Independent Auditor's Limited review report on Quarterly Consolidated Interim Financial results of Coffee Day Enterprises Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,

Board of Directors of Coffee Day Enterprises Limited

1. We were engaged to review the accompanying Statement of unaudited consolidated financial results of Coffee Day Enterprises Limited ('the Parent Company') and its subsidiaries (the Parent and its subsidiaries together referred to as 'the Group'), and its share of the net profit after tax and total comprehensive income of its associates and joint ventures for the quarter ended December 31, 2023 ('the Statement'), being submitted by the Parent Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. It is the responsibility of the Parent Company's Management and Board of Directors to compile this Statement from the individual final accounts prepared by the management of the subsidiaries in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement has been approved by the Parent Company's Board of Directors.
3. Our responsibility is to conduct a review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review

procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit conclusion.

We are also responsible for performing procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Due to the matters described in the paragraph 5 below, we were not able to obtain sufficient evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the Statement.

4. The Statement includes the results of the entities as per the attached Annexure I.

5. Basis for disclaimer of conclusion

- a. Disclaimer of conclusion has been expressed in the reports of the Parent Company with regard to the preparation of financial results. It is observed that there has been a change in the percentage of shares held by the Company in two of its subsidiaries as of December 31, 2023 vis-à-vis March 31, 2019, due to the invocation of shares by the lenders of the subsidiaries. However, while considering the amount invested in the subsidiaries, the Management of the Company has considered the erstwhile shareholding pattern prior to dilution as the Management believes that the change in shareholding is temporary in nature and the shares pledged will be redeemed back by the Company (refer to Note 15 of the Statement). However, these shares have been transferred to such lenders before December 31, 2023. We have been informed that the lenders have not sold any of the shares invoked and consequently have not made any adjustments to the loan outstanding. Accordingly, the

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

Management believes that it is not possible to attribute any sale value to the invoked shares. Consequently, the impact of the said transfer on the consolidated financial results cannot be ascertained.

Further, the impact of the aforesaid on this Statement, including but not limited to the profit attributable to the non-controlling interest in the Company, cannot be ascertained. Accordingly, the level of compliance to the requirements of the Indian Accounting Standards cannot be ascertained by us.

- b. Attention is drawn to Note 5 of this statement wherein a final adjudication order dated 24.01.2023 has been served on the company under section 11 (11(4), 11(4A), 11B and 11B (of the Securities and Exchange Board of India Act, 1992 read with Rule 5 of SEBI (Procedure for Holding Inquiry and Imposing Penalties) Rules, 1995 by SEBI imposed with a total monetary penalty of Rs.26,00,00,000 (Rupees Twenty-Six Crore) under Section 15HA and Section 15HB of the SEBI Act, 1992 respectively on account of violations of provisions of Section 12A(a), (b) & (c) of the SEBI Act, 1992 read with Regulations 3(b), (c) & (d) and 4(1) of the PFUTP Regulations as stated in Para 59 and 60 of its order relating to the advances to MACEL by the subsidiaries of the Company.

SEBI has directed the Company to appoint an Independent Law firm in consultation with NSE within 60 days of this order, to take effective steps for recovery of dues from MACEL to various subsidiaries and joint venture of the company.

Thereafter, the Company (CDEL) appealed against the above order dated 24th January 2023 to the Hon'ble Securities Appellate Tribunal (SAT). However, the SAT granted stay on imposition of penalty.

As per the orders of SEBI, the CDEL appointed an Independent Law Firm, Crest Law on 3rd April 2023 to take effective steps for recovery of dues from MACEL.

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

Further, we have stated in respect of 1 subsidiary, which in turn has 2 subsidiaries and 3 joint ventures, along with other 3 subsidiaries and 1 step-down subsidiaries, based on our review, have issued a disclaimer of conclusion due to the possible impact of the recoverability of dues from MACEL.

Hence we are unable to comment on the recoverability of amount due from MACEL amounting to Rs.3,390.83 crores to the group as a whole.

- c. In respect of the Holding Company and some of the subsidiaries, there are instances of non-compliance with certain debt covenants and defaults in repayment of interest and borrowing as per the schedule of repayment. We have been informed that during the previous years certain lenders have exercised their right to recall the loan (refer Note 7, 9, 12, 13 & 17 of the Statement). However, in the absence of the adequate evidence, we are unable to comment on the consequential adjustments that might impact this Statement on account of non-compliance with debt covenants.

Further, in view of the loan recall notices, legal disputes and pending one-time settlement with the lenders of the Company, the Management has not recognised interest on the loans outstanding as of December 31, 2023. As the loan recall letters provided by the lenders requires payment of interest, non-provision of interest is not in line with the accrual concept of accounting.

Further, this has also been disclaimed by us in our reports of the Parent Company, 1 subsidiaries and 1 step-down subsidiaries.

In case of the Parent Company and 1 step-down subsidiary, we have disclaimed that the balance confirmations in case of certain borrowings have not been provided to us. (Refer Note 17 to the Statement).

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

- d. The Group has Goodwill of INR 361 Crores arising on consolidation (Refer Note 6 of the statement). In view of the developments during the period, including the investigation report submitted to the company. The last drawn valuation report provided to us by the Company was dated March 31, 2019, the Group is required to assess the said asset for impairment as required by Ind AS 36, 'Impairment of Assets'. However, the same is pending as of March 31, 2023. In the absence of a valuation report, we are unable to comment on whether any provisions on account of impairment is required and the consequential impact of the same on this statement.
- e. The Consolidated Financial results of the Group have been prepared by the Management and Board of Directors using the going concern assumption (refer Note 8 of the statement). The matters detailed in the above paragraphs may have a consequential implication on the Group's ability to continue as a going concern.

Further, the auditors of two subsidiaries and two step-down subsidiaries have expressed the same in their reports.

6. Disclaimer of conclusion

In view of the nature of the matters described in paragraph 5, '**Basis for disclaimer of conclusion**'; above for which absence of sufficient evidence has resulted in limitation on work and the consequent adjustments not being determined and based on the consideration of the review reports of the other auditors referred to in paragraph 8 below, we are unable to state whether the accompanying statement has been prepared in accordance with the recognition and measurement principles laid down in the relevant Indian Accounting Standards and other

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

accounting principles generally accepted in India, or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement. Thus, we do not express a conclusion on the accompanying financial results.

7. Emphasis of Matter

Independent Auditor's Limited Review Report on the unaudited standalone Quarterly Financial results of the Coffee Day Enterprises Limited pursuant to the regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015

To

Board of Directors of Coffee Day Enterprises Limited

1. We were engaged to review the accompanying statement of unaudited standalone financial results of Coffee Day Enterprises Limited ('the Company') for the quarter ended December 31,2023.
2. It is the responsibility of the Company's Management and Board of Directors to prepare this Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement has been approved by the Company's Board of Directors.
3. Our responsibility is to conduct a review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Coffee Day Enterprises Limited

Limited review report (continued)

Because of the matters described in the paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis for conclusion on the financial results and hence we do not express a conclusion on the results.

4. Basis for disclaimer of conclusion

- a. We have not been provided with sufficient evidence with respect to recoverability of dues from group companies amounting to INR 1,619 Crores stated to be recoverable by the management (as detailed in Note 7 of the Statement). We are therefore unable to comment on the recoverability of the stated balance from group companies and the impact on the Statement.

- b. It is observed that there has been a change in the percentage of shares held by the Company in two subsidiaries (as detailed in Note 10 of the Statement) as of December 31,2023 vis-à-vis March 31, 2019 due to invocation of shares by the lenders of the subsidiaries. However, while considering the amount invested in the subsidiaries, the Management of the Company has considered the erstwhile shareholding pattern prior to dilution as the Management believes that the change in shareholding is temporary in nature and the shares pledged will be redeemed back by the Company.

However, these shares have been transferred to such lenders before December 31,2023. We have been informed that the lenders have not sold any of the shares invoked and consequently have not made any adjustments to the loan outstanding. Accordingly, the

Coffee Day Enterprises Limited

Limited review report (continued)

management believes that it is not possible to attribute any sale value to the invoked shares. Consequently, the impact of the said transfer on the standalone financial statements cannot be ascertained.

- c. The Management of the Company has not carried out any impairment exercise on its investments in subsidiaries, associates and joint ventures with a carrying value of INR 1,841 Crore as at December 31,2023, as required by Ind AS 36, 'Impairment of Assets', particularly consequent to developments during this period. As detailed in Note 5 of the Statement, the company makes an assessment of impairment only at the end of the financial year. We are therefore unable to comment on the impairment if any on investments in subsidiaries, associates and joint ventures and the effect, if any, on this Statement.
- d. Attention is drawn to Note 6, 8 and 13 of the standalone financial statement, wherein instances of non-compliance with certain debt covenants including interest & principal repayment defaults have been described. We also draw attention to the fact that the Company has not obtained the balance confirmations on loans from lenders. In the absence of adequate and sufficient audit evidence to establish the amounts payable to the lenders, we are unable to provide our opinion on the correctness of these amounts reflected in the standalone financial statement and also on their consequential impact including potential tax liabilities. We have been informed that during the year certain lenders have exercised their right to recall the loan and some lenders have initiated legal action to recover dues. However, in the absence of the adequate evidence, we are unable to comment on the

Coffee Day Enterprises Limited

Limited review report (continued)

consequential adjustments that might impact this Statement on account of non-compliance with debt covenants.

Further, in view of the loan recall notices, legal disputes and pending one-time settlement with the lenders of the Company, the Management has not recognised interest on the loans outstanding as of December 31,2023 aggregated to INR 41.3 Crores. As the loan recall letters provided by the lenders requires payment of interest and penal interest, non-provision of such interest is not in line with the accrual concept of accounting.

e. This Statement has been prepared by the Management and Board of Directors using the going concern assumption (Refer Note 9 of the Statement). The matters detailed in the above paragraphs may have a consequential implication on the Company's ability to continue as a going concern. We are therefore unable to comment on whether the going concern basis for preparation of the Statement is appropriate.

5. Disclaimer of conclusion

Because of the substantive nature of the matters stated in paragraph 4, '**Basis for disclaimer of conclusion**', above for which we have not been able to obtain sufficient evidence, we are unable to state whether the accompanying Statement has been prepared in accordance with the applicable accounting standards and other recognized accounting practices and policies or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement. Thus, we do not express a conclusion on the accompanying financial results.

As per the orders of SEBI, the CDEL appointed an Independent Law Firm, Crest Law on 3rd April 2023 to take effective steps for recovery of dues from MACEL.

Coffee Day Enterprises Limited

Limited review report (continued)

- b. We draw attention to Note 12 of the Statement, detailing facts relating to the sale of shares held by the company in Coffee Day Global Limited given as security to RBL Bank limited for loan availed by M/s.Sical Logistics limited, an erstwhile subsidiary of the company. During the quarter ended 30 September 2023, RBL bank limited has sold the above security given by the company and adjusted the proceeds against the dues of M/s Sical Logistics Limited and company has recognized a loss of Rs.24.00 crores from the above sale transaction as an exceptional item.

Explanatory Notes to the Statement of Unaudited Standalone Financial Results for the Quarter and nine months ended 31 December 2023

- 10 Change in the percentage of shares held by the Company in its two subsidiaries viz M/s TDL & M/s CDGL as of December 31, 2023 vis-à-vis March 31, 2019 due to invocation of shares pledged to the lenders of the subsidiaries. However, while considering the amount invested in the subsidiaries, Company has considered the erstwhile shareholding pattern prior to dilution as the Management believes that the change in shareholding is temporary in nature and the shares pledged will be released back to the Company. However, these shares have been transferred to such lenders before December 31, 2023. The lenders have not made any adjustments to the loan outstanding as the lenders have not realised any amount on invocation of these shares. Since the shares are not listed it is not possible to attribute any value to the invoked shares.

review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a review. Accordingly, we do not express a conclusion.

We are also responsible for performing procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Due to the matters described in the paragraph 5 below, we were not able to obtain sufficient evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the Statement.

4. The Statement includes the results of the entities as per the attached Annexure I.

5. Basis for disclaimer of conclusion

- a. We draw attention to Note No.5 of the Consolidated Financial Results which describe the details in respect of amounts due from M/s. Mysore Amalgamated Coffee Estates Limited (MACEL) to the extent of Rs.1013.12 Crores as on 31-12-2023. As explained to us the company is in the process of recovery of the dues from related parties and taken necessary action as stated in the said notes and further there is no major recovery during this quarter.

Further SEBI as per its order dated 24.01.2023, on holding company M/s. Coffeeday Enterprises Limited (CDEL), has given a finding on the transfer of funds from the subsidiaries of CDEL (including the Company) to MACEL.

Coffee Day Global Limited
Consolidated limited review report (continued)

SEBI has directed the Holding Company (CDEL) to appoint an Independent Law firm in consultation with NSE within 60 days of this order, to take effective steps for recovery of dues and imposed a penalty of Rs. 25 Crores under section 15HA and Rs. 1 crore under section 15HB of the SEBI Act, 1992.

Thereafter, the Holding Company (CDEL) appealed against the above order dated 24th January 2023 to the Hon'ble Securities Appellate Tribunal (SAT). However, the SAT granted stay on imposition of penalty.

As per the orders of SEBI, the CDEL appointed an Independent Law Firm, Crest Law on 3rd April 2023 to take effective steps for recovery of dues from MACEL.

In the absence of any conclusive evidence demonstrated by the company for recoverability of the same, we are unable to comment on the recoverability, requirement or otherwise of provision on those receivables and consequential impact on these Consolidated Financial Results.

- b. Attention is drawn to Note 6 of the Consolidated Financial Results, wherein a sum of Rs.614.80 crores has been borrowed from seven lenders and further a sum of Rs.135.01 crores has been borrowed from Rabo bank International. The company has defaulted in repayment of interest and principal to these lenders. The company is in the process of financial restructuring with these lenders and accordingly the company has not recognised interest to the extent of Rs. 55.42 crores upto the Third quarter ended 31st December 2023. Pending settlement of the restructuring plan we are unable to comment on the provision of such interest and its impact in these financial statements.

6. Further, the impact of the aforesaid on this Statement, including but not limited to the profit attributable to the non-controlling interest in the Company, cannot be ascertained. Accordingly, the level of compliance to the requirements of the Indian Accounting Standards cannot be ascertained by us.

7. The company has not accrued interest due to parties registered under MSME Act, 2006 and impact of the same is not ascertainable in the Consolidated Financial Results. The management is of the opinion that the amount if any would not be material.

8. Disclaimer of conclusion

In view of the nature of the matters described in paragraph 5, '**Basis for disclaimer of conclusion**'; above for which absence of sufficient evidence has resulted in limitation on work and the consequent adjustments not being determined and based on the consideration of the review reports of the other auditors referred to in paragraph 8 below, we are unable to state whether the accompanying statement has been prepared in accordance with the recognition and measurement principles laid down in the relevant Indian Accounting Standards and other accounting principles generally accepted in India, or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
