Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless process.

Pricing of Preferential Issue:

In terms of the provisions of Regulation 164 of the SEBI ICDR Regulations, the minimum price at which the Equity may be issued computes to Rs. 150/-.

Basis on which the price has been arrived at:

The equity shares of Company are listed and the equity shares of the Company are not frequently traded on Stock Exchanges, viz., BSE Limited ("BSE") in accordance with SEBI (ICDR) Regulations, 2018.

The issue price is determined in accordance with the Regulations as applicable for Preferential Issue as contained in Chapter V of the SEBI (ICDR) Regulations, 2018 as amended till date.

Pursuant to applicable provisions of the Companies Act, 2013, Companies (Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debenture) Rules, 2014, and ICDR Regulations, the Company has obtained a valuation report dated 29th August, 2024 "Valuation Report") from Mr. Bhavesh M. Rathod, an Independent Registered Valuer (copy enclosed), who have determined the fair value of the equity shares of the Company to be Rs. 150/- per share.

Justification for pricing of preferential issue:

As per Regulation 166A (1) of the SEBI (ICDR) Regulations-

Any preferential issue, which may result in a change in control or allotment of more than five per cent of the post issue fully diluted share capital of the issuer, to an allottee or to allottees acting in concert, shall require a valuation report from an independent registered valuer and consider the same for determining the price.

Provided that the floor price, in such cases, shall be higher of the floor price determined under sub-regulation (1), (2) or (4) of regulation 164, as the case may be, or the price determined under the valuation report from the independent registered valuer or the price determined in accordance with the provisions of the Articles of Association of the issuer, if applicable.

The Articles of Association of the Company **do not provide** for any particular method of determination which results in a floor price higher than the determined under SEBI (ICDR) Regulations. However as proposed allotment is more than 5% of the post issue fully diluted Equity Share Capital of the Company, to the allottees the pricing of the equity shares shall be the higher of the following parameters:

- i. **Price determined as per provisions of the Regulation 164(1) of the SEBI (ICDR) Regulations (frequently traded shares):** The shares of the Company are not frequently traded shares, so Regulation 164(1) of SEBI (ICDR) Regulations is Not Applicable
- ii. **Price determined as per provisions of the Regulation 166A (1) of the SEBI (ICDR) Regulations:**

In terms of Regulation 166A(1) of the SEBI (ICDR) Regulations, the Company has taken Valuation Report dated 29th August, 2024 from Mr. Bhavesh M Rathod, an Independent Registered Valuer- Securities and Financial Assets, having Registration No: IBBI/RV/06/2019/10708, UDIN: 24119158BKAFLF3326 arriving at Rs. 150/- and the copy of the same has been hosted on the website of the Company which can be accessed at <https://sajaydevelopers.com/investors/corporate-announcements/>

The issue price for this Preferential Issue is Rs. 150/- per equity share (Face Value Rs. 10/- each including Premium of Rs. 140/- each). Since the shares of the Company are not frequently traded shares; price determination in accordance with Regulation 164(1) of SEBI (ICDR) Regulations is not applicable and price determined by registered valuer is considered as per Regulation 166A(1) and 165 of SEBI (ICDR) Regulations.

There is no change in the management or control of the Company pursuant to the aforesaid issue and allotment of the equity shares and therefore there is no requirement of a reasoned recommendation from a committee of independent directors of the issuer.

Intention of Promoters / Directors / Key Managerial Personnel to subscribe to the Preferential Offer:

None of the Promoter, Director and Key Managerial Personnel intends to subscribe to the proposed issue.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(Referred to in paragraph 2 (e) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of SHREE SALASAR INVESTMENTS LIMITED on the financial statements as of and for the year ended March 31,2024)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SHREE SALASAR INVESTMENTS LIMITED**, as of March 31, 2024, in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential Company of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Company of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables) and from its financing activities (deposits with banks and other financial instruments).

Credit risk management

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's maximum exposure to credit risk as at 31st March, 2024 and 31st March, 2023 is the carrying value of each class of financial assets.

(I) Trade and other receivables

Concentration of credit risk with respect to trade receivables are low, due to the Company's customer base being limited. All trade receivables are reviewed and assessed for default on a quarterly basis. Based on historical experience of collecting receivables indicate a low credit risk.

(II) Cash and Cash Equivalents

The Company held cash and bank balance with credit worthy banks of Rs. 4.83 Lakh at March 31, 2024 (March 31, 2023: Rs. 1.66 Lakh). The credit risk on cash and cash equivalents is limited as the Company generally invests in deposits with banks where credit risk is largely perceived to be extremely insignificant.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities – trade payables.

Liquidity risk management

The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could undermine the Company's credit rating and impair investor confidence.

i. Trade payables	3.7425443	1.91	4.96	3.20
Total	3.74	1.91	4.96	3.20

C. Market risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments.

i) Currency Risk

The functional currency of the Company is Indian Rupee. Currency risk is not material, as the Company does not have any exposure in foreign currency.

ii) Interest Rate Risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates.

Exposure to interest rate risk

According to the Company interest rate risk exposure is only for floating rate borrowings. Company does not have any floating rate borrowings on any of the Balance Sheet date disclosed in this financial statements.

iii) Price Risk

Price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. It arises from financial assets such as investments in quoted instruments.

a. Fair value sensitivity analysis for fixed rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss.

Therefore, a change in interest rates at the reporting date would not affect Profit or Loss.

b. Cash flow sensitivity analysis for variable rate Instruments

The company does not have any variable rate instrument in Financial Assets or Financial Liabilities.

The company is exposed to price risk from its investment in equity instruments classified in the balance sheet at fair value through other comprehensive income.

COMPANY OVERVIEW

SHREE SALASAR INVESTMENTS LIMITED has been incorporated on 03-10-1980 having registered office in Mumbai, India. It has its investment in Real Estate Developer Assets in India.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

i Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the company has adopted Indian Accounting Standards ("referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from April 1, 2016. Previous year figures in the financial statements have been restated in compliance to Ind AS.

ii Basis of preparation of financial statements

The financial statements are prepared in accordance with Division II of the Schedule III of the Companies Act, 2013 i.e. "General Instructions for preparation of financial statements of a company required to comply with Ind AS" as notified vide notification number G.S.R. 404(E) dated 06.04.2016 and Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements are prepared under the historical cost convention, except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policy below.

iii Use of estimates and judgements

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

Estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

iv Revenue recognition

Income is recognised and accounted for on accrual basis unless otherwise stated.

v Changes in Accounting policies

The accounting policies adopted are consistent with those of previous financial year. The management assures that there has been no change in accounting policies as compared to that of previous year which would have any significant effect on these financials.

v Taxes on Income

Current tax is determined and provided for on the amount of taxable income at the applicable rates for the relevant financial year. Deferred Tax Assets and Liabilities (DTA / DTL) are recognised on timing differences, being the difference between taxable income and accounting income that originate in one period and is capable of reversal in one or more subsequent periods. The DTA is recognised only to the extent that there is virtual certainty of sufficient future profits against which such DTA can be realised.

vi Financial instruments

Initial recognition and measurement

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Subsequent measurement

Financial assets:

Derecognition

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

vii Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

viii Provisions & contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. The contingent liabilities, if any, are disclosed in the financial statements.

ix Events occurring after the reporting period

Adjustments to assets and liabilities are made for events occurring after the reporting period to provide additional information materially affecting the determination of the amounts of assets or liabilities relating to conditions existing at the reporting date.

x Earnings per equity share

1.07

xi Cash flow statement

Cash flows are reported using indirect method, whereby profits for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xii Other income

Other income is comprised primarily of interest income, dividend income and income from liabilities no longer payable. Interest income is recognized using effective interest method. Dividend income is recognised when the right to receive payment is established.

xiii Fair value measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1.1. Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 1.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- 1.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- 1.4. Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company and its associate to cease to continue as a going concern.
- 1.5. Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- 1.6. The Parent Company and its subsidiary incorporated in India has not declared or paid any dividend during the year.
- 1.7. Obtain sufficient appropriate audit evidence regarding the financial results of the entities within the Company and its associate to express an opinion on the consolidated financial results. We are responsible for the direction, supervision, and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors.

Principles of consolidation accounting

The consolidated financial Statements are consolidated in accordance with Ind AS 110

Subsidiaries

Subsidiaries are all entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated financial Statement of Profit and Loss and Balance Sheet respectively

Basis of preparation

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (‘the Act’) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, other relevant provisions of the Act and the RBI guidelines / regulations to the extent applicable on an accrual basis.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured at fair value.

Functional and presentation currency

The standalone financial statements are presented in Indian Rupee (‘INR’) which is also the Company’s functional currency and all values are rounded to Lakh, except when otherwise indicated.

Notes to these consolidated financial statements are intended to serve as a means of informative disclosure and a guide to better understanding of the consolidated position of the companies. Recognising this purpose, the Company has disclosed only such notes from the individual financial statements, which fairly present the needed disclosures.

The accounting policies, notes and disclosures made by the parent are best viewed in its standalone financial statements to which these consolidated financial statements are attached.
