News Release

Novelis Reports Third Quarter Fiscal 2022 Results

Q3 Fiscal Year 2022 Highlights

- Net income from continuing operations of \$259 million, up 33% YoY; net income from continuing operations excluding special items was \$241 million, up 15% YoY
- Shipments of 930 kilotonnes, flat YoY
- Adjusted EBITDA of \$506 million, up 1% YoY; Adjusted EBITDA per ton shipped reached \$544, up 1% YoY
- Net leverage ratio improved one full turn to 2.3x, compared to 3.3x as of December 31, 2020
- Announced several strategic investments to expand production and recycling capacity and capabilities

ATLANTA, February 7, 2022 – Novelis Inc., the world leader in aluminum rolling and recycling, today reported net income attributable to its common shareholder of \$262 million in the third quarter of fiscal year 2022, compared to \$176 million in the prior year period. Net income from continuing operations increased to \$259 million compared to \$195 million in the prior year period. Excluding special items in both years, third quarter fiscal year 2022 net income from continuing operations increased 15% to \$241 million, driven mainly by lower interest expense and unrealized derivative gains in the current year.

Net sales increased 33% to \$4.3 billion for the third quarter of fiscal year 2022, compared to \$3.2 billion in the prior year period, primarily driven by higher average aluminum prices. Total flat rolled product shipments were 930 kilotonnes in the third quarter of fiscal year 2022, in line with the prior year period shipments of 933 kilotonnes. Shipment growth was constrained by the continued semiconductor chip shortage impacting the automotive industry.

Adjusted EBITDA increased 1% to \$506 million in the third quarter of fiscal year 2022, compared to \$501 million in the prior year period, which included a \$25 million customer contractual obligation benefit. The underlying increase in Adjusted EBITDA is primarily due to favorable product pricing and mix, as well as favorable metal benefits, which mitigated inflationary cost pressures and supply chain disruption-related costs. Adjusted EBITDA per ton shipped increased to \$544 in the third quarter of fiscal year 2022, compared to \$537 in the prior year period.

"Our strong third quarter results reflect our team's ability to deftly navigate headwinds mainly arising from global supply chain disruptions," said Steve Fisher, President and Chief Executive Officer, Novelis Inc. "We will continue to manage through these challenges, while keeping our eyes on our strategic growth path and meeting growing demand for high-recycled-content, sustainable aluminum products."

Since October 2021, Novelis has announced several capital expansion projects aimed at increasing capacity and capabilities and achieving its sustainability goal to become net carbon-neutral by 2050. In January 2022, Novelis announced plans to build a \$365 million, highly advanced recycling center for the U.S. automotive market. With an annual casting capacity of 240 kilotonnes of sheet ingot, Novelis expects the facility will enable it to grow closed-loop recycling programs with more automotive customers in North America and reduce the company's carbon emissions by more than one million tons each year. Novelis earlier announced strategic growth capital projects totaling approximately \$500 million, including a \$375 million investment to expand its rolling and recycling capabilities in Zhenjiang, China, and a \$130 million investment at its Oswego, New York, plant to increase hot mill capacity and enhance automotive sheet finishing capabilities. Novelis expects these projects to commence this calendar year and begin commissioning in 2024.

Fiscal year-to-date adjusted free cash flow from continuing operations was \$217 million compared to the prior year period of \$331 million. Significantly higher working capital requirements, due mainly to rising aluminum prices in fiscal 2022, were partially offset by higher Adjusted EBITDA and favorable metal price lag. The company's net leverage ratio (net debt / TTM Adjusted EBITDA) improved to 2.3x at the end of the third quarter of fiscal year 2022, compared to 3.3x at the end of the third quarter of fiscal 2021.

"Novelis has generated more than \$1 billion in trailing-twelve-month adjusted free cash flow before capital investments, despite the significant impact from higher aluminum prices this year," said Devinder Ahuja, Executive Vice President and Chief Financial Officer, Novelis Inc. "Continued strong cash generation, coupled with our disciplined capital allocation strategy, enables us to continue to strategically invest in sustainably growing the business while remaining within our targeted net leverage range."

The company ended the third quarter with strong total liquidity of \$2.3 billion as of December 31, 2021.

Third Quarter Fiscal Year 2022 Earnings Conference Call

Novelis will discuss its third quarter fiscal year 2022 results via a live webcast and conference call for investors at 7:00 a.m. EST on Monday, February 7, 2022. To view slides and listen only, visit https://cc.callinfo.com/ r/1vqlmcjl2noh8&eom. To join by telephone, dial toll-free in North America at 800-954-0591, India toll-free at 18002662122 or the international toll line at +1-303-223-0117. Presentation materials and access information can also be found at novelis.com/investors.

About Novelis

Novelis Inc. is driven by its purpose of shaping a sustainable world together. We are a global leader in the production of innovative aluminum products and solutions and the world's largest recycler of aluminum. Our ambition is to be the leading provider of low-carbon, sustainable aluminum solutions and to achieve a fully circular economy by partnering with our suppliers, as well as our customers in the aerospace, automotive, beverage can and specialties industries throughout North America, Europe, Asia and South America. Novelis had net sales of \$12.3 billion in fiscal year 2021. Novelis is a subsidiary of Hindalco Industries Limited, an industry leader in aluminum and copper, and the metals flagship company of the Aditya Birla Group, a multinational conglomerate based in Mumbai. For more information, visit novelis.com.

Non-GAAP Financial Measures

This news release and the presentation slides for the earnings call contain non-GAAP financial measures as defined by SEC rules. We believe these measures are helpful to investors in measuring our financial performance and liquidity and comparing our performance to our peers. However, our non-GAAP financial measures may not be comparable to similarly titled non-GAAP financial measures used by other companies. These non-GAAP financial measures have limitations as an analytical tool and should not be considered in isolation or as a substitute for GAAP financial measures. To the extent we discuss any non-GAAP financial measures on the earnings call, a reconciliation of each measure to the most directly comparable GAAP measure will be available in the presentation slides, which can be found at novelis.com/investors. In addition, the Form 8-K includes a more detailed description of each of these non-GAAP financial measures, together with a discussion of the usefulness and purpose of such measures.

Attached to this news release are tables showing the Condensed Consolidated Statements of Operations, Condensed Consolidated Balance Sheets, Condensed Consolidated Statements of Cash Flows, Reconciliation of Adjusted EBITDA, Adjusted Free Cash Flow, Total Liquidity, Net Debt, Income from continuing operations excluding Special Items, and Segment Information.

Forward-Looking Statements

Statements made in this news release which describe Novelis' intentions, expectations, beliefs or predictions may be forward-looking within the meaning of securities laws. Forward-looking statements include statements preceded by, followed by, or including the words "believes," "expects," "anticipates," "plans," "estimates," "projects," "forecasts," or similar expressions. Examples of forward-looking statements in this news release are statements about our ability to reach our long-term carbon neutrality goals and expand our business through investment in growth capital projects. Novelis cautions that, by their nature, forward-looking statements involve risk and uncertainty and Novelis' actual results could differ materially from those expressed or implied in such statements. We do not intend, and we disclaim any obligation, to update any forward-looking statements, whether as a result of new information, future events or otherwise. Factors that could cause actual results or outcomes to differ from the results expressed or implied by forward-looking statements include, among other things: changes in the prices and availability of aluminum (or premiums associated with such prices) or other materials and raw materials we use; the capacity and effectiveness of our hedging activities; relationships with, and financial and operating conditions of, our customers, suppliers and other stakeholders; fluctuations in the supply of, and prices for, energy in the areas in which we maintain production facilities; our ability to access financing including in connection with potential acquisitions and investments; risks arising out of our acquisition of Aleris Corporation, including uncertainties inherent in the acquisition method of accounting; disruption to our global aluminum production and supply chain as a result of COVID-19; changes in the relative values of various currencies and the effectiveness of our currency hedging activities; factors affecting our operations, such as litigation, including pending and future litigation settlements, environmental remediation and clean-up costs, breakdown of equipment and other events; ability to manage existing facilities and workforce to operate the business; economic, regulatory and political factors within the countries in which we operate or sell our products, including changes in duties or tariffs; competition from other aluminum rolled products producers as well as from substitute materials such as steel, glass, plastic and composite materials; changes in general economic conditions including deterioration in the global economy; the risks of pandemics or other public health emergencies, including the continued spread and impact of, and the governmental and third party response to, the ongoing COVID-19 outbreak; changes in government regulations, particularly those affecting taxes, tax policies and effective tax rates, derivative instruments, environmental, health or safety compliance; changes in interest rates that have the effect of increasing the amounts we pay under our credit facilities and other financing agreements; and our ability to generate cash. The above list of factors is not exhaustive. Other important risk factors are included under the caption "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended March 31, 2021.
