## **Award for Energy Conservation**

**Muktsar, Punjab 26<sup>th</sup> Aug, 2021: *Satia Industries Limited (SIL)*, one of the largest Wood and Agro-based paper manufacturers in India, has been adjudged for the 1<sup>st</sup> Prize for its outstanding efforts in the field of Energy Conservation in the State Level Energy Conservation Award Competition.**

SIL participated in the State Level Energy Conservation Award Competition and was awarded the First position along with a cash award of Rs. 50,000/- for its efforts in the field of Energy conservation by adopting new technologies and process optimization during the years 2018-19 and 2019- 20 organized by Punjab Energy Development Agency, Chandigarh under the Category of Energy Intensive Industries in Pulp and Paper sector.

Over the past few years, it has been a continuous effort in SIL by way of Energy Audits pinpointing processes and equipment consuming abnormally high energy, finding and implementing alternative solutions besides plugging waste and recovering heat to economize and reduce overall energy consumption per unit of production.

SIL's continuous efforts and investment in Energy Conservation has thankfully been recognized and awarded by the government. SIL remains committed to continuous endeavor and sincere efforts to conserve energy thus contributing to national mission to optimize energy consumption and produce economically too.

### **About Satia Industries Limited;**

**Satia Industries Limited (SIL)**, is one of the largest Wood and Agro-based paper manufacturers in India. SIL was incorporated by Dr. Ajay Satia in 1980 and commenced its operations in 1984 with a small capacity of 4850 tonne per year. It surprisingly overtook many of its peers in production, to achieve 115,000 MT in FY21 implying a capacity utilisation of ~117%. SIL has entered in a formal association with Zume, a US-based global brand in sourcing of packaging products used for meal boxes, beverages and Face Masks, etc. In last three decades, SIL has witnessed a complete transformation in its operations and it has become fully backward integrated having integrated pulping, chemical recovery, and power self-sufficiency. **SIL has 540 acres of eucalyptus plantations, developed as per Karnal Technology, consumes total treated water discharge**, and also compliments the future wood raw material requirements. SIL has a strong **Pan-India distribution network with 70+ dealers and 3 branch offices located in Delhi, Chandigarh & Jaipur with total Employee strength of 1,264+**
