Dear Stakeholders,

It has come to our attention that some unknown senders are spreading false and misleading information through Instagram messages regarding a possible increase in the share price of our company in the near future. The information being circulated is completely baseless and lacks any merit.

We want to make it clear that neither the company nor any of its promoters, directors, or KMPs are involved in spreading such information. We have not provided any guidance or made any announcement that could lead to such an increase in the share price of our company.
