# Bandhan Financial to acquire Aegon Life Insurance

MITHUN DASGUPTA  
Kolkata, July 24

**BANDHAN FINANCIAL HOLDINGS (BFHL)** has entered into a "definitive agreement" with Aegon India Holding and Bennett, Coleman & Company for the acquisition of the entire shareholding of Aegon and BCCL in Aegon Life Insurance Company.

The acquisition is subject to the receipt of necessary regulatory approvals and customary closing conditions, according to a statement.

Aegon Life's new business premium stood at ₹11.45 crore for the last financial year, registering a 31.3% year-on-year fall, according to the Life Insurance Council's data. The insurance company has around 300,000 customers.

BFHL, the holding company of private sector lender Bandhan Bank, was selected as the successful bidder to acquire Aegon Life in a competitive bidding process which witnessed participation from various investors. "Upon completion, this will mark BFHL's foray into life insurance sector in India, in addition to its presence in banking and mutual fund sectors, thereby enabling an important step towards creation of a diversified financial services group, which caters to the needs of all Indians," the statement said.

The agreement envisages continuity of the current management team and existing employees, which would help in actively developing and sup-

porting Aegon Life's strategy under BFHL's ownership.

Karni S Arha, MD of Bandhan Financial Holdings, said, "We believe that life insurance in India is a large multi-faceted market and together with the demographic advantage as well as favourable economic outlook, it presents a significant business opportunity."

According to Arha, the acquisition of Aegon Life provides BFHL an opportunity to enhance its portfolio of products and services in the financial services sector. It will provide BFHL with the access to an established technology platform and product suite, coupled with an experienced management team.

Marco Keim, CEO of Aegon International BV, said, "I believe that Bandhan will be a good home for the employees and policyholders of Aegon Life and I wish them all the success in the future."

After acquiring IDFC AMC via a consortium in April last year, BFHL had said it would be looking at entering the insurance space within two years.

# IN EM BOND RALLY, EL NIÑO THREAT LOOKS UNDERPRICED

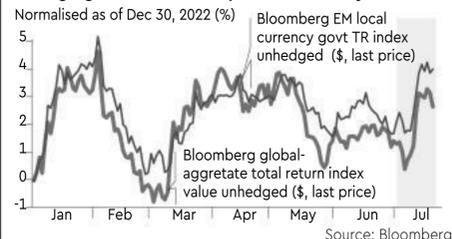

Investors appear unfazed till now on the impact of El Niño which is set to be particularly severe as it coincides with record global temperatures. Emerging-market (EM) bonds have been rallying till the beginning of this month on optimism that inflation is on its way down and central bank interest rates are close to — or already at — their peak. A Bloomberg index of local-currency EM debt has risen around 4% this year, beating the 2.7% gain of a global bond gauge, based on returns to dollar-based investors. According to a recent Goldman

Sachs note, while the prospect of El Niño causing food-supply disruptions is a hawkish

risk to the EM inflation story, investors have largely looked through that threat.

Emerging bonds have outperformed this year
