per month per shift in a state of the art automated plant and will be employing more resources in the coming months. The Company has plans to be an authorised refurbisher for large MNC brands also.

This world class facility will have state of the art automated production lines.

The demand for refurbished products is at its peak due to Work From Home (WFH) options adopted by many corporates and IT companies and to facilitate online classes for students.

We plan to sell these refurbished laptops/desktops and other products through Cerebra stores called Cerebra Experience Centres which we have set up across the country.

Kindly take the above on record and treat this as compliance with the listing Regulations.

Thanking you

Yours sincerely  
For Cerebra Integrated Technologies Limited
