- 1) We have reviewed the accompanying statement of Standalone Unaudited Financial Results of **Artemis Electricals and Projects Limited** (Formerly known as Artemis Electricals Limited) (the "Company") for the quarter ended 30 June 2022 (the "Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 2) This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. - 3) We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Emphasis of Matter

- 4) We draw attention to note - 6 to the standalone financial result, regarding the management's assessment of the Impact of COVID-19 on its business including but not limited to liquidity and going concern assumptions, recoverable values of its financial and non-financial assets and its increased efforts for their recovery and impact on revenues and costs for the quarter ended 30 June 2022 and based on its internal and external sources of information, sensitivity analysis of the assumptions used and its current estimates, the company expectation to recover its carrying amount of the aforesaid assets.
