Our new identity

**With innovation as one of our values,
We thrive in an ever-changing world.**

In 1983, one man's dream gave birth to Jyothy Laboratories in Thrissur, Kerala. From manufacturing and selling a single product to a household name in the category, Jyothy Laboratories has come a long way. With a hunger that drives us to better people's lives, there's only one way we're looking: forward. We're proud to announce a new identity that contemporizes our presence. Keeping up with the times, we're now Jyothy Labs.

Seek the light,
Spread the light!

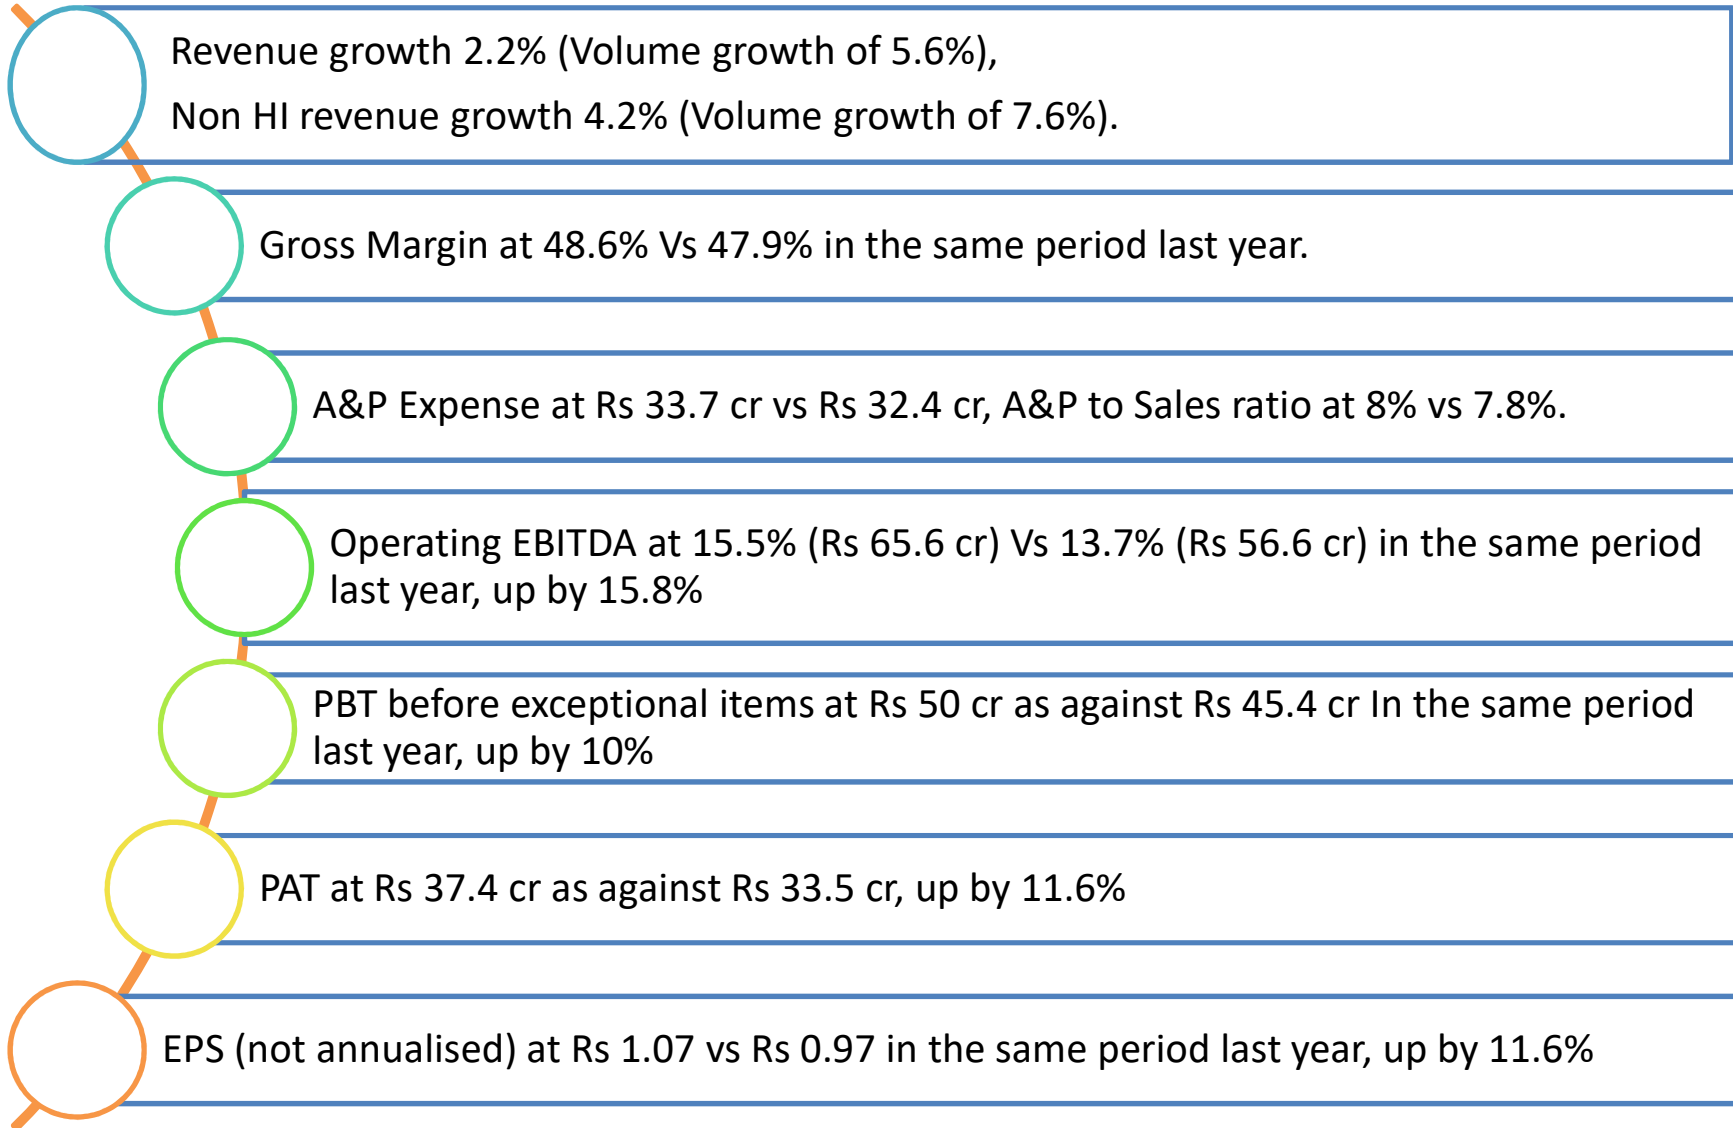

Market Scenario

- Demand scenario stable. Expected to pick up with normal monsoon. Outlook positive going forward.
- Volume growth will be a key driver as players will contest respective turfs vigorously. However, softening of crude and key raw material prices could see stable margins
- Naturals as a trend remain a consistent theme . Specific segments continue to witness premiumisation trend.
