DISCLOSURE OF MATERIAL IMPACT OF COVID-19 PANDEMIC

1. IMPACT OF THE COVID-19 PANDEMIC ON THE BUSINESS:

The SARS-Cov-2 virus responsible for COVID-19 continues to spread across the globe and India. It has contributed to a significant decline and volatility in global and Indian Financial Markets and a significant decrease in the economic activities. On March 11, 2020, the COVID-19 outbreaks declared as a global pandemic by the World Health Organization. On March 24, 2020, the Indian Government had announced a strict 21 days lock down which kept on getting extended across the country with gradual and modest relaxations. This pandemic has caused disruption to businesses and economic activity which has been reflected in recent fluctuations in markets across the globe which has led to non-meeting of expected revenues.

Further, there were also restrictions of varying extent across larger part of the world, due to the COVID-19 pandemic. This impacted the business operations of the Company significantly. Due to this limited operability of transportation during Lockdown, Company was incapable to dispatch the orders to their respective customers on the real time. On other side, due of lack of funds, Government has also stopped to issue new tenders in the market, which also made a significant loss to the company.

2. CLOSED DOWN AND RESTARTING THE OPERATIONS:

The offices & plants of the Company were shut down during the lockdown period. The Company has implemented the 'Work from home' policy from 23rd March 2020 and carried on it till the end of the May, 2020 month in line with the guidelines by the Central /State government..

The Company had partially resumed its office gradually as per the permission granted by the Government with less number of workmen and employees after initiating all necessary safety measures. The offices of the Company had also resumed with limited attendance gradually from 01st June, 2020, in line with the guidelines by the Central /State government.

The Company will continue its efforts towards achieving normalized level of operations, depending upon prevailing situations and government directives.

3. ESTIMATION OF THE FUTURE IMPACT OF COVID-19 ON ITS OPERATIONS:
