To The Board of Directors of Adani Ports and Special Economic Zone Limited

1. We have reviewed the accompanying Statement of Unaudited consolidated financial results of Adani Ports and Special Economic Zone Limited ('the Holding Company'), its subsidiaries, (the Holding Company and its subsidiaries together referred to as the 'Group') and its share of the net loss after tax and total comprehensive loss of its joint ventures for the quarter ended September 30, 2023 and the year to-date results for the period from April 01, 2023 to September 30, 2023 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('the Regulations').
2. This Statement, which is the responsibility of the Holding Company's Management and has been approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ('Ind AS 34') 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other recognised accounting principles generally accepted in India and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable

4. This Statement includes the results of the Holding Company and the entities as listed in Annexure 1 of this report.
5. As more fully described in Note 10 of the Statement, in May 2023, the Group re-negotiated the terms of sale of its container terminal under construction in Myanmar (held through a subsidiary audited by other auditors) with Solar Energy Limited, a company incorporated in Anguilla. The Group has represented to us that the buyer is not a related party. The sale consideration was revised from ₹ 2,015 crores (USD 260 million) to ₹ 246.51 crores (USD 30 million) and has been received during the quarter ended June 30, 2023. The carrying amount of the net assets (classified as held for sale in the previous year) was ₹ 1,518.15 crores and impairment provision of ₹ 1,273.38 crores had been recognised as an expense in the Statement of Profit and Loss in the year ended March 31, 2023.

Further, as more fully described in Note 9 to the Statement, pending outcome of regulatory proceedings, including matter relating to certain transactions with a fellow subsidiary of a party identified in the short seller report, involving EPC contracts having a balance of ₹ 1,548.19 crores as at September 30, 2023; we are unable to comment on the possible consequential effect thereof of these transactions and the transaction with respect to sale of asset described above, or any other transactions on any of the periods presented in the Statement and whether the Company should have complied with any applicable laws and regulations.

The erstwhile auditors had also qualified their report for the quarter ended June 30, 2023 and year ended March 31, 2023 in respect of these matters.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, with the exception of the matter described in the paragraph 5 and the possible effects thereof, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 and other recognised accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We draw attention to the following notes to the Statement:
 - a. Note 6 with regard to the matter relating to delay in achievement of scheduled commercial operation date ("COD" i.e., December 03, 2019, as stipulated under the concession agreement) of the international deep-water multipurpose seaport being constructed by Adani Vizhinjam Port Private Limited ("AVPPL") at Vizhinjam, Kerala (the "Project"). The matter has been referred to arbitration proceedings by AVPPL to resolve disputes relating to force majeure events and failure of the Authority of the concession to fulfil its obligations under the concession agreement, which AVPPL contends, contributed to the delay in achieving COD.
 - b. Note 12 which describes the uncertainty due to the war between Israel and Hamas and its impact on the operating results and financial position of the Group.

Our conclusion is not modified in respect of the above matters as prescribed in paragraphs 7 a) & b).

6 Adani Vizhinjam Port Private Limited ("AVPPL"), a wholly owned subsidiary of the Company was awarded Concession Agreement ("CA") dated August 17, 2015 by Government of Kerala for development of Vizhinjam International Deepwater Multipurpose Seaport ("Project"). In terms of the CA, the scheduled Commercial Operation Date ("COD") of the Project was December 03, 2019 extendable to August 30, 2020 with certain conditions. As at reporting date i.e. September 30, 2023, the Project development is still in progress although COD date is past due in terms of CA. In respect of delay in COD, AVPPL has made several representations to Vizhinjam International Sea Port Limited ("VISL", the Implementing Agency on behalf of the Government) and Department of Ports, Government of Kerala in respect to difficulties faced by AVPPL including reasons attributable to the government authorities and Force Majeure events such as Ockhi Cyclone, High Waves, National Green Tribunal Order and COVID 19 pandemic etc. which led to delay in development of the project and AVPPL not achieving COD.

Considering the above reasons and authority's rights to terminate the CA on completion of extendable COD date, AVPPL issued a Notice of Disputes to Secretary and Principal Secretary of Ports, Government of Kerala under Clause 45.1 of the CA on July 26, 2020 followed by a Notice of Conciliation on August 04, 2020 under Clause 45.2 of the CA. On November 07, 2020, AVPPL issued a Notice of Arbitration in terms of Clause 45.3 of the CA which led to commencement of the arbitration proceedings through appointment of the nominee arbitrator on behalf of the Authorities and presiding arbitrator respectively in the matter w.e.f. February 05, 2021 and February 25, 2021 respectively.

As at September 30, 2023, resolution of disputes with the VISL/Government authorities and the arbitration proceedings are still in progress. The Government Authorities continue to have right to take certain adverse action including termination of the Concession Agreement and levying liquidated damages at a rate of 0.1% of the amount of performance security for each day of delay in project completion in terms of the CA.

The management represents that the project development is in progress with revised timelines which has to be agreed with authorities. AVPPL's management represents that it is committed to develop the project and has tied up additional equity and debt funds and also received extension in validity of the environmental clearance from the Government for completion of the Project. Based on the above developments and on the basis of favorable legal opinion from the external legal counsel in respect of likely outcome of the arbitration proceedings, the management believes it is not likely to have significant financial impact on account of the disputes which are required to be considered for the purpose of these consolidated financial results.

Pending settlement of arbitration dispute with the Government of Kerala and project development being still under progress, AVPPL will revise the Project Cost including revision in expenditure during construction ("EDC") cost on account of various force majeure events which delayed the achievement of COD as per the terms of the CA. AVPPL has also applied for Viability Gap Funding ("VGF" or " Equity Support Grant") claim of ₹ 1,227 crore from the authority, as per the Article 25 of the CA and has received the final approval from Department of Economic Affairs ("DEA"), Government of India on October 10, 2022.

AVPPL is expecting the signing of the Tripartite Agreement as per the VGF guidelines in the coming months which is a prerequisite for disbursement of VGF. Concessionaire has submitted the claim for completion of 30% of Funded works amounting to ₹ 409.16 crore (Incl GST) which has been approved by Independent Engineer and Authority on February 09, 2023 and AVPPL is in receipt of part payment of ₹ 404.80 crore (Inc GST) as on September 30, 2023 and the balance amount is expected to be received in the coming months. Considering above, as at September 30, 2023, AVPPL has assessed the value in use of the Project based on the cost incurred till reporting date and additional cost including revision in EDC Cost which shall be incurred for completion of project. As per the assessment made by the management, the value in use of the Project continues to be positive with expected favorable settlement with the authorities and considering significant transshipment cargo business opportunity due to strategic location of the Project.

- 7 (i) On March 31, 2023, The National Company Law Tribunal ("NCLT") has passed the order approving the Company ("APSEZ") to be successful resolution applicant for Karaikal Port Private Limited ("KPPL") under Corporate Insolvency Resolution Process ("CIRP") with equity of ₹ 1 crore and debt of ₹ 1,485 crore.

During the previous quarter, subsequent to the formulation of new board of directors, the Company has exercised control over the KPPL and accordingly KPPL has been consolidated in the financial results w.e.f. April 04, 2023.

The group is in the process of making final determination of fair value of identified assets and liabilities for the purpose of purchase price allocation. Pending final determination, the business combination has been accounted based on provisional fair valuation report.

Considering the above, the results of current periods are not comparable with those of the corresponding previous year periods.

(ii) During the quarter, the Group has acquired 100% equity stake of Griptronics Enterprises Private Limited, Nabhganga Enterprises Private Limited, Agratas Projects Private Limited, Adrita Realtors Private Limited and Dependencia Infrastructure Private Limited for logistics business for consideration of ₹ 250.33 crore.

- 8 Effective from July 01, 2022, the Group, in line with its updated risk management approach, has designated highly probable foreign currency forecasted revenues as hedge item and non-derivative foreign currency financial liability of equivalent amount as hedging instrument under Cash Flow Hedge relationship. The amount parked in Other Comprehensive Income will be recycled to the Statement of Profit and loss as and when the underlying forecasted transactions occur. Gain / (loss) on foreign currency fluctuation on undesignated portion of foreign currency financial liabilities, ineffective portion of hedge and recycled amount from Other Comprehensive Income are recognised in Statement of Profit and Loss.

- 9 During the year ended March 31, 2023, a short seller report was published in which certain allegations were made on certain Adani Group Companies. A writ petition was filed in the matter with the Hon'ble Supreme Court ("SC"), and during the court proceedings, the Securities and Exchange Board of India ("SEBI") represented to the SC that it was investigating the allegations made in the short seller report for any violations of applicable SEBI Regulations. The SC in terms of its order had constituted an expert committee to investigate and advise into the various aspect of existing laws and regulations and also directed the SEBI to consider certain additional aspects in its scope. The Expert committee submitted its report, finding no regulatory failure. During the current quarter, SEBI has submitted its status report on investigation to the SC. The matter is subject to hearing by the SC.

One of the Company's EPC contractor, a fellow subsidiary of party identified in the short seller report, the net outstanding balance of the contractor as on reporting date significantly reduced to ₹ 1,548.19 crore as on September 30, 2023 (net of payables) in the normal course of business. The Company has obtained an independent opinion from a reputed law firm that the contractor is an unrelated party.

To uphold the principles of good governance, the Group had undertaken a review for the year ended March 31, 2023 by an independent law firm, whose opinion confirmed that (a) none of the alleged related parties mentioned in the short-seller report were related parties to the Company and its subsidiaries, under applicable frameworks; and (b) the Company and its subsidiaries are in compliance with the requirements of applicable laws and regulations. The Group has also provided its responses to the queries and information sought by the SEBI and the Stock Exchanges. Based on the foregoing and pending final outcome of the regulatory investigations and related proceedings as mentioned above, the management of the Company has decided not to carry out additional independent investigation in the matter. Accordingly, the unaudited consolidated financial results do not carry any adjustments in this regard.

- 10 During the previous quarter ended June 30, 2023, in line with guidance from the risk management committee and continued US Sanctions in Myanmar, the Group divested its investment in container terminal under construction in Myanmar (held through an overseas subsidiary) to Solar Energy Limited, an unrelated party for consideration of US\$ 30 million and consequently the overseas subsidiary as referred above ceased to be the subsidiary of the company. The Group has recorded write off on sale of investment against impairment provision taken in previous year amounting to ₹ 1,273.38 crore.

- 11 Under the new tax regime, Section 115BBA of the Income Tax Act 1961, a Company can elect to switch to the lower tax rate of 22% plus applicable surcharge and cess as against 30% plus applicable surcharge and cess in the existing regime.

A subsidiary Company has elected to adopt New Tax Regime from financial year 2022-23 onwards considering the recent management estimation of the taxable profit in future. Upon adoption of New Tax Regime w.e.f. financial year 2022-23, the MAT credit balance (which is not eligible to be carried forward in terms of the New Tax regime) of ₹ 455.16 Crore (Net of tax provision of ₹ 135.41 crore), for periods up to March 31, 2023, has been expensed and net impact of the above is shown as exceptional tax expense in the current quarter and half year ended September 30, 2023.

- 12 The Group effectively own 70% stake of the Haifa Port, Israel and is closely monitoring the ongoing war situation, the eventual impact, if any of which is uncertain non determinable as of now. As of the date of release of these results there is neither adverse impact on the operation nor any other material impact on consolidated financial results.

Independent Auditor's Review Report on unaudited standalone financial results for the quarter and year to date of Adani Ports and Special Economic Zone Limited pursuant to the Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To The Board of Directors of Adani Ports and Special Economic Zone Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Adani Ports and Special Economic Zone Limited** ('the Company') for the quarter ended September, 2023 and the year to-date results for the period from April, 2023 to September, 2023 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (' the Regulations').
2. This Statement, which is the responsibility of Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ('Ind AS 34') 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder, and other recognised accounting principles generally accepted in India and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. As more fully described in Note 8 to the Statement, in May 2023, the Company re-negotiated the terms of sale of its container terminal under construction in Myanmar (held through a subsidiary audited by other auditors) with Solar Energy Limited, a company incorporated in Anguilla. The Company has represented to us that the buyer is not a related party. The sale consideration was revised from ₹ 2,015 crores (USD 260 million) to ₹ 246.51 crores (USD 30 million) and has been received during the quarter ended June 30, 2023. The carrying amount of the net assets (classified as held for sale in the previous year) was ₹ 1,752.92 crores and impairment provision of ₹ 1,558.16 crores had been recognised as an expense in the Statement of Profit and Loss in the year ended March 31, 2023.

Further, as more fully described in Note 9 to the Statement, pending outcome of regulatory proceedings, including matter relating to certain transactions with a fellow subsidiary of a party identified in the short seller report, involving EPC contracts having a balance of ₹ 1,627.96 crores as at September 30, 2023; we are unable to comment on the possible consequential effect thereof of these transactions and the transaction with respect to sale of asset described above, or any other transactions on any of the periods presented in the Statement and whether the Company should have complied with any applicable laws and regulations.

The erstwhile auditors had also qualified their report for the quarter ended June 30, 2023 and year ended March 31, 2023 in respect of these matters.

5. Based on our review conducted as stated in paragraph 3 above, with the exception of the matters described in the paragraph 4 and the possible effects thereof, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 and other recognised accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to the following notes to the Statement:

- a. Note 6 with regard to the matter relating to delay in achievement of scheduled commercial operation date ("COD" i.e., December 03, 2019, as stipulated under the concession agreement) of the international deep-water multipurpose seaport being constructed by Adani Vizhinjam Port Private Limited ("AVPPL") at Vizhinjam, Kerala (the "Project"), in which the Company has significant investment. The matter has been referred to arbitration proceedings by AVPPL to resolve disputes relating to force majeure events and failure of the Authority of the concession to fulfil its obligations under the concession agreement, which AVPPL contends, contributed to the delay in achieving COD.
- b. Note 10 which describes the uncertainty due to the war between Israel and Hamas and its impact on the operating results and financial position of the Company as a result of its significant investment in Haifa Port Limited (Israel). The Company owns investments in Haifa Port Limited (Israel) through its subsidiary viz. Mediterranean International Ports A.D.G.D Limited.

Our conclusion is not modified in respect of the above matters.

7. The Statement includes the interim financial information of one branch which is not subject to review, whose interim financial information reflect total assets of ₹ 14.90 crores as at September 30, 2023, and total revenue of ₹ * crores and ₹ 13.29 crores, total net profit/(loss) after tax of ₹ (0.10) crores and ₹ 7.37 crores and total comprehensive Income/(loss) of ₹ (0.10) crores and ₹ 7.37 crores for the quarter ended September 30, 2023, and for the period from April 01, 2023 to September 30, 2023, respectively, and cash flows (net) of ₹ 7.15 crores for the period from April 01, 2023 to September 30, 2023, as considered in the Statement. This interim financial information has been furnished to us by the Management and our conclusion on the Statement in so far as it relates to the amounts and disclosures included in respect of this branch is based solely on such management prepared unaudited interim financial information. According to the information and explanations given to us by the Management, the interim financial information of this branch is not material to the Company.

Our conclusion is not modified in respect of the above matter.

8. The review of standalone unaudited financial results of the Company for the quarter and period ended September 30, 2022, quarter ended June 30, 2023 and audit of standalone financial results for the year ended March 31, 2023 were carried out and reported by another auditor who had expressed an unmodified conclusion vide their report dated November 1, 2022, qualified conclusion / opinion vide their reports dated August 08, 2023 and audit report dated May 30, 2023, respectively. These reports have been furnished to us and have been relied upon by us, for the purpose of our review of the Statement. Our conclusion is not modified in respect of this matter.

- 6 Adani Vizhinjam Port Private Limited ("AVPPL"), a wholly owned subsidiary of the Company was awarded Concession Agreement ("CA") dated August 17, 2015 by Government of Kerala for development of Vizhinjam International Deepwater Multipurpose Seaport ("Project"). In terms of the CA, the scheduled Commercial Operation Date ("COD") of the Project was December 03, 2019 extendable to August 30, 2020 with certain conditions. As at reporting date i.e. September 30, 2023, the Project development is still in progress although COD date is past due in terms of CA. In respect of delay in COD, AVPPL has made several representations to Vizhinjam International Sea Port Limited ("VISL", the Implementing Agency on behalf of the Government) and Department of Ports, Government of Kerala in respect to difficulties faced by AVPPL including reasons attributable to the government authorities and Force Majeure events such as Ockhi Cyclone, High Waves, National Green Tribunal Order and COVID 19 pandemic etc. which led to delay in development of the project and AVPPL not achieving COD.

Considering the above reasons and authority's rights to terminate the CA on completion of extendable COD date, AVPPL issued a Notice of Disputes to Secretary and Principle Secretary of Ports, Government of Kerala under Clause 45.1 of the CA on July 26, 2020 followed by a Notice of Conciliation on August 04, 2020 under Clause 45.2 of the CA. On November 07, 2020, AVPPL issued a Notice of Arbitration in terms of Clause 45.3 of the CA which led to commencement of the arbitration proceedings through appointment of the nominee arbitrator on behalf of the Authorities and presiding arbitrator respectively in the matter w.e.f. February 05, 2021 and February 25, 2021 respectively.

As at September 30, 2023, resolution of disputes with the VISL/Government authorities and the arbitration proceedings are still in progress. The Government Authorities continue to have right to take certain adverse action including termination of the Concession Agreement and levying liquidated damages at a rate of 0.1% of the amount of performance security for each day of delay in project completion in terms of the CA.

The management represents that the project development is in progress with revised timelines which has to be agreed with authorities. AVPPL's management represents that it is committed to develop the project and has tied up additional equity and debt funds and also received extension in validity of the environmental clearance from the Government for completion of the Project. Based on the above developments and on the basis of favorable legal opinion from the external legal counsel in respect of likely outcome of the arbitration proceedings, the management believes it is not likely to have significant financial impact on account of the disputes which are required to be considered for the purpose of these financial results.

Pending settlement of arbitration dispute with the Government of Kerala and project development being still under progress, AVPPL will revise the Project Cost including revision in expenditure during construction ("EDC") cost on account of various force majeure events which delayed the achievement of COD as per the terms of the CA. AVPPL has also applied for Viability Gap Funding ("VGF" or "Equity Support Grant") claim of ₹ 1,227 crore from the authority, as per the Article 25 of the CA and has received the final approval from Department of Economic Affairs ("DEA"), Government of India on October 10, 2022.

AVPPL is expecting the signing of the Tripartite Agreement as per the VGF guidelines in the coming months which is a prerequisite for disbursement of VGF. Concessionaire has submitted the claim for completion of 30% of Funded works amounting to ₹ 409.16 crore (Incl GST) which has been approved by Independent Engineer and Authority on February 09, 2023 and AVPPL is in receipt of part payment of ₹ 404.80 crore (Inc GST) as on September 30, 2023 and the balance amount is expected to be received in the coming months. AVPPL has intimated to Government of Kerala the completion of 60% of Funded Works in July 2023 which is pending in approval of Independent Engineer.

Considering above, as at September 30, 2023, AVPPL has assessed the value in use of the Project based on the cost incurred till reporting date and additional cost including revision in EDC Cost which shall be incurred for completion of project. As per the assessment made by the management, the value in use of the Project continues to be positive with expected favorable settlement with the authorities and considering significant transshipment cargo business opportunity due to strategic location of the Project.

7 On March 31, 2023, The National Company Law Tribunal ("NCLT") has passed the order approving the Company ("APSEZ") to be successful resolution applicant for Karaikal Port Private Limited ("KPPL") under Corporate Insolvency Resolution Process ("CIRP") with equity of ₹ 1 crore and debt of ₹ 1,485 crore. During the previous quarter, subsequent to the formulation of new board of directors, the Company has exercised control over the KPPL and accordingly KPPL has become wholly owned subsidiary w.e.f. April 04, 2023.

8 During the previous quarter ended June 30, 2023, in line with guidance from the risk management committee and continued US sanctions in Myanmar, the Company divested its investment in container terminal under construction in Myanmar (held through an overseas subsidiary) to Solar Energy Limited, an unrelated party for a consideration of US\$ 30 Million and consequently the overseas subsidiary as referred above ceased to be the subsidiary of the Company. The Company has recorded write off on sale of investment against an impairment provision taken in previous year amounting to ₹ 1,558.16 crore.

9 During the year ended March 31, 2023, a short seller report was published in which certain allegations were made on certain Adani Group Companies. A writ petition was filed in the matter with the Hon'ble Supreme Court ("SC"), and during the court proceedings, the Securities and Exchange Board of India ("SEBI") represented to the SC that it was investigating the allegations made in the short seller report for any violations of applicable SEBI Regulations. The SC in terms of its order had constituted an expert committee to investigate and advise into the various aspect of existing laws and regulations and also directed the SEBI to consider certain additional aspects in its scope. The Expert committee submitted its report, finding no regulatory failure. During the current quarter, SEBI has submitted its status report on investigation to the SC. The matter is subject to hearing by the SC.

One of the Company's EPC contractor, a fellow subsidiary of party identified in the short seller report, the net outstanding balance of the contractor as on reporting date significantly reduced to ₹ 1,627.96 crore as on September 30, 2023 (net of payables) in the normal course of business. The Company has obtained an independent opinion from a reputed law firm that the contractor is an unrelated party.

To uphold the principles of good governance, the Company had undertaken a review for the year ended March 31, 2023 by an independent law firm, whose opinion confirmed that (a) none of the alleged related parties mentioned in the short-seller report were related parties to the Company or its subsidiaries, under applicable frameworks; and (b) the Company is in compliance with the requirements of applicable laws and regulations. The Company has also provided its responses to the queries and information sought by the SEBI and the Stock Exchanges. Based on the foregoing and pending final outcome of the regulatory investigations and related proceedings as mentioned above, the management of the Company has decided not to carry out additional independent investigation in the matter. Accordingly, the unaudited standalone financial results do not carry any adjustments in this regard.

10 The Company effectively owns 70% stake of the Haifa Port, Israel and is closely monitoring the ongoing war situation, the eventual impact, if any of which is uncertain non determinable as of now. As of the date of release of these results there is neither adverse impact on the operation nor any other material impact.

11 Subsequent to the reporting period:

(i) Pursuant to approval of the Finance Committee and the Board of Directors of the Company in their meeting held on September 27, 2023, the Company has completed the early settlement of Notes tendered pursuant to the Tender Offer to purchase for cash up to US\$ 195 million in aggregate principal amount of the outstanding 3.375% Senior Notes due in 2024 (the "Notes") on October 12, 2023. Subsequently, the Company has cancelled US\$ 195 million of the outstanding Notes and gain of ₹ 40.55 crore recognised during the quarter ended September 30, 2023.

(ii) Subsequent to the quarter, on October 23, 2023, Udanvat Leasing IFSC Limited has been incorporated as a wholly owned subsidiary of the Company with object to carry out business activity of owning and leasing of Aircrafts.

Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
9. Accordingly, we have performed the following procedures in relation to the Statement:
 - a) Verified and read the Debenture Trust Deed entered between the Holding Company and its Debenture trustee and noted that, the Holding Company is required to maintain a security cover in respect of such debentures as indicated in the Statement (based on book values);

 - d) Understood the nature of charge (viz exclusive charge or pari-passu charge) on the asset of the Group by obtaining the list and value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of Security Cover in respect of listed, secured, redeemable non-convertible debt security;
 - e) Examined and verified the arithmetical accuracy of the computation of security cover ratio (based on book values) mentioned in the accompanying the Statement;
 - f) Compared the Security Cover with the Security Cover required to be maintained as per Debenture Trust Deed;
 - g) Obtained the workings of assets and liabilities presented in the respective columns in the Statement and verified the same from the unaudited books of account of the Group and relevant records and documents.
 - h) Performed necessary inquiries with the management and obtained necessary representations.
10. The financial statements for the financial year ended 31 March 2023 have been audited by other auditors, whose reports have been furnished to us by the Management, on which the other auditors have issued a modified audit opinion vide their report dated May 30, 2023.

12. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Conclusion

13. Based on the procedures performed as referred to in paragraph 9 above and according to the information, explanations and representations provided to us by the Management of the Holding Company, nothing has come to our attention that causes us to believe that the book values of the assets of the Group contained in Columns A to J of the Statement are not in agreement with the unaudited books of account of the Group for the period ended and as at September 30, 2023 and other relevant records and documents maintained by the Group and that the Holding Company has not complied with financial covenants of the debentures.

6. Pursuant to the requirements of the Regulations, it is our responsibility to obtain sufficient appropriate evidence to provide limited assurance and form a conclusion as to whether the book values of the assets of the Company contained in Columns A to J of the Statement have been accurately extracted and ascertained from the unaudited books of account of the Company and other relevant records and documents maintained by the Company, and whether the Company maintained the asset cover and complied with the financial covenants as per the Debenture Trust Deed. Our responsibility does not include the evaluation of adherence by the Company with all the applicable Regulations.
7. For the purposes of this report, we have relied on the unaudited books of account of the Company for the period ended September 30, 2023 and information and documents as made available to us by the Company.
8. A limited assurance engagement involves making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. The procedures performed vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
9. Accordingly, we have performed the following procedures in relation to the Statement:
 - a) Verified and read the Debenture Trust Deed entered between the Company and its Debenture trustee and noted that, the Company is required to maintain a security cover in respect of such debentures as indicated in the Statement (based on book values);
 - b) Traced and agreed the principal amount and the interest thereon of borrowings outstanding in respect of debt securities and assets available for debt securities as at September 30, 2023 to the unaudited books of account maintained by the Company as at September 30, 2023;
 - c) Obtained and read the list of security cover in respect of debenture outstanding as per the Statement and traced the value of assets from the Statement to the unaudited books of account of the Company and correlated to the books of account and other records of the Company as at September 30, 2023;
 - d) Understood the nature of charge (viz exclusive charge or pari-passu charge) on the asset of the Company by obtaining the list and value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of Security Cover in respect of listed, secured redeemable non-convertible debt security;
 - e) Examined and verified the arithmetical accuracy of the computation of security cover ratio (based on book values) mentioned in the accompanying the Statement;
 - f) Compared the Security Cover with the Security Cover required to be maintained as per Debenture Trust Deed;
 - g) Obtained the workings of assets and liabilities presented in the respective columns in the Statement and verified the same from the unaudited books of account and relevant records and documents;
 - h) Performed necessary inquiries with the management and obtained necessary representations.
10. The financial statements for the financial year ended 31 March 2023 have been audited by other auditors, whose reports have been furnished to us by the Management, on which the other auditors have issued a modified audit opinion vide their report dated May 30, 2023.

11. We conducted our examination of the Statement in accordance with the 'Guidance Note on Reports or Certificates for Special Purposes' ("the Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). 12. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Conclusion

13. Based on the procedures performed as referred to in paragraph 9 above and according to the information, explanations and representations provided to us by the Management of the Company, nothing has come to our attention that causes us to believe that the book values of the assets of the Company contained in Columns A to J of the Statement are not in agreement with the unaudited books of account of the Company for the period ended and as at September 30, 2023 and other relevant records and documents maintained by the Company and that the Company has not complied with financial covenants of the debentures.
