ANNEXURE TO THE NOTICE Explanatory Statement [Pursuant to Section 102(2) of the Companies Act, 2013]

Agenda Item No. 3:

<u>RE-APPOINTMENT OF MR. NARENDRA DATTATRI HALDAWAR AS AN INDEPENDENT</u> <u>DIRECTOR:</u>

Mr. Narendra Dattatri Haldawar is appointed as Independent Directors on the Board of the Company pursuant to the provisions of Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the Regulations of the SEBI (LODR) Regulations, 2015. He holds office as Independent Directors of the Company till 30th December 2019. The Nomination and Remuneration Committee has recommended reappointment of Mr. Narendra Dattatri Haldawar as Independent Directors for a second term of 5 (five) consecutive years on the Board of the Company. The Board, based on the performance evaluation of Independent Directors and as per the recommendation of the Nomination and Remuneration Committee, considers that, given their background and experience and contributions made by him during his tenure, the continued association of Mr. Narendra Dattatri Haldawar would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director. Accordingly, it is proposed to reappoint Mr. Narendra Dattatri Haldawar as Independent Directors of the Company, not liable to retire by rotation and to hold office for a second term of 5 (five) consecutive years on the Board of the Company. Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") inter alia prescribe that an independent director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. Section 149(10) of the Act provides that an independent director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re-appointment on passing a special resolution by the company and disclosure of such appointment in its Board's report. Section 149(11) provides that an independent director may hold office for up to two consecutive terms. Mr. Narendra Dattatri Haldawar is not disqualified from being appointed as Directors in terms of Section 164 of the Act and has given his consent to act as an Independent Director. The Company has also received declaration from Mr. Narendra Dattatri Haldawar that he meets with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the Listing Regulations. In the opinion of the Board, Mr. Narendra Dattatri Haldawar fulfil the conditions for appointment as Independent Directors as specified in the Act and the Listing Regulations. Mr. Narendra Dattatri Haldawar are independent of the management.

Details of Director whose re-appointment as Independent Directors is proposed at Item No. 3, are provided in the "Annexure" to the Notice pursuant to the provisions of (i) the Listing Regulations and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India. Mr. Narendra Dattatri Haldawar are interested in the resolutions set out respectively at Item No. 3 of the Notice with regard to their respective re-appointments.

Save and except the above, none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in these resolutions. This statement may also be regarded as an appropriate disclosure under the Listing Regulations. The Board commends the Special Resolutions set out at Item No. 3 of the Notice for approval by the members.

20.<u>EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QUALIFICATION,</u> <u>RESERVATION/ADVERSE REMARK / DISCLAIMER MADE BY THE AUDITORS:</u>

(i) Statutory Auditor's observations/comments/qualifications:

Point No (i) (b) of CARO Report states that: The Company has a regular program of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. However, in the current year no physical verification of fixed assets has been done by the Company.

Management Reply: The Company is taking necessary measures to physically verify the fixed assets. The Company is also planning to increase the frequency of verification of fixed assets in the coming future.

(ii) Secretarial Auditor's observations/comments/qualifications:

- a. Listed entity shall ensure that hundred percent of shareholding of promoter(s) and promoter group to be in dematerialized form and the same is maintained on a continuous basis in the manner as specified by the Board. I observed that, one of the promoters (M/s. Ovobel NV) shares are not in dematerialized form as prescribed in the provisions of Regulation 31 (2) of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015.
- b. The Company is suspended from trading of securities at Calcutta Stock Exchange Limited.
- c. There were Two days delay in submission of financial results for the 1st Quarter ended 30.06.2018 and One day delay furnishing prior intimation about the Board meeting dated 14.11.2018 to BSE in pursuant to Regulation 33 & 29 of SEBI (LODR) Regulations, 2015.

Management Reply:

- a. The directors of the Company have intimated to the respective promoters to convert their shares from physical form into dematerialized form and the respective promoters are in the process of conversion of their physical shares into dematerialized form.
- b. The Directors of the Company will take necessary steps for delisting of securities at Calcutta Stock Exchange Limited. The Directors of the Company had visited to the Stock Exchange and discussed the matter relating to delisting of shares.
- c. The delay in filing of financial results was due to technical error in the Bombay Stock Exchange's (BSE) website while submitting the financial results with Bombay Stock Exchange (BSE). Further, the Company Suo moto has submitted request letter for condonation of delay in filing the financial results.

The delay in furnishing prior intimation of the Board of directors meeting was due to medical emergency of Mrs. Ritu Singh, Company Secretary cum Compliance officer of the Company. Further, the Company has submitted request letter for condonation of delay in furnishing prior intimation of Board of Directors meeting.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

a. Industry structure and developments:

The company operates in the domain of egg powder and frozen egg manufacture and exports.

At present, there are only few other companies that are active in this domain in India. Your Company has identified the new markets and increased its customer base and product range.

Your company has built a reputation over the years amongst its customer for quality products. The company's sustainability has been centered around enlarging its presence within profitable and attractive retail niches, capitalizing on robust brand building and manufacturing foundation.

b. **Opportunities:**

Due to several corrective measures taken by the management, company's products are in high demand both in domestic and international markets. This unique advantage is likely to result in bringing in more and more opportunities of added commercial advantage during the days ahead.

c. <u>Threats:</u>

While international competition could pose a threat to company's future operations, your Directors' are confident of effectively countering the same by utilizing its past experience and skills.

d. Segment wise or product wise performance:

The company was operating in one predominant segment i.e. manufacture of standard egg powder and frozen egg. At present the company is involved in making specialized products in this segment.

e. Outlook:

Despite the severe working capital shortage, your directors have prioritized in improving its quality measures and have been successful in keeping its clients happy on the product quality front. The management looks to the future with optimism.

f. <u>Risks and concerns:</u>

- Due to the constant rise in raw material prices in the country in the recent past the cost of production is on an increasing trend.
- Rising manpower costs is also a major concern the industry is facing.
- Severe shortage of working capital funds is again a concern for the industry. The company is successful in retaining its clients and convincing them to get better realization by catering with high quality products.

g. Internal control systems and their adequacy:

The company has got adequate internal control systems in place for the current level of operations of the company and your management would continue to strengthen this.

h. <u>Discussion on financial performance with respect to operational performance:</u>

Your Company prepares its financial statements in compliance with the requirements of the Companies Act, 2013 and the Generally Accepted Accounting Principles (GAAP) in India. These financial statements were prepared on a historical cost basis. Your management accepts the responsibility for integrity and objectivity of the financial statements as well as estimates and judgments used. These estimates and judgments relating to financial statements are prudently made to reflect in a true and fair manner the form and substance of transactions. This also enables in reasonably presenting the Company's state of affairs and profits and cash flows for the year ended March 31st, 2019.

i. <u>Material developments in Human Resources/ Industrial Relations front, including</u> <u>number of people employed:</u>

The company has experienced, loyal professionals working in production, sales and administration. The company has got very good industrial relations and the employees and the management has very cordial relationship between them. Your Company prides in the commitment, competence and dedication of employees. The Company's structured induction at all levels and management development programs have helped enhance competence.

j. <u>Cautionary Statement:</u>

Certain statements made in the management discussion and analysis report may constitute 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations, projections and so on, whether express or implied. Several factors could make a significant difference to the Company's operations. These include economic conditions affecting demand and supply, government regulations and taxation, natural calamities and so on over which the Company does not have any direct control.

Form No. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2019

To, The Members, Ovobel Foods Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ovobel Foods Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2019 according to the provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii) The Securities Contracts (Regulation) Act, 1956('SCRA') and the rules made thereunder;

- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('SEBI Act');
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011:
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the prepara tion of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind As and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and ot her irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effect tively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Financial Statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern basis and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasona ble assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from frau d or error and are considered material if, individually or i n aggregate, they could reasonably be expected to influence the econo mic decisions of users taken on basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may inv olve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriat eness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obta ined, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or c onditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we det ermine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

"Annexure A" to the Independent Auditor's Report

Referred to in paragraph 2 under the heading 'Report on Other Legal and Regulatory Requirement' of our Report of even date to the Standalone Ind AS financial statements for the year ended on 31stMarch, 2019 of **OVOBEL FOODS LIMITED**.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone Ind AS financial statements of the Company and taking into consideration the information and explanation given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- 1. (a) The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular program of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. However, in the current year no physical verification of fixed assets has been done by the Company.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, title deeds of immovable properties, as disclosed in Note 2 of the standalone financial statements, are held in the name of the Company.
- 2. The inventory has been physically verified by the management during the year and the discrepancies noticed on such verification between the physical stock and the book records were not material. In our opinion, the frequency of such verification is reasonable.
- 3. In our opinion and according to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Accordingly, the provisions of paragraph 3 (iii) (a), (b) and (c) of the Order are not applicable.
- 4. In our opinion and according to the information and explanations given to us, the company has not granted any loans to parties and accordingly the paragraph 3(iv) relating to provisions of Section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security does not apply.
- 5. The company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2013 and the rules framed there under.
- 6. As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub- section (1) of Section 148 of the Act, in respect of the activities carried on by the Company.

7. a) Undisputed Statutory dues including PF, ESI, Income tax, Sales tax, Service Tax, duty of custom, Duty of Excise, Value added Tax, cess have generally been regularly deposited with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2019 for a period of more than six months from the date on when they become payable.

- b) According to the information and explanations given to us, there are no dues of income tax, sales tax, value added tax, service tax, duty of customs, duty of excise which have not been deposited with the appropriate authorities on account of any dispute.
- 8. Based on our audit procedures, we are of the opinion that the company has not defaulted in repayment of dues to its bank, financial institutions, Government or Debenture holders.
- 9. The Company has not raised any moneys by way of initial Public offer / Further Public offer during the Year. In our opinion, the moneys raised by way of Term Loans during the year were applied for the purposes for which those are raised.
- 10. Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company and no fraud on the company by its officers or employees has been noticed or reported during the year.
- 11. Based upon the audit procedures performed and the information and explanations given by the management, managerial remuneration has been paid to managerial personnel defined as per section 197 read with Schedule V to the Companies Act;
- 12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- 13. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with Section 188 of the Act where applicable and details of such transactions have been disclosed in the standalone Ind AS financial statements as required by the applicable Indian Accounting standards.
- 14. Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- 15. Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non- cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.

16. The Company is not required to be registered under section 45IA of the Reserve Bank of India Act, 1934 and accordingly, paragraph 3(xvi) of the Order is not applicable to the Company.

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF OVOBEL FOODS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the

Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ovobel Foods Limited** as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls over Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act, the standalone IND AS financial statements of the Company, which comprise the Balance Sheet as at March 31, 2019, and the related Statement of Profit and Loss, changes in equity and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report even dated expressed an "unqualified opinion thereon"

1A Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements have been prepared on the historical cost basis, except for certain financial instruments which are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III (Division II) to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements are presented in Indian Rupees in Lakhs, except when otherwise indicated.

1B Significant accounting policies

i Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

ii Accounting of FPS (MEIS) Licence

Company is entitled to receive Government Assistance on FOB Value of its export turnover. As per Indian Accounting Standard (IND AS) 20, "Accounting for Government Grants and Disclosure of Government Assistance", government grants including non monetary grants shall be recognised when company is well assured that: a) the company will comply with conditions attaching to them; and

b) the grant will be received.

Company recognises income arising from Focus Product Scheme [FPS] and duty drawback under the MEIS Scheme of Foreign trade policy on accrual basis since the Company has reasonable assurance of receiving of the entitlement applied with Director General of Foreign Trade (DGFT) authorities.

iii Property, plant and equipment and depreciation/amortisation

A. Property, plant and equipment

Property, plant and equipment except land are carried at historical cost of acquisition, less accumulated depreciation and amortisation.

Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures its 'value in use' on the basis of undiscounted cash flows of next five years projections estimated based on current prices.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Assets under installation or under construction and the related advances as at the Balance Sheet date are shown as Capital Work in Progress.

B. Transition to IND AS

On Transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April 2016 measured as per previous GAAP which in case of the Company, corresponds with carrying costs measured in accordance with Ind AS 16 Property, plant and equipment.

C. Depreciation and amortisation methods, estimated useful lives and residual value

a) On tangible Assets

- I a) Depreciation is provided on a pro rata basis on the written down value method to allocate the cost, net of residual value over the estimated useful lives of the assets.
 - b) Where a significant component (in terms of cost) of an asset has an estimated economic useful life shorter than that of it's corresponding asset, the component is depreciated over it's shorter life.
 - c) Useful life of assets are determined by the Management by internal technical assessments except in case where such assessment suggests a life significantly different from those prescribed by Schedule IL Part 'C' the useful life is as assessed and cartified by a technical expert
 - significantly different from those prescribed by Schedule II- Part 'C', the useful life is as assessed and certified by a technical expert.
- II Assets which are depreciated over useful life/residual value indicated by Schedule II are as follows:

Asset Class	Life As per Schedule II
Factory Buildings	30 years
Office Equipments	05 years
Furniture & Fixtures	10 years
Plant & Machinery - Continuous process plant	08 years
Plant & Machinery - Electrical Installations & General Laboratory equipments	10 years
Plant & Machinery - Others (Material handling pipelines & welding equipments)	12 years
Plant & Machinery - Other Equipments	15 years
Plant & Machinery - Vessels / Storage tanks and drying equipments / centrifuges	20 years
Plant & Machinery - Transmission lines, cables & other network assets	40 years
Computers & data processing units	03 years
Motor Vehicles	08 years

III Depreciation on additions is being provided on pro rata basis from the month of such additions.

IV Depreciation on assets sold, discarded or demolished during the year is being provided up to the month in which such assets are sold, discarded or demolished.

b) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

iv Inventories

Cost of inventories have been computed to include all costs of purchases (including materials), cost of conversion and other costs incurred, as the case may be, in bringing the inventories to their present location and condition.

Inventories comprising of Raw materials, Finished goods and Goods in transit are valued at cost or net realisable value whichever is less. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

v Investments & financial assets

i) Classification

The Company classifies its financial assets in the following measurement categories :-

- a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- b) those measured at amortised cost.

The classification is done depending upon the Company's business model for managing the financial assets and the contractual terms of the cash flows.

ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value in the case of financial asset not at fair value through profit or loss', transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at 'fair value through profit or loss' are expensed in profit or loss.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost, are measured at fair value through profit or loss e.g. investments in mutual funds. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss and presented net in the Statement of Profit and Loss within other gains/(losses) in the period in which it arises.

iii) Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

iv Income recognition

Interest Income

Interest income from Financial assets (Rent deposits) is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial asset but does not consider the expected credit losses.

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

vi Foreign currency transactions

i) Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

ii) On initial recognition, all foreign currency transactions are recorded at foreign exchange rate on the date of transaction as notified by CBEC from time to time

iii) Monetary items of current assets and liabilities in foreign currency outstanding at the close of financial year are revalued at the appropriate exchange rates prevailing at the close of the year.

iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates, in case of monetary current assets and liabilities in foreign currency, are recognised in the Statement of Profit and Loss in the manner detailed in note 20 to financial statements.

vii Cash & Cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

viii Revenue Recognition

The Company has adopted IndAS 115-"Revenue from Contracts with Customer ", with effect from 01 April 2018. Company has applied the following accounting policy in the preparation of its financial statements:

The Group recognises revenue from contracts with customers based on a five step model as set out in IndAS 115:

Step 1. Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2. Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3. Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4. Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5. Recognise revenue when (or as) the entity satisfies a performance obligation.

Company recognises revenue at a point in time when it satisfies a performance obligation by transferring promised goods to a customer. An assset is transferred when the customer obtains control of the same.

When the company satisfies a performance obligation by delivering the promised goods or services it creates a contract asset based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognised this gives rise to a contract liability.

Company undertakes production and sale of processed egg products and by products. The produced goods are sold to domestic and export customers.

Export Sales

Export contracts are entered on terms of CIF(cost, insurance and frieght) and CRF(cost and frieght) basis.

Control of goods is said to be transferred when customer has the ability to direct the use of and obtain the benefits from the good or service irrespective of risk or rewards being transferred. The shipment terms of CIF and CRF are a measure of transfer of risk and rewards only. Therefore, the transfer of control and point of recognising revenue will be considered when the goods arrive at their final destination port.

Domestic Sales

Revenue under domestic contracts is recognised when goods are outwarded from the place of production as the customer obtains control from that point of time, i.e., customer can direct its use thereafter.

Other Income

Other Income shall be required when entity satisfies the respective performance obligation.

ix Write back policy for provisions / liabilities

Accrued Interest on loans recorded in the books are retained until the Company receives the "No due certificate" / Account closure letter from the financial institutions / authorities and after receiving the "No due certificate", the liability shall be written back and recorded as income.

K Foreign Currency Transactions

Foreign currency transactions during the year are initially recognised in the functional currency at the rate of exchange prevailing at the date of transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss in the period in which they arise. Foreign currency monetary items as at the balance date are translated using the closing rate; the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non- Monetary items that are measured in terms of historical cost in a foreign currency and are translated using the exchange rate at the date of transaction.

xi Cash Flow Statements

The entity reports the cash flow from

a) operating activities using indirect method by adjusting the profit or loss for the effects of transactions of non-cash nature, deferrals or accruals of past or future cash receipts or payments and item of income or expense associated with investing or financing cash flows.

b) From investing and financing activities by reporting separately the major cash receipts and cash payments that arises from investing and financing activities except to the extent permitted to be reported on net basis by IND AS -7.

xii Sales Commission

Sales Commission payable is provided as and when the revenue from such sales is accounted.

xiii Earnings Per Share

Basic earnings per share amounts are computed by dividing net profit or loss for the period attributable to equity shareholders by the weighted average number of shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xiv Retirement Benefits- Defined Benefit Plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plans. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The entity determines the defined benefit liability/asset annually by referring the same for valuation by a qualified actuary. The qualified actuary valued the defined benefit obligation by using the projected unit credit method. The amounts recognised in the financial statements are based on such actuarial valuation. Such determination of defined benefit obligations takes into account any practices of constructive obligations. The obligations (in respect of each material plan) are recognised in the financial statements

a) In Statement of Profit &Loss
 (i) Current service cost
 (ii) Any past service cost and gain or loss on settlement
 (iii) Net interest on net defined benefit liability

b) In Other comprehensive income

(i) Actuarial gains and losses(ii) Return on plan assets, excluding amounts included in net interest on the net defined benefit liability(iii) Any change in the effect of asset ceiling

c) In the Balance sheet, the net defined benefit/asset is separately recognised and in respect of surplus in a defined plan, the net defined asset is measured at lower of a) Surplus in the defined benefit plan and

b) The asset ceiling

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Corporation recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(iv) Long-term employee benefits

The Other long-term benefits that arise consequent to employment contracts are recognised in Statement of Profit & Loss as

(i) Service cost

(ii) Net interest on net defined benefit liability

(iii) Re-measurements of the net defined benefit liability

Long term paid absences and other long-term employee benefits are provided for on the basis of an actuarial valuation, using projected unit credit method, as at each balance sheet date.

xv Segment reporting

Identification of segments

The company's operating businesses are organized and managed according to the geographical locations of the customers.

xvi Taxation

Current tax is determined based on the amount of tax payable in respect of taxable income for the year.

Deferred tax is recognized on timing differences: being the difference between the taxable incomes and accounting income that originate in one year and are capable of reversal in one or more subsequent years. Deferred tax assets and liabilities have been enacted or substantively enacted by the Balance sheet date. Deferred tax assets arising on account of unabsorbed depreciation or carry forward of tax losses are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

xvii Contingent Liabilities & Provisions

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation such as product warranty costs. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

a. The Company had availed three financial assistances in the earlier years from KSIIDC & MFPI viz. (i) KSIIDC Term loan of Rs. 4,000 thousands (ii) KSIIDC - Corporate loan Rs. 4,625 thousands and (iii) MFPI Term loan of Rs. 4,150 thousands, which are secured by way of first charge on the fixed assets of the company by way of equitable mortgage of factory land and building, hypothecation of plant and machinery as well as personal guarantee of few directors and also Corporate Guarantee by Companies in which Directors are Interested.

b. During the year 2014-15 the company had based on BIFR directions arrived at a scheme of settlement of the dues of both KSIIDC as well as MFPI, totally amounting to Rs. 824 lakhs in terms of approval given by each of them and pending its approval/sanction by BIFR. The company has also remitted the dues as claimed by both of them, though a part of the claims are protested, a final decision is awaited and which was linked to the consent of BIFR. However, with the replacement of SICA with effect from 1st December 2016 the said consent /sanction from BIFR for the above settlements are no longer required/ possible and accordingly the company has once again approached KSIIDC/MFPI for :

a) Issue of no due/accounts closure letters

- b) Arrangement for satisfaction for charge as well as for modification of charge providing for exclusive first charge in the favour of Vijaya bank
- c) Arrangement for transfer of the equity in favour of the company.

c. Once KSIIDC/ MFPI approve the said request and issues necessary consent and the matter reaches finality, necessary entries will be passed in the books of accounts giving effect to the sacrifice/ concessions extended by each of them

d. During the year 2014-15 the Company has, based on BIFR directions, arrived at a scheme of settlement of the dues of both KSIIDC as well as MFPI, totally amounting to Rs. 824 lakhs in terms of approval given by each of them pending its approval/sanction by BIFR. The Company has also remitted the dues as claimed by both of them, though a part of the claims are protested, a final decision is dependent upon the rehabilitation scheme to be sanctioned by BIFR under the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985.

e. The Company had remitted the dues as claimed by KSIIDC and MFPI under the OTS Scheme in the earlier years. The Company had not recorded the final entries in the books of accounts giving the effect of concessions provided by KSIIDC and MFPI till previous year.

However, during the previous year, the KSIIDC had given the No Due certificate with respect to the loan outstanding and interest accrued. Hence the Company has written back the interest accrued portion of KSIIDC.

During the current year, company has obtained no due certificate from MFPI with respect to the loan outstanding and interest accrued. Hence the company has written back the interest accrued portion of MFPI.

Packing Credit and Bill discounting are secured loans - Details are as below -

- f. First charge on the raw materials, work in progress, finished goods and receivables.
- g. First charge on the fixed assets of the company, (pending modification of the charge to be effected by KSIIDC).

h. Personal guarantee of the directors.

		Carrying Fair Value amount		Carrying amount	Fair Value
Financial assets					
Loans	3	676.35	676.35	-	-
Total assets		676.35	676.35	-	-

The carrying amount of short term trade receivables, cash and cash equivalents, trade payables, borrowings and other financial assets and liabilities are considered to be same as their fair values, due to their short term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair value.

C. Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents the fair value measurement hierarchy of financial assets and liabilities measured at fair value on recurring basis as at March 31, 2019 and March 31, 2018

40. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company to support its operations. The Company's principal financial assets include investments, cash and cash equivalents and security deposits that derive directly from its operations.

The Company is exposed to credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Financial Instrument and Cash Deposit

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Finance Committee. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2018 and 2017 is the carrying amounts.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments.
