G-Sec purchase of ₹25,000 cr under G-SAP 1.0 on Apr 15

PRESS TRUST OF INDIA Mumbai, April 8

THE RESERVE BANK of India on Thursday said the first purchase of government securities (G-Sec) worth ₹25,000 crore under the G-sec Acquisition Programme (G-SAP 1.0) will be done on April 15 with a view to enabling a stable and orderly evolution of the yield

After the Monetary Policy Committee meeting on Wednesday, governor Shaktikanta Das announced that the RBI will conduct open market purchase of government securities (G-Secs) of ₹1 lakh crore under the G-SAP 1.0 in the first quarter of this financial year.

"The first purchase of government securities for an aggregate amount of ₹25,000 crore under G-SAP 1.0 will be conducted on April 15, 2021," the central bank said in a state-

On April 15, the RBI will purchase five government securities of different maturities amounting to Rs 25,000 crore. There will be no securitywise notified amount.

On Wednesday, the RBI had said it will put in place a secondary market government securities acquisition programme or G-SAP 1.0 for this

RBI governor Shaktikanta Das

fiscal to enable an orderly evolution of the yield curve.

The central bank said the endeavour through the programme will be to ensure congenial financial conditions for the economic recovery to gain traction.

Under the programme, which will be for 2021-22, the RBI will commit "upfront to a specific amount of open market purchases of government securities with a view to enabling a stable and orderly evolution of the yield curve amidst comfortable liquidity conditions," Das had said.

G-SAP will run alongside RBI's regular operations, including liquidity adjustment facility, open market operations and Operation Twist, deputy governor Michael Debabrata Patra had said.

Srei Equipment Fin receives EoIs from global PE players for up to \$250-m infusion

FE BUREAU Kolkata, April 8

SREI EQUIPMENT FINANCE, a wholly owned subsidiary of Srei Infrastructure Finance, on Thursday said it has received expressions of interest (EoIs) from international private equity investors for up to \$250-million capital infusion. The PE funds are Arena Investors of the US and Singapore's Makara Capital Partners.

SEFL's strategic coordination committee, chaired by independent director Malay Mukherjee, will coordinate, negotiate and conclude discussions with the PE investors to bring the capital into the business and advise the management, Srei Infrastructure Finance said in a stock exchange filing. Ernst & Young will be advising the committee on the proposed fund-raising exercise.

"The SCC is running an independent process for investor identification and has received expression of interest

from Arena Investors and Makara Capital Partners. This process is being carried out in parallel to the debt realignment plan. The SCC will engage in discussions with the potential investors to raise fresh capital for the business, which will provide cushion against the pandemic-induced stress...; the statement said.

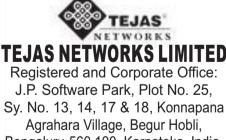

Srei has a consolidated debt of around ₹20,000 crore from Indian banks and around ₹10,000 crore through bonds and from other financial institutions.

Interestingly, Brickwork Ratings (BWR) has downgraded the long-term ratings of SIFL on the innovative perpetual debt instrument to 'BWR D' from 'BWR BB'/credit watch with negative implications."The rating downgrade is on account of continuous delays in meeting the debt repayment obligations by SEFL and on applicability of BWRs cross default policy which is in line with Sebi guidelines," the rating agency said.

Srei Equipment Fin receives EoIs from global PE players for up to \$250-m infusion

FE BUREAU Kolkata, April 8

SREI EQUIPMENT FINANCE, a wholly owned subsidiary of Srei Infrastructure Finance, on Thursday said it has received expressions of interest (EoIs) from international private equity investors for up to \$250-million capital infusion. The PE funds are Arena Investors of the US and Singapore's Makara Capital Partners.

SEFL's strategic coordination committee, chaired by independent director Malay Mukherjee, will coordinate, negotiate and conclude discussions with the PE investors to bring the capital into the business and advise the management, Srei Infrastructure Finance said in a stock exchange filing. Ernst & Young will be advising the committee on the proposed fund-raising exercise.

"The SCC is running an independent process for investor identification and has received expression of interest

from Arena Investors and Makara Capital Partners. This process is being carried out in parallel to the debt realignment plan. The SCC will engage in discussions with the potential investors to raise fresh capital for the business, which will provide cushion against the pandemic-induced stress..., the statement said.

Srei has a consolidated debt of around ₹20,000 crore from Indian banks and around ₹10,000 crore through bonds and from other financial insti-

Interestingly, Brickwork Ratings (BWR) has downgraded the long-term ratings of SIFL on the innovative perpetual debt instrument to 'BWR D' from 'BWR BB'/credit watch with negative implications."The rating downgrade is on account of continuous delays in meeting the debt repayment obligations by SEFL and on applicability of BWRs cross default policy which is in line with Sebi guidelines," the rating agency said.
