Media Release

**“Lioness,” First Official Indo-U.K. Co-Production Underway, Being Produced by
TPHQ Along With Vikas Lifecare Limited”.**

February 16, 2024, New Delhi: Teamo Productions HQ Limited (TPHQ), along with Vikas Lifecare Limited, are pleased to present "Lioness," the inaugural official Indo-U.K. co-production under the 2008 bilateral treaty. "Lioness" featuring Aditi Rao Hydari and Paige Sandhu, is slated to commence filming from April 3rd 2024 in the United Kingdom and is partnered by both the National Film Development Corporation (NFDC) government of India and the British Film Institute (BFI) government of UK. Penned and directed by Kajri Babbar, daughter of iconic filmstar Raj Babbar, as her debut feature film, and produced by Mohaan Nadaar, Dr. Vikas Garg and Vaishalli Paatil.

About the movie “Lioness”:

“Lioness” narrates the tales of two British-Punjabi women from different eras. The first narrative, set in the early 1900s, intricately weaves the historical journey of Princess Sophia Duleep Singh, the youngest granddaughter of Maharajah Ranjit Singh and the god-daughter of Queen Victoria, with that of Simranjeet Kaur, a fictional character symbolising the experiences of an educated, married immigrant woman in 1990s Southall.

Bolstered by a distinguished team of high-profile professionals from India and the UK, including Peter Bance, DOP Bruce Melhuish, Rakesh Yadav as production designer, costume designer Lily Faith Knight, and Academy Award winner Resul Pookutty as sound designer. The ensemble cast features esteemed talents such as Edmund Kingsley, Javed Jaffery, Archana Puran Singh, Raj Babbar, Leona Vughan, Prateik Babbar, Anup Soni, Ragini Dwivedi, among others. Further, a number of well-known British actors are in the final stages of commercial negotiations, to be part of the project. Additionally, "Lioness" marks the international debut of Music Composer Khatija Rahman, daughter of A. R. Rahman.

Director Kajri Babbar expresses, “Lioness breaks stereotypes in women’s empowerment, shedding light on the historical impact of Indian women. Dispelling the notion of feminism as a Western concept, our film sparks conversations on the struggles that shaped today’s rights.”

Mohaam Nadaar, MD, TPHQ, adds, "Lioness commemorates a century since women in the UK gained the right to vote, a milestone echoed worldwide. While full suffrage took time, the film pays tribute to Princess Sophie Duleep Singh, a real-life advocate who fervently championed women's voting rights."

Adds Ketki Pandit, Founder and Company Director, TPHQ, "Lioness is about discovering the fascinating intersections between historical figures like Princess Sophia and ordinary women like Simranjeet."

Aditi Rao Hydari, who plays Simranjeet Kaur, shared her journey, stating, "My character Simranjeet, is an educated woman, married into a joint family set up in London. A chance opportunity at her workplace leads her to embark on a journey of discovering Princess Sophia Duleep Singh, thereby leading to a journey of self-discovery. It is a truly prestigious project for me to be a part of, both from a setup and also from a narrative's perspective, and I wholeheartedly look forward to it."

Shrabani Deodhar, National Award-Winning filmmaker and CEO of TPHQ, summed up by expressing her support, saying, "Lioness aligns perfectly with our vision. Kajri Babbar is doing a brilliant job in putting the film together, and her expertise ensures a captivating portrayal of Princess Sophia Duleep Singh's historical significance. This is also in line with the company's policy of promoting new talented directors and telling women empowerment stories."
